tuazione che , d'altra parte, lo spirito stesso di umanità e di imparzialità di cotesta On/le Commissione non potrà che giudicare esiziale, così per il Giovine in parola come per il ricorrente suo Padre.

Il sottoscritto non chiede altro a cotesta On/le Commissione , se non che si faccia ormai sollecita giustizia come del resto é già stato fatto nei confronti di molti altri ex compagni del suddetto Omero Taccini, i quali furono rimandati alle loro famiglie a ricominciare (guariti dal male nefasto delle pasioni politiche) la loro onesta seppure difficilissima vita.

Con fiducia, gratitudine e ossequio il sottoscritto si conferma intanto di cotesta On/le Commissione Devotissimo -

Declassified E.O. 12356 Section 3.3/NND No. 785016

Rimini, 8 luglio 1946

Beatissimo Padre,

umilmente prostrati ai piedi di Vostra Santita' i quattrocento internati civili del 370 P.O.W. Camp in Rimini implorano con filiale rispetto il clemente e possente aiuto del Capo della Cristianita'

La Santita' Vostra avra' certamente conosciuto per il tramite dei suoi inviati le nostre vicende attraverso i campi di concentramento di Padula, di Torni ed ora a Rimini. Le periodiche visite di S.E. Mons. RIBERI e l'Assistenza spirituale e materiale prestataci dai cappellani del campo ci hanno fatto sentire con sincera commozione la instancabile bonta' di vostra Santita, diretta a confortare noi e le nostre famiglie. Ma ora la nostra situazione e diventata addirittura tragica: non tanto materialmente, quanto moralmente. La maggior parte di noi e' prigioniera da piu' di due anni ed ha ognora presenti le tristi condizioni delle proprie famiglie, private del valido e spesso unico sostegno del capo famiglia e non puo' dimenticare quanto sia difficile oggi vivere onestamente e quanto lo sia di piu' mano mano che questa detenzione si prolunga.

Gia' fu molto triste per noi, a Terni, il vederci esclusi nel mese di aprile dalle liste dei 650 usciti, ma ancor piu' lo e' oggi nell'apprendere l'amnistia concessa dal Governo Italiano e la liberta' condizionata concessa dagli alleati.

Noi, per cui non fu celebrato alcun processo, noi che in gran parte fummo assolti in istruttoria e che sicuramente non abbiamo le responsabilita' di molti ora gia' liberi, siamo ancora detenuti.

Nessuno di noi, Santo Padre, deve essere processato, poiche' le autorita' italiane prelevarono i colpiti da mandato di cattura; nessuno di noi spera per il domani altro che lavoro e famiglia.

Animati da questi sentimenti cristiani e dalla certezza di non essere colpevoli ci permettiamo di implorare il paterno interessamento di Vostra Santita presso le Autorita' Italiane e Alleate onde por fine al travaglio morale e fisico di noi quattrocento prigionieri, che con filiale rispetto Vi preghiamo di confortarci e di confortare le nostre famiglie con la Vostra Apostolica Benedizione.

My dear Mr. Prime Minister:

With reference to your 73387/50077.4.2.4.2 of 25th June.

I am glad to be able to inform you that the military authorities have agreed that the majority of the internees held on security grounds will be released as fast as administratively possible.

Only those Italian subjects who are considered to constitute a direct threat to the security of the Allied Forces will be retained in custody.

The number of Italian subjects held on July 17th was 373. Since that date, 95 have been released.

Arrangements have been made for notification of all releases to be sent to the Ministry of Interior.

As regards the matter of the application of the Amnesty and Pardon decree, or some similar act of clemency in the case of persons sentenced for offences committed to the detriment of the Allies, I have, my dear Mr Prime Minister, referred this question to higher authority and am awaiting a decision.

Yours very truly,

Subject: CASETTA, Attilio -

The a/m subject has been acquitted owing to the recent Italian amnesty but not yet released from Grosseto prison because he should be re-interned in an Allied Concentration Camp. -

Undoubtly there should be an equivocation because the a/m - already interned in the Camp of Padula - was sent, as a prisoner of war, to Afragola and from there to Algeria.

As he took sick (bronchitis with emfisema), he was set free and handed over to the Italian Authorities who gave him a three-months leave - His number, as a prisoner of war, was 104494.

When he arrived at his native country, he was arrested and referred to the Special Court of Assise which ordered his release to free him -

In these conditions I do not think 6499 any element may subsist to restrain him

Declassified E.O. 12356 Section 3.3/NND No. 785016

and that the internment communicated to the Questura of Grosseto is object of an equivocation -

However I hope this Allied Command will give back the liberty to a workman who has lost it since July 1945 -

Any communication will be pleased.

Certo CASETTA ATTILIO da Pitigliano (Grosseto) è stato recentemente prosciolto dall'accusa di collaborazionismo a seguito di amnistia, ma non è stato rilasciato dal carcere di Grosseto, essendovi presso la locale Questura un ordine di cotesta Commissione per il ricovero in un campo di concentramento. Indubbiamente nel caso deve esservi qualche equivoco, poichè esso Casetta, già internato in un primo momento nel Campo di Padula, fu, nel Febbraio 1945, inviato, come prigioniero di guerra a Fragola e da lì in Algeria. Sopravvenuta una malattia di una certa gravità (Bronchite con enfisema), fu rilasciato in libertà in data 11 Luglio 1945 e, restituito alle autorità italiane, queste gli assegnarono una licenza di convalescenza per tre mesi. Il Casetta aveva il numero di matricola, presso il campo dei prigionieri di guerra, n. 104494.

Giunto in licenza la paese nativo, fu trattenuto in arresto e deferito alla Corte d'Assise Straordinaria, che ha deciso per la sua scarcerazione.

In queste condizioni io penso remissivamente che nei suoi confronti non possa sussistere alcun elemento per trattenerlo e che il vincolo comunicato alla Questura di Grosseto debba essere frutto di un qualche equivoco. Comunque, data la irrilevanza della persona (si tratta di un modestissimo operaio), nei confronti della quale la popolazione di Pitiglia no non ha mai sollevato questioni, cotesta Commissione potrà revocare il vincolo, restituendo al Casetta quella libertà, che egli ha perduto dal Lu

SUBJECT: AZZI Angelo.

I undersigned Azzi Ada - wife of the a/m subject presently interned at Massa Apuania judiciary jail at dispesition of the Allied Authorities - beg you to please re-examine the position of my husband.

He was arrested by the Italians on charges with political reasons and turned over to the Allied Authorities. On July 14,1944 he was sent to the Camp of Aversa (Naples), photographed and matriculated. He does not remember his matricula number.

After 5 days permanence in Aversa, he was sent to Padula where he arrived there between 19 and 20 of the same month. The Camp of Padula was commanded by the English Authorities.

He remained at Padula until March 7, 1945 and then was turned over to the Italian Authorities to face trial. It was in that occasion that the English Authorities noted on his documents that he was always at Allied disposition.

My husband was sentenced by the Court of Assise of Grosseto and at last acquitted owing to the Italian amnesty.

