Translation of attached is as follows:

- - - - -

TO: Allied Command, Rome.

The undersigned CASSI Giovanni fu Cassiano, from Talla (Arezzo), who is at present held prisoner at Montemiletto (Avellino), wishes to ask your Headquarters for an act of justice. On 25 August 1944, the partisans who wer operating in the zone around my town came to my house and asked me to go with them to the English Police in Talla. The police took me to the Caserma di Castiglion Filocchi and later to the concentration camp of Afragola. From there I was taken and transferred by the Carabinieri to the Poggio Reale Jail of Naples. Following this I was transferred to the Avellino Jail and finally confined at Montemiletto. Even today I do not know the reason for this calvary. I left an agricultural and lumber agency in Calia, but what is more important my poor family which is composed of my wife and three children, the last of whom was born on 26 December 1944, and therefore I have had not yet the pleasure of seeing him. Here I live as best I can and doing the most humble work. I turn to your Command and ask that you examine my case as soon as possible so that I may return to my unfortunate family. I can assure you that my conscience is clear since I have nothing to feel guilty of. I await with faith the act of justice I request.

Respectfully,

/s/ Cassi Giovanni

TRANSLATION. en.

To Public Safety, Allied Commission.

Rome. 27th April. 1945.

The undersigned French subject by birth and French citizen, wife of Colonel Alessandro ALVISI (Cavallery), son of Cavallery General Alvisi, wishes to call the benevolent attention of the A.C. to the grave circumstances of her husband who is in prison for the last nine months, i.e. from the first days of September, 1944 (Regina Coeli); therefore she begs that this long detention may cease either with his acquittal after due enquiry (to which solution everything points) or by the speedy holding of the trial.

May it be permitted to point out, in truth, that Colonel Alvisi never engaged in political activity and still less in favour of the fascist régime; he, effective cavallery officer, was well-known for his horsemanship both in Italy and abroad (as an olimpian) and was invited in 1913 to return to Italy from Paris, where he had retired into private life, at the instance of General Cicbilei, then Inspector General of Cavallery, in order to organise a horse jumping squadron to take part in national and foreign horse shows, a squadron which was at that time run by the Militia so it was regularly incorporated in the armed forces of the State.

He carried this formation to a number of sports' successes, even in the international field, holding in the Militia the rank equivalent to his Regular Army rank, that of Consul.

When this task was finished he asked for another of a technical nature, but he was designated to the post of extra judge on the Special Tribunal, a post which he tried in vain to avoid taking, but was unsuccessful both because of the state of war already begun and because he could not risk compromising himself and the undersigned, a foreigner and notoriously hostile to the régime.

This is the presumed offence of my husband which he

detention may cease either with his acquittal after due enquiry (to which solution everything points) or by the speedy holding of the trial.

May it be permitted to point out, in truth, that Colonel Alvisi never engaged in political activity and still less in favour of the Fascist régime; he, effective cavalliery officer, was well-known for his horsemanship both in Italy and abroad (as an olimpian) and was invited in 1932 to return to Italy from Paris, where he had retired into private life, at the instance of General Giubilei, then Inspector General of Cavallery, in order to organise a horse jumping squadron to take part in national and foreign horse shows, a squadron which was at that time run by the Militia as it was regularly incorporated in the arked forces of the State.

He carried this formation to a number of sports' successes, even on the international field, holding in the Militia the rank equivalent to his Regular Army rank; that of Consul.

When this task was finished he asked for another of a technical nature, but he was designated to the post of extra judge on the Special Tribunal, a post which he tried in vain to avoid taking, but was unsuccessful both because of the state of war already begun and because he could not risk compromising himself and the undersigned, a foreigner and notoriously hostile to the régime.

This is the presumed offence of my husband which he has paid for by various persecutions and with so many months of prison. In the execution of his charge as Supplementary Judge Col. Alvisi had occasion to judge almost exclusively common crimes and even to these he brought a spirit of comprehension and humanity. It is felt that the reason for so much severity in his regard is fear of public opinion and journalistic polemics. The undersigned invokes the intervention of the A.G. for one calming and just word.

With Thanks.

Jeanne Oudette Alvisi.

R O M E

For many months I have been in these prisons at GIOIOSA IONICA (Reggio Calabria) held at the disposition of your Command, accused of having participated in the demonstrations which were held at GIOIOSA IONICA on January 1944, according to the report made by the Carabinieri Reali of Gioiosa Ionica (REGGIO CALABRIA) n. 19 of the 18.1.1944. The Italian Authorities state that they cannot judge me as I am under the competence of your Command: You who are the representatives of democratic liberty; for whom you left your families to come and fight in order to give us freedom, You should not allow that an innocent man should remain for months in prison awaiting trial.

