MINISTERO DELL'INTERNO

Alessandro TARABINI, born at Cosio Valtellino, on 15 Sept 1894, ex Vice Segretario of Fascist Party, is not recorded in the files of our Ministry.

From files of Divisione Polizia Politica it is learned that his file was taken away by the Fascist Republican Prefetto LE PERA after 8 Sept 43.

It is learned from the Rome Questura that in December 1945 the Questura of Como inquired if TARABINI was detained in Rome, he was not.

On 22 Jan 46 the Questura of Como circularised all Questure throughout Italy asking for information of the present whereabouts of TARABINI who was arrested on 26 April 1945 and transferred to Piacenza, after which there was no information.

Further investigations are being made .

To Admiral ELLERY W. STONE

ROMA

My husband, ex Lg.General TARABINI Alessandro, was taken prisoner by the partisans at PONTE LAMBRO (Como) the 27th of April 1945. After a few days in the jail of Como the Allied Authorities transferred him to the Concentration Camp at Piacenza, then the 17th of May to Modena, and from there to Scandicci (Florence).

Since ten months I have no news that can be called reliable, with the exception of rumours according to that he has been removed to Terni as a civilian prisoner, and from Terni to Tunisi.

I have contacted Allied Authorities at Como and Milano, the Italian and Allied Red Cross, Church Authorities and Italian Ministers, but none where able to give me any assurance of his fate.

Will you please do all that is in your power to let me know, at least, if he is still alive.

My little daughter and myself will be ever grateful to you, and wish you all the happyness you deserve.

Yours sincerely

TARABINI Alessandro di Giuseppe, nato a Dosio Valtellino il 15.5.1894, ex Vice Segretario del disciolto partito fascista, non ha precedenti in questi atti.-

Dall'archivio della soppressa Divisione Polizia Politica risulta che il fascicolo del TARABINI fu prelevato dal Prefetto fascista repubblicano DE PERA, subito dopo l'8.9.1943, insieme ad altri.-

Negli atti della locale Questura risulta che nel dicembre 1945 la Questura di Como, interessò quella di Roma per accertare se il TARABINI fosse detenuto nelle locali carceri; accertamento che fu negativo.-

In data 22 gennaio 1946 la Questura di Como richiese le Questure del Regno di disporre indagini per rintraccio, segnalazione, del medesimo, nel quale nella circolare si disse: "arrestato il 26 aprile 1945 e tradotto a Piacenza, da dove ignorasi per quale località sia stato fatto proseguire."

Sono stati disposti ulteriori accertamenti, sull'esito dei quali si fa riserva di riferire.-

La sottoscritta Martino Giuseppina Ved. Pizzitola, madre del Cap.RR.CC. Alfredo Pizzitola, si permette esporre quanto segue:

Il 17 gennaio c.a. il proprio figlio venne arrestato nella propria abitazione per ordine del Comando Inglese perchè richiesto, quale criminale di guerra dalla Grecia, dove, durante la occupazione italiana aveva prestato servizio. Subito dopo venne condotto nel campo 209 di Afragola.

In data 13 marzo u.s. il Governo Greco comunicava alla Legazione greca di Roma che dalle deposizioni raccolte durante la istruttoria svoltasi in Grecia è risultato che il Capitano Pizzitola Alfredo assolse il suo compito con onore e senso di umanità e che pertanto non dovevasi considerare più criminale di guerra e poteva essere messo in libertà.

Detta comunicazione trasmessa dalla Legazione Greca al Comando Inglese di Via Vittorio Veneto in data 19 marzo c.a. rimane purtroppo, non si sa per quale motivo, in detto ufficio senza che nessuno si preoccupasse di mandarla avanti onde ridonare a mio figlio la libertà; libertà necessaria per svolgere la sua attività quale Presidente dell'Unione Democratica Nazionale in questo delicato momento della nostra Patria.

A ttitolo informativo racconto la breve storia del Capitano Pizzitola documentandola con documenti riprodotti in copia per fare conoscere chi sia quest'uomo trattato oggi con durezza proprio dagli inglesi per i quali aveva tanto sofferto. Fu prima perseguitato dai Tedeschi a causa degli inglesi oggi, ironia del destino, è perseguitato dagli inglesi. Incredibile, ma vero!

a) Durante il periodo della guerra non ebbe mai a che fare con militari brittannici. Evaso il 7 ottobre 1943 dai tedeschi che lo avevano catturato in Roma, entrò a far parte della banda "Monte Sacro Santa Agnese" rendendo segnalati servizi agli Anglo Americani. Per tali servizi e per aver più volte

esposta la propria vita a pericolo, fu proposto per una ricompensa al valo re militare(Medaglia di Bronzo).(Vedasi all.n.1)

b) Come risulta dagli allegati n.2 salvò la vita a numerosi prigionieri inglesi e Sud Africani che stavano per essere catturati dai tedeschi.
Un ufficiale inglese certo tenente Karol in possesso di una Radio trasmit tente sarebbe stato certamente fucilato se non avvertito in tempo a mezzo di mio figlio per mettersi in salvo.

c) Durante l'occupazione nazista di Roma, quando gli inglesi erano perseguì tati dai tedeschi,prestò £.10.000 ad un ufficiale inglese ammalato(vedasi dichiarazione del Vescovo Timothèe Raymundus ora a Parigi (XVI) Rue Molitor 44 (All.n.3)

Fiduciosa đi un benevolo accoglimento, vivamente ringrazia.

