Case reviewed by special sitting of Review Board on 29 Apr 45, on request of AFHQ letter GBI 389.450/2-1 dated 25 Apr 45.

The Board considers that the reason for the warrant which the ITALIAN authorities have now withdrawn is NOT connected with the security reasons for which this man was arrested by F33 on 30 July 44.

626. Interviewed.

Is steeped in Fascism. Was a professional trainer of Fascist youth. Joined Fascist Republican Party in Nov 1943, and is not fit to release at the moment. Admitted when questioned, he considered Fascism good for Italy. This man appears quite truthful for an Italian and would in the opinion of the Board willingly rejoin the Fascist Party again.

Review after the Po Valley is cleared.

627. Interviewed.

Appears to be a very good type of policeman. Should be released on 20 Feb 45, on condition he undertakes not to go in the Army Area. Might be worth talking to with regard to working for the Allies.

628. Interviewed.

Is considered to be no security or political danger except in his own town. Then very doubtful if he could do very much. Should be released immediately Army moves forward.

Review in March.