I am an honest farmer aged 64, I work on the land, who lives on the fields: what do I know of the ways of the people? I therefore ask you to please place me under judgement quickly so that I may regain my freedom.

Sono da mesiin queste prigioni di GIOIOSA IONICA (Reggio Calabria) a disposizione di codesto Comando, imputato di aver partecipato alle dimostrazioni illegali avvenute in GIOIOSA IONICA nel Gennaio 1944 secondo il verbale dei Carabinieri Reali di Gioiosaionica (REGGIO CALABRIA) n.19del 18.I.1944.Lesautorita Italiane dicono di non potermi giudicare perchè il giudizio è di competenza di codestoComando:Voi che siete i rappresentanti della libertà democratica, per la quale abbandonaste le famiglie e veniste qui a combattere ed a mettere a repentaglio la vita, Voi non potrete sopportare che un innocente sconti mesi e mesi di carcere in attesa del giudizio! Che vale allora essere ~~liberi~~ innocenti ed essere assolti se la propria libertà personale può essere così mutilata?

Io sono un onesto contadino vecchio di 64 anni, lavoratore della terra,che vive sui campi: che ne so delle macchinazioni della gente?Vichiedo perciò di essere subito giudicato e di essere messo in libertà; e che ne abbia diritto lo dice la vittoria della vostra causa.

TO: His Excellency the King's Attorney General
Catanzaro.

The undersigned, AGOSTINO Caterina, has four young children and is poor. Her husband, COMMISSO Rocco fu Francesco, farmer, was arrested during the first days of this month by the Allied Military Government, Province of Calabria, and accused of having participated in an illegal demonstration at Gioiosa Ionica. An old warrant of arrest, dated 10 Feb. 1944, was used. It is evident that to identify a man in a large crowd is a difficult task, and the undersigned has witnesses to prove that her husband was away from Gioiosa during the days of the riot. It was only that certain people who hated him, pointed out COMMISSO as one of those responsible.

Excellency, please allow a poor mother and a wife to make a plea! She has no way to feed her children. About 20 men accused on the same charge as her husband were at that timeabsolved because it was proven to be an error. But who and when will someone prove that COMMISSO was not guilty? The undersigned is dying from her suffering and pain! Please, will you try him according to our laws now that our Province has been returned to Italy, or will you release him, or will you ask who it concerns that the trial be held immediately?

The undersigned is a poor mother. Excellency, men are not just things. We are suffering unjustly to the point of dying! Let the tears of a mother move you to make an act of pity: give back to her children the sourde of their bread and consolation.

My heart is full of gratitude and hope.

Nº 435.

We wish to inform to his Excellency the King's Attorney General in Catanzaro that in our Legal Office there is no case concerning the riots at Gioiosa Ionica, and there has never been one. About two years ago the Allied Authorities had jurisdiction over this case and the Allied Court at Reggio Calabria tried several persons. COMMISSO was not tried because he had escaped. Other persons accused also had warrants of arrest issued against them by the Allied Authorities but were never captured. The warrant for COMMISSO and the others was issued after the trial mentioned above. A short time ago the Legal Office of Bari, asked your Superior Office for copies of the warrants of arrest for the persons mentioned which I sent to your Excellency on 28 February 1945, with a letter Nº 235, after I received them from the Command of the Local Carabinieri Company.

We sent this to the Allied Command of Rome with a request that COMMISSO Rocco and some others be arrested, there is a warrant for their arrest issued by the Bari Command for their part in the riots of Gioiosa.

For this crime some of the accused have already been tried by the Allied Court, but COMMISSO and some others were not brought to trial because they had escaped, and were arrested only after those who were accused with them had already been tried.

We await orders which will be issued in this case.

SUBJECT: Theft

TO: Provincial Commissioner

I) - In compliance with your instructions of 26 Nov. 1944, I investigated the theft of linens, clocks, watches and various other articles, the total value of which is estimated by the victim to be approximately one million lire, from the premises of Marchese Paola Tucci, on Via Cesare Battisti, Lucca, which premises were then occupied by Allied Officers, their Italian drivers, and two refugee women. Investigation reveals that the major portion of the loot was taken by two Italian drivers of Allied Officers, one Frisardi Marcello (arrested), the former driver for Captain Tilroe, Educational Officer, and one Lari Carlo, (not yet in custody), former driver of Captain Short.