However the amnesty - due to the a/m note put by the Allies on his documents - could not be granted to him and he is still in Apuania Masse judiciary prison.

I beg you, sir, to please take an interest in this matter and ask the liberation for my husband. I also beg you to cousider that it is about two years since I'm alone with my children without help and assistance.

Had I been able I would have come personally to you, but my poverty has hindered me to do so. Thanking before hand, yours

Io sottoscritta Azzi Ada, moglie di AZZI ANGELO, presentemente detenuto nel carcere giudiziario di Massa Apuania a disposizione della Commissione Alleata, mi rivolgo alla Vostra Signoria perchè voglia interessarsi del caso di mio marito.

Pertanto espongo quanto segue:

AZZI ANGELO, mio marito, fu arrestato dagli italiani per ragioni politiche e consegnato alle Autorità Alleate. Il 14 luglio 1944 fu condotto nel campo di Aversa (Napoli) comandato dalle Autorità Americane. Lì fu fotografato e immatricolato. Non ricorda la matricola.

Dopo 5 giorni di permanenza ad Aversa fu condotto a Padula dove giunse tra il 19 e il 20 dello stesso mese. Il campo di Padula era comandato dalle autorità Inglesi.

Rimase a Padula fino al 7 marzo 1945 dopo di che fu consegnato alle autorità Italiane per essere processato. Fu in quella occasione che le Autorità Inglesi annotarono sui documenti che lo riguardavano che il detenuto doveva rimanere a disposizione delle autorità alleate.

Mio marito fu condannato dalla Corte di Assise di Grosseto e infine amnistiato con l'amnistia concessa dopo il 2 giugno dal Governo italiano a molti dei detenuti politici.

Mio marito però, a causa dell'annotazione sopracitata, in base alla quale doveva rimanere a disposizione delle Autorità Alleate, non potè usufruire dell'amnistia e tutt'ora è detenuto nelle carceri giudiziarie di Apuania Massa.

Vi prego, Signor Capitano Ellis, di volervi interessare perchè mio marito, come già le Autorità Alleate hanno fatto per altri che si trovavano nelle identiche condizioni, sia restituito alla libertà.

Vi prego considerare, signor Capitano Ellis, che io sono rimasta sola da anni, senza aiuto e senza mezzi di sussistenza per me e per i figli.

Se avessi potuto disporre di denaro sarei venuta personalmente a pregarvi del vostro cortese interessamento, ma la mia indigenza mi ha impedito di fare ciò.

Mi rivolgo a voi fiduciosa del vostro cortese interessamento per mio marito.

Faccio presente che Azzi Angelo, condannato dalla Corte di Assise di Grossato a! anni 6 e mesi 8 di reclusione per collaborazionismo, é stato prosciolto col decreto recente di amnistia. Sembra però che egli non posse esser posto in libertà perché deve esser tenuto a vostra lisposizione. Penso che si tratti di un provvedimento che fu preso nel 1944 quando ogni cautela poteva esser necessaria ma che abbia cessato di avere valore oggi tanto piu che l'Azzi é risultato figura secondaria di fascista e la sua condanna per l'art.58 é stata notevolmente ridotta per la concessione delle attenuanti generiche.

Chiedo perciò che sia data lisposizione telegrafica affinché l'Azzi ritorni alla famiglia e al lavoro.

SUBJECT: SERGIO BALDINOof DANTE, born at Siena on 27 Sept. 1925 internee at Terni.

It is learned from the Prefettura of Siena that the a/n internee have a good behaviour and nothing is recorded against him, in the files of the Questura.
He enlisted himself, since very young, to the Fascist Party, and on Dec. 43 the Republican Governement called him on Military service.
Afraid of retaliation, he was on service at the Air Force, first at Florence and then in other North Italy localities.
After the liberation by the Allied troops, he returned to Siena.
No one spoke badly of him, having a good esteem there.
Nothwithstanding, the Allied Command on Aug. 45 stopped and interned him at"R" Civil Camp at Terni.
Favourable judgment is expressed by our Ministy, as the subject never took part to sedicious Fascist activities.

OGGETTO: BALDINO Sergio di Dante, nato a Siena 27.9.I925, internato a Terni-

Da informazioni pervenute dalla Prefettura di Siena risulta quanto segue sul conto dell'internato indicato in oggetto.

E' di buona condotta e senza precedenti penali. Venne iscritto fin dalla tenera età alle organizzazioni fasciste e nel dicembre I943 il governo repubblicano lo chiamò alle armi con la sua classe di leva. Per timore di rappresaglie egli ubbidì al bando e prestò servizio nell'aeronautica, dapprima a Firenze e poi in altre sedi del nord. Dopo la liberazione da parte delle truppe alleate, rientrò a Siena e nessuno gli mosse addebiti di sorta, perchè nell'ambiente cittadino è ben considerato. Tuttavia il Comando Alleato di quella città, nell' Agosto scorso, procedette al suo fermo ed internamento nel campo di concentramento di Terni. Non ha ricoperto cariche fasciste, nè ha mai dato prova di settarietà o d'intemperanza.

Nell'esprimere parere favorevole alla sua liberazione, si sottomette il caso all'esame di cotesto On. Comando per le determinazioni che riterrà di adottare in merito.-

La sottoscritta CRISTINA STROPPIANA vedova CERISEY, madre di CERISEY ADRIANA, prigioniera nel campo internati di Terni, prega codesto On.le Comando di prendere in considerazione quanto segue:
la Cerisey Adriana trovasi nel suddetto campo internati fin dal 28 giugno 1945, con l'unica accusa a suo carico di aver prestato assistenza ai feriti della X Flottiglia MAS e di essere stata segretaria di un comandante di detta X MAS, il Comandante UXA.
Siccome in questi otto mesi di permanenza a Terni non ha subito interrogatori e non vede finora balenare una sepranza di prossima liberazione, la mamma prega caldamente il Comando Inglese affinchè voglia consegnare la figliola Adriana alle Autorità Italiane le quali mediante informazioni della ragazza e della famiglia (che sono ottime) decideranno se possibile la sua liberazione, avendonela mamma molto bisogno perchè malata di cuore e con un altra bambina a carico.

Div. A.G.R. Sez. 1
Prot. No. 441/12684

Rome, 21 November 1945

TO : GOVERNORS OF THE KINGDOM
QUESTORE OF ROME
and
HIGH COMMISSIONERS FOR SICILY AND SARDINIA.

SUBJECT: Transfer of Civilian Internees to the Italian Gov't for Trial.

Headquarters, Allied Commission, Public Safety Sub Commission laments the fact that there are many internees handed over to Italian Authorities for trial, and for whom, notwithstanding the fact that their transfer took place some time ago (for some a year and over) nothing has been done in the way of penal proceedings on the part of Italian Courts.

Therefore, in order to adhere to the request on the part of said Commission, it is requested to forward, with maximum of sollecitude, a defined report on the present situation of all internees transferred to Italian Authorities and who are in their jurisdiction.

