RESTITUTION OF CARS

Il chiamante - C'è il capitano, sono Bernuzzi.
Il chiamato - Sono io, dimmi.
Il chiamante - Mi puoi prestare ora la tua macchina? Dovrei portare la mia bambina in clinica.
Il chiamato - Non posso perchè la mia macchina è a Napoli. Ieri me ne sono fatta prestare una e me l'hanno requisita.
Il chiamante - Ma aveva il permesso?
Il chiamato - Si, aveva il regolare permesso. E' stato in Via XX Settembre: la squadra in borghese del Ministero degli Interni sotto gli ordini di un certo Pittorello. Appena torna la mia macchina io la vendo, anzi sono preoccupato perchè doveva tornare ieri: comunque, appena torna, la vendo.
Il chiamante - Ma io mi domando, dove andiamo a finire.
Il chiamato - Sono vascalloni forte! Tanto più che la macchina non era mia. E' nella zona di S. Bernardo che stanno facendo queste razzie ed è l'ufficio della Presidenza del Consiglio che le organizza!!?.

Il chiamante - Roba da pazzi!
Il chiamato - E poi prendono le macchine a chi lavora per se e per le forze armate per darle a dei parassiti.

Two conversations:-
(A) De Matteis Barone (De Matteis Amalia) to Montagna S.E. Giulio Cesare 25/10/44.
(B) Montagna S.E.G. Cesare to Amico 27/10/44.

(A)
Callee: I'm not satisfied with life. I read on the newspaper the list, they are all right except two. One of these two. One of these two, Pagiolari is as poor as Giobbe; so poor that he is forced to spare even a penny - he will die from sorrow - I don't know how they could include him. He is a very high magistrate who will take offence at that - he was a magistrate for 40 years - The same as concerns [illegible] Martino - he too is poor - he never was a sectarian - he always was objective - and quite poor.

Caller: Till now there have been some names beginning with M... but your name was not mentioned, perhaps it will never be. What about Salerno?

Callee: This vulgar gentleman claims 6 millions, but it is not a practicable thing, I think, because our establishment works very badly.

Caller: But were not your establishments destroyed?

Callee: This vulgar gentleman claims 6 millions, but it is not a practicable thing, I think, because our establishment works very badly.

Caller: But were not your establishments destroyed?

Callee: No, at Farmia, we already work, because I got the establishment put in order, as others did. In reality, that zone (Salermo) could have some interest for us because the Gaslini from Cosenza, up to the north, have no other office (branches) and - however - the other one competes with them. It may also be that our industry is transferred to the State, owing to its style - A good many of socialists will do that.

(B)
Caller: We will talk it over tomorrow morning, bring the copies and the minutes. I am satisfied with those agreements.

Callee: That man seems to me rather odd.
Caller: Have you read the newspaper? That article by Rubinacci? Tarantino's article says things that ought not to be said, it is pitiful.
Callee: And the comments?
Caller: There are no comments he says that we are conquered people.
Callee: It is a good beginning.
Caller: I am reading with ponderation I don't know why they don't want to have it published.
Caller: Make many people read it.
Callee: I will make my father read it this evening; tomorrow I go to Palma, if I have the opportunity of going by car I will bring the children.

luogo del convegno.
Il chiamato - Io credo sia più sicuro al consolato Olandese in Via Giuseppe Verdi 18; sono amici miei da tanti anni.
Il chiamante - Io cosa dovrei fare, salire sopra e domandare di lei?
Il chiamato - Si, io voglio prima sincerarmi ed avere la certezza che la roba sia quella.
Il chiamante - Anche io, per il passaggio della roba come ci conteniamo?
Il chiamato - Per farlo stare tranquillo, lei vede la roba, poi andiamo in un'altra camera e lei mi paga.
Il chiamante - Come sono in pacchetti grossi o piccoli?
Il chiamato - Questo non saprei, in ogni modo più tardi le telefono io. Il suo numero è sempre 63034?
Il chiamante - Si, Albergo Milano. Lei quando mi parlerà domani mi dirà in stile telegrafico, così si abbrevia di molto perchè abbiamo solo tre minuti e poi, se accadono inconveniente, ci si capisce ugualmente.
Il chiamato - Io se parto dovrei saperlo. Le telefono più tardi.
Il chiamante - Va bene.

The letter referred to an offer of food and clothing Spain/Italy under suggested sponsorship of the Vatican, a claim to have export licences for large quantities of ham, sardines, brandy, and wine, and a proposed reexport of 250 tons Brazilian coffee at a very high price (35 pesetas the kilo). Caller: What is his disposition?
Callee: He is rather down, he had the influenza there. He hoped to be released immediately but even for the temporary release you need money and as I have not any, we get to wait.
Caller: It is no use complaining!
Callee: It seems that they have put GROSSI's wife in a concentration camp as a spy. I have seen DE GASPARI the one who had the Hotel in Collina; she is left in liberty now after having played the double game. She had even the sheet.....
Callee: There is nothing to do, on the contrary, my father who is guiltless is in jail.
Caller: Don't worry my dear, I will call you again. Good bye.

COMMENT

REQUEST FOR REPATRIATION

La chiamante - Sono la signora Ricotti, vorrei parlare con la Contessa.
La chiamata - Buongiorno, signora, mi dica .
La chiamante - Buongiorno, contessa, la disturbo per un caso pietoso che interessa amici quasi comuni. Si tratta del fratello di Canton Di Ceva; è stato fatto prigioniero a Tunisi ed ora è in America. Scrive di aver fatto più volte domanda per essere rimpatriato e mandato a combattere con gli Alleati, ma senza successo.
La chiamata - Senta, signora, a me sembra che la cosa interessi più Sforza che mio marito, non crede ?.
La chiamante - Veda, signora la richiesta deve partir dal Governo Italiano, bisognerebbe che si potesse prospettare la cosa a S.E.Casati oppure al Gen.Gazzera da qualche personalità straniera.
La chiamata - Noi facciamo una vita ritiratissima e di personalità straniere ne conosciamo poche.Però ne parlerò con mio marito perchè prospetti la cosa a Casati. Il passato politico di questa persona è buono ?.