2) - The case has been turned over to the Italian authorities for prosecution under Italian law and the attached report made by the local Questura is self-explanatory as to the amount of property recovered, place of recovery, circumstances under which recovery was made, etc.etc.

3) - Certain articles of furniture were alleged to have been burned by the victim and it is pointed out that Frisardi freely admitted this as well, stating that the articles burned were broken of no apparent value.

4) - A large office desk mentioned by the victim as having been taken was removed from the premises by Captain Tilroe to his office in Regional Headquarters, and Captain Tilroe informed me that the Marchese Tucci had full knowledge of the fact. The Marchese was asked whether or not she knew Captain Tilroe had the desk and she said "si".

5) - The driver Lari Carlo was not arrested at the time of apprehension for the reason that he was ill in bed and could not be moved except in an ambulance. He has been regularly denounced by the Questura and will be taken into custody as soon as his health permits.

6) - In conclusion, it is submitted that the greater part of the stolen goods have been recovered and returned to the owner with the consent of the Questura. Any further investigation of this theft will be made by the Questura as it is apparent it was committed by Italians against Italians.

R. QUESTURA DI LUCCA

Ref. N.2I36I.2^ Lucca, Dec. 8, I944

SUBJECT : CARASSI del Villar Paola - theft comitted by FRISARDI Marcello.

TO : PROCURATORE DEL REGNO - Lucca

The named Carassi De Villar Paola, Tucci by marriage, di Tancredi e di Pastoris Tullia, born in Turin, June 25, I906, resident of Rome, Viale Parioli N° 54, a refugee in Lucca in the Tucci Mansion Via Cesare Battisti N° II, following the occupation of the Tucci Mansion by Allied troops, noticed that a room in the Mansion, that had had a door previously walled up and in which were stored forniture, linens, and other cherished articles, had been broken into and several articles taken from it.

Immediately after this discovery, Mrs. Carassi presented a list of missing articles to Public Safety, AMG, Lucca.

The P.S.O. proceeded with the investigation one Frisardi Marcello di Giovanni e di Manzoni Elvira, born in Rome, February 26, I9I6, resident Piazza Amerigo Capponi I6, driver for Captain Tilroe, (American) who was living in the Tucci Mansion with the said officer.

Frisardi questioned, has stated that in the Tucci home were living three women refugee, to wit: one Simais Maria fu Enrico e di Viali Maria, born in Bruxelles I3/I2/I886 resident in Lucca Via Sarzanese 338, Isola Maria Fernanda fu Attilio e di Norcia Maria, born in Novi Ligure, on the 20/I2/I89I, and Isola Maria Giuseppina father unknown e di Isola Maria Fernanda, born in Genova, on the 2/I2/I9I9, both resident in Via Sarzanese 338 locality called Vignola, who made known to him that in the Mansion a walled-up-door existed and they showed it to him.

After this, Frisardi, climbed to the roof of the home to make sure that the walled up room really existed and then from a near by room, he began making a hole in the wall so as to get in, but, as the wall was too thick to make a hole in it, he then again returned to the roof and found that there was a window that opened into the room and without difficulty, he opened the window, entered the room and took out several articles the first time, after which he returned other times to the room in company of Lari Carlo di Giuseppe, born in Florence, 20/6/I92I resident of Sesto Fiorentino, Via Ferraris I2, Ist floor, driver working for the 2675th Regt A.C.C. - A.P.O. 394 U.S. Army, who also took several articles.

Later Frisardi told Capt. Tilroe of the existence of the walled up room, saying he wanted to make sure if there were any

arms in the house as members of the Tucci family were fervent fascists.

Ftisardi left Lucca on duty and when he returned some days later he found that the wall over the door had been torn down and learned that the Allied Police had been there. The door remained open to all persons that lived in the house.

Frisardi admitted having taken from the afore said room to another room in the same house the following articles:

1. I porcelain dinner set service for six.

9. 2 cases - necessaire-type

Lari Carlo, upon questioning regarding the articles recovered in his home, stated that during the first part of October last, had lived together with a British Officer, for whom he was a driver, in rooms of the Tucci home. There he was aquainted with Frisardi Marcello from whom he came to know that in a room the door of which was bricked in, were articles of furniture, and linens, and so after pressure by Frisardi, he and Frisardi entered the room a fist time not taking anything out of it but in other successive times he took the articles found in his home in Sesto Fiorentino. Furthermore he has stated that Frisardi asked him to fetch the two cases 7153 Lensi's work shop.

