"I am in Rome, after having been condemned to three years on the Island of Lipari as a political exile...I am unable to return to S. DEMETRIO yet because I have to wait here until the 8th, when the Central Commission meets to examine my case. According to promises made me I will definitely be set free....otherwise I will not be disconcerted, neither will I abandon the ideas for which I have fought and struggled, suffering untold sacrifices. I am thankful for always having done my duty. After having endured, war, privation, and suffering on returning home, as a reward for all my hardships and expectations, I am offered prison, in which I was detained for 50 days, after that, political exile. This is the present day Italy, which is revolting and disgusting to me".

Riceviamo e pubblichiamo:

Sig. Giancarlo Fajetta, direttore responsabile del giornale L'Unità - via Senato n. 38 - Milano.

Siete stati invitati per quattro volte di seguito a pubblicare il seguente comunicato d'ordine del Comando Militare Alleato:

« L'Ufficio Stampa della Presidenza del Consiglio dei Ministri comunica: »

« La notizia pubblicata sul giornale L'Unità di Milano e di Roma relativamente a pretese direttive impartite da autorità della Marina circa un trattamento di favore da usare nei riguardi del personale appartenente alla Marina della cosiddetta repubblica sociale italiana, nell'intento di servirne a scopo di propaganda anticomunista, è destituita da qualsiasi fondamento. - Roma, 19-10-1945. »

Per tre volte avete ignorato il nostro invito ed il giorno 6 avete espresso nel vostro giornale un rifiuto di pubblicazione perché ritenevate che quanto scritto nel vostro numero del 17 ottobre corrispondeva alla verità e che ne avevate le prove.

Vi ricordiamo che è vostro dovere di pubblicare i comunicati ordinati dal Comando Militare Alleato, riservandovi eventualmente il diritto di asserire essere contrari alla verità, fornendo prove all'appoggio.

D'altra parte le autorità competenti di Roma ci informano che l'Unità di Roma ha pubblicato il testo del comunicato diramato dall'Ufficio stampa della Presidenza del Consiglio.

Distinti saluti.

G. M. Sinclair Noble, Chairman, Allied Publications Board, Italy.

Il testo della circolare Biancheri ci è stato comunicato da un compagno, degno di fede. Si tratta naturalmente di una lettera senza indicazione di protocollo, appunto perché non ne rimanesse traccia ufficiale. Dichiariamo di pubblicare la smentita per non denunciare il nostro informatore.

To : Regional Commissioner

Reference letter from A.C. Hq. Security Division, dated 10th Oct. 45 (attached hereto), concerning a circular alleged to have been signed by Admiral BIANCHIERI and addressed to ex-soldiers of the Republican Fascist Forces for anti-communist propaganda, enquiries have been made by this R.S.O. and the following is submitted for your attention.

1. a) A member of this R.S.O. staff contacted Col. MARABOTTO, commanding the Centro Marina of Milan and ascertained that the circular referred to above was non-existent.

b) Admiral BIANCHIERI, who was immediately contacted by telephone, wired the text of an official denial by the Press Office of the "Presidenza del Consiglio" (see enclosure)

c) The text was given to APB who forwarded it to ANSA and to all the daily papers of Milan on 22 Oct. 45.

d) To date, only "Italia Libera" and "Libertà" have published the denial. "Corriere d'Informazioni" and "Popolo" did not receive the APB communication, for reasons unknown.

e) Under the title of "Una nuova prova dello spionaggio anti-democratico" "Unità" of 6 Nov. 45 refused to publish the denial, stating "informiamo intento che ci siamo rifiutati di riportare la smentita del Ministero della Marina alla nota circolare Bianchieri. Abbiamo le prove che è autentica". The evidence however was not given. (see

attached cutting).

2. On 7 Nov. 45 Maj. CAGIATI of G.S.I. requested this Office to clarify the circumstances of the a/q article. Maj. CAGIATI suggested that APB should insist the denial of the Presidenza del Consiglio be published within the next two days by all daily papers, and that necessary action in respect of the "Unità" of Milan should be taken immediately. Incidentally it is interesting to note that "Unità" of Rome has published the denial.

3. Mr. ROSFIGLIOSI of APB, who was contacted yesterday afternoon, said he had not seen the a/q article of the "Unità". He agreed to circulating the denial to all daily newspapers and suggested that Maj. NOBLE should take up the case with Regional Commissioner on his return from Rome.