La chiamante - Sì, signora,lui si trovava a Tunisi come tenente pilota e faceva parte della commissione di Armistizio. Si chiama Stanislao Canton di Ceva ora è a Fort Meade.
La chiamata - Ah! Anche mio nipote era lì . Senta, signora, noi Gazzara non lo conosciamo, però vediamo di parlare a Casati. Questo soprattutto perchè conosciamo il fratello che è una persona molto a posto.
La chiamante - Il caso è veramente meritevole di interessamento perchè quest'uomo non è scapolo ma ha famiglia qui. Lui scrive che laggiù è trattato bene, ma naturalmente la vita è deprimente. Grazie contessa, arrivederla.

1 - CONNECTION WITH RELEASED WATCH LIST SUSPECT.

Caller: I didn't disturb you till day because I thought you were counting the thousand lire banknotes.
Callee: The client is not in Naples....
Caller: How they must build up a monument to Soprano. But it is an indignity!
Callee: I think that all, even Scaglione, when they had to conclude, did not dare to declare themselves, that is why they acquitted him.
Caller: It is ignoble!
Callee: The investigating magistrate, however, was influenced by the attorney for the Realm or by the attorney for the crown, Pellegrini, who was militarised, was accused before the Military Court. Rome would save him by putting off the lawsuit.
Caller: Who was his defender?
Callee: Porzio.
Caller: The fact that he has been released is not the merit of the defence.
Callee: No, it is due to the anarchy by which we are surrounded.
Caller: It was through that Lavis from Rome. No news of your business?
Callee: The application has been recalled from Rome. He has confirmed me this by phone. It seems that the things are being hurried up. Don't you see how much do those of the 6 parties quarrel?

But if it is he who is commanding in Rome (as you know the Allies don't command in the zone of Rome) why does he let himself be daunted by a group of communists? I prefer it not to be issued because it is contaminated by Fascism. With the "Messaggero", the "Tribune" also would be issued; then we should have to proceed to an epuration in the newspapers too.
Caller: Have the perpetrators of the theft of Castelcapuano been already found out?

The lawyer is a socialist, the other is a communist, and we, as members, we cannot give our adhesion to the agreements they made between themselves.
Callee: All meetings and reunions will be adjourned from tomorrow. This was a trick which was put by Vianello's representative. We must pay attention, whether this newspaper may sub 6291
Caller: I don't know Vianello, I think he is not a very earnest person. They are there, they do their own pleasure, while we, who are the members, we don't make any profit. This "Corriere" which we are preparing will give us no profit at all, because there are too many people who make an illicit profit- I would be content if they were sincere- I don't want anything else. Their falsehood is almost ignoble.
Callee: You'll see what happens when what we are awaiting for will burst out. Also Lazzara will not last, be sure.
Caller: Only in this way, we shall be able to act earnestly - I must leave you- good bye.

REVIEWER'S NOTE: Riosa was placed on the Watch List 16 - 7 - 44 on account of an allegation that he was on very friendly terms with the Germans though now trying to cultivate the Allies.

1. CALLER ON WATCH LIST.
2. INFORMATION ON POLITICAL ACTIVITIES AND CREATION OF A NEW PARTY.

Caller: They have created a party "The Center of Action". Tonight I thought out to create an association ("fascio") of all cultural intelligent persons who belong to the free masonery: we insist on the abolition of hatred, and the abolition of pride.
Callee: But the bond must not appear.
Caller: We have to create the association of Super politics, Mother politics; what do you think of my idea?
Callee: It is a very good idea, but we have to insure the news "The Masonic Party".
Caller: We will decide later, we have to draw up a programme, I've got to go to Rome and in order not to hire a house I will get a part free and we will set up the party.

Reviewer's Note:- Scervini was placed on the Watch List 12/8/44 as the result of conversations concerning masonic activities etc involving the use of double talk on the telephone.

Caller: Good morning, it is you the avvocato Carbonelli? This is Mrs. Pezzani speaking. Were you there?
Callee: I went to Colonel Young but he didn't come.
Caller: According to avv. Luciani it ought not to be there. I spoke to a person who stays at Via Bucullo and is concerned with the matter , but there is nothing there.
Callee: It must be, surely, in the Allies' hands. If you can see that person at Via Sicilia, I think they have it.
Caller: At 4 o'clock, Luciani will go out to meet that person, than we must see each other to coordinate everything.
Callee: All right, signora, I stay in my office all the afternoon as I await for my clients. You may phone me or come here.

Callee: It is I. Who is speaking?
Caller: Pezzani. I phoned Carbonelli and he told me that the documents are at Fischer's office - Carbonelli will come here this evening at 6 o'clock. Can you come too? It is necessary that we meet in order to come to a decision about the way we must follow.
Callee: All right, signora, I'll come.

AMBIGUOUS CONVERSATION

Il chiamato - Pronto!
Il chiamante - Caro Villari, sei sempre prontissimo; dormi pure col telefono?
Il chiamato - Caro Enrico, ho avuto i particolari di quella cosa e penso che dovremmo spuntarla. Le cifre sono sempre approssimative, con evidenti possibilità di riduzione. Il passaggio porta a 1 milione, poi con 1 milione e 400 mila penserebbe di liberarsi delle altre azioni, 600 mila per la liquidazione del personale e poi 7 milioni per lui.....capisci?
Il chiamante - Si.
Il chiamato - Poi, le stesse 600.000 lire sono troppe, perchè, che vuoi lo stesso guadagno 240,250,260 saranno il grosso e poi l'altre, tutto sommato possono essere altre 200, e quindi sono altre 600.000. Più 1.400.000 che lui si tiene per le altre azioni, queste azioni è inutile che si mettano perchè queste azioni quelli lì non le vendono, sono già d'accordo con noialtri. Oltre a togliere queste, bisogna togliere altri 7 milioni perchè noi formalmente facciamo finta di acquistare di meno, questa è la conclusione. Quindi, anche a lasciare quel milione di passivo io penso che si potrebbe complessivamente arrivare a 8 milioni. Sono trattative da farsi con prudenza

e avendo le spalle al sicuro. Lei ha trovato l'altra cosa?
Il chiamante - Mi sto muovendo per altre cose. Sto cercando di trovare altri fondi.
Il chiamato - Io ho trovato un'altra combinazione che va molto bene. Quell'altra, indipendentemente da quell'altro Enrico, ma mi occorrono anche lì molti quattrini. Lì la situazione è diversa completamente quindi, io penso che a te convenga lo stesso anzi conviene forse molto di più, ma l'importante.....si riferisce a quel modello che si stampa a Londra.....
Tu capisci è diverso.
Il chiamante - Ora vediamo, è una cosa antipatica questa, sta bene. Dimmi una cosa altre novità?
Il chiamato - Se vuoi altri particolari.....io mi sono occupato di questo ....capisci.
Il chiamante - No, dico di carattere generale così che tempo c'è?
Il chiamato - Che tempo c'è? Da voce oltreoceanica mi pare che ci sia marosi in vista, mi pare.
Il chiamante - Marosi in vista?
Il chiamato - Da voce oltreoceanica, tu che hai pure conferma di questo fatto?
Il chiamante - Appunto, ho molta conferma di questo.