Allegato I

Roma li 26 novembre 1944

Relazione per la proposta di ricompensa al valor militare a favore del Capitano dei CC.RR. in s.p.e. PIZZITOLA Alfredo.

Alla data dell'8 settembre 1943 il Capitano dei Carabinieri Reali in s.p.e.PIZZITOLA Alfredo prestava servizio in una compagnia del battaglione, accasermato nella Caserma Poggera di Roma.

Il mattino del 7 ottobre successive,quando,per deplorevoli disposizioni,decretate dallo pseudo ministro della difesa nazionale repubblicana,di accordo con il comando tedesco,fu deciso il disarmo ed il conseguente internamento del personale dell'Arma dei CC.RR.,il Capitano Pizzitola ebbe ordine alle ore 5 del mattino di presentarsi in caserma.

Quivi,giunto,con sua grande sorpresa gli fu,dopo qualche ora di attesa comunicato da ufficiale superiore,che la caserma era completamente circondata da forze armate tedesche,incaricate della occupazione e del disarmo del personale,con successivo internamento.

Colpito profondamente da una tale comunicazione,il Capitano Pizzitola,deciso fermamente di non venir meno ai suoi doveri di soldato,pensò di sottrarsi ad ogni costo alla cattura.

Non curante dei pericoli,ai quali si esponeva,con l'aiuto di alcuni fidati dipendenti,portatosi all'ultimo piano della caserma,superando gravissime difficoltà,riuscì a sfondare il soffitto ed a praticare poscia una apertura nel muro divisorio di un attiguo fabbricato ed attraverso un'abitazione civile, potè,travestito da operaio,allontanarsi,unitamente ai dipendenti stessi,dopo essere stati fatti segno ad alcuni colpi di fucile mitragliatore.

Raggiunta,scalzo,la propria abitazione,dovette però poco dopo,allontanarsi inquantochè risaputo il suo nome,era attivamente ricercato dalla polizia tedesca.

Perdurando le di lui ricerche,dovette,in quei giorni,cambiare vari domicili.

Dal giorno 7 ottobre il Capitano Pizzitola,sorretto dalla sua fede,e dal suo alto spirito militare,affrontava quindi,risolutamente i pericoli,i disagi della vita alla macchia.

Desideroso di dare tutto il suo contributo alla resurrezione della Patria, entrava subito a far parte di una organizzazione clandestina di resistenza,ponendosi a disposizione del costituitosi Comando Gruppo Bande Monte Sacro S. Agnese.

Dava,quindi subito,al[illegible] causa,ogni sua migliore e-ergia,tutta la sua entusiastica e fervida attività.

Ufficiale intelligente,deciso,di rapida percezione,sempre presente e sempre pronto,fu impiegato nel lavero di organizzazione ed,in modo particolare,in segreto servizio informative.

Animatore efficace,in otto mesi di domimazione tedesca,seppe,con l'esempio e con suadente ed appassinata parola,sostenere la fede e la forza di animo di numerosi patriotig .

Nel delicato servizio informativo,diede particolare e cospicuo contributo.

Infiltratosi astutamente,con l'aiuto di pochi fidati gregari,nell'ambiente spionistico della polizia segreta tedesca,dove seppe guadagnare alla causa un astuto e fidatissimo informatore,attraverso a numerosi,continui rischi e pericoli riuscì a venire in possesso di importanti notizie,ed a conoscenza di decretate misure coercitive a danno dei patrioti.

Si deve all'attività del Capitano Pizzitola se si poterono avere tempestivi preavvisi su dispost[illegible] retate di uomini,su ricerche di ufficiali e personalità in vista,su religiosi sospettati di collaburazione con i patrioti etc e per il che fu sempre possibile avvertire in tempo utile gli interessati.

Si poterono del pari rendere,sovente,negative perquisizioni domiciliari,infruttuose ricerche di armi e munizioni occultate.

Sono degni di particolare menzione i preavvisi,mandati alla direzione della Colonia Agricola Roma della "Bufaletta",gestita dai Padri Giuseppini, presso la quale avevano trovato rifugio numerosi patrioti alla macchia,ufficiali ex prigionieri inglesi sfuggiti ai tedeschi.Del pari sono da ricordare i preavvisi dati al Generale della riserva Vitale Luigi,proprietario di una azienda agricola nella stessa contrada "Bufalotta",e presso il quale avevano trovato asilo vari ufficiali inglesi.

Stabilita la presenza di questi,fu decisa la loro cattura,unitamente a quella del Generale Vitalè.Per mezzo del Capitano Pizzitola,poterono i ricercati mettersi al sicuro,prima dell'arrivo dei reparti della SS tedesca.

Anche nel campo informativo militare,il Capitano Pizzitola ha saputo dare apprezzabili risultati.

Le stesse inoltre,potè stabilire la esistenza e la consistente precisa identificazione di spie italiane assoldate al tedesco.

I nominativi delle stesse,poterono essere portate a conoscenza della Legazione inglese presso la Santa Sede.

Identificò una sezione del servizio informativo tedesco,sita in via Antonelli

7698

DeclAssified E.O. 12356 Section 3.3/NND No. 785016

n.47,internoII,e composta essensialmente da elementi italiani.

Questa sezione agiva,per lo più,nel campo militare.

Anche di ciò fu resa edotta la predetta Legazione.