Una nuova prova dello spionaggio antidemocratico

Qualche settimana fa avevamo denunciato lo strano modo di agire di due individui che si erano recati ad indagare presso l'abitazione del compagno Secchia, membro della Direzione del nostro Partito e Consultore Nazionale. Malgrado che essi, interrogati dal portinaio insospettito dalle domande indiscrete, avessero mostrato un modulo di fonogramma proveniente da Roma, avevamo espresso il sospetto che si trattasse di fascisti mascherati da agenti. Abbiamo continuato le indagini e abbiamo infine accertato che quanto pareva inverosimile è purtroppo vero. La lettera che pubblichiamo, a firma del vice questore Schinetti, è la conferma dell'azione spionistica che il Ministero degli Interni svolge nei confronti dei nostri dirigenti, come nei confronti delle organizzazioni democratiche. Chiediamo ancora a Parri che cosa ha da rispondere.

Informiamo intanto che ci siamo rifiutati di riportare la smentita del Ministero della Marina alla nota circolare Bianchieri. Abbiamo le prove che è autentica.

Questura di Milano

Milano, 31 ottobre 1945

In risposta alla lettera del 16-10-4, comunico che le due persone recatesi al domicilio del consultore nazionale Pietro Secchia erano due agenti di questo ufficio, i quali assumevano informazioni per poter rispondere a richiesta telegrafica della Questura di Roma.

Il vice Questore
(avv. Schinetti)

Il vice questore si è dimenticato di aggiungere se gli agenti siano andati in coppia per paura di essere addirittura ricevuti male. L'indagine gli è sembrata del resto « normale », tanto che ha evitato ogni commento e giustificazione!

Special Investigation Branch.

Sir,

On the 10th June 1945, correspondence under cover of
Transmittal Slip, Ref No. 580/AB/72/0017, was received at this office from
Provost Marshal, R.A.A.C., requesting enquiry be made regarding a telephone
message intercepted by the Civil Concessions Group, Public Safety Sub
Commission, Security Division, H.Q. A.C. Rome. It appears that SANTI & --
Pietro, No 8, Via Giacomino Ferro, Rome, made a telephone call on the 10th,
June 1945, and during his conversation he mentioned that a certain
GIORDANO wanted to charge him 90,000 lire for American tyres obtained
through Allied Commission, however he had refused to pay that price and
stated as soon as he saw the A.C.'s bill for the tyres he intended
reporting the matter to the American Major at A.C. In view of the above
information it appeared that illegitimate tyre deals were being made
and on the 17th, July 1945, I commenced enquiries and the facts of this case
appear to be as follows.

About the month of January 1945, The Societa Per Il
Commercio Degli Gumi Minutali Ed Affini, under the direction of:-
GIORDANO CARRO, 15, Via Belletti Bon, Rome. GALASSINI MARCO, 36, Viale
Franco Bussini, Rome. GALASSINI PIETRO, 8, Via Giacomino Ferro, Rome. and
SANTI PIETRO, 8, Via Giacomino Ferro, Rome, were engaged in the recovery of
salvage and for this purpose a tyre permit was obtained from A.C. and
an allotment of 48-900 x 16 tyres sold to the firm by that source.
The price of the tyres was approximately 7,500 lire each, and the sale
made through Capt. Mc Gerty, of A.C. Tyre Section.

From questions put to SANTI, it appears that Giordano
was the man responsible for purchasing the tyres but the cost was to
be borne equally by SANTI, Galassini and Giordano, however instead of
Giordano refunding the bill and the three men paying for 6 tyres each
which would be approximately 45,000 lire per head, Giordano told his
associates that he had paid between 70,000 and 90,000 lire for each
tyre and thereby intended obtaining money by false statements. It is
understood that SANTI did not pay the sum asked by Giordano and has
not in fact paid any money.

Giordano strongly denies that he asked anything above
the correct price for the tyres and I learned that he and SANTI are at
present in custody at the Italian Court. Some difficulty

 the price of the tyres was approximately 7,500 lire each, and the sale
 made through Capt. De Gorty, of A.C. Tyre Section.

From questions put to SANTI, it appears that Giordano was the man responsible for purchasing the tyres but the cost was to be borne equally by SANTI, Calabrese and Giordano, however instead of Giordano producing the bill and the three men paying for 6 tyres each which would be approximately 45,000 lire per head, Giordano told his associates that he had paid between 70,000 and 90,000 lire for each tyre and thereby intended obtaining money by false meters. It is understood that SANTI did not pay the sum asked by Giordano and has not in fact paid any money.

Giordano strongly denies that he asked anything above the correct price for the tyres and I learned that he and SANTI are at present fighting a civil action at the Italian Court. Some difficulty was experienced in questioning these two men as I could not disclose the source from which I obtained my information and in each case the two men thought that I had got my information from the other and therefore attempted to confuse actual facts.

I had enquiries at the Tyre Section Commerce Sub Commission A.C. where I saw Lieut. DI VITO, U.S. and it has been ascertained that the tyres were purchased legitimately by Giordano. During the month of June 1945, Giordano visited the A.C. where he saw Capt. Peterson, (American) Transport Officer, and I learned that although the salvaging business is now finished Capt. Peterson has renewed the tyre permits held by Giordano enabling the two above mentioned firm to continue operating as a Transport and Freight Contractors.

