L'anno 1945 addì 4 Luglio - Nel campo di concentramento "R" di Terni si ha la presenza del Commissario Capo di P.S. Cecchetti Domenico il quale a richiesta R. Nel 1919 da Figline Valdarno fui trasferito a Firenze dove ininterrottamente ho prestato servizio alle dipendenze di quella questura reggendo vari Commissariati della Città. Ho sempre disimpegnato il mio servizio con serenità ed obbiettività nei confronti di chicchessia tanto che mi sono molto meravigliato e sorpreso quando l'8 gennaio 1945 mentre mi trovavo in servizio nel mio Ufficio, Commissariato delle Cure, un Ufficiale dei Carabinieri venne a notificarmi che c'era l'ordine di accompagnarmi al Comando Alleato e poi al Campo di Concentramento. Sono ancora oggi rammaricatissimo di un siffatto provvedimento che io ritengo somamente ingiusto ed immeritato. Io non ho giurato al G.f.r., non ho appartenuto all'O.V.R.A., non ho perseguitato ebrei anzi li ho agevolati quando mi è stato possibile; non ho disposto rastrellamenti di sorta e forse per questo il Comando Alleato ha disposto che io sia dimesso del Campo.

Io ho 70 anni di età ed ho prestato 44 anni di servizio dal 1901 sempre nell'amministrazione della P.S. e mai mi è stato fatto il minimo addebito per qualsiasi motivo.

Io ho sempre obbedito con consapevolezza agli ordini dei superiori e mi sono mantenuto sempre estraneo alla politica e durante il periodo dell'occupazione tedesca non ho prestato alcuna collaborazione.

Qui non siamo trattati male, ma vivere in promiscuità con tanti elementi eterogenei è un vero avvilimento ed è da augurarsi che l'amministrazione vorrà tenerne conto.

SUBJECT: Cecchetti Domenico - P.S. Chief Commissary.

TO : Allied Commission, P.S. Sub-Comm. Rome.

For your information, we transmit a copy of the Verbal of Interrogation executed by Dr. Carlo Rosati Prefect of the Kingdom - on behalf of the Public Safety Chief Commissary Cecchetti Domenico, who, at present is interned in the concentration camp of Terni.

Following the declaration made by the a/n Official we beg you to re-examine his position, disposing if its the case, his liberation.

We assure you, anyhow, that the same will not be re-assumed in service until when the epuration measures taken on his account will be concluded with favourable judgement.

TRANSLATION

On the 4th of July 1945 in the concentration camp "R" of Terni the Chief Commissary of P.S. Cecchetti Domenico was interrogated and stated as follows:

In 1919 I was transferred from Figline Valdarano to Florence where I uninterruptedly rendered service in the Questura directing various Commissariats of the same city. I have fulfilled my duty with serenity and objectivity on behalf of anybody so much that I was real surprised when on the 8th of January 1945 while I was in service at my Office, "Commissariat della Cura", an officer of the Carabinieri came to notify me that there was the order to accompany me to the Allied Command and then to the concentration camp. I am still today very grieved for such measures taken on my behalf which I retain unjust and undeserved. I did not make any oath to the g.f.r., I did not take part to the O.V.R.A., I did not persecute any Jews but instead I helped them every time it was possible; I did not order any gathering of men and maybe for this reason The Allied Command has disposed for my discharge from the camp.

I am 70 years old and I have rendered service for 44 years since 1901 always with the P.S. Administration and I have never been charged for not even the most minimum fact and reason.

I have always obeyed the orders of my superiors and I have always maintained myself as a stranger to politics and during the German occupation I did not collaborate with them.

We are not treated bad here, but living in promiscuity with many different elements is a real disgrace and I hope that the Administration will keep account of this.

Read, Affirmed and signed.

TRANSLATIONC O P Y

Dr. LEPORATI Pietro, P.S. Commissary appeared in a room of the concentration camp of Padula where he is at present interned on the 17th of June 1945. At my request Dr. LEPORATI declared as follows:

A.D.R. When I was transferred from Albania in July 1943 I was assigned to the detached office of P.S. in Montecatini Terme, as a director and remained there until the 8th of September 1944.

A.D.R. During the period of my permanence there I tried to maintain the equilibrium of the situation and to protect the population from any kind of vexations from the Nazi-fascists. With my interference I avoided the dispossession of Papini's shoe shop and the execution of ten hostages taken by the Germans after the killing of a German Marshal.

A?D?R. I have never participated in collaborating with the Germans, nor have I invited agents for requisition, searching or gathering of men.

A.D.R. I have never been inscribed at the Republican Fascist party and I was mentioned in the newspaper "Tempo Nostro", on account of my anti-fascist activities, by the fascist federation of Pistoia, as a person to be put against the wall.