At the same time, said Headquarters makes it known that , lately, many requests, concerning the transfer of internees for trial, have been forwarded to AFHQ, and it repeats that such a procedure is irregular.

Regarding the above, it makes known the following :

1) The requests concerning transfer of civilian internees must be addressed to Headquarters Allied Commission, Public Safety Sub Commission, Security Division, Rome. All requests not addressed to said Headquarters will not be taken into consideration.

2) No requests should be submitted unless there is an imminent discussion of the trial.

3) Within thirty (30) days after transfer, the Courts involved must send a report regarding the position of the personal at their disposal.

4) At the end of the trial, the results of same must be made known to the Allied Commission.

5) Under no circumstances must a person be released without first obtaining the Authorisation of said Headquarters.

6429

Having thus exposed the above and while waiting for the fortcoming reports, it is requested of you to give the necessary directives to your dependant bodies in order that the new regulations as contemplated by the Allied Commission, be, together with the preceding ones as per Ministerial Circulars No.441/7055, 441/20489 and 448/10676 dated 4 Jan, 26 Feb and 19 March respectively, scruplously observed and made known to the Judiciary Authorities of your jurisdictions. That it may be put into effect.

Risposta al Foglio del
Div. Sez. N.°

OGGETTO: Consegna di internati civili al Governo Italiano per il processo.

Il Comando Commissione Alleata - Sottocommissione per la P.S.- lamenta che vi sono molti internati consegnati alle Autorità italiane per essere sottoposti a procedimenti penali, per i quali, malgrado la consegna sia avvenuta da parecchio tempo (per taluni di essi da oltre un anno) non è stato ancora preso alcun provvedimento definitivo da parte dei Tribunali italiani.

Per aderire, quindi, ad analoga richiesta del predetto Comando, si prega far tenere, con la massima urgenza, una precisa relazione sulla attuale posizione di tutti gli internati consegnati alle Autorità italiane nella rispettiva giurisdizione.

Con l'occasione, il predetto Comando segnala che, ultimamente, numerose richieste per la consegna di internati a qualche Tribunale, sono state direttamente inviate al Comando delle Forze Alleate ed avverte che tale procedura è irregolare.

All'uopo fa presente quanto segue:

1°)- Le richieste di consegna di internati debbono essere indirizzate al Comando Commissione Alleata - Sottocommissione per la P.S.- Divisione Sicurezza in Roma.- Le richieste non indirizzate al predetto Comando non saranno tenute in considerazione;

2°)- Le richieste per la consegna non debbono essere rivolte se non quando sia imminente la discussione del processo;

3°)- Entro trenta (30) giorni dalla consegna, i Tribunali interessati debbono trasmettere una relazione sulla posizione della persona avuta in consegna;

4°)- Alla conclusione del processo deve esserne comunicato il risultato al Comando della Commissione Alleata;

5°)- Non deve essere rilasciata, per alcun motivo, la persona avuta in consegna senza averne prima ottenuto l'autorizzazione del predetto Comando.

Stante ciò, mentre si rimane in attesa delle notizie sopra richieste, si pregano le SS.LL. di voler impartire le necessarie disposizioni agli organi dipendenti affinchè le nuove norme fissate dal Comando Commissione Alleata siano scrupolosamente osservate in quanto precedentemente comunicate con ci-

Div. Sez. N.°

OGGETTO : Consegna di internati civili al Governo Italiano per il processo.

Il Comando Commissione Alleata - Sottocommissione per la P.S.- lamenta che vi sono molti internati consegnati alle Autorità italiane per essere sottoposti a procedimenti penali, per i quali, malgrado la consegna sia avvenuta da parecchio tempo (per taluni di essi da oltre un anno) non è stato ancora preso alcun provvedimento definitivo da parte dei Tribunali italiani.

Per aderire, quindi, ad analoga richiesta del predetto Comando, si prega far tenere, con la massima urgenza, una precisa relazione sulla attuale posizione di tutti gli internati consegnati alle Autorità italiane nella rispettiva giurisdizione.

Con l'occasione, il predetto Comando segnala che, ultimamente, numerose richieste per la consegna di internati a qualche Tribunale, sono state direttamente inviate al Comando delle Forze Alleate ed avverte che tale procedura è irregolare.

All'uopo fa presente quanto segue:

1°)- Le richieste di consegna di internati debbono essere indirizzate al Comando Commissione Alleata - Sottocommissione per la P.S.- Divisione Sicurezza in Roma.- Le richieste non indirizzate al predetto Comando non saranno tenute in considerazione;

2°)- Le richieste per la consegna non debbono essere rivolte se non quando sia imminente la discussione del processo;

3°)- Entro trenta (30) giorni dalla consegna, i Tribunali interessati debbono trasmettere una relazione sulla posizione della persona avuta in consegna;

4°)- Alla conclusione del processo deve esserne comunicato il risultato al Comando della Commissione Alleata;

5°)- Non deve essere rilasciata, per alcun motivo, la persona avuta in consegna senza averne prima ottenuto l'autorizzazione del predetto Comando.

Stante ciò, mentre si rimane in attesa delle notizie sopra richieste, si pregano le SS.LL. di voler impartire le necessarie disposizioni agli organi dipendenti affinchè le nuove norme fissate dal Comando Commissione Alleata, siano, a complemento di quelle precedentemente comunicate con circolari ministeriali del 4 gennaio, 26 febbraio e 19 marzo corrente anno rispettivamente n. 441/7055 - 441/10489 e 441/10676 - scrupolosamente osservate e che siano portate anche a conoscenza delle Autorità Giudiziarie delle rispettive giurisdizioni.

Pregasi assicurare esatto adempimento.

Div. A.G.R. Sez. 1
Prot. No. 441/12684

Rome, 21 November 1945

TO : GOVERNORS OF THE KINGDOM
QUESTORE OF ROME
and
HIGH COMMISSIONERS FOR SICILY AND SARDINIA.

SUBJECT: Transfer of Civilian Internees to the Italian Gov't for Trial.

Headquarters, Allied Commission, Public Safety Sub Commission laments the fact that there are many internees handed over to Italian Authorities for trial, and for whom, notwithstanding the fact that their transfer took place some time ago (for some a year and over) nothing has been done in the way of penal proceedings on the part of Italian Courts.

Therefore in order to adhere to the request on the part of said Commission, it is requested to forward, with maximum of sollecitude, a defined report on the present situation of all internees transferred to Italian Authorities and who are in their jurisdiction.

At the same time, said Headquarters makes it known that , lately, many requests, concerning the transfer of internees for trial, have been forwarded to AMG, and it repeats that such a procedure is irregular.

Regarding the above, it makes known the following :

1) The requests concerning transfer of civilian internees must be addressed to Headquarters Allied Commission, Public Safety Sub Commission, Security Division, Rome. All requests not addressed to said Headquarters will not be taken into consideration.

2) No requests should be submitted unless there is an imminent discussion of the trial.

3) Within thirty (30) days after transfer, the Courts involved must send a report regarding the position of the personal at their disposal.

4) At the end of the trial, the results of same must be made known to the Allied Commission.