Il chiamante - Io sono stato circa 4 ore con....con Carletto.
Il chiamato - Ah! Ah! Carletto era informato sullo stesso senso?
Il chiamante - Carletto no, mi ha parlato di cosa generica, non solo si è informato di tante cose particolari di questo e di quell'altro, non è entrato in questo.....campo.
Il chiamato - Ho capito e allora si veda che si voleva tenere al corrente è vero?
Il chiamante - Si, ho avuto questa sensazione, ha voluto sentire tutto: questo e quell'altro, ma io, con molta diplomazia non entrai in questa.....
Il chiamato - Ho capito. Ma io domani mattina alle 9 ho un colloquio interessante dove avrò conferma di queste notizie.
Il chiamante - Di quali?
Il chiamato - Quello che ti ho detto quella sera....non nostre insomma.
Il chiamante - Che?
Il chiamato - Quello della sera, campo non nostro, hai capito?
Il chiamante - Si va bene. Si, ma tanto è più interessante.
Il chiamato - Che?
Il chiamante - E' più interessante.

Il chiamante - Io ho detto che il prezzo sarebbe sulle 50.
Il chiamato - Va bene. Mettendoglielo 22-23 e aggiungendo 20 di trasporto saremmo a posto. C'è possibilità di trasporti marittimi?
Il chiamante - E' difficile.
Il chiamato - E di Gandolfi che novità?
Il chiamante - Non so niente.
Il chiamato - Telefonerò ad Ottaviani che si regoli in conseguenza. Ciao, a domani.

ALLEGED COMMUNIST FRUSTRATION OF CHRISTIAN DEMOCRATIC PARTY MEETING

Il chiamante - Pronto, buona sera Eccellenza ha saputo quello che è successo?

Il chiamato - Altro ma sono arrivati tardi, perchè mi si è rotta la macchina altrimenti se ci fossi stato io quell'atto di forza non avrebbe avuto alcun esito e il comizio si sarebbe tenuto ugualmente.

Il chiamante - Certo, si dovevamo cacciar via e alla peggiore delle ipotesi il comizio si doveva tenere in piazza.

Il chiamato — Siccome lo facciamo domenica occorre predisporre in modo che non si verifichi quello che si è verificato oggi.

Il chiamante - Ma sè, Eccellenza, che non è stato organizzato dal Partito Comunista Italiano, ma dal Movimento Comunista. Si tratta di parecchi elementi teppistici. Gli dico questo, perchè, io ho tenuto qualche discorso alla Borgata Gordiani, e in mezzo ai comunisti vi sono parecchi delinquenti.

Il chiamato - Intanto, occorre predisporre per domenica io ho già dato 500 , domani darò 1000 perchè in Trastevere tale fatto non si ripeta più e noi potremo parlare come tutti gli altri. Mi hanno detto che erano anche armati, ma se c'ero io non mi avrebbero messo paura, in certe

circostanze occorre essere risoluti.
Il chiamante - Certo. Da Eccellenza stamane anche a noi con Scelba ad Ostia con i delegati Sovietici, i comunisti volevano fare qualcosa di simile, al Lido , ma noi abbiamo mostrato i denti. Domani farò un rimprovero a Belloni e poi parlerò con Cingolani domandandogli perchè non mi ha preavvisato.
Il chiamato - Io pure resto meravigliato come mai Iorio che è un mio grande amico, non mi ha detto nulla.
Il chiamante - Se lei Eccellenza ha un carattere fisico come l'ho io e si fossimo trovati sul posto, penso che tutto questo non sarebbe avvenuto.
Il chiamato - E' stato bene che non ci siamo trovati perchè poteva nascere un conflitto. Quello che interessa è che sia la prima è l'ultima volta che si vieti un comizio al Partito Democratico Cristiano. Intanto occorre fare una lettera circolare a tutte le sezioni per invitarle domenica, dobbiamo fare una dimostrazione di forza, realizzare una grande massa, magari si porterà al comizio inquadrata occorre molto fare un'articoletto che non accusi il partito Comunista. Sa, basta, che io dia uno sguardo, ai ho l'occhiocilinico.

Il chiamante - Certo, parlerò prima ad Andreoli il segretario di Trastevere e poi anche a Belloni. Avete il suo numero.
Il chiamato - N. 582437, e cercate di sapere domenica cosa farà. Sa io sono andato verso le tre (in Trastevere) e o trovato una quindicina di persone che banchettavano allegramente all'osteria. Mi hanno parlato di domenica. S'immagini lei se dovesse accadere quello che è accaduto ne nascerebbe un combattimento e con me alla testa sono certo che riusciremo a sconfiggerli.
Il chiamante - Domani lei và alla Camera?
Il chiamato - Si.
Il chiamante - Allora vedò così provvederemo a prendere e predisporre per le ultime istruzioni .
Il chiamato - Occorre fare delle squadre di 12. o 15, persone risolute di prelevarsi nelle varie sezioni e poi vedrò se saremo capace di difendere il nostro buon diritto.

SUPPLY OF GLYCERINE

Il chiamante - Dott. Leanza, è Ceccarelli che vi parla!.....
Il chiamato - Dite pure.....
Il chiamante - Dunque, sicuri questa mattina verranno consegnati a voi 680 chili di glicerina in fusti anzichè in damigiane.
Il chiamato - Ma perchè un quantitativo così piccolo, quando io ne avevo chiesta molto di più, e per quale ragione poi in fusti anzichè in damigiane?
Il chiamante - Vede, dottore, la questione è stata che l'altra partita più forte ce l'hanno sequestrata gli Alleati. Del resto la glicerina è stata bloccata a tutti coloro ai quali gliel'hanno trovata.
Il chiamato - Io prima delle nove, verrò giù in ufficio da voi, ma poi ricordatevi che all'atto della consegna della merce alle 11,30 ci sarà il dott. Annoscia lì, in Corso Vittorio Emanuele nº 157 e secondo il prezzo stabilito pagherà il dottore la differenza.
Il chiamante - Ma vi garantisco che per martedì ci sarà l'altra glicerina, perchè questi ne ha una fonte inesauribile, e poi....avete visto che è la vera glicerina e non quella che oggi si vede talvolta in commercio, che è autarchica.