All'inizio della ritirata tedesca,il Capitano Pizzitola accorse prontamente al posto assegnatogli nel settore di Monte Sacro.

Assicurò,ivi,il mantenimento dell'ordine pubblico e con i Carabinieri, posti alla sua dipendenza,rioccupò la mattina del 5 giugno I944 la stazione dell'Arma di Monte Sacro.

Questo ufficiale,nel servizio alle bande,si è dimostrato completo sotto ogni aspetto,attaccatissimo al dovere,efficace animatore,di basata preparazione tecnico-professionale,coraggioso e sprezzante di ogni pericolo.

Perfettamente compreso delle necessità contingenti,nonchè dei doveri che derivano,dalla propria responsabilità,ha assolto i suoi compiti molto bene,e,in una istancabile attività,ha messo in particolare rilievo un complesso bene armonizzato,di belle qualità e doti.

A premiare un magnifico comportamento tenuto sottostando a continui disagi, privazioni,insidie e pericoli,ritengo poter formulare nei confronti del Capitano Pizzitola Alfredo proposta per la concessione di medaglia di bronzo al valor militare.

Il sottoscritto dichiara di essere stato informato nel tarde pomeriggio del giorno 27 maggio C.a. che una squadra della SS Nazi-fascista avrebbe nella notte seguente proceduto all'arresto del Gen.Vitale,proprietario della Tenuta Salaria,confinante con quella di questo Istitute.

L'informatore mi pregava di avvertire immediatamente di ciò il Generale, perchè potesse mettersi in salvo.

Mandai subito il mio Vice-rettore P.Francesco Fin.Il Generale informato, chiese ospitalità in questo Istituto dicendo che non sapeva come rimediare diversamente,preso così all'improvviso.

Il Generale si fece premura di avvisare di ciò anche alcuni prigionieri inglesi e sud-africani,con i quali era in relazione,uno dei quali,con il grado di Tenente,teneva una radio trasmittente.

Questi si allontanarono tempestivamente ed il Generale nella notte stessa fu da noi ospitato.

Fu provvidenziale tutto ciò,perchè subito dopo arrivava in tenuta del Generale una macchina con un tedesco ed un fascista,che,dopo breve perlustrazione,si allontanava.

Nei giorni successivi,28 e 29-squadre fasciste e tedesche perlustrarono la zona,incontrando il Tenente inglese che stava ricoverato in una baracca con gli sfollati di Settebagni,ma non fu riconosciuto.

Il Generale rimase in questo Istituto sempre nascoste fino all'arrivo degli Alleati.

Durante la sua permanenza fu visitato più volte dai prigionieri inglesi.

Ces lignes ne sont pas une plaidoiné,une supplique,mais un simple exposé. Je ne me présente pas en avocat de M.Pizzitola mais en honnete homme,en bon chretien,je voudrais dire la vérité et seulement la verité.En une époque où les conditions des Alliés étaient encore moins brillante,et l'Axe se glorifiait de multiples succès,M.Pizzitola,en face d'un grave devoir,où il fallait proteger l'armée de sa propre patrie, lancée dans une aventure qu'aucune raison ne justifiait,et de ce fait,éviter à la grèce à ses alliés des pertes d'hommes surtout,n'a pas hesité à y correspondre.Plus tard de retour en Italie, sous le regime néo-fasciste,et pendant l'occupation allemande,il ne devie pas de la ligne qu'il s'est tracé:faire une politique d'honneur, la seule qu'il croit digne de son pays,la seule capable de réparer le passé,de préparer l'avenir.

M.Pizzitola ne fut pas un opportuniste qui changeait l'arme d'epaule parce que la fortune penchait du coté de l'adversaire de son pays.En grèce, il fit si bien en toute brobité et dignité,que ses adversaire l'accuserent d'être au service des Anglais,et l'ammenèrent en Italie,à Crotone où il était exposé aux bombardement fréquent et meurtiers des alliés.

Cette accusation est répètée encore de nos jours et ceux là même que jadis lui faisaient reproche de son attitude ne font pas un mystère de la joie qu'ils ressentent de son arrestation,s'ils n'en sont pas les auteurs moraux,comme je le pense.

En M.Pizzitola,ils poursuivent les alliés,et chose étrange,ils se servent d'eux,aujourd'hui pour le diminuer,l'anéantir ,comme hier ils s'étaient servi des allemandes et de leurs affidés pour le traquer et le saisir.M.Pizzitola n'a jamais eu peur d'eux.M.Pizzitola n'a jamais eu peur d'aider un des premiers officiers anglais qui vint à Rome de grèce,avec d'autres grecs,en lui avançait IO.OOO lires.(J'en sais quelque chose).

Informé qu'une battue devait avoir lieu,aux environ de Buffaletta,où se cachaient des officiers anglais,il n'hésite pas,et prend tous les moyens pour qu'ils soient avertis à temps(j'y ai pris part).Averti par un de ceux qui devaient présider à l'arrestation d'un prélat irlandais,connu par ses services aux offices anglais cachés et traqués sans cesse,il lui fait dire de ne pas sortir du Vatican.....De Meme,un autre anglais,au service de l'ambassade anglaise auprès du Vatican,que les Allemands savaient chargé de diverses missions,(je sais qu'il était en contact avec mes compatriotes,les grecs) est informé qu'en groupe de jeunes, surveille sa sortie du Vatican....