Statement.

Sheet 2.

In view of the above facts there does not appear to be any misappropriation of Allied U.D. property but possibly an attempt on the part of Giordano to obtain money by means of a false pretence. As this appears to be a contravention of civil law the full facts will be given to the Civil Police authorities for their consideration and necessary action.

Dealing with tyres.

Caller, Hello Mario, I am Pietro. I am just coming from the country side. The Mayor of SACROMINO notified your house to the Prefetto. You have to do something providing it would be occupied by somebody.

Galleo, Alright. And what about the cars?

Caller, Tonight I have to go to quarrel with my associates. They charged us for the American tyres 90,000 lire each. But I don't make a concession. As soon as I will get the bill, I'll go to the American Major of the A.O. who settles the tyres to them and I'll denounce everybody.

Galleo, Do you think they charged us with 65,000 lire each and I have seen the A.O.'s bill for 6 tyres, total 46,000 lire?

Caller, I don't wonder about your car, but for mine. It is a "Isotta" for which the Americans are settling tyres. I tell you. As soon as I get the receipt I go to the Major and I'll tell him that Giordano sells the tyres which he gets from his office. Cheerio.

MARTINELLI BERTI, ANTONIO

Via SARDAGNA 11

(Callee: -en. de Berti)

(Caller: -A man)

1. NEWS OF SITUATION IN TRIESTE
2. ACTIVITY OF NAZI COLLABORATORSCaller - L'on. De Berti?

Callee - Yes

Caller - Good morning moreover. I know a thing which worries me very much: in Trieste the Slavs have chased all the employees of the Commune out of the "Anagnina" and out of the Census office replacing them with their own elements. Now, we should notify the Americans that if they do not replace the things as before, we will be ruined because they will alter all the dates, especially if there will be a plebiscite.

Callee - This is serious! What have they done?

Caller - They have sent the employees with the excuse that they were Fascists and have occupied the offices.

Callee - But the agreement says that all the persons arrested by them will be returned.

Caller - Yes, but they will say that these persons were brought away by the Germans, vice-versa when the Slavs arrived, the Commune was full of employees. It is very important thing on which all the city's future leans on. It would be necessary that a great reception be made to the British to demonstrate that Trieste is not at all Slav as they want to make believe.

Callee - I think that the reception has already been made because when they entered the first time a big demonstration took place and it is not necessary to worry about it because it will be spontaneous.

Caller - I know that a certain Dr. Nardio, a wretched doctor, my wife's cousin makes speeches on the radio.

Callee - He will have to escape from Trieste because he will make him a feast.

Caller - He is an equivocal figure. He was a pro-German and

548125

all the employees of the Commune out of the "Anagrafo" and out of the Comune office replacing them with their own elements. Now, we should notify the Americans that if they do not replace the things as before, we will be ruined because they will alter all the dates, especially if there will be a plebisite.

Calice - This is serious! What have they done?

Callor - They have sent the employees with the excuse that they were Fascists and have occupied the offices.

Calice - But the agreement says that all the persons arrested by them will be returned.

Callor - Yes, but they will say that these persons were brought away by the Germans, vice-versa when the Slavs arrived, the Commune was full of employees. It is very important thing on which all the city's future leans on. It would be necessary that a great reception be made to the British to demonstrate that Trieste is not at all Slav as they want to make believe.

Calice - I think that the reception has already been made because when they entered the first time a big demonstration took place and it is not necessary to worry about it because it will be spontaneous.

Callor - I know that a certain Dr. Norzio, a wretched doctor, my wife's cousin makes speeches on the radio.

Calice - He will have to escape from Trieste because ~~he~~ ^{he} will make him a fascist. 3425

Callor - He is an equivocal figure. He was a pro-German and one day he went with a car at Isola making the Partisans arrest him. Then he returned with them and now is a propagandist. He was undoubtedly in agreement with them before.

Calice - The mother was the president of the combatants and those fallen in the war.

Callor - Unfortunately there was a lowest minority who was frightened and cheated.

Calice - The sure dishonor the City.

Callor - Yes, as the chief of the organization should be interested in seeing that all these horrible people who are not from Trieste be expelled.

Calico - On this subject I have already written a note for the "L'Indipendente" and I have written it in a way so that it will not irritate the Allies. It is necessary for us not to show them that we are not satisfied to accept their work as the first step towards the settlement.

Caller - It would be necessary to obtain the remembrance of the official declaration and to restore the order in the Commune. I am afraid that the Allies, being very right persons would be a little ingenuous and thus would not give importance to the matter.