Frisardi Marcello denies having taken away other articles that Mrs. Carassi says are missing from the Tucci home which include the following:

CHIMICA -SANITARIA

Rome 12 April, 1945

To the ~~Legal~~ PS Section of the
Allied Commission
Rome.

We, the undersigned, apply to the Legal Section of the Allied Commission, which represents the great American Country, land of civilisation, justice and liberty, led by the wise and powerful President Roosevelt, and we ask that our son, Marcello FRISARDI, detained in the Lucca Prison at the disposal of A.M.G., be released.

He is our only son; he was born in 1916 and has wife and a child. He fought in Rome when the Armistice was signed and then for the bad organisation which took place later, he hid himself at Pisaoniano and at Mentorella, near Subiaco and Tivoli, and helped some Allied prisoners escaped from the camp of Fara Sabina.

On 7th March his own house, his sister's house and our pharmacy were destroyed by an air-raid.

When the Allies entered Rome he was employed by the 8th Education Region as driver of Capt. TILROE and assigned to Lucca.

There he lived with other people in a house belonging to Marquis Tucci, who was a "Moschettiere del Duce" (at present he is in Rome) and as they found a room walled up, thinking some weapons were kept there, they demolished the wall and found some objects which they consigned.

This is the reason why our son was arrested and detained in the Prison of Lucca for five months a-waiting for trial, and no one of the family has been allowed to speak to him and bring him some clothes. 7149

I'm his father; I was persecuted by the Fascists because I am a republican and was arrested in 1923 and prosecuted in 1926. I was acquitted and several times menaced to be confined.

Our son is the only one who can take care of our firm and re-organise it and give us the peace which our family needs.

This is the reason why we ask you to let him come

back to us, pure as he was when he left with the 5th Army, so that he may keep high the honour of his family and the matter may be considered a trifle.

Giovanni Frisardi

Frisardi Marzani Elvira.

I, the undersigned, Parish Priest of S. Vito in Aquila, resident at Via Accursio 34, on the 24th September, 1944, without having given any reason for the law to intervene on my behalf, was transferred by Capt. Ciliberti to the local prison of this city where I remained for 10 days.

Although I have repeated enquired of Commands and Authorities, both Allied and Italian, no one has at yet been able to give me a reason for my imprisonment.

Io sottoscritto, Parroco di S.Vito di Aquila, dimorante in Via Accursio, 34, il giorno 24 Sett.1944, senza che mai nessun motivo abbia dato di insubordinazione alla legge, fui dal Cap.Ciliberti tradotto nelle carceri di questa Città ove rimasi per una diecina di giorni.

Per quanto abbia interrogato più Comandi e Superiori e alleati e italiani, nessuno fino ad oggi mi ha saputo dire il motivo della carcerazione.

Trovandomi pertanto nella necessità di far luce su quel fatto che intacca la onorabilità mia personale di uomo e di Sacerdote e che ha prodotto molta impressione nell'ambiente, chiedo a codesto Comando Generale perchè mi si comunichi quali sono i reati che mi si attribuiscono e che hanno spinto il detto Capitano o chi per lui a disonorare in tal modo la mia condotta e la mia personalità.

Illustre Colonnello,

da parte della Signora Maria Berlingieri, residente a Firenze (Viale Poggio Imperiale 18) è pervenuta a S.A.R. il Luogotenente Generale del Regno l'unita istanza con la quale essa sollecita la liberazione del marito, Maggiore Giulio Parentini di Eligio, internato per ragioni politiche nel campo di concentramento 81-1-285,184 - U.S. P.W.E.326.

Come si può rilevare dall'esposto, il Maggiore Parentini, che sarebbe stato costretto, suo malgrado, ad arruolarsi nell'esercito repubblicano, durante il periodo dell'occupazione tedesca avrebbe ospitato ed aiutato efficacemente alcuni militari italiani renitenti ai bandi nazi-fascisti ed appartenenti a bande di patrioti.

Secondo le intenzioni di Sua Altezza Reale ed in vista delle circostanze addotte, mi permetto segnalare a Lei l'istanza per il miglior conto che - nei limiti del giusto e del possibile - crederà di farne.

E sin d'ora ringraziandoLa per ogni Suo cor

./.

TRANSLATION

TO HIS ROYAL HIGHNESS
THE PRINCE OF PIEMONTE
LIEUTENANT GENERAL OF THE KINGDOM.