5) Under no circumstances must a person be released without first obtaining the Authorisation of said Headquarters.

Having thus exposed the above and while waiting for 6416 coming reports, it is requested of you to give the necessary directives to your dependant bodies in order that the new regulations as contemplated by the Allied Commission, be, together with the preceding ones as per Ministerial Circulars No.441/7055,441/20489 and 441/10676 dated 4 Jan, 26 Feb and 19 March respectively, scrupulously observed and made known to the Judiciary Authorities of your Jurisdictions. That it may be put into effect.

Lucca, 20 December 1945

SUBJECT : Political Internees - reimbursement of money held by American Military Commissions at the Internment Camps.

TO : HQ. ALCOM
ROME

Some political internees have told me that during the period in which they were detained in Internee Camps administered by the American Military Authorities, they gave their money to Allied Military Commissions so authorized, and received assurances that, at the time of their liberation they would have received said sums. But, at the moment when the internees were sent to prisons or liberated from internment camps and thence given over to the Italian Authorities, no sums of money were reimbursed to them. Said persons are now asking these reimbursements in order to meet the needs of their families.

Meanwhile, I ask this Commission to make known the means with which said sums may be given back to the owners.

2. STATUS AND TREATMENT.

a. It has been agreed by the Governments of the United States and Great Britain with the German and former Italian Governments that the International Prisoner of War Convention signed at Geneva on 27 July 1929 shall be considered as applicable to civilian internees insofar as its provisions can be applied to civilians.

b. The custody of civilians arrested by the British or United States authorities, or accepted by them for internment, will be a military responsibility.

3. INTERNMENT.

"3 a. All internees arrested in Italy will normally be evacuated to "R" Civilian Internee Camp, Terni, (8739) for internment save that italians arrested in No. 3 District or Southern District Peninsular Base Section, may be evacuated to "A" Internee Camp, Padula, near Sala Consilina (T 4295) in cases where it would be impracticable for administrative reasons to evacuate them to Terni".

b. The escort delivering internees to an Internee Camp will carry an "arrest slip" for each internee. The "arrest slip" will be signed by the officer in charge of the FS Section or CIC Detachment making the arrest and will show when, where, why and by whom the internee was taken into custody and will indicate how he should be disposed of.

4. COMMAND.

a. Internee Camps will be under the direct command of this headquarters for general administration and of the headquarters of the district in which situated for local administration.

b. Direct communication between Commandant, Internee Camp and this headquarters is authorized on the following matters of general administration in addition to the matters specifically referred to in succeeding paragraphs of this instruction:

(2) Staff - Selection and posting of British Officers and Serjeant Interpreters - (G-1(B)).

(3) Mail and Censorship - Letters to Protecting Power or IRCC or communications with Censor Control Officers - (G-1(B)).

5. DOCUMENTATION.

Deleted

~~a. All internees will be regarded as temporarily detained until~~ the expiration of three weeks from the date of delivery to an Internee Camp, after which period an internee will only continue to be so regarded, if his release is known to be probable in the near future or if instructions to that effect are issued by AFHQ (G-2(CI)).

" Documentation will be carried out on AF W 3000 immediately upon delivery of an internee to an internee Camp."

~~b. Internees to be temporarily detained.~~ Each AFW 3000 will be endorsed "CIVILIAN INTERNEE" in red ink. AFW 3000 consists of three (3) parts, each bearing a serial number and giving detailed information of prisoners of war. This form will be adapted to meet the different information required concerning an internee.

b. Part III will be completed by the internee or at his or her dictation and Parts I and II by Commandant, Internee Camp. Parts II and III will then be forwarded to GHQ, 2d Echelon (EPW Section) and Part I retained by the Camp. Should an internee be transferred to another holding Camp, Part I will be handed to the escort for delivery to the new place of internment and the date of receipt of the internee will be stamped on the reverse of the form by the receiving unit. The counterfoils in AFW 3000 books will be completed by Commandant, Internee Camp and retained by him.

c. Notification of internment to the Protecting Power will be made by PWIB, LONDON, in the same manner as for prisoners of war.

d. Casualties in respect of internees other than those temporarily detained will be reported to GHQ, 2d Echelon on AFW 3002. Internees admitted to a civilian hospital will be regarded as remaining on the strength of the Internee Camp.

e. The death of an internee will be reported by signal to AFHQ (G-2(CI)) in addition to being reported to GHQ, 2d Echelon under the provisions of sub-paragraph c above. AFW 3314 in duplicate will be rendered to GHQ, 2d Echelon as soon as possible after burial.

Declassified E.O. 12356 Section 3.3/NND No. 785016

6. RETURNS. Commandants of Internee Camps will render the following returns:

a. A daily return on AFW 3487 to GHQ, 2d Echelon giving the strength by nationalities at 1200 hrs each day of all internees in respect of whom documentation of AFW 3000 has been carried out.

b. A weekly return by signal to AFHQ (G-1(Br)) and to district and area of sub-area headquarters of the number of internees of each sex by nationalities held at 0700 hrs on Monday of each week.

c. A monthly return to AFHQ (G-2(CI)):

(1) Of the results of all reviews and

(2) Of all releases.

d. A monthly return to AFHQ (G-1(B)) of officers on the strength of the Camp Administrative Staff, showing personal number, rank, name, regiment and appointment held.

7. PERSONAL EFFECTS AND IMPOUNDED CURRENCY.

a. Internees, on arrest, will be permitted to pack and take with them a bag or suitcase of personal effects, spare clothing etc., which they may require during their period of internment.

b. Contents of the bag will be checked before departure to ensure that there are not included any arms, files or such articles (except money) as could be of assistance to the internee in escaping or could be used as weapons.

c. The bag and contents (other than money) will remain in possession of the internee while in Camp. All money will be impounded on delivery of the internee to the Camp, a receipt being issued to the internee, a duplicate of which will be deposited with the impounded money.

d. In the event of the death of an internee, his or her personal effects will be disposed of in one of the following manners:

(1) If the deceased was of Italian nationality and the next of kin is resident in Allied Occupied ITALY, personal effects and any impounded currency held on his or her account will be forwarded to Headquarters, Allied Commission for onward transmission to the appropriate Italian authorities.

(2) In all other cases, personal effects and impounded currency will be forwarded to GHQ, 2d Echelon with two copies of AFW 3190 and, in the case of an internee temporarily detained, particulars of nationality and of the name and address of his or her next of kin.