In addition to what I have exposed in the Memorandum presented by me I inform you that I have belonged to the R. Guardia and that all my life is inspired to the sentiments of duty. Affirming the above statement I declare that in June 1944, accompanied by a certain Ghilardi Marino, exponent of the C.L.N. in Monsumano, I went at Travasagna, where I had a long conference with Prof. Diecidue, actually president of the C.L.N. of Montecatini to put him at the notice of the situation of the moment. Prof. Diecidue and Ign. Bosi another component of the C.L.N. have released a statement saying that they have never given orders of arrest on my account.

On my regards Avv. Prof. Giorgio Molica from Rome, actually corporal of the "Combattimento Legnano" group - IX - Cpg. Arditi - could be interpellated.

CIVIL AND PENAL TRIBUNAL OF FLORENCE

Florence 3 May 1945

743/44

SUBJECT: VERNIANI Elia of Rutilio - Internee

TO: HEADQUARTERS ALLIED COMMISSION
Public Safety Sub Commission
Ministry of Interior
R O M E

On the 30 July 1944 the manufacturer CASTALDI SILVANO was killed by pistol shots in Florence. Following the finding of compromising letters it has been retained that the author of the homicide is a certain SICLARI PASQUALE, arrested for this crime, whom it seems killed CASTALDI through jealousy because his wife was the mistress of same.

The most important witness, either for the adultery and for the proposition expressed by SICLARI to kill CASTALDI is a certain Verniani Elia di Rutilio and di Guardini Elvira, born in Greve 5 August 1918, the SICLARI's maid.

The mentioned maid, soon after the crime, was arrested for political motive and sent to a concentration camp.

For what has been stated above, as seen by the circular n. 441/7055 we ask you to please dispose that VERNIANI be brought to Florence to be interrogated, and eventually tried.

I permit myself to make urgent this request as it treats of proceedings against the detained prisoner.

Il 30 luglio decorso veniva ucciso a Firenze a colpi di pistola l'industriale CASTALDI SILVANO. A seguito del rinvenimento di lettere compromettenti si ha fondato motivo di ritenere che autore dell'omicidio sia tal SICLARI PASQUALE, detenuto per tale reato, il quale avrebbe agito per gelosia essendo stato il Castaldi l'amente della moglie di lui.

Testimone di peculiare importanza, sia circa la tresca oculare sia in relazione ai propositi espressi dal Siclari di uccidere il Castaldi, è tale Verniani Elio di Rutilio e di Guardini Elvira nota a Greve il 5 agosto 1918, domestica dei coniugi Siclari.

Costei, subito dopo il fatto, fu fermata per motivi politici e inviata in campo di concentramento.

Ciò premesso, ai sensi della circolare ministeriale n. 441/7055 vi prego disporre perchè la Verniani venga trattenuta in Firenze per essere interrogata, ed eventualmente sottoposta a confronto **12°**

1. Enquiries have been made at "A" and "B" Internee Camps and both Commandants have replied stating that the minimum length of time required for notification of visits by Italian officials is 24 hours.
2. It is pointed out that 24 hours notice is particularly important where Italian officials call at the Camps not merely to interrogate internees but to fetch them to attend trials.
3. No objection is raised to notification being given by telephone in cases of urgency and it is understood that the Italian Authorities will be allowed to use military telephone lines for the purpose of communicating with Allied units on official business.

Subject: Interrogation of DADDI Duilio

The Ministry of Grace and Justice informs that on 28th February 1945 the Pretore of Sala Consilina asked this Command for the release of DADDI Duilio, interned in the 371 Concentration Camp of Padula, because proceedings against him were to be taken, being charged with attempted homicide for political reasons.

Such request has not yet had an answer.

The a/m Ministry informs that it is an urgent matter because there are some more detainees connected with the proceedings against DADDI.

Therefore it is asked that this matter be examined and authorization for DADDI to be released, be given.

OGGETTO: Regateria di Daddi Duilio-

Il Ministero di Grazia e Giustizia comunica che il 28 febbraio 1945 il Pretore di Sala Consolina richiese a questo Comando il rilascio di Daddi Duilio, internato nel campo di concentramento 371 di Padula, per procedere contro di lui, imputato di tentato omicidio per cause politiche.

Detta richiesta, sollecitata telegraficamente il 6 giugno successivo dal Consigliere Istruttore di Firenze, che in atto procede a carico del Daddi, è rimasta a tutt'oggi insoddisfatta.

Il predetto Ministero fa presente, altresì, che sia data evasione con cortese urgenze a quanto richiesto, in considerazione anche che nel provvedimento a carico del Daddi vi sono degli altri imputati detenuti.