Maria Berlingieri, married Parentini, living in Florence, Viale Piazza Imperiale 18, wishes to expose the following:

Since Sept.1944, her husband PARENTINI Giulio of Eligio, born at Montaione (Prov.Florence) is interned at the concentration camp 81-1-285 184 - U.S. P.W.E. - 326, for political reasons. He is an invalide of the first war 1915-18 and was recalled to arms in Nov.1941 with the grade of Major, remaining in service up to Sept.1943. After the 8 Sept, he remained at home bu was re-called under the republican army, nor being able to refuse as he was a squadrista. Although he belonged to the above mentioned army, he tried to help all the youths who refused to join. He was also aware that in the home of the undersigned's parents were hidden six young men, three officers, two under officers and a soldier as well as the commandant of the Partisan Band "TESEO". The following are their names:

1) Capt. R.C. delle Foreste DE GAUDIO Savario, looked for by the Republican police, accused as being a traitor. Is at the moment administrator of the forests of Vallombrosa.
2) Lieut.of the Aviation DE LUCA Gege- Head of the Partisan Band "TESEO". Actually in service with the 8th Army on the Adriatic front.
3) Lieut. of Artillery TRITONY Filippo, class 1910, who abandoned the establishments of "TERNI" where he was under the army.- At thea moment he is in Florence in Via Vecchia di POZZOLATICO n.39.
4) Sergeant DE GAUDIO Gaetano class 1919 whom PARENTINI accompanied, in May 1944 to the Military Barracks writing him down as belonging to the class 1913- Actually at Trebisacce (Cosenza).
5) Sergeant REGINA Alfonso, class 1917. - Actually at TREBISACCE.
6) Coporal MORELLI Albino, class 1922, whom PARENTINI accompanied to the Military barracks, and under his own personal responsibility and guarancy wrote him down as belonging to the class 1920, as deserters of the class 1922 had to undergo the penalty of death. At the moment Morelli is living in Florence at Via Montebello n.60.

PARENTINI also knew very well the activity carried on by the "TESEO" band and that the above mentioned persons were members of same.

The undersigned therefore begs that her husbands case be re-examined and that he be released. She and her family are in very poor conditions and she is also worried for the health of her husband who is suffering with a nervous breakdown.

The following information on a/m subject comes from this Section detachment at CALTANISSETTA :-

CIC Files PALERMO state: "GRIFFAUDO Federico, Via Paolo Vetri 9, ENNA. Fascist. Arrested in ENNA approx. 25 Jul 43. Born 19 Jun 03. Schoolteacher. Married and has 2 children. Resided in ROME from 1938 to 1939. Joined Fascist Party in 1923. Held position of Feduciary of a fascist guild for 1 year. Alleged to be member of the Squadristi. Informants point him out as a dangerous fascist who continues to spread goapel of Fascism and who has given information about anti-fascist."

Enquiries at ENNA revealed little of interest, except that the above information was exaggerated and that his wife was telling the truth when she says that his inly position was in the GIL. (Being a shool-teachet he would naturally have to take and interest in the GIL). He was a member of the PNF from 18 Apr. 23, but held no party position. He was not a Squadristi, and is said to have been on occasions lukewarm towards the party.

He seems to be one of these unfortunate minor figures who where scooped in the very early days on the strenght of some informatnt's denunciation.

1. Attached are a number of memoranda received from the Foreign Interests Division, Swiss Legation regarding the release of certain German nationals at present held by the Allies in Civilian Internee Camps. These were sent to the U.S. Political Adviser, A.F.H.Q. last year.

2. The procedure to be followed in handling these memoranda was under consideration for some time and it has been decided that the proper channel for communications of this nature is through the Allied Commission to G-5, AFHQ and thence, where required, to this office. In this case, however, in order to avoid further delay this office has been asked to communicate direct to you.

German Interests

M E M O R A N D U M

The Swiss Legation, Foreign Interests Division, presents its compliments to the Political Section of the Allied Control Commission, and has the honour to draw the attention of the Allied Authorities to the arrest of a German citizen Norbert von GESCHER.

Mr. von GESCHER is employed at the International Institute of Agriculture, (the wellknown international organisation), the staff of which was guaranteed by the Italian Government with Diplomatic privileges by special Law of June 20, 1930.

The Swiss Legation, in dealing with Allied Interests during the last three years, had occasion to ensure, owing to the Diplomatic privileges accorded to the staff of the Institute, that two British subjects Miss McDonald and Mr. Okely, and an Egyptian national Mr. Isaac Salto, could remain undisturbed in Rome also during the German occupation.