La chiamante - Senta, prenda nota per favore: Il salumiere di Viale Parioli nº 31 Coltelletti, vende a borsa nera in modo disonesto. Quando vuole qualche cosa può rivolgersi pure. Al tempo dei tedeschi s'intendeva con loro, invece adesso dice che ognuno può fare quello che vuole e continua a rubare, vende il pane con la muffa e con scarafaggi. Invece di mandarmi 400 grammi di fagioli e carne, mi manda 300 gr.

PROBABLE BLACK MARKETEERS IN MEAT

Il chiamante - Mi chiamate per favore Guglielmo, sono Annibali.
Il chiamato 1 -Va bene, subito.
Il chiamato 2 - Che c'è di nuovo?
Il chiamante - Ci sarebbe un altro affare: della carne bellissima.
Il chiamato 2 - Non m'azzardo per adesso, perchè mi è successo una cosa; ieri un cliente ha perso la borsa di pelle in negozio mio ed è andato a denunciarla, dicendo che dentro c'era della carne che veniva a cambiare perchè non buona e che l'aveva pagata 350 lire al chilo. Tu pensa se mi facevano una perquisizione a casa! E poi, pensa che era un tenente di Marina mandato da una mia cliente che mi aveva pregato tanto.
Il chiamante - Come te la sei cavata?
Il chiamato 2 - Sono stato al commissariato fino alle 6.
Il chiamante - L'altra roba è andata bene?

COMMENT

DISCLOSURE OF TELEPHONE MONITORING

La chiamata - .....Cosa fai oggi?
La chiamante - Che vuoi che ti dica, dobbiamo andare là e non so se ci metteranno dentro.
La chiamata - Ma dove?
La chiamante - Siamo stati chiamati dalla Polizia Militare Alleata, è questa mattina dobbiamo recarci, tutti di famiglia, in Via Genova per essere interrogati.
La chiamata -Ma perchè?
La chiamante - Perchè si vede che hanno controllato le telefonate e hanno sentito che si parlava di scatolame e il prezzo.
La chiamata - Ma guarda un po'.
La chiamante - Una cosa antipaticissima, si deve vedere che in Roma in certe vetrine espongono sfacciatamente lo scatolame e i prezzi! E non gli dicono niente.
La chiamata - Dove?
La chiamante - In quei quartieri dove fanno proprio il mercato nero.
La chiamata - Ma sarà la Polizia Italiana.
La chiamante - No, no è stato un controllo Alleato.

PROBABLE POSSESSION OF STOLEN MILITARY TIRES, AND ILLEGAL PERMITS

Il chiamato : Oh! sei tu ! Ho saputo che sei andato a Koroia.
Il chiamante : Si, Ma non ci vado più; non ho più gomme.
Il chiamato : Allora il permesso lo puoi dare a me.
Il chiamante : Eh! Voglio andare in galera per te ? Io avrei delle gomme da trasformare ...
Il chiamato : Ho capito, ho capito ...
Il chiamante : Hai capito ? Se tu conosci un gommista le vorrei far sistemare. Se tu mi procuri per queste, io conosco uno che può darti il permesso; è uno che può, ma bisogna pure dare, io ci procuro; è un medico. Tu, guardami per quelle gomme.
Il chiamato : Ma i medici non hanno bisogno di permessi, no ? Tu, come l'hai preso ?
Il chiamante : Io l'ho preso a Perugia, mica a Roma ...
Il chiamato : La cosa è già diversa.
Il chiamante : Se tu riesci dal gommista a farmi trasformare quelle due gomme, gli dici che gli dò qualsiasi cosa. Tu hai capito di che si tratta, no ?
Il chiamato : Si, si, ho capito.

Caller: The lady went about the Vomero all this morning, in that awful shower, to look for half one litre oil which she could not find at any price. Mother, I am without cigarettes.

Callee: My daughter, we don't know how all this will turn out. The more we get on the more we get worse. I too I am without cigarettes. This morning, through Raffaellina, I bought a packet of Italian cigarettes at 50 lire.

Caller: American cigarettes cost now 90 lire.

Callee: Did you read about the burglary at Castel Capuano? Is is beyond all belief! Several persons had to be employed to break open and then pierce the armour-plated safe. They brought away all that they had recently seized from the fascists...diamonds, gold and securities! Perhaps the thieves thought, when they arranged the trick: 'This stuff was stolen, it is better for us to take it away,

you about the Marchese, tell him he is not in Naples; in my letter I told him that as he is a big-wig he could request the 'Genio Civile' (Civil Engineering) in order to help the proprietor. When the latter proposed him a 50% rising of the rent, he pretended a three year contract and all repairs made. My dear Vittorio there are no more laws to safeguard house-proprietors' interests. That is to say that if it suits him better to look for another flat, the Admiral will do me a favour.

Caller: The same thing which happened to your phone, happened to our lift: it is out of order, it doesn't work at all and we pay all the same 250 lire each month for power.
Callee: Living conditions are impossible. We cannot go on like that.
Caller: It is everybody's lot. The small capital we had was spent for foods. Now I am pennyless.

Reviewer's Note: Capomazza was placed on the Watch List 26-5-44 as the result of an intercepted telephone conversation in which the arrival of Allied troops and material was mentioned by the daughter who had the information from an American Officer. Another conversation mentioned names of two people who were giving up regular positions because of flourishing black market business. There was also a mention of possible misuse of long distance telephones.

CONVERSATION REGARDING WATCH LIST SUSPECT UNDER ARREST.

