Caller: I would like to ask you a favor. In VITERBO there is a person of Yugoslav origin who has been a very devoted employee of our embassy at CONSTANTINOPLE. He is a very good man, a fine character. He came to speak with the Ministry but they did not take any more interest in his case. He would like to work waiting to rejoin his family in CONSTANTINOPLE. near the room of the Commandatore.

Callee: Are you interested in speaking with the colonel?

Caller: You can be certain of it. I will tell him that it is not necessary to
act that way with you. They used to say that they were cancelled to act
that way for the good of the Italian Government. Now that the Italian
Government has spoken, they could stop it.

sometimes they cut the line.

Caller: Please send Angelina to the telephone.
Callee: I will call her immediately. Aunt Angelina, there is the attorney CATERO on the telephone.
Callee: Raffaele, I am Angelina.
Caller: Angelina, the letter is ready, and so is the copy of the brief. You can send somebody to pick it up.
Callee: I'll send somebody to pick it up right away. Do you have the copy of the newspaper?
Caller: I have the newspaper but I must keep it. I could let you read it.
Callee: Do not bother about the newspaper. I will get it from MANFROTTO. Do you know that that person has not come yet? For what did he have that telephone call made?
Caller: He had the telephone call made and, then, he did not leave. I sent him a telegram because his presence is necessary.
Callee: You have done something useless because he has lost much ground. He is no longer influential with WILLIAMS. If you only knew how we spent Sunday. Those are the rumors. Now speak to me about the pieces of paper which have been signed first by the Mayor and, then, one goes to see the Mayor. I did not know that.
Caller: I have received a letter from ZACCARIA written by daddy which I want you to read.
Callee: Be careful with letters.
Caller: I will send it to you because you must read it. It is a pity. He had done so well with the newspapers! I did not send you the letter yet because Giulia had not read it yet. Daddy wrote about him, but I will not tell him anything. We must favor him, help him, be strong today in order to fight tomorrow.
Caller: Let him come back. It is necessary that he come because

Callee:2 On the telephone I cannot mention anything. I had a long conversation with Rosa and I told her everything. Tonight speak with her. See what must be done and give me an answer.

Caller: I must speak to you about something very important. I will come and see you tomorrow morning and speak to you directly. I would like to go to Rome immediately. From now on I will continue my work for I must finish it and deliver it to the printer. The time to fight has come. Callee:2 I have met two people who spoke with a Northern Italian accent. They said among themselves that the letter of LAURO is very beautiful and clear enough to defeat SCARFAGLIO.

Caller: We struck a magnificent blow! We will not stop.

POLITICAL TALK BY WATCH LIST SUSPECT

Caller: Have you read in the "Avanti" and in the "Risorgimento Liberale"....

Callee: Yes my dear Doctor MAIOCCO.

Caller: I have seen to it, I hope it will be possible to read it in short in their newspapers, I told him, that I had only rare contacts with that person. Do you understand? Is it all right?

Callee: I understand, You had rare contacts...

Caller: I cannot help it dear NAZZARENO but I like to be loyal.

Callee: Have you heard, NENNI is resigning, he does not want any longer to be the secretary of the Party.

Caller: You don't know anything about the backstage, they have been all mentioned. They want to transform an ordinary event of no importance into a political one.

Callee: The "Unità" too has printed a scandal article.

Caller: But it does not mention any names.

Callee: I got the impression that if SALVAREZZA is in possession of any documents they must be against NENNI, it explains his resignation.

Caller: Maybe. I think it is a diverting argument treated by a newspaper to serve the interests of the group CIPOLLONE.

Callee: Listen I have spoken with TOSCANO, he has the same opinion after all someone who knows you could not think otherwise. But why don't you go away from Via Fornovo.

and he isn't a man one can talk to.

Caller: Oh, a very small quantity.
Callee: I see, the first allotment.
Caller: But the situation is very serious; we have 600 diabetic patients
and only 250 insulin rations....

Caller: But couldn't we, for instance, check up at Messrs. Manetti &

Callee: It has been a report on the part of a chief that I know and who lives in Corso Umberto that has put the spike in the wheels. Then we have been

Caller: Then we have been vanquished. Is there any reason to about it?

Callee: Don't worry, to day I am to go and see Ciccio SALVAGGI who is the Prefect, then at four o'clock I am to discuss matters with AMEDEO and other people. Have one or two copies of the Decree of your appointment sent to Rome so that when we are there we may go together to see Enrico and you may be able to demonstrate him, reading the Decree, that it was I who got the nomination.

My informations are most precise. They would like to

make another nomination. Have you found a means of transport to go to Rome?

Callee: I got a seat at the C.I.T. and I shall travel comfortably.

Caller: I must be glad. To night I will tell you another news. I have to discuss matters with Amedeo ANGELILLO and PIRROLES. I have already spoken with the person who has to take over the administration. Eduardo will get there too.

Callee: I am waiting for news of you. You can call me at any hour.

Caller: Will you call me before to leave for Rome?

Caller: Certainly, I will.

(1) Royal Carabinieri?

(b) Caller: I called you to tell you a most amazing news, I believe Rosa has already told everything about it.

Callee: Yes, she told me this last night during the dinner. What else have you got to tell me?

Caller: The news is almost official, because that colonel told me that general DUNLOP has forwarded the application to Rome. The more so because this sector has been transferred to our authorities in Rome.

Callee: Yes, this matter is known in Rome but there are some people who would not like me to take over the wheel. The nomination seems to be almost official because a person coming from Rome from the Ministry of Industry told me that they are waiting for the consent of that person; in order to speed it up I have to go on Tuesday with the major to see that person who is to take off the sand dust.

Callee: Who is it? Enrico?