Calico - I think, instead, that they have understood with who they have to deal the clause that requires the return of the things that have been removed is an evident reproach and a moral sanction.

Caller - Also for the "Istria" story it is necessary to work. I have telephoned to Riccelli. Afterwards we will organize some thing so that it all becomes occupied.

Calico - Have a talk with our friend who is at Venezia, the one who is at the Intelligence Service.

Caller - Yes, I already did so.

COMMENT

1. NEWS OF SITUATION IN TRIESTE
2. ACTIVITY OF NAZI COLLABORATOR

Il chiamante - L'on. De Berti ?

Il chiamato - Si.

Il chiamante - Buon giorno onorevole. Ho saputo una cosa che preoccupa molto : a Trieste gli slavi hanno cacciato tutti gli impiegati dal Comune, dell'Anagrafe e dell'Ufficio Censimento sostituendoli con elementi loro. Ora , bisognerebbe far sapere agli Americani che se non rimettono le cose a posto noi saremo rovinati perchè falseranno tutti i dati, specialmente se ci sarà un plebiscito.

Il chiamato - Questo è grave ! Come hanno fatto ?

Il chiamante- Hanno mandato via gli impiegati con la scusa che erano fascisti ed hanno occupato gli Uffici.

Il chiamato - Ma l'accordo dice che dovranno restituire tutti quelli arrestati.

Il chiamante - Sì, ma diranno che sono stati portati via dai tedeschi, viceversa all'arrivo di questi slavi il Comune era pieno di impiegati. E' una cosa importante sulla quale poggia tutto l'avvenire della nostra città. Bisognerebbe fare una grande accoglienza agli Inglesi per dimostrare che Trieste non è affatto slava come vogliono fare

Il chiamato - Credo che l'accoglienza sia già stata fatta perchè quando sono entrati la prima volta c'è stata una grande dimostrazione e non occorre preoccuparsi perchè sarà spontanea.

Il chiamato - Ho saputo che alla radio parla un certo dott. Nordio, un disgraziato dico, cugino di mia moglie.

Il chiamato - Quello dovrà scappare da Trieste perchè gli faranno la festa.

Il chiamato - E' una figura equivoca. Era un tedescofilo ed un bel giorno si è recato con la macchina ad Isola facendosi arrestare dai partigiani. Poi è tornato con loro ed ora fa il propagandista. Indubbiamente era d'accordo prima.

Il chiamato - La madre era presidentessa dei combattenti e dei caduti.

Il chiamato - Purtroppo c'è stata un'infimissima minoranza che ha preso paura e si è fatta abbindolare.

Il chiamato - Certo fanno disonore alla città ?

Il chiamato - Lei che è a capo dell'organizzazione si deve interessare perchè siano espulsi quelli che non sono di Trieste, che sono

Il chiamato - Ho già scritto in proposito una nota per "L'Indipendente" e l'ho scritta in modo da non irritare gli Alleati. Bisogna non far vedere che non siamo soddisfatti ed accettare il loro operato come il primo passo verso la sistemazione.

Il chiamante - Bisognerebbe ottenere che si ribadisse la dichiarazione ufficiale e che si rimettesse in ordine il Comune. Il mio timore è che gli Alleati, essendo persone molto dritte, siano un pò ingenui e che non diano importanza alla faccenda.

Il chiamato - Credo, invece che abbiano capito con chi hanno a che fare la clausola che esige la restituzione delle cose asportate è una rampogna evidente, è una sanzione morale.

Il chiamante - Anche per la storia dell'Istria bisogna lavorare. Ho telefonato a Riccelli. Poi organizzeremo qualcosa perchè venga tutta occupata.

Il chiamato - Magari parlare col nostro amico che è a Venezia, quello dell'Intelligence Service.

Il chiamante - Sì, ho già fatto.

 the caller - But what are you telling me? Are you really sure ?
 Is it Paolo ?
 the callee 2 - There exists only two Misciattello : Elavio and

 the callee - In what service is he ?
 the caller - It is not known. He has gone, Nicolo has invited
 him to the Embassy.
 the callee 2 - To London ?
 the caller - Yes, to London.
 the callee 2 - What audacity.!!
 the caller - This morning he was speaking to me about the person
 who is dead. I told him that we did not want to
 speak about him, because it was simply disgusting.
 the callee 2 - Good, We cannot allow him to belong to our race,
 such a delinquent as he is.
 the caller - Nicolo was taken in and I am furious. I am terribly
 angry, another is Fiumi.
 the callee 2 - He is alright, being a man with a good heart.
 the caller - He is the type of Italian that an American likes.
 Well Giovannino shall we decide to see each other

 a quarter to four will that be alright ?
 the callee 2 - Very well.
 the caller - Let us remain like this : if you do not hear **6117**