Callee: I am in a mess because they have arrested Carlo.
Caller: Why?
Callee: Because they have accused him of collaborating with the Germans and working at the "Lati". It is already 10 days since he has been arrested. I feel rather worried because the thing is taking an unfavourable turn. They have already denounced him to the Prosecutor of the Crown. However we cannot help it because matters have gone so far that people who really did wrong are able to walk freely about Rome and honest people are shut in jail. This business is taking unfortunately a very bad turn.
Caller: Think, we did not know anything. Now it will be the turn of my husband, because he was a 'squadrista' too.
Callee: Ilari has already been put aside, he has been epurated.
Caller: Now it is up to us. I don't know what is Fausto's position but you will see his turn will come too.
Callee: Yes, because nowadays to have participated in the Spanish war is considered a crime.
Caller: So it is all over with Ilari too!
Callee: I don't know if he has afterwards been arrested. I know he has been epurated.
Caller: Now it will certainly be my husband's turn.
Callee: But your husband had the chance of being there from September first to the fifth of June, so everything is all

1. SENDER ON C.C.G. - ITALY WATCH LIST.
2. NAME OF ADDRESSEE SIMILAR TO NAME ON UNITED STATES WATCH LIST.
3. RESUMPTION OF RELATIONS WITH SPANIARD.

1. Citation on sender: 1554/383 COMPAGNIA DI ROMA, Piazza Grazioli 5, Roma 500 A
2. Citation on name similar to addressee's (United States Watch List): MUNTADAS, Jose Escuder - Provenza 278, Barcelona, Spain. Best 1000, 8400, 8346.

3. Sender, the joint-manager (Condirettore) of Compagnia di Roma, wishes to resume relations with addressee now that postal communication has been re-established with Spain.
The last sentence in 2nd paragraph reads: "Even your friends of Piazza Venezia 11, cordially unite their greetings to mine."

Reviewer's Note:- Previous relevant records show that sender company is trying to re-establish connections in Spain.
Envelope liner had been extracted before the letter got to C.C.G.
The company was placed on the Watch List 18-7-44 as the result of a captured telegram dated 22 May 1944 stating 'We agree to participate in Hungarian Kakobir War Pool. GOROMA." 6234

Laboratory and code department tests negative.

INTERVENTION OF SARAGAT HOPED IN FAVOR OF ARRESTED PERSONS

(conversation already begun)

Il chiamante : Ho fatto interessare la polizia perchè lui era andato lassù anche per loro; hanno detto che ci dobbiamo rivolgere al centro comando alleato A.C.C. Adesso bisogna fare un esposto a S.E.Saragat; prendi qualche appunto ... "Prego Vostra Eccellenza d'interessarsi di quanto è successo in riguardo dei signori tale dei tali che si erano recati a Firenze per riprenderе..." e questo lo sai. - "Questi erano partiti con l'autorizzazione dell' Ambasciata francese che avava rilasciato il permesso per la macchina e per i viaggiatori. Senonchè i viaggiatori suddetti non erano a conoscenza che i permessi rilasciati dall'Ambasciata francese non avevano valore. Quando i viaggiatori sono arrivati a Cortona, la polizia alleata li ha fermati. Perquisita la macchina, i viaggiatori sono stati portati in un campo di concentramento."Tu, mettici pure il numero del campo !"La cosa ci sembra assolutamente irregolare. Noi,come di dovere, abbiamo avvertito l'Ambasciata francese e la polizia italiana. Per tutta risposta, abbiamo saputo che ci dobbiamo rivolgere all'A.C.C. Preghiamo vivamente Vostra Eccellenza d'interessarsi personalmente, sia per la macchina che ci occorre per il nostro lavoro, e più sollecitamente per i detenuti." - Dopo che ci metterai i ringraziamenti ecc.ecc. la porterai personalmente al Palazzo dei Marescialli da Morigliani

Il chiamato - Ci sarebbe da Pistoni una "S.P.A." da trattare e poi ci sarebbe anche qualcosa d'altro.
Il chiamante - La "S.P.A." è regolare?
Il chiamato - Regolare per modo di dire, perchè è senza il libretto. Composta di molti pezzi nuovi con sei gomme in ottimo stato, basterebbe farla collaudare.
Il chiamante - Ci conviene?
Il chiamato - Ci converebbe si, anzi, io volevo trovarmi con te alla Porta Maggiore quanto prima per andarla a vedere.
Il chiamante - Vai a vedere tu solo e cerca di avvicinare Pistoni e magari farlo lavorare per noi. Rintracciami l'individuo della macchina e poi farò anch'io una scappatina. Telefonami e sappiami dire qualche cosa.
Il chiamato - Pistoni si associerebbe volentieri e credo che abbia anche qualcosa d'altro per noi. Pistoni con loro guadagna poco.

Si tratta di marroni bellissimi che si vendono sulle 35 lire e non di quelle castagne che a Roma vendono a 28-30 lire.....Sai se la partita potrebbe interessare a Zarelli oppure a qualche altro?
Il chiamato - Ora vedrò.
Il chiamante - Le castagna, all'arrivo a Roma, le lasceremmo a Ponte Milvio prima del posto di blocco, in custodia presso una persona di nostra fiducia; necessariamente bisognerà prendere un carrettino a mano che, per legge, può entrare ed uscire.

PROBABLE IRREGULAR BUSINESS IN TRUCKS AND CARS

Il chiamante-C'é Massimo?
Il chiamato-(1) Si attenda.
Il chiamante- Ciao Massimo, sono Giorgio Petretti, qui a Roma c'é un 66 con le gomme quasi nuove, é un camion rubato all'Amministrazione Militare; questa gente che l'ha tenuto nascosto vuole ora due milioni e mezzo, é sprovvisto di libretto di circolazione.
Il chiamato-(2) Possiamo andarlo a vedere domani, purché sia una cosa seria; io porto con me anche un tale...
Il chiamante-Va bene, io gli dico che il compratore c'é, tu fingi da compratore, andiamo lì, poi facciamo l'affare; ci sono anche due altre macchine, ma sono sgommate, interessano?
Il chiamato-(2) No, sgommate non interessano, perché il capitale é nelle gomme.
Il chiamante-Allora vieni domani in ufficio da me alle 9 in Via Pompeo Magno, così parliamo.
Il chiamato-(2) Va bene, alle 9 sono da te, mi raccomando sia una cosa seria.
Il chiamante-Stai tranquillo.

Il chiamato-(2) Pronto sono Guido.
Il chiamante-Sono Angelo, sai ho sistemato l'affare del camioncino e giovedì forse andrò sù.
Il chiamato-(2) Porti gente o vai vuoto?
Il chiamante-Porterò quello che trovo, certo spero d'ingranare, perché credo che l'unico lavoro da fare sia questo.
Il chiamato-(2) Certo potrai spargere la voce e così combinare bene fissando un giorno la settimana la partenza.
Il chiamante-Capisco per ora non posso farlo perché non sono sicuro dell'altro viaggio dato, che, come tu capisci il permesso non é tanto lecito.