6413

Declassified E.O. 12356 Section 3.3/NND No. 785016

8. DISCIPLINE. "Regulations for the Maintenance of Discipline among Prisoners of War 1939" will apply to internees.

9. RELEASE.

a. Civilians are only interned in cases where it is considered that they would present a security threat to the Allied cause if they remain at large. Therefore, whether the interning authority recommends internment for the duration or not, their release will be authorized where the security threat no longer exists.

b. Under no circumstances will internment be regarded as a punishment and no release will be recommended or granted merely on the ground that the internee has been confined for a long time.

c. Instructions will from time to time be issued by AFHQ (G-2(CI)) as to the constitution of the reviewing authorities at Internee Camps and as to the principles by which those authorities should be guided in considering the cases of the internees.

d. The following procedure will be adopted for releases:

(1) Where the interning authority has expressly stated that the case of the internee will be reviewed after a specific period, the reviewing officers at the Camp will consider the case. If release is recommended as a result of the review, the Commandant will forward to G-2 ROME AREA, G-2 Peninsular Base Section, GSI Number 1 District, GSI Number 2 District and GSI Number 3 District of their information a list containing the names of any internees whom it is intended to release to their territory during the following week and also the address to which it is intended they should return. If the district or base section concerned has recently received information indicating that the internee would constitute a positive threat to Allied security if released, the Commandant should be informed forthwith (and a copy sent to AFHQ (G-2(CI)). In the absence of such indication being received within eight days of the despatch of the above mentioned list of names, the Commandant may authorize release. Persons whose homes lie to the north of the Rear Army Security Control Line at the date of the review, will, in the absence of specific authority, only be released if they undertake to reside at a named address to the south of the Line.

(2) Where a person has been interned for the "duration of the war" or where the period specified by the interning authority has not expired, the case may be reviewed either at the discretion of the reviewing officer or on the instructions of either the interning authority of or AFHQ (G-2(CI))

0853

Declassified E.O. 12356 Section 3.3/NND No. 785016

The recommendations of the Commandant will be submitted to AFHQ (G-2(CI)) and will include statements from the reviewing officer and, where relevant, from the medical officer. Copies of the recommendation will be sent either to G-2 ROME AREA, G-2 Peninsular Base Section, GSI Number 1 District, GSI Number 2 District or GSI Number 3 District according to the place of residence to which the internee would go if released. Authority for the release of persons in these categories may only be given by AFHQ (G-2(CI)).

(3) All releases of internees other than those temporarily detained will be reported to GHQ 2d Echelon or AF W3002.

10. HANDING OVER OF INTERNEES TO ITALIAN AUTHORITIES. Internees may in certain circumstances be handed over on the authority of AFHQ (G-2(CI)) to the Italian authorities for trail or for the purpose of giving evidence. In any such case a receipt will be obtained in the form shown at Appendix "A" and retained by the Commandant of the camp.

11. ESCAPES.

a. The escape of an internee will be reported immediately by the quickest available means (e.g. by telephone) to AFM or DAFM of area or sub-area headquarters, confirmed by signal, and will be reported by signal to AFHQ G-1 (Br) and district headquarters.

b. Reports will include name, number, description and home address of the escaped internee and address of his or her next of kin or any other address for which it is believed the escapee may be making.

c. Escapes of internees other than those temporarily detained will also be reported to GHQ 2d Echelon or AF W3002.

12. COURTS OF INQUIRY.

a. A Court of Inquiry will invariably be convened in any of the following cases:

(1) Escape of an internee.

(2) Serious injury to an internee.

(3) Violent death of an internee.

(4) Such other cases as may be considered by district commanders to be necessary.

b. A Copy of Proceedings of any Court of Inquiry convened under this instruction together with the opinions of the convening officer and higher authorities will be forwarded through the usual channels to AFHQ (G-1(Br)).

0854

Declassified E.O. 12356 Section 3.3/NND No. 785016

13. VISITS.

a. Internees other than those specified in sub-paragraph b below will be permitted to receive one visit per ~~month~~ week from their relatives. Each visit will be limited to two persons to each internee.

b. Internees ~~temporarily detained and those~~ in respect of whom specific instructions are issued by higher authority will not be permitted to receive visitors and on visiting days will be confined to their quarters.

c. Subject to the provisions of sub-paragraph b above, internees will be permitted to receive visits from their legal advisers by appointment and with the approval of the Commandant of the Camp.

d. Authority may in certain cases be given by AFHQ (G-2(CI)) for accredited representatives of the Italian government to visit a camp for the purpose of interrogating internees.

e. All visitors of the types mentioned above will be given a warning to read, written in the appropriate language, as to the censorship regulations in force before they are conducted into the camp.

f. Except where necessary in cases falling within sub-paragraph d above, internees will not be permitted to remain for more than half an hour with their visitors, who from the time of their entry into the camp until their departure will be kept under the strictest supervision possible, in order to prevent any evasion of censorship regulations.

g. Visits for the purpose of making an inspection or of making provision for the welfare of the internees as a whole may be paid to Internee Camps by those persons (including representatives of the Protecting Power or of the Internation or Italian Red Cross or Clergy) to whom passes may from time to time be issued by AFHQ (G-1(Br)). Such visitors will visit camps only by appointment and will not be affected by the provisions of sub-paragraphs e and f above.

h. The full name, address and identity card number of every visitor to a camp irrespective of the purpose of his or her visit and (where applicable) the relationship of the visitor to the internee visited will be entered in a "visitors book".

14. MARRIAGES.

a. The Allied Military Authorities have no objections to marriages taking place between internees held in British Internment Camps provided that such marriages are in all respects legal and valid.

b. The absence of any objection by the Allied Authorities to such marriages is not to be construed as in any way purporting to validate a marriage otherwise illegal or invalid.

Declassified E.O. 12356 Section 3.3/NND No. 785016

c. Such marriages do not necessarily confer any additional privileges on the parties concerned. For example, they will only be permitted to occupy married quarters in a camp subject to such quarters being available and then at the discretion of the Camp Commandant.

d. Notification of marriages will be made to the following authorities in order that the name of the woman concerned may be altered in their records:

(3) GHQ, 2d Echelon. (only if documentation on AFW 3000 has previously been carried out).

Grade three clothing will be issued.

b. Demands for clothing will be made through normal Ordnance channels.

c. All articles of clothing will be entered in an account kept by the Commandant, Internee Camp, and issues will be supported by a receipt signed by the internee.

d. (1) The Commandant of a Camp may on application issue to internees permit forms for transmission to relatives or friends, on presentation of which the Italian civil postal authorities will accept parcels of clothing and personal effects, not exceeding 5 Kg in weight, addressed to internee camps.

(2) These permit forms will only be issued in cases where the clothing or effects required are considered necessary for the comfort of the applicant and where their receipt will release War Department clothing or necessaries.

6411

(3) Supplies of permit forms may be obtained from Headquarters, Allied Commission (Communications Sub-Commission).

Declassified E.O. 12356 Section 3.3/NND No. 785016

19. MEDICAL.

a. Subject to the provisions of sub-paragraph b below, the authority of AFHQ (G-2(CI)) will be obtained before transfer of an internee to a civil hospital for treatment which cannot be provided in the Camp Hospital. Applications for such authority will state the name of the internee and of the hospital to which his or her transfer is applied for and will be supported by a report by the Camp Medical Officer and recommendation of ADMS.

b. Where the Commandant is advised by the Camp Medical Officer that such transfer is immediately necessary in the interests of the internee's health, he may give authority for it, but in any such case will at once inform AFHQ (G-2(CI)) stating the name of the internee and of the hospital to which he or she has been transferred and the nature of his or her complaint.