En agissant ainsi,il pense servir son pays.Il n'arrive pas en retard pour faire oublier des fautes du passé,comme l'on accusé certain de mes compatriotes inconscients,qui se son dédits depuis devant les autorités judiciaires. Il est encore rien moins que servile,il reste digne et indépandant,il agit en homme d'honneur,et pour cela ,il est digne d'estime et de respect: on ne devrait pas les lui marchander.

Dès l'arrivée des alliés à Rome,il fit ses offres de service en toute loyanté sans arriere pensée aucune.Il aurait pu,j'en suis sûr être de grande utilité aux Anglais..... pour les affairs de grèce..... et la grèce,aurait peut-etre moins souffert.

Aujourd'hui,mes compatriotes lui rendent ce témoignage qu'il est un homme de haute conscience.....

To S.E. IL COMANDANTE GENERALE DELL'ARMA DEI CC.RR.
SEDE

I undersigned, Giuseppina PIZZITOLA, apply to S.E. in order that the position of my son Alfredo PIZZITOLA, Capt. of CC.RR. be clarified.

He was arrested on 17 Jan 46, as a criminal of war and interned at Afragola Camp. It is learned, from an inquiry occurred in Greece, that Capt. Pizzitola was not a criminal of war, but a man who helped in any way Greek people with his humanitarian spirit.

Not only Greeks were helped by him during Nazi-Fascist occupation, but also English and South-African prisoners, in Rome.

All these facts are proved by very important documents herewith enclosed, that I beg to take into consideration.

Capt. Pizzitola is an honourable man and all the charges against him are only calumnies, as declarations of Capt. De Chiara herewith enclosed.

The more important documents are:
1) A proposal for an award of medaglia di bronzo al valor militare presented to Ministero della guerra.
2) Declaration of Monsignore Timotheo Raimundus(Greek).

Hoping that my application will be taken into consideration, I thank in advance.

I andersigned, Padre Antonio Pangrazio, make the following declaration:

On 27 May 44 I was informed that a group of Nazi-Fascist SS would arrested, in the night, Gen. Vitale, proprietor of Tenuta Salaria, located near our Institute.

The informer begged me to inform at once Gen. Vitale on the matter in order that he could escape.

Gen. Vitale asked us to be allowed to enter our Institute, being this the only way for saving himself. He informed also some English and South-African prisoners, with whom was in contact. Among these an English Ltn. kept a radiotelephone transmitter.

They went immediately away and we gave hospitality to Gen. Vitale.

All that was useful, because very soon a car with a German and a Fascist arrived at General's farm.

After an inspection they went away. The following days, exactly on 28 and 29 May 44, German and Fascist groups explored the zone.

They met, without recognising him, the English Ltn. who was living in a shed with some evacuated persons at Settebagni.

Gen. Vitale remained hidden at our Institute until the arrival of the Allies.

During his staying here, he was often visited by English prisoners.

Report for the award of a ' Medaglia al valor militare ' on behalf of Capt CC RR, PIZZITOLA Alfredo.

On 8 Sept 43m Capt of CC RR PIZZITOLA was attached to a Group quartered at Caserma Podgora, Rome.

On 7 Oct 43 morning , when as orders issued by Republican Minister accordingly with the German Command the discharge was decided with the internment of the CC RR Corp men, Capt Pizzitola with a pretext was ordered to present himself at 5 a.m. at the barrack. There, after a long waiting, amazed, he was informed by a German Officer, that the barrack was completely surrounded by German Forces, who, after having occupied the barrack and discharged everyone, would intern them. Deeply touched from such a news, Capt Pizzitola strongly determined not to fail on his duty, thought to withdraw himself ,at any price, to the capture.

Notwistanding the dangers helped by some truthful dependants, he reached the upper floor of the barrack, and overcoming great difficultiesm he succeeded to break open the ceiling and after having disguised himself as a workman, with his dependants, went away, while the guns were firing against them.

Reached, Foot-bared his apartment, he had, short time after, to go away, as researched by the Germane Police.

As these researches were lasting, he was obliged, in those days, to change many addresses.

So from 7 Oct, Capt Pizzitola, affronted resolutely dangers and troubles of a mountain life . Wishing to give his contribute for resurrection of the Country, he enrolled at oncem himself in a clandestine organisation: the Comando Gruppo Bande Armate Monte Sacro-S.Agnesem starting a life of enthusiastic and efficacious activity.

Clever officer, prompt, of great intuition, always present and always ready, he was appointed to a work of organisation and particularly on secret informations service. With his encouraging work during the eight months of German occupation, he substained with his faith and courage the patriots.

He cunningly entered, helped by a few truthful men, into the German spy secret servicem where he gained to his cause a cunning and true informer. So he could obtain some important news , and informations concerning orders issued against patriots. Naturally the danger was enormous, It was to Capt Pizzitola activity, due the news about orders of 'retate', researches of officers and personalities, of religious men suspected of collaborating with partisans. Always it ~~was~~ is possible to give notice, in due time, to the persons involved. We could be ablem so, that the perquisitions effected for arms and ammunitions were useless.
Wem especiallym wish point out the informations sent to the Direction of Colonia agricola Roma, of 'Bufalotta' of Padri Giuseppini, where patriots and English officers were hiddem and to Generale VITALE

owner of a farm, always at 'Buffalotta' where many English officers were hidden. As the Germans knew these hiding-placesm they established the capture of everyone, Gen Vitale included. But thanks to the informations received by Capt Pizzitola, everybody could escape before SS arrival.