CONVERSATION RE OBTENTION OF CIRCULATION PERMIT

Il chiamante-Mi scusi signor Barone se l'ho fatto disturbare ma volevo dirle che il signor Magg. Di Lillo é andato a Via Tomacelli per il permesso, e gli hanno risposto che i permessi sono sospesi per il semplice fatto che manca la benzina, ma se cé una dichiarazione dell'Ente di cui dipende lo si può attenere senz'altro.
Io aspetto il Sig. Maggiore per nuovi schiarimenti. La benzina io l'ho ma mi occorre il permesso. Io credo, Sig. Barone che difficoltà da parte della Legazione non ci dovrebbero essere. Per la firma basta un membro autorevole della Legazione.
Il chiamato-Ma deve essere vistato dal Ministro perché se lo firmo io in una mia assenza si viene a sapere qualche cosa saremmo finiti tutti e due.
Il chiamante-Ci vuole il sigillo del Ministro.
Il chiamato- Quello lo potrei avere ma chi dà il permesso, pensa chi lo ha, acquisti la benzina in modo legale.
Il chiamante-Dopo colazione le telefono Barone.
Il chiamato-Fino alle ore 16 non più tardi. Io ho ricevuto

COMMENT

BACKGROUND OF LA MALFA

Il chiamante - Sono Mattei, c'è La Malfa?
Il chiamato - Sono io.
Il chiamante - Vorrei alcuni dati riguardo al tuo passato.
Il chiamato - Mi sono laureato a Venezia nel 1926 in Scienze Politiche, infatti avevo preparato quell'esame per la carriera consolare. Poi nel 1928 fui arrestato a Milano con quel gruppo fra i quali ero compreso pure Lelio Basso, perchè appartenenti ad una organizzazione antifascista e fui cacciato via.....Come pure poi fui anche allontanato dal Banco di Sicilia. Dal 1931 al 34 alla Commerciale. Però, durante tutto quel periodo ho sempre collaborato con organizzazioni antifascisti sia a Roma che a Milano. Infatti a Milano ho collaborato con Amendola e poi con Morandi che faceva capo al Partito Socialista. Fino al 1941 collaboravo con le organizzazioni antifasciste "Giustizia e Libertà", "Unione Nazionale del Liberal - Socialismo" ed i "Repubblicani" ecc.....
Il chiamante - Sempre a Roma?
Il chiamato - Fra Roma e Milano. Dalla fine del 1941 sempre al Comitato di Liberazione. Dalla metà del 1942 ho fatto sempre parte al Comitato esecutivo.

PRO-FRENCH TENDENCY OF CHRISTIAN DEMOCRATIC PARTY

Il chiamante- Posso dire che la notizia è giunta al giornale da fuori, da uno che non è giornalista?
Il chiamato- Sì, senza fare il mio nome. Ti autorizzo invece di dire, a mio nome, che il partito segue una politica francofila.
Il chiamante- Ora cominceranno i corsi al "Liceo Châteaubriand" sarebbe opportuno che voi allacciaste dei rapporti.
Il chiamato- Fa piacere anche a me. Sono anche sicuro di interpretare il pensiero del mio partito, tanto più che io sono convinto che i rapporti con la Francia ci possono preservare da una dittatura totalitaria comunista. Verrò volentieri al "Châteaubriand". Io mi sento cittadino italiano e francese anche per l'origine dei miei studi. Nel mio partito ho riscontrato anche una grande simpatia per la Francia.
Il chiamante- Allora non è solo una tendenza tua personale?
Il chiamato- No. Ho parlato anche con i miei capi che sono dello stesso parere.

ARRIVAL IN ROME OF WELL-KNOWN ITALIANS PREVIOUSLY IN EXILE

Il chiamante - E' arrivato dalla Svizzera Modigliani.
La chiamata - Il pittore?
Il chiamante - No. Questo non l'avrai mai sentito nominare, perchè sei troppo giovane: è gente scomparsa dalla scena politica 20 anni fa. E' arrivato anche Silone, quello scrittore che ha pubblicato "Pane e vino". al quale vogliono dare il premio Nobel. Il cognato di mio fratello che è in America, è andato a prenderli in Svizzera attraverso la Francia. Modigliani e la moglie saranno miei ospiti per qualche tempo, finchè non si sistemano. Così accrescono il numero perchè anche Saragat è mio ospite da un anno, da quando lo feci uscire dal carcere.

CONVERSATION RE REMOVAL OF FASCISTS IN BANKS

Il Chiamato - L'epurazione adesso bisogna che ce la facciamo da noi, le commissioni non sono state capaci, ce n'erano una diecina da levare, non li hanno saputi levare. Hanno levato Scarta Vittorio che non faceva niente, faceva del bene ai dipendenti.
Il Chiamante - Certamente.
Il Chiamato - Bisogna, prima di tutto, che facciamo un blocco di tutte le banche, poi nominiamo delle commissione interne delle banche stesse e queste commissioni fanno un elenco dei dipendenti da epurare sia di quelli che erano fascisti e anche di quegli elementi nocivi alle banche stesse. Se non ci riusciamo, dopo un certo tempo di avviso, noi non entriamo più in banca fino a che non escano loro.
Il Chiamante - Dicevano che levavano, invece non hanno levato proprio nessuno, tutte le banche non sono soddisfatte di quello che hanno fatto le commissioni di epurazione; da noi ci sono Mazzantini e Berardi che non li hanno levati. Ciao Giuliani.
Il Chiamato - Ciao Giuncristoforo.

CONVERSATION RE. GOVERNORSHIP OF ROME

Il chiamante - La Rocca, parla Bencivenga. Ho ricevuto una lettera di Bonomi nella quale parla del decreto che mi riguarda. E' sbagliato, perchè mi hanno nominato Governatore civile, grado 2° del Comune di Roma.
Il chiamato - Ho appreso dal Capo di Gabinetto che lo avevano nominato Governatore Civile di 2° grado.
Il chiamante - Così non ho nessuna possibilità di dare ricompense.
Il chiamato - Aspetti, prendo appunto.
Il chiamante - Non mi ha nominato Governatore militare e credo che qui abbia messo lo zampino lo Stato Maggiore.
Il chiamato - Io guarderò.
Il chiamante - Per i poteri non me ne importa un fico secco! Non avendo messo anche Governatore militare mi vengono tagliate le mani dove avevo bisogno di averle libere. In virtù dei poteri me ne infischio!
Il chiamato - Ma i poteri militari vi sono già stati conferiti.
Il chiamante - No.
Il chiamato - Si, per radio.
Il chiamante - Li avevo avuti per radio dal Sud.