SUBJECT: Internment of Civilians - Policy in Italy

TO: All Concerned

1. In accordance with established policy any civilian in Italy who appears to constitute a threat to the security of Allied Forces or Military Government should be arrested.

2. Such persons, if required by the Italian authorities for trial before Special Courts of Assize should be handed over in accordance with the policy set out in letter, 15th Army Group, 1401/7/GSI(b), dated 1 May 1945. In other cases they should be dispatched to "E" Civilian Internee Camp for internment following the procedure set out in letter, this headquarters, AG 383.7/101 GAP-O dated 19 February 1945.

3. German and Austrian nationals will not be interned merely on the grounds of their nationality, but only if they are considered to constitute a threat to Allied security (reference letter, this headquarters, AG 383.01/215 GBI-O, dated 28 November 1944, and letter, 15th Army Group, 1401/7/GSI(b), dated 17 May 1945).

4. However, any civilians found in Italy whether German or Austrian nationals or not who have held positions of authority in the Nazi party and its organizations will be deemed to present a danger to Allied security, arrested forthwith and disposed of in accordance with paragraph 2 above. The classes of persons who by reason of their position, authority or knowledge are most likely to attempt to perpetuate or revive the organizations of the NSDAP are those in the "arrestable categories" defined in letter, this headquarters, AG 371.2/173 GBI-O, dated 24 May 1945 a copy of which is attached for convenience of reference

5. The provisions of paragraph 4 above will also apply to persons who while acting as agents either of the NSDAP or of the German Government, held or have held in German occupied territory any rank or appointment (whatever its official designation) which is of equal status with any of those listed as "arrestable categories".

6. Persons otherwise in an arrestable category may, with the consent of counter-intelligence, be temporarily exempted from arrest, provided that satisfactory arrangements can be made for their surveillance, in order to permit such persons to carry on employment the necessity for which has been duly certified by the appropriate Military Government officials in accordance with applicable directives.

7. Field Security/Counter Intelligence Corps are responsible for taking into custody persons who are to be placed in internment, but will be assisted in that task wherever possible by Provost, Public Safety and other agencies which find such persons in the course of their duties. Where arrests are made by other agencies the local intelligence staff will be informed at once.

8. The period for which internment will normally be recommended should be "while Allied Forces remain in Italy" but where the interning authority considers that cases should be reviewed after a specified period of 3 or 6 months a note to that effect should be added on the arrest report.

9. Any persons in "arrestable categories" who formed part of the surrendered enemy forces, will be classified as "recalcitrants" and disposed of accordingly.

10. a. These instructions will not be applied:

(1) To persons listed as War Criminals or suspected War Criminals by the United Nations War Crimes Commission or by this headquarters.

(2) To possible witnesses in proceedings against War Criminals.

b. Such persons will be disposed of in accordance with War Crimes Circular Number 1, dated 13 June 1945, in the absence of specific instructions to the contrary.

1. In order to ensure the security of the Allied Forces in AUSTRIA and to carry into effect the provisions of Military Government Ordnance Number 3 it will be necessary to take into custody and detain a large number of persons who, by reason of their position, authority or knowledge, are best qualified or most likely to offer resistance to Allied occupation or attempt to perpetuate or revive in any form the NAZI organizations which must be destroyed. These persons will normally be grouped into classes known as "Arrestable Categories".

2. All persons falling within the arrestable categories as hereinafter defined, will be taken into custody as soon as they are identified.

My dear Mr. Prime Minister:

I refer you to my letter 6/2 B/GA of 30 July 1945.

I am now informed that it has been found possible to release internees from Padula Camp at a higher rate than was originally expected and almost all the internees whose transfer to your custody was originally envisaged have been released during the last nine weeks. The remainder will be released shortly.

It is, therefore, not intended to carry on with the original suggestion so far as Padula Camp is concerned, and it is not yet practicable to make a similar suggestion in regard to "A" Camp at Terni. Consideration is being given to the possibility of transferring the internees at "A" Camp and I will notify you immediately if such a decision is reached.

In these circumstances I would be glad to know whether you would wish to take over Padula Camp as a vacant premises. I should be grateful if you could give this matter your early consideration.

Very truly yours,

/s/ Ellery W. Stone

SUBJECT: Internment of Civilians - Policy in Italy

TO: All Concerned

1. In accordance with established policy any civilian in Italy who appears to constitute a threat to the security of Allied Forces or Military Government should be arrested.

2. Such persons, if required by the Italian authorities for trial before Special Courts of Assize should be handed over in accordance with the policy set out in letter, 15th Army Group, 1401/7/GSI(b), dated 1 May 1945. In other cases they should be dispatched to "R" Civilian Internee Camp for internment following the procedure set out in letter, this headquarters, AG 383.7/101 GAP-O, dated 19 February 1945.

3. German and Austrian nationals will not be interned merely on the grounds of their nationality, but only if they are considered to constitute a threat to Allied security (reference letter, this headquarters, AG 383.01/215 GBI-O, dated 28 November 1944, and letter, 15th Army Group, 1401/7/GSI(b), dated 17 May 1945).

4. However, any civilians found in Italy whether German or Austrian nationals or not who have held positions of authority in the Nazi party and its organizations will be deemed to present a danger to Allied security, arrested forthwith and disposed of in accordance with paragraph 2 above. The classes of persons who by reason of their position, authority or knowledge are most likely to attempt to perpetuate or revive the organizations of the NSDAP are those in the "arrestable categories" defined in letter, this headquarters, AG 371.2/173 GBI-O, dated 24 May 1945 a copy of which is attached for convenience of reference

5. The provisions of paragraph 4 above will also apply to persons who while acting as agents either of the NSDAP or of the German Government, hold or have held in German occupied territory any rank or appointment (whatever its official designation) which is of equal status with any of those listed as "arrestable categories".

6. Persons otherwise in an arrestable category may, with the consent of counter-intelligence, be temporarily exempted from arrest, provided that satisfactory arrangements can be made for their surveillance, in order to permit such persons to carry on employment the necessity for which has been duly certified by the appropriate Military Government officials in accordance with applicable directives.

CIRCULAR LETTER

Rome, July 16 1945

TO : Prefects of the Kingdom and for information:
High Commissioners for Sicily and Sardinia.

The ex-confined and ex political internees, Italians and foreigners, liberated after July-September 1943 are, as well known, financially assisted, provided they be in the impossibility of returning to their own communes .that is where they were living at the time of their confinement or internment.
The need of cutting down the expenses for such assistance, which amount to considerable figures and are tending to ever more increasing, makes it necessary that the a/m internees be sent back to their communes, the liberation of North Italy making their transport easier thus allowing the desired suspension of their subsidy.
To that end dispositions are taken as follows:

1 - The a/m internees will get in touch with their own communes by way of ordinary communications and provided with sheet for free travel.

2 - The suspension of subsidy to those intending to stay permanently in their present residency or to those not having any valuable reason for not going back to their own commune and will rather remain and get subsidy, besides other sources of getting money not always liable to control.