On military fieldm also, Capt Pizzitola's work, was very useful: he could establish the existence and subsequantly identification of Italian spies on German service.

The names of these man were forwarded to the Ehglish Legation at Santa Sede.

He identified a section of the German information service located at 47, via Antonelli, int 2, and formed quite esclusively by Italian elements.

This section was always acting on military field . The English Legation was informed on the matter.

When Germans began to withdraw themselves, Capt Pizzitola went promptly back to his job at Montesacro Section . He maintained there the Public Security and with the CC RR, at his disposal, occupied on 5 June 44 the CC RR station .

In order to award such a character held during constant troubles, wants, dangers and snares , I am asking for the grant of bronze medal to 'Valor militare ' .

Herewith enclosed is the concerned certificate.

PROPOSAL OF AN AWARD ON BEHALF OF CAPT ALFREDO PIZZITOLA.

" Officer of high qualities being his barack surrounded by German Forces, who wanted to discharge and deport the personnel, boldly broke-out the ceiling, entered the next building, and through a civil flat, could escape, followed by some dependants, while the guns were shooting.

True to his military duty, jointed at once a clandestine organisation, and giving all his faith he acted as an ardent patriot.

With his enthusiastic work, during the eight months of Germans occupation, substained with examples and with passionate words the faith of his chums. Appointed to a service of delicate nature, with a few men, entered in the German and Republican spy field, and among adventures and dangers, could get important news of serious orders issued, saving officers, civilians, religious men, allied prisoners, patriots...

He identified also two Italian spies, on military service, segnalising them to the Allied Legation attached to Santa Sede.

Example of military virtues, of a high sense of duty, of faith and disdain of danger.

STATEMENT

I learned from H.E. Vescovo Monsignor Timoteo , the arrest of Capt CC RR Alfredo PIZZITOLA, charged with crimes by him allegedly committed in Greece.

I wonder knowing that among those who gave informations against him, my name was included.

I feel it my duty, for Capt Pizzitola's dignity and honour, to state that never I gave informations to everyone on his behalf, either verbally or by writing, and I never expressed my judge about him.

I regret very much all the happened, and truly I cannot understand the reason of my name for charging the abovesaid officer.

Therefore, I positively contradict everyone who used, knowlingly or unknowlingly, my name, with such aim.

I also add that Capt. Pizzitola for his probity, correctness and generosity of soul, on duty and out, was always very much appreciated by me.

I write this declaration for all uses of law.

TRANSIATION

These lines are not a petition but only a statement . I do not introduce myself as Mr Pizzitola's defenser but as an honest man and good christian, I will tell the truth, only the truth.

When the Allies conditions were uncertain, and the Axe vanted itself of many successes, Pizzitola, in order to defend the army of his country, got into an adventure, not necessary, only with the aim to avoid loss of men to Greece and her Allies.

Later, when he returned to Italy, during nazi-fascist occupations, he pursued on his way: an honorable politic the only one he thought deserving for the redemption of his country.

He was not an opportuniste. In Greece he was so upright and worthy that the enemies charged him with being at the English service. They brought him to Italy, at Crotone, where he supported the frequent and terrible Allied bombardments.

This charge is now renewed, and thosewho once charged him, are now enjoying for his arrest, if they are not, as I think, the moral authorsof his charge. They use the Allies in order to hit Mr Pizzitola as once they used the Germans. Pizzitola was never afraid of them. He was never afraid to help an English Officer come to Rome fromGreece with other Greeks, lending him 10.000 lire . As he was informed that a ' rastrellamento' would take place near ' Buffalotta' where many English Officers were hidden, he informed them at once on the matter . He informed an Irish priest not to leave the Vatican because he was actively researched.

Acting som je thought to help his country. He is not late to make his past forgottenm as declarations of my unscrupulous country-men.

He is not servile, but worthy and independent, He acted as an honourable man. For this reason he is worthy being appreciated and esteemed.

Since Rome liberation, he offered sincerely his service to the Allies. He would have been able to help greatly the English, for Greece matters, and Greece, perhaps, would have suffered less.

To day my countrymen state that he was a man with a high conscience.

R o m e ;

The War Crimes Bureau in Athens have requested the Greek Delegation to the Advisory Council for Italy to intervene with the Public Safety Sub-Commission, in order that they kindly communicate to Alfredo PITSITOLA, a Captain in the Italian Army and Deputy Chief of the Italian 2nd Bureau in Athens during the occupation of Greece by axis forces, who is held as a war criminal in a concentration camp at Afragola, the following facts which he should either deny or admit :

In an investigation made by the War Crimes Bureau, it was learnt that :

I) In November I942 Pitsitola tortured the Greek doctor Constantine Stamoulis breaking two of his ribs.

2) He also tortured Constantine Spyratos, a Signal Officer who later died of his wounds.

3) Nicholas Spyratos was also tortured and beaten by Pitsitola himself. The same treatment has also been inflicted on the following : Eustathios Anastassopoulos, 46, a bank employee Dimitrios Vroutissis, 25; Anghelos Papadimitriou and Athanassios Lycoyannis.

4) He has also ill-treated a British prisoner of war, by name STEWART, who was later shot by the Italian Military Authorities, and HATKINSON who suffered the most inhuman and barebarous treatment.