The Swiss Legation would be very grateful if the Allied Authorities could reconsider the case of Mr. Norbert von GESCHER, and afford him the possibility of attending his works.

The Swiss Legation takes the opportunity to renew its thanks for the courtesy.

Miss Kutscher's mother. Mrs. Hellen Kutscher. aged 66. states in a letter addressed to the Swiss authorities that she is suffering from a severe heart trouble and that she needs the assistance of her daughter very badly.

The Swiss Consulate. in charge of the protection of German interests. would appreciate being informed. if possible. of the reasons why such a sudden measure was taken against Miss Kutscher who had first been permitted by the Allied Authorities to work at the Metallurgical Dock-Yards.

The Consulate would further appreciate if the competent Allied Authorities would kindly take into consideration Mrs. Kutscher's request that her daughter be permitted to return to her home.

The German interests section of the Swiss Consulate has received a request from the wife of Mr; Arturo SCHREIBER, a German national, interned in the concentration camp of Padula (P.W. 371 C.M.F.).

The request tends, in substance, to the liberation of the internee and is based chiefly on the old age of the individual - 71.

This office, while submitting the above request to the attention of the competent Allied Authorities, takes the liberty of pointing out that in its opinion Mrs. Schreiber's desire is considered justified and the motive of the request well founded.

TO: THE ALLIED AUTHORITIES Hq.. Naples.

DATE: September 22. 1944.

REF.: 310-Fritzching - Ri/bl

Mr. Oscar Fritzching, a German national, called at the Foreign Interests Section of the Swiss Consulate, in charge of German interests, on September 17. 1944, and made the following statements:

Having left Naples at the beginning of September 1943 to go to Florence, he placed his apartment and the furniture in it in the custody of Mr. Alfredo Chiarenza who lived in the same building--Via Renato Mattei 15. Naples. Upon his return here he found that Mr. Chiarenza had, without permission, sold out some of his belongings and, furthermore, refused to surrender the apartment.

Mr. Fritzching also stated that Mrs. Lina Maropieri, Mr. Chiarenza's sister-in-law, had made charges against him to the Allied Police Authorities which--he says--are both false and calumnious. Inasmuch as steps taken with the Italian Police have had so far, it appears, no results, he has asked this office to bring the case to the attention of the Allied Authorities.

Mrs. Fritzching, born Jolanda Trapanese, informed this Section on September 20, that her husband had been on that day arrested by the Allied Military Authorities in order to be interned.

It would be greatly appreciated if the Allied Authorities would kindly make known to this Section their view point on this case, and avails itself of this occasion to renew the assurance of its highest consideration.

Mr. Heinz-Eberhard SCHMIDT, a German national, born at Berlin on March 18. 1917. a resident of Capri since 1933 and now interned at 371 P.W. Camp, addressed three lengthy letters to the office of the Protecting Power in Naples, disclosing facts which, he thinks, might be brought to the attention of the Allied competent Authorities for his eventual liberation from internment.

This section allows itself to summarize herebelow Mr. Schmidt's statements but refrains from passing any judgment on the case.

1) He states he is the son of a British subject and holds document proving it;

2) he came to Italy in 1933. namely, when Italy was still hostile to Nazism;

3) his writings, contrary to Nazism, sent to Germany and censured, probably caused the German Consulate General in Naples to deny him, for more than a year, the renewal of his passport;

4) he states he refused to take part in the elections at Gaeta in 1938. This statement is corroborated by the following fact: ten days prior to the arrival of Hitler in Italy (April 1938) he was imprisoned at Capri for 17 days as a measure of precaution;

5) as a consequence of all this, his application for Italian citizenship, which he made six months earlier, was denied by the Fascist government; a second application had the same result;

6) he states he was exempted from participating in the Armed forces because he was affected by chronic nephritis; has a document from the International Hospital, Naples;

7091

Declassified E.O. 12356 Section 3.3/NND No. 785016

7) in September 1942, because of the necessity of earning a living, he got a position with a German firm (Daimler-Benz) working for Alfa-Romeo at Pomigliano d'Arco, Naples (motors repairs);

8) The German firm where he was employed having subsequently left, he states he was asked by the German secret camp police at Naples to act as interpreter. He said he was afraid to refuse the offer. However he would never have started in his new job inasmuch as he was informed by the chief of the secret police, shortly after his engagement, that the latter could not be contemplated because he lacked complete trust politically;

9) he further added that his internment has probably been determined by the fact that he was mistaken for a certain Georg Schmidt, well-known pro-nazism residing at Capri.