3 - The persons concerned will be warned that part of the travel expenses to people having returned by their own means of transport will be reimbursed after the end of their journey.

4 - The Prefectures will apply to the Ministry, possibly after agreement with E.N.A.C. for using local means of transport Such suggestions, if justified, will only have course being obviously convenient.

5 - Efficient and active collaboration be given to the High Commissioners for refugees. The a/m has been contacted in order solution of the problem be attained. The a/m instructions obviously refer not only to Italians but also to foreigners living in the Kingdom while they were interned.

OGGETTO: Ex confinati ed ex internati politici. Restituzione alle sedi di provenienza.

Gli ex confinati e gli ex internati politici, italiani e stranieri, liberati in dipendenza degli avvenimenti del luglio-settembre 1943, vengono assistiti, com'è noto, a condizione, tra l'altro, che si trovino nella impossibilità di raggiungere i comuni di provenienza, intendendo per tali quelli in cui essi risiedevano all'atto del confino o dell'internamento.

L'onere di tale assistenza, che raggiunge cifre elevatissime e diventa sempre più gravosa, impone che si provveda, al più presto, alla restituzione alle proprie sedi degli ex confinati e degli ex internati, restituzione che, resa ormai possibile dalla liberazione dell'Italia settentrionale, conseguirebbe il voluto effetto di sospendere l'ulteriore erogazione del sussidio.

A tal fine si dispone:

1) che gli ex confinati e gli ex internati le cui sedi di provenienza siano collegate alle attuali da ordinari mezzi di comunicazione, siano muniti di fogli di via per viaggio gratuito;
2) che venga sospesa la corrisponsione del sussidio a favore sia di coloro che abbiano deciso di rimanere stabilmente nelle residenze attuali, sia di coloro che senza giustificato motivo non intendano tornare ai comuni originari, trovando spesso preferibile abbinare la qualità di sussidiati con un'attività lucrativa non sempre controllabile;
3) che gli interessati siano avvertiti che ove essi rimpatrieranno con mezzi propri, sarà concesso, a rimpatrio avvenuto, un concorso nella spesa di viaggio sostenuta;

OGGETTO : Ex confinati ed ex internati politici. Restituzione alle sedi di provenienza.

Gli ex confinati e gli ex internati politici, italiani e stranieri, liberati in dipendenza degli avvenimenti del luglio-settembre 1943, vengono assistiti, com'è noto, a condizione, tra l'altro, che si trovino nella impossibilità di raggiungere i comuni di provenienza, intendendo per tali quelli in cui essi risiedevano all'atto del confino o dell'internamento.

L'onere di tale assistenza, che raggiunge cifre elevatissime e diventa sempre più gravosa, impone che si provveda, al più presto, alla restituzione alle proprie sedi degli ex confinati e degli ex internati, restituzione che, resa ormai possibile dalla liberazione dell'Italia settentrionale, conseguirebbe il voluto effetto di sospendere l'ulteriore erogazione del sussidio.

A tal fine si dispone:

1) che gli ex confinati e gli ex internati le cui sedi di provenienza siano collegate alle attuali da ordinari mezzi di comunicazione, siano muniti di fogli di via per viaggio gratuito;
2) che venga sospesa la corrisponsione del sussidio a favore sia di coloro che abbiano deciso di rimanere stabilmente nelle residenze attuali, sia di coloro che senza giustificato motivo non intendano tornare ai comuni originari, trovando spesso preferibile abbinare la qualità di sussidiati con un'attività lucrativa non sempre controllabile;
3) che gli interessati siano avvertiti che ove essi rimpatrieranno con mezzi propri, sarà concesso, a rimpatrio avvenuto, un concorso nella spesa di viaggio sostenuta;
4) che le Prefetture formulino al Ministero opportune proposte, possibilmente previa intesa con l'E.N.A.C., al fine di utilizzare - per i rimpatri - automezzi locali; tali proposte, illustrate con dettagliati elementi di giudizio, potranno aver corso solo se di evidente convenienza;
5) che sia data efficace ed attiva collaborazione all'Alto Commissariato per i profughi, che è stato interessato per concorrere alla soluzione del problema.

Dette istruzioni si riferiscono, evidentemente, non solo agli italiani, ma anche agli stranieri che risiedevano nel Regno all'atto in cui vennero colpiti dal relativo provvedimento di polizia.

L'opera che le SS.LL. andranno a svolgere secondo i criteri suespressi, opera che interessa molto e la definitiva sistemazione di numerose famiglie e l'Erario, dovrà essere condotta con diligenza e nello stesso tempo con senso di comprensione di particolari situazioni individuali; di essa si gradirà ricevere, appena possibile, una breve relazione.

Si prega, intanto, di fornire un cenno di ricevuta e di adempimento.

My dear Mr. Prime Minister:

It is desired, subject to certain conditions, that the Italian Government should take over the custody of Italian civilian internees. This proposal covers the Italian civilian internees in United States or British custody in Italy and Sicily with a few exceptions which would, of course, be notified to you.

The conditions are that:

(a) Any escape should be notified to the Allied Authorities.

(b) No person should be released without prior reference to the Allied Authorities.

The suggestion therefore is that, as soon as administrative arrangements can be completed, you should take over the custody of persons held in "A" Internment Camp, Padula, Salerno.

I would be glad if you would consider this suggestion and let me have your views on it at the earliest possible date.

Very truly yours,

ELLERY W. STONE

1. AFHQ has drawn attention to the fact that, from time to time, evidence comes to light which tends to show that interning authorities are not always supplying "A" and "R" Internee Camps (at PADULA and TERNI respectively) with all available information on internees held at either of these Camps.

2. The necessity for this procedure, from the point of view of the review of cases, has already been indicated in our above-quoted letters, but it is desired to emphasise the following points in connection therewith.

3. When persons are arrested for internment by CIC/FS officers, the latter should forward to the approving authority, ie Army HQ (or this HQ in the case of 427 and 16 FS Sections), any additional information which they may have in their possession on the cases concerned, beyond that which they include in their standard "Arrest Forms".

4. Army HQ's, when approving internments and forwarding their approved lists to "R" Internee Camp, should forward to the Camp, at the same time or as soon afterwards as possible, such additional information as they may have in their possession on the cases concerned, beyond that which they include in their approved lists.

5. If, at a later date, further relevant items of information concerning an internee come into possession of the CIC/FS officer who made the arrest or of the Army HQ which approved the internment, such items should be forwarded to this HQ for onward transmission, via AFHQ, to the Internee Camp concerned. This is applicable, however long the individual in question may have already been in internment.

6360

6. An exception to the above policy should be made in respect of enemy agents who are interned. Apart from considerations of security which arise in certain of such cases, it is undesirable that Armies should forward to "R" Internee Camp their complete files on such enemy agents, since these files, containing as they do interrogation reports etc, are constantly required by Armies for reference purposes.

7. At the same time, the practice of writing on the Arrest Forms and Approved Lists simply the words "Enemy Agent" is inadequate, since this term has in the past occasionally been used by some agencies and HQ's to denote petty informers working for the SS in EGT etc. Thus this complicates the work of the reviewing authorities, since cases of the latter category should clearly be subject to review, whereas there would normally be no question of releasing before the end of the war the true spy despatched on a mission by the CIS.