767

On the other hand, Pitsitola should be informed that high ranking witnesses, both civilians and military personnel, acknowledge the interest shown by him in favour of some persecuted Greeks an interest which often had favourable results for these.

Dear Captain Ellis,

it is a long time that I have not heard from you and I very much hope to having the pleasure of still seeing you when I return to Rome in the next future.

My own case shows in what extraordinary situations one can get through the strange proceedings of an internment which are entirely unknown to us continental people. Since I neither know why I was interned, nor ever had a proper interrogatory and no chance was ever given to me to rectify myself against false denunciations, it is obvious that people, not in favour with me, like my landlord, can easily denounce me of having been interned on account of collaboration or any invented crime. It happened in fact, that in spite of the dissequester, an order which came from the Ministero dell'Interno, the Prefettura in Rome stated that I was German subject and had been interned because of collaboration which is supposed to be registered in the official documents of the Allied Command; an action which has doubtlessly been caused by the false denunciations of my landlord or such like dear fellow-men. As far as I know no Allied Command publishes such documents, especially if it is all about false statements. Nothing would be easier than to prove that I never had anything to do with collaboration, partly because of my well-known anti-pan-germanistic attitude and partly because my activity had nothing to do with war or Germany, only perhaps in connection with preventing my Entomological Institute being removed by the Germans, in which I succeeded.

I would be glad now to face a clear situation and to get either a pre-cise accuse from the Allied afterwards, or else a declaration that I was only interned for precautional measures which in fact the agents of the CIC told me. Do you think that such a declaration would be given to me? I am afraid the CIC has still got my passport which I badly needand which is most important for me to prove my being an Italian subject and also as documentation to have the right for foreign exchange; besides they still keep an album with newspaper cuttings about the foundation of the Institute which they really should have back as it belongs to the latter. I sincerely hope that the war is not only finished for the Nations and the army but also for the private citizen.

7625

I would be very grateful to you if you could give me an advice about the a./m. declaration.

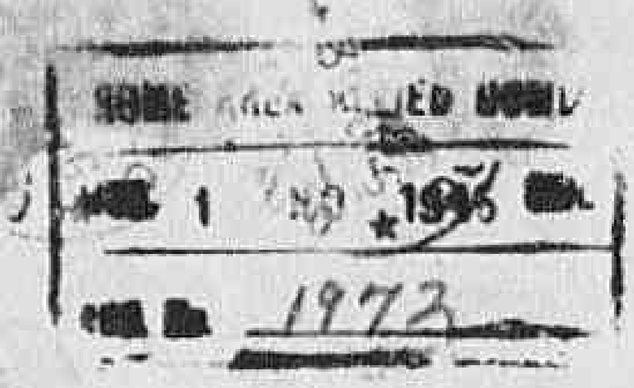

With best regards and thanks,

I am yours sincerely

Fritz Haas

Dear Sir,

as the Count Federico Hasting will be seek free very soon, I beg His Allied Command to let him have a stay-permission, in order to avoid eventual embarrassments—

As You should know, He is an italian officer and he should not need the above requested stay-permission having the right of remaining in his native country; but as his name is foreign it could happen, as it did at Camp - P.O.W. 370 -, that when he leaves the Camp, he find some obstacle -

I hope what I have above asked will be granted to my client —

In vista della prossima liberazione dal Conte FAIN_ RICO HARTIG, ed allo scopo di evitare un qualsiasi intralcio, prego co_ sto On.Ufficio di voler rilasciare il nulla osta del Comando Alleato af_ finchè il predetto signore possa rimanere in Italia.

Come è ben noto, l'Hartig è cittadino Italiano e non avrebbe bisogno di alcun nulla osta avendo egli invece diritto di permanere in Italia, sua Patria; ma poichè il suo nome può a prima vista farlo scambiare per stra_ niero - come sembra sia già accaduto nel ~~Prwx~~ Campo P.O.W. 370 dove egli è tuttora internato - così, ad evitare ogni equivoco al momento del rilascio, ritengo opportuno quale suo Avvocato e Procuratore Speciale, di avanzare la domanda di cui sopra.

"R" Interne Camp, May 15th 46

To the A.C.C.
ROME.

Sir.

I, the undersigned Count Fred HARTIG,
civil interned at this camp, since 24th July 1944, beg to
return to TERNI-camp his fiancee, Baroness Ilse von GRIESHEIM,
who was, after having been injured in a automobile accident
brought to the P.W. Hospital CESENA instead of Merano
where she should have been released, for the following reasons:

On the 5th of April to Baroness von Griesheim was through being a
civile Internee from Padula, transferred with femal members of
the former German army, to Meran in order to be released there.
All the German women who had a residence in Italy prior to 1940
were released there as planned.

Due to a serious automobile accident near Bologna, in which my
fiancee was injured, she was first transported to the Br.H.N.59
at Bologna and from there on the 17th April to the P.W.-German
Hospital at Cesena. She was not been released until today.
She is there the only civil interee and has a sick to obey the severe
regulations of that Hospital, is not allowed send letters etc.,
though she would have been released in Merano long ago.

Declassified E.O. 12356 Section 3.3/NND No. 785016

Baroness von Griesheim emigrated from Germany to England in 1933, from where she came to Rome (Italy) in 1939. Since 1942 she resides with me. We have the intention to marry after our release which we were up to now unable to as we were simultanly arrested together.