Codesto Cn. Comando vorrà, pertanto, esaminare l'opportunità di autorizzare il rilascio del Daddi e far conoscere le determinazioni in merito.

MINISTRY OF INTERIOR
General Direction of
Public Safety

Rome, 26 February 1945

To the Ministry of Grace and Justice
and for information to the High Commissariat for the
Sanctions against Fascism.

Subject : Italians interned in Allied concentration camps.

In December last, the Headquarters of the Allied Commission - Public Safety Sub Commission -, informing us that for the release of the internees called up to be witnesses or placed under penal proceeding it was necessary to apply to the Commissioner of the camp, or to the Questura, or to the CC. RR., or to the officers of the Allied Commission, has also stated the following :-

1) Such requests must be directed to the Headquarters in Rome at via Veneto.

2) In case the release should be granted the Italian Authorities must take the following measures under their responsibility.

- a) take the internee in consignement from the camp
- b) always keep him under control
- c) bring him back when the reason why he has been let out doesn't exist anymore.

3) When the release of an internee is due to a penal proceeding, its result must be communicated to the Headquarters before the execution of the sentence.

4) In the above mentioned case the Headquarters must be informed about the place and date of the audience in order to allow the internee to leave the camp.

Therefore, with note n. 441/7055 dated 4 January last, we told the Prefects of liberated Italy to give the opportune disposition to the entitled offices, and to take the necessary agreements with the judicial authorities in order that the audiences in which the internees will have to appear as witnesses or as judged persons, should be fixed so as to leave enough time for the formalities regarding their temporary release and their attendance to the entitled judiciary office.

Resides, with the attached note SD/550-08 dated 17th inst, the above named Sub Commission stated that the Italian Judiciary Authorities send the requests for the arrest or interrogation of civilian internees directly to the Commandants of the camps, and gave the following rules to be followed in such cases.

1) The requests must be presented to the Headquarters of the Allied Commission - Public Safety Sub Commission -, and the answer will be given through the Ministry of Interior.

2) The reasons of the arrest or interrogation must be in any case specified, and also if the offence must be judged according to the penal code or according to the sanctions against Fascism.

3) (a) The release of the internee can take place on condition that after any judgment or sentence, the Italian Authorities will interrogate the Allied Command before the eventual release of the internee. The Allied Command has the right to intern again any person if the sentence is not a sufficient guarantee for Allied security.

(b) When an internee is in temporary release the Italian Authorities will be responsible for his removal from the concentration camp, and if necessary, for his return to it. They will also be responsible for the internees during all the time they are at their disposition.

We shall certainly give the Prefects further information for the scrupulous observance of the rules fixed by the Public Safety Sub Commission, and beg you to give the dependent offices the necessary disposition regarding the above said matter.

We shall be grateful for a reply.

R. QUESTURA DI ROMA

15 FEB. 1945

SUBJECT : TACCHI Velia of Ferdinando and Shvana Caterina,
born at Pisa on 18/12/90, living in Rome at No
20, Largo Toniolo.

TO : Assistant Chief of the Allied Police
R O M I

In the report dated 25 June, 11 August, 29 August and 3rd October, 1944, this Office informed the Allied Military Law Court, (Capt Gilreath), that the above named TACCHI Velia, had denounced to the Republican Government Sideri Marcella of late Antonio, whose mother was an American citizen and whose father an English citizen. She herself had been educated in England and had always lived in the U.S.A. Following the above mentioned denunciation she was arrested and interned in a Commune of the Province of Pavia.

Capt Gilreath held all records and acts relating to the trial and actually needed for the judicial action.

The Direction of the "Mantellate" informed us that Tacchi Velia was taken away from the above mentioned prison and brought to a concentration camp on 10/11/44.

Now the judge instructed with this business requests from this Office to know the concentration camp in which Tacchi is interned. He requests also that she be brought again to the Mantellate and put at his disposal for the necessary inquiry.

We request from this Office to issue the necessary permit in order to fulfil the above mentioned request of the Italian Government.

TO : AL COMANDO 371 CAMPO P.W. CERTOSA PADULA e, per conoscenza
AL PROCURATORE DEL REGNO DI LATONEGRO.

Autorita' Italiana.

Da varie autorità giudiziarie e' sollecitato l'espletamento di rogatorie relative all'interrogatorio di cittadini italiani internati in cotesto campo ed imputati di gravi reati.

Poiche' detti processi devono essere sbrigati con la massima sollecitudine e poiche' da una circolare del Ministero degli Interni si evince che solo le richieste di rilascio di internati devono essere dirette al Chief Commissioner Public Safety Division A.G. Via Vittorio Veneto Roma, prego farmi tenere un lasciapassare per me e per il cancelliere onde accedere a questo campo per quanto innanzi.

Prego sollecito riscontro.

IL PRETORE,