...../8.

Declassified E.O. 12356 Section 3.3/NND No. 795016

8. In future therefore, when enemy agents are interned, a very brief case history should be included in the Arrest Forms and Approved Lists: this should show by whom the agent was employed or despatched, the nature of his mission, the circumstances of his arrest and any other particular features of the case which appear significant and relevant. Normally, half a dozen lines should be adequate for the purpose.

1. Frequent applications for the review of Civilian Internee cases are received through Security Division, this Headquarters.

2. Civilians who have been detained for security reasons, will, normally, be interned for the duration. Cases are periodically reviewed and decision as to further internment or release is based on the individual merits of the case, its continued seriousness, and, of course, the health of the internees.

3. It is neither feasible nor practicable to indicate the possibility of the release of any internee without a full review of the case. However, cases can be reviewed speedily only when there is a preponderance of evidence to indicate a great miscarriage of justice. Giving special consideration to any one individual without additional justifiable evidence would entail a loss of time prejudicial to the best interests of other cases already scheduled for review on their merits.

4. However, all applications for release of internees are forwarded to the appropriate internment camp where they become part of the internee's dossier and are given appropriate consideration when the case is reviewed.

5. The amount of correspondence required to deal with this problem makes it impossible to reply to individual cases; therefore, recipients of appeals should inform the appellants that their appeal has been forwarded to the appropriate authority for consideration and that reminders and further applications will not be replied to. 1. From time to time evidence comes to light which tends to show that interning authorities are not supplying "A" and "R" Internee Camps with all available information on internees held at either of these camps. The necessity for this procedure has already been underlined in an A.A.I. letter, file reference 1401/7/GSI(b) dated 9 September, 1944.

2. It is emphasised that all pertinent information which comes to hand concerning interned of either "A" or "R" Internee Camp should be sent to this Headquarters for forwarding to the appropriate Camp, however long the individual in question may have already been in internment.

SUBJECT: Handing over of persons Interned by Allies to High Commission for Punishment of Fascist Crimes

TO : President, Allied Commission, APO 394

1. The Italian Government has passed various decrees against Fascism, the principle one of which declares certain acts to have been crimes and sets up courts to try them. It has appointed a High Commissioner to supervise and co-ordinate the work and conduct investigations. His department, the High Commission for the "Sanzioni contro il Fascismo", contains four branches:

a. For the punishment of Fascist crimes;
b. For the removal of fascists from position of authority;
c. For the forfeiture of improperly obtained wealth;
d. For disposing of the property of Fascist Bodies.

2. Commissions are set up, in every ministry, province and concern of national importance to consider the evidence against alleged fascists and recommend whether particular persons should or should not be dismissed from position of authority. In the Ministry of Interior there is, for instance, a commission to deal with the cases of public security personnel, and in the Ministry of War, one to deal with the CC.RR. (Carabinieri).

3. The Italian authorities are entirely responsible for dealing with all cases under the decrees against Fascism but the Allies will, if requested, assist them where they can reasonably do so by supplying such information as may be given without breach of security requirements. There can normally be no justification for asking Allied personnel to give evidence in person in such proceedings and evidence will not be given by Allies personnel without sanction from higher authority

4/ Authority may be granted through the releasing authorities (in the case of internees from Number 1 Internee Camp through G-2 CI AFHQ, in the case of Number 2 Internee Camp through G-2 AFHQ.

a. For accredited representative of the Italian Government to visit Number 1 Internee Camp and Number 2 Internee Camp for the purpose of interrogating internees in order to procure them evidence;

b. For internees to be released temporarily from the above mentioned camps to Italian custody to proceed to Rome or elsewhere with the object of giving evidence at trials.

Declassified E.O. 12356 Section 3.3/NND No. 785016

c. For internees in the custody of the Allies to be handed over to Italian custody in order that they may stand trial before any of the Commissions mentioned above.

5. In any such case, the releasing authority will reserve the righ to reintern any person if the sentence received by him is insufficient to meet Allied security needs. The releasing authority will make this fact clear to the accused before release. It will also be a condition of any such release that the Italian Authorities shall not, after any hearing or completion of any sentence imposed, release any internees before obtaining the consent of the releasing authorities to such release.

6. The channel of Communication for applications should be from the Italian authorities through the Allied Commission to the releasing authorities (G-2 CI AFHQ in the case of Number 1 Internee Camp, and G-2 AFHQ in the case of Number 2 Internee Camp). The releasing authority can them, if deemed advisable, consult the interning authorities concerned (district, base section Headquarters, etc.)

7. When authority is give for the temporary release of internees under the terms of paragraph 4 b and c above, the Italian authorities will be responsible for making the necessary arrangements to provide transportation and escort for the internees from, and if necessary, to the Internee Camp, and for their safe custody while they are at the disposal of the Commission of the Italian authority concerned.

SUBJECT : Officials, Employees and Agents of P.S. Interned

TO : Ministry of the Interior, Public Safety.

1. With reference to your letter 333/9045-1 of 12th December 1944 regarding the members of police services interned by the Allied.

2. No comprehensive release of any class of persons from the Internment Camp can be considered, and the only way in which they can be dealt with is individually, on the merit of each particular case.

3. This is being done at the moment in the Internment Camps by a Reviewing Board.

4. The method of epuration adopted in the case of other internees is to request them to complete a document answering the charges which may be brought against them and then, if the facts warrant it, to request their temporary release from internment for the purpose of standing their trial. Such requests should be transmitted through this Sub Commission.

5. The question as to giving particulars of the reasons for internment is under discussion with higher authority, as such a course is always subject to military security.

SUBJECT: Review of Civilian Internees.

TO : Headquarters, Allied Commission, APO 394.

Reference your SD/550.1/3231 dated 29 Nov enclosing copies of 32 requests for review of cases of civilian internees received thru the Vatican.

1. It is not considered expedient, from a security standpoint, to reveal the detailed reasons for or the time, place or duration of the internment of civilians who have been interned for security reasons.

2. Civilians who have been detained for security reasons, will, normally, be interned for the duration. Cases are periodically reviewed and decision as to further internment or release is based on the individual merits of the case, its continued seriousness, and, of course, the health of the internees.

3. It is neither feasible nor practicable to indicate the possibility of the release of any internee without a full review of the case. However, cases can be reviewed specially only when there is a preponderance of evidence to indicate a great miscarriage of justice. Giving special consideration to any one individual without additional justifiable evidence would entail a loss of time prejudicial to the best interests of other cases already scheduled for review on their merits.

4. However, all applications for release of internees are forwarded to the appropriate internment camp where they become part of the internee's dossier and are given appropriate consideration when the case is reviewed. The requests attached to your letter under reference are being forwarded to the appropriate quarter.

5. It is requested that you reply to the Honorable Myron Taylor accordingly.

(c) Jewish Refugees.

(d) Those who have been continuously absent from GERMANY for many years.
