Unit effecting Arrest CMC 10 Ita Div Arrested at San Marcello Province —

Reason for Arrest

Investigation of subject in the Pistoia Area indicates that subject is a habitual criminal who escaped from an Italian Casa di Lavoro (Workhouse for criminals). He claims to have been a vice-commander of the XXth Garibaldi Battalion (Partisan). Although his rank cannot be verified he apparently has been a partisan. As such he claims to have been captured by the Germans and forced to disclose partisan locations. He also claims to have been tried by the Germans and sentenced to death and that he was incarcerated in a camp at CAMPI from which he escaped. The partisans passed him into ACT from NOT as a suspect. Subject seems to tell a confused story which cannot be verified at this time. In view of his criminal past it is felt that he should be interned for the duration of hostilities in Italy, since he might try to remove into NOT.

Recommendation

To be interned for duration of hostilities in ITALY.