In view of the prevailing unstable conditions, I beg to understand that I wish to be released with my fiancee at the same time, a wish the fulfilment of which had been repeatedly promised to us already at Padula and here. - May I mention in this connection that both, my fiancee and I, worked for this Camp Command during eight months.

Respectfully

Fritz Klenke

It results to us that the ex-major Uccelli was interned on 2 sept 45 at Narni Camp.

In the expectation that the discussion of Uccelli's trial will be imminent, and in every case the presence of the same being considered of interest for instructory issues, the consignement of the abovesaid to the CC RR for his transfer to the Carceri giudiziarie of this town at disposal of this office, will be very much appreciated.

On request by the Aosta Questura, we beg you to issue disposals, if possible, for the handing over of the internees at Allied concentration-camps concerned in the inclosed list. Against them, who are considered to be war criminals, a warrant of arrest was issued by the Judicial Authority.

We furtherly point out that the internees concerned at Nr. 6 and 9 of the inclosed list are probably interned at the Naples concentration-camp, while internee under nr. 4 seems to be interned at the Altamura concentration-camp.

For competence, we forward a request of BARBIERI Teodolinda, widow of Cruciani, in order to clear up the position of her son, Achille, interned in an Allied internee-camp.

The local Questura sent the following information : ""CRUCIANI was arrested on the 10/4/1945 when he came home from the North after the denunciation of the Section of Monte Sacro of the "Partito d'Azione", as he was an "Accademista della Farnesina", officer of the republican army, transferred to the the North where he fought with the nazifascist.

The investigation of the P.S. Commissary of Monte Sacri proved that nothing was against him, except in that he was a member of the republican army and, therefore, delivred to the Allied authorities which interned him.

According to the investigations made the Royal Questure of Bologna, Firenze, Alessandria and Verona where he was on duty, no denunciation was made against him. The Questura of Verona only communicated that, during his stay in this town, he was a blackmaketeer in order to live and sold cloth and tobacco. Besides, the Questura reported that on the arrival of the Allied troops he went to Milan in order to go home to Rome and that at this time, he was wanted by the Army C.I.C. for active collaboration with the Germans.

The questura of Verona only communicated that, during his stay in this town, he was a blackmarketeer in order to live and sold cloth and tobacco. Besides, the questura reported that on the arrival of the Allied troops he went to Milan in order to go home to Rome and that at this time, he was wanted by the 7524 army C.I.C. for active collaboration with the Germans.

According to the above communication, this office has nothing against an eventual interest on the parth of this Ministry with the Allied authorities in order to clear up the position of CRUCIANI "".

MINISTRY OF INTERIOR

GENERAL DIRECTION OF PUBLIC SAFETY

The undersigned, MARCHESI Teodolinda, widow of Cruciani, sends the following request :

He son, Achille, born in Rome on the 15/3/1921, called-up on the 27/2/1941, obtained the rank of 2° Lt in March 1942 and was on duty in the 5th Armoured Regt in Bologna till hte 8/9/1943. He went to Rome and left the military service. He was hidden in Rome till the well-known German orders for the call-up or the resulting of death. And due the councils of his mother, terrorized by these orders, he decided to present himself and was put at the disposal of the Roman garrison, from where he was sent to Florence first, thence to Alessandria and, at last, in December 1943 to Verona, where he was on duty in the 32° Armoured Regt till his leave. He obtain this leave because he refused to belong to the "Reparti Anti-partigiani". Therefore he lived in this town and as soon as Verona was liberated, he came immediately to Rome. But a short time later, and precisely on the 10/4/1945, he was denounced by private persons and was arrested by the P.S. authorities. After 12 days in the "Regina Coeli" prison, he was delivered to ~~xxx~~ HQ British Police and was sent to an Allied interned-camp where he is since the 23/4/45.

As the undersigned was informed that her son was never interrogated, this Direction is requested to clear up his position and to help a mother already overladen with sorrows and pains to have him near her, as she knows that her other son died.

ROME, 13/8/1945.

In May 1940 by decision of the F.I.S.T., Mr. Remo TISON was sent to Addis-Abeba in order to substitute temporarily an officer of C.I.T.A.O. who was obliged to return to Italy, because of wounds.

The out-break of the war did not permit Remo TISON to return to Italy as it was decided, and he was sent to a concentration camp as a civilian internee.

As soon as possible, the "S.I.T.A." company made the necessary steps with the authorities, Ministero dell'Africa Italiana and Holy See, in order to have him back in Italy either for moral reasons or for his work which was very necessary for the company. As soon as communications were possible between Florence and Rome, we repreated the same steps with the Holy See, but to no avail.

As the presence of Remo TISON is particularly urgent for "SITA" and as we believe there is nothing against him, we ask the FIAT to interest itself in order that TISON be repatriated.

The present address of TISON, as per letter dated the 5/12/44, is :

Remo TISON
E/49250 Civile
N° 3 Italian Evacuee Camp.