Il chiamato - I civili sono confermati con questo decreto; manca un decreto per i militari.
Il chiamante - Un telegramma non è un documento ufficiale. Il decreto non è stato ancora firmato dal luogotenente perciò si potrebbe fare qualche cosa.
Il chiamato - Cercherò di andarci giovedì.
Il chiamante - Badoglio mi aveva detto che se Bonomi non avesse fatto il decreto avrebbe pensato lui a farlo.
Il chiamato - Basterebbe che Badoglio facesse una lettera in data di quel giorno lì, confermando così il telegramma.
Il chiamante - Va bene.
Il chiamato - Credo che basti una lettera che conferma il telegramma.
Il chiamante - Per le onorificenze?

REACTION TO AZZOLINI PROCESS

Il chiamante - Sono stato al processo, ma è stata una seduta di nessuna importanza, anzi direi pietosa. Sinibaldi è andato abbastanza male.

POLITICAL CONVERSATION

Il chiamante - C'è il conte? Sono Brosio.
Il chiamato - 1) Attenda un momento.
Il chiamato - 2) Addio, Brosio, dimmi!
Il chiamante - C'è stata una riunione da Gronchi, che era stato delegato dalla presidenza per concludere l'accordo per il carovita, ma l'hanno portato 5 ore, fino alle 2, ma la riunione dopo molte discussioni si è chiusa con un equivoco, perchè non erano d'accordo per la retroattività ed altro, ma alla fine però lui credeva di aver conciliato generalmente così ha fatto il comunicato che è uscito sul "Quotidiano" di stasera....
Il chiamato - 2) Ma si poteva fare delle riserve, cercare di rifare un'ennesima riunione.
Il chiamante - Ma tu potresti ricevere Storioni per 5 minuti.
Il chiamato - 2) Ma perchè Gronchi non ha detto di no, poteva farlo, prima di fare il comunicato, poteva fare le delle contestazioni, ora succederanno un sacco di guai.
Il chiamante - Io gli dico che venga lì un momento.
Il chiamato - 2) Venga pure, ma subito, perchè alle 6 e 3/4 ho qui Rusca/
Il chiamante - Ma Storioni ti riferirà brevemonte, ora prende la macchina e viene subito.

CREATION OF ASSOCIATION

La chiamante- Parla Carpi, scusi se la disturbo. Si è formata una associazione di affratellamento fra i popoli.

Il chiamato- Mi spiace, ma per varie ragioni non prendo parte a nessuna formazione di nessun colore. Ho cambiato casa, sto in una specie di eremo, e penso solo al mio lavoro, e siccome non dò il mio nome a titolo onorifico...

La chiamante- Era il Comitato esecutivo che lo desiderava.

Il chiamato- Lei avrà visto il mio nome non è più apparso in nessun posto, il mio contributo non lo posso dare, forse poi, sarebbe più nocivo che altro. Chi c'è nel Comitato?

La chiamante- L'avvocato Cogliani.Mario, che è l'ideatore e si era pensato di chiamare l'associazione "entirazziata", poi per levare l'ombra si è pensato di chiamarla "Affratellamento dei popoli". C'è S.E.Spataro, Carrara, Almagià.

Il chiamato- Se io ~~Lo non~~ posso essere utile come studio, per quello che riguarda particolarmente gli studi orientali, ben volentieri.

POLITICAL CONVERSATION

Il chiamante- Sono Tosatti. Senti Canaletti, ho avuto assicurazione che nella lista sarà incluso anche il tuo nome.
Il chiamato- Grazie, Tosatti.
Il chiamante- Qualche amico mi ha riferito che alcuni giovani giornalisti cattolici starebbero brigando contro Salvatorelli, accusandolo di essere anticlericale.
Il chiamato- Ma la piantino!
Il chiamante- Da mia parte, non credo che Salvatorelli sia un anticlericale perchè è un uomo che non ha mai espresso i suoi sentimenti in merito alla religione.
Il chiamato- Salvatorelli è un uomo che ha la "forma mentis" della libertà. Ad ogni modo noi possiamo metterli vicino il Prof.Gonella. Ti volevo dire una cosa di Spano, il quale si atteggia adesso, parla di riforme e di tante altre cose...
Il chiamante- Sì, sono due che fanno questo: Spano e Nenni, ma Nenni è tutt'altra cosa; è una cosa più da democratico. Allora noi ci vediamo domani alle 15.

La chiamante- Io ho la piena fiducia che tutto vada bene.

La chiamante- Per le spese della clinica pensate voi?

La chiamante- Che c'è da vendicarsi?
La chiamata- Che so io. E' un delinquente.
La chiamante- Ma non era italiano quello che ha sparato?
La chiamata- No.
La chiamante- Sarà stato ubbriaco.

EPURATION IN THE ITALIAN RED CROSS

La chiamata - E' sempre molto occupato, generale?
Il chiamante - Si, alla Croce Rossa per gli interrogatori dell'inchiesta. Non le dico che schifo! Un torrente di sudiciume! Tutto contaminato fino alle vene capillari. Gli unici rimasti a posto sono i giovani, i tenenti soprattutto, che ci aiutano e dobbiamo proteggerli. Tutti gli altri sono incriminati, specie quello che ho fatto sospendere. Adesso cerco di metterlo dentro; se lo merita! Poi, sono tutti attaccati gli uni agli altri per difendersi, ma, piano, piano, cominciamo a progredire..... Ho davanti a me un lavoro gigantesco, una montagna di verbali! E davanti a tutto quel ladrocinio rinuncio al compenso per il mio lavoro.....
La chiamata - Perchè? Si, capisco, per reazione. Le fa talmente schifo tutto quello, che non vuol neanche guadagnarci sopra.
Il chiamante - Proprio così! Sa che sono stato richiamato in servizio?Si, per l'epurazione degli ufficiali del Genio Aeronautico. Sono veramente destinato a fare il lavandaio! Ma, ancora non mi hanno chiamato. Lì percepisco un forte stipendio come tenente generale.....Ieri mattina sono andato al"Cesare Battisti". Quello, poi, è il colmo! Un esempio: L'economo ci teneva l'amante ed i genitori in una casetta! Poi, tutto il resto!