Still earlier, his address was :

In his letter, SGAMBRO Salvatore, Maresciallo della R. Guardia delle Finanze", exposed the following :

a)- He is in the military prison in Via Crivelli, N° I7, at the disposql of the Military Court of Milan, in Via Freguglia, since the 15/5/45 without knowing the reasons.

b)- Since six months the Italian authorities have found nothing against him.

c)- On the 8/9/43, he was on duty in Chiavenna (Valtelina). He told to his subordinates to be ready to fight against the Germans and the fascists, and he fought.
Since January 1944, he was in the 90^ Partisans Brigade "Garibaldi". His duty was to supply the men.

d)- His officer was Lt GUZZARDI Nunzio, presently on service in Chiavenna, who on the 9/9/43, gave him the order to ricover all the military material of the Italian Army and all the petrol, in the Chiavenna territory. Some days after a republican captain, named FREPPOLI Enrico, of the Republican national guard, arrived and asked him for all this material and petrol. He refused to answer and sent him to his officer. The latter, after a long dispute, denounced him to the republican authorities and now to the new Italian authorities.

e)- Without ~~ED~~ knowing why he is arrested these last months, he asked the Allied military authorities to released him, because he is married, his wife is very poor, two of his sons died during the war; he fought for the liberation of his Country as he was truthful to his oath to the King.

In his letter, MAYER DE ANGELI Enrico exposed his situation :

a)- He said to be an Egyptian citizen,

b)- He came to Italy on the 2/6/1940 to visit the country.

c)- He could not return home, because Italy was at war with Great-Britain and Egypt.

d)- In 1941, in spite of his citizenship, the Italian Air-forces authorities drafted him in the Air-forces and on the 1/5/43 he became a cadet in Venaria Reale Altessano (Torino) till the armistice.

e)- During the Italian social republic, he was arrested because he was an Egyptian citizen and was imputed of belonging to the "Intelligence Service".

f)- On the 25/5/45 he was released and called up again by the Italian Air-forces authorities. He thought he was an officer because he frequented the Air-forces school and went to the "I^ Squadra Aerea Milano". After three months of service to the "I^ Squadra Aerea" in Piazza Novelli, he was arrested on the charge of impersonating an officer while in reality he was a sergeant.

g)- For the past two months he is in prison in Via Crivelli, N° I I7, (Military prison), at the disposal of the Military Court Via Freguglia, Milan. The judge is Lt SECCHI.

h)- As Egyptian citizen and as a Jew, he asked the A.M.G. to be released, in order to go home, to Cairo, where his parents are.

i)- He has a friend, SGALAMBRO Salvatore, also arrested. This latter has helped him during the republican period and asked for his release. Indeed, he hide his race and his citizenship.

Livio Senni entered the fascist party when barely 16, and was expelled from it while still very young in 1934, and never again belonged to it.

In 1943 he was arrested by the Fascist Republican Authorities, and kept for 5 weeks in a dark cell without ever being brought to trial, undergoing severe ill treatment and threats.

Later, on January 15th 1945, he was arrested by the german military authorities and kept in prison until March 1944. Soon after the liberation of Verona he was again arrested by the Partisan Police, then handed over to the Allied Military Authorities and sent to a concentration camp, where he still is, and from which he managed to send this address for correspondance - A A 049517 U.Pow Camp - Naples.

It is true that Livio Senni who spoke many languages, finding himself in Verona and needing to protect himself from fascist persecution, accepted work from the German Military Authorities in the form of occasional contacting and interpreting. He was never assumed permanently either by contract or as a member of their forces. Nevertheless he was able, through his contact with the local German Command, to save many Italian Officers soldiers and partisans from political or military imprisonment and even from execution, warning in time the suspected persons or finding them work in German controlled factories (signed testimonials have been given to the C.C.C. in Verona). Due to this sabotage work he was severely suspected by the Germans and in time arrested as mentioned above to be imprisoned for two months. He was released under control and all his private property confiscated.

ROME, 1/12/1945.

SUBJECT : LONGO Roberto, fu Vincenzo and of Savelli Quintilia, born in Rome on 28/10/1924.

Mrs SAVELLI Quintilia, mother of the a/n Subject, has sent the attached letter where she asked for the release of her son, interned in an Allied camp. She said that he came from Germany, where he was transferred, and was stopped by the partisans in a train with elements of the black brigades.

According to the informations of the Roman Questura, it results that LONGO Roberto was taken by the Germans on the 27/11/1943 and transported in Germany from where he could escape

In the neighbourhood of Lenghorn, the train where he was, was stopped by the partisans and with some members of the Republican National Guards he was delivried to the Allied authoritues.

It results that LONGO never was member of the National fascist party and has never had interest for the politics.

As his mother is a widow with five children whose the greatest is the a/n, the only support realy able to help her,

7492

we are favourable for an eventual release of the a/n from the internee camp of Neaples where he actually is as follows :

I, Quintilia Savelli, widow LONGO, mother of five children, reports the following thing :

My first son, born in 1924, was soldier during the German invasion of Italy and was transferred in Germany. He is now prisoner because he was arrested in the train. Indeed he always tried to escape and to come back home. In this train also some fascists of the Black Brigades who were taken and captured by the partisans. Some of his friends supposed that he was also captured and sent in an internee camp with the others.

The last wednesday I have received a letter from him and his address is : Roberto Longo, 6 R (?) Marinaio SIG-7I3675 M.U.S. F.V.E. 937, NAPLES.

I, his mother, can certify that my son was never fascist, has never had political interests, therefore I ask for his release because - as one of my daughters died a short time ago after a long sickness - I am now in very bad conditions. My son is the chief of the family and it would be possible for me th receive all the help I need.

7490

With the hope to be granted, I thank very much and with all my best regards,

ROME, 9/8/1945.