NEWS FROM FLORENCE

La chiamata- E' arrivato lo zio da Firenze. Poveretto! E' molto avvilito. Ha detto che colà soffrono enormemente. Non c'è nulla da mangiare; non vi sono m medicinali.
La chiamante- E loro contano di tornare a Firenze?
La chiamata- La mamma no, perchè non c'è da mangiare. Nel caso, cercherò io di fare una scappata. Adesso è assurdo andare là.
La chiamante- Ora che andiamo verso l'inverno, Firenze è peggiore di qui.
La chiamata- E poi, manca tutto. Sono state 15 giorni consecutivi a mangiare frittelline di farina e con pochissima legna per accendere il fuoco. Tutte le case hanno i muri lesionati e non si trovano operai per fare i lavori. Non c'è proprio niente e quella pochissima verdura che si riesce ad avere bisogna andare a procurarsela in campagna. E quella poca razione di pane è immangiabile.

Il chiamante - Come va che il mercato nero, ormai, è favorito più che tollerato? E' diventato gigantesco! In Trastevere, al Vicolo della Scala, del Limone etc. c'è mercato nerissimo, fatto in gran stile, di sale, sigarette, pane, di ogni sorta di ben di Dio. Le guardie circolano tranquillamente e comprano anche loro.

Il chiamato - Non sono efficienti i posti di blocco alla periferia della città. Entro tutto quanto in città c'è indisciplina assoluta. Poi, le guardie di Finanza, questo è veramente sporco e triste, scrivono su carte che ai sono fatte intestare "Comando Alleato" in inglese e non in italiano ritenendosi addirittura militi alleati. Questo sulla carta, poi, all'atto pratico non fanno niente. Poi c'è una ragione più grave: la mancanza della Polizia. La Polizia è completamente assente in questo momento. La cifra di 18000 agenti, fra Carabinieri, Metropolitani e guardie di Finanza credo che sia inferiore alla realtà. Poletti dice: questi sono paragoni che lasciano il tempo che trovano: "Noi a New York facciamo tutto con 11000 agenti" Ci sarebbero molte cose da rispondere, ma lasciamo andare. Inoltre qui gli agenti sono impiegati nei più svariati servizi, sono disbocenti tutti quanti. Io sto effettuando il trasporto delle patate da Avezzano a Roma, ho dovuto già far arrestare 11 guardie.

Il chiamante - Il mercato nero di Trastevere è impressionante.
Il chiamato - Per un mese e mezzo un Maresciallo dei Carabinieri mi ha messo in guardia dicendomi che c'erano degli impiegati infedeli. Riusciamo a pescare due o tre fogli di via falsi....(E' sparito persino un intero blocco di fogli di via, che ha un valore grandissimo, perchè oggi si vendono clandestinamente a 15 o 20 mila a foglio di via in bianco). Finalmente fanno le indagini e arrestano 4 persone fra le quali anche questo Maresciallo.
Il chiamante - Non mi spiego la mancanza di intervento.
Il chiamato - Nemmeno ai mercati rionali si riesce a ottenere una disciplina, perchè prima fra tutti sono corrotti tutti gli Ispettori delle Guardie. Nel mercato nero di Trastevere che lei dice non ci mettono nemmeno piede, perchè li bastonano. Credo, però che fra 10 o 15 giorni qualche cosa di buono si potrà fare, specialmente togliendo molte proibizioni; dichiarando non contingentati molti generi che ora sono contingentati. Dopo, con operazione di polizia in grande stile.
Il chiamante - L'operazione è tanto semplice!.....Si tratta di commercianti improvvisati.
Il chiamato - Quelli sono i rivenditori al dettaglio, poi ci sono i grossisti che si trovano in determinate borgate della

Il chiamato - Adesso dovrebbe arrivare dall'Algeria. Si aspetta per fare la distribuzione di due razioni in una sola volta. L'altro giorno si parlava di 150 grammi a razione.

POSSIBLE ILLICIT ACTIVITY IN UNSPECIFIED ITEMS

Il chiamante - Pronto commendatore.
Il chiamato - Dunque fra venti minuti ti telefona Pavoni, io avrei escogitato queste due soluzioni: o ripartire l'intera partita di 500 quintali fra convivenze, e allora provvedono loro al trasporto, oppure vendiamo l'intera partita, se Gondrand ci dà i mezzi di trasporto. Questa seconda soluzione mi sembra la meglio, tanto più che a Pallavicini i fichi gli piacciono.
Il chiamante - Per la provviggione come hai fatto?
Il chiamato - Il prezzo è 72 Cellofane e 68 oleata, la provviggione del 2. Si, perchè è una partita abbastanza interessante, sono circa 3 milioni.

Callee: Who would be going to Madrid as an ambassador?
Caller: MASCIA.

Caller: First, Rossi-Longhi should have gone there, but now I don't know. -
Callee: The man whom they attacked is Rossi-Longhi. -
Caller: Yes, but, really, there is no reason to attack him. As to Corrias, that is another thing - he really deserves it.
Callee: At present, all personal revenges shoot forth.

One could say that in six months we will have done as much (work?) as that. In short we can say that for six months we will do this way, and that afterwards we will do two months at a time. But how much does that person ask?

Callee: 4 for every two months, he will not do it for less than that.

Caller: I am to go on behalf of everybody to one person only. I will go and speak to this person tomorrow.

SUSPECT'S PHONE

Caller: Do you know that Maurizio came?
Callee: From where?
Caller: From Porto dei Marmi, what terrible ordeals he went through! He has been in great danger because he was acting a double part. He had a tragical time.
Callee: By what means of transport did he come? I am so happy!
Caller: By truck from Porto to Leghorn, from Leghorn to Rome and from Rome to Naples. He said that when the Germans went away together with two others he passed by a little bridge in a pine grove and informed the Americans that they could come because the Germans were no longer there.
Callee: And why after they had left?
Caller: Because these gentlemen enter courageously only when they are sure they will not find anybody more.
Callee: Perhaps to avoid deaths?
Caller: No, because they are not courageous.
Callee: What do you think, will the war come to an end soon?
Caller: I think so, the Germans said that they will not follow the Gothic line. Maurizio is at Positano.