Caller: I understand. In Naples too I have been thoroughly informed that the authorities have provided to get a name in Naples.

Callee: Emilio of the action (of the party of action) called me to tell me that in many milieus they speak of it as if it was an accomplished fact. Please act as if you have not heard anything.

Caller: Emilio is playing the raving madman to invoice Ciccio, to get the nomination. He plays the drama with Ciccio and makes him understand that he is entitled to have the nomination.

Callee: When are you to go to Rome?

Caller: I succeeded to be able to leave on Monday by a vehicle of the Prefecture.

Callee: I will try to leave by any means of transportation on Monday.

Caller: I am waiting for other news, I'll call you in the course of the day.

POSSIBLE HOARDING OF AGRICULTURAL PRODUCT

Il Chiamato : Questi vennero dalla SICILIA carichi di carrubbe. Mai più caricherò su piroscafi, meglio i velieri! Io ho intenzione però di non portare la roba al mercato. Porto tutto a ROMA. A ROMA c'è il prezzo buono. Oggi a ROMA non c'era un manderino: quctavano £.26, a NA-POLI non più di £.15. I nostri sono 500 quintali. Questa sera arrivano quattro camion da ROMA, ma tu sta zitto. Qui non ci sono mezzi di trasporto, quelli hanno interesse e perciò scendono.

Il chiamato - Hallo? Who's speaking?
Il chiamante- Parla il 471301 ? Laboratorio ?
Il chiamato - Sì. Chi parla ?
Il chiamante- Capitano Smith, sono Falcone. Io avrei bisogno di parlare d'urgenza con Lei di una cosetta importante, della quale Le ho già parlato e che promette molto bene. Io sono in casa ora. Siccome Lei ha la motocicletta, potrebbe fare un salto.
Il chiamato - Io ora ho la pasta che sta bollendo nell'acido. Potrei passare verso le 7 prima di andare a casa. Poi, stasera, a casa, ho la riunione delle cameriere: c'è Mafalda, Antonietta, Evelina col marito e la signorina Mona. Io non sono socialista, ma la servitù ci tiene a queste cose. Perché non viene anche Lei?
Il chiamante- E a che ora tornerei a casa?

COMMENT

POSSIBLE MASONIC ACTIVITY AND POLITICAL COMMENTS.

Caller: There is head wind, The people want to see the situation clarified.

Callee: I have to go to Rome on business. I have little time to take care of our association. The reports indicate that there is strife inside the family.

Caller: Yes, of course, BENCIVENGA should accept the regency. When Italy is liberated it will time to discuss whether it is all right. The trouble is that the other one does not want to give in.

Callee: General BENCIVENGA is very good for us.....because he is a patriot. He is a good Italian, and good for the Allies. Certainly he is a stubborn man, the other one should not compromise the situation.

Caller: No, it will be necessary to compel him to decide. It is not stubbornness. When pressure is put on him he will give in.

Callee: I received from Palermo a telegram answering my letter. He says he was sorry about my absence.

Caller: The telegram was made from Rome it means that PARYOLO is absent, the chapter did not convene.

Callee: Palermo is ready to give in, he held out with that show of strength, to put the deal back on its tracks.

Caller: They told me "Tempo" (Tr.: a newspaper) has reported the whole story in full.

I must tell you that yesterday the report has not been signed but it is excellent... and it is ready to be signed.... but that person was not in the office so I could not inform him that it has already been signed. Callee: Thank you barone ZANOTTI but are you sure of the news? I am in a bad humour because I have been waiting for 8 days for this news to come and it did not. I want it to be widely spread I want it at any cost. But is this news really good? Your excellency, let me tell you like GRAZIANI "excellent". I live in the Excelsior. I am to leave on Sunday, I would like to see you. Are you going to morrow to via Alabandica? Yes, but tomorrow only for a short while from half past eleven till twelve. After tomorrow I am going to stay there a little longer. I have a bundle of two or three letters to be sent to Rome. Have you got any means of delivering them? Caller: Don't worry. Il chiamante - Signora Braccialini sono l'avvocato Rolla. Giorni fa mi ha parlato di un forte quantitativo di sacchi. Sono ancora disponibili?
La chiamata - Si.
Il chiamante - Qual'è il prezzo?
La chiamata - 100 lire. Sono molto belli. Le dimensioni sono 120 per 70.
Il chiamante - Sono da quintali?
La chiamata - Si. Volevo poi dirle che era cloruro di potassio e non clorato di potassio quel quantitativo che le ho offerto oggi.
Il chiamante - Ho capito. Domani le saprò dire qualche cosa anche in merito alla soda caustica, alla vasellina, ed al bromuro di potassio e di sodio. Per l'olio di lino non c'è niente da fare perchè troppo caro.
La chiamata - Va bene.

SALE OF SCHOONER'S CARGO

Il chiamante - Signor Palma, sono Romoli da Napoli. Ho trattato un affare importante di una partita di sacchi e della tela di sacchi e di tenda. Lei ne vorrebbe essere in parte?

Il chiamato - Ora non è possibile perchè volevo vedere prima il carico di un motoveliero che ho qui.

Il chiamante - Lo so, ma vede, bisognerebbe firmare il contratto. La partita è pronta ed è un affare dove si può guadagnare molto.

Il chiamato - Ma io oggi non mi posso impegnare. Lei porti un campione e vediamo come va la faccenda.

Il chiamante - Io verrò in giornata ma prima vorrei firmare il contratto.

Il chiamato - Io potrò impegnarmi appena fatta la vendita del motoveliero. Ma quanta roba c'è ed i prezzi?

Il chiamante - Ci sono 100.000 sacchi di latta 1x1,45 a 22, 800.000 di 1/2 lona 0,85 x 1,15 a 45, poi ci sono 3000 metri di tela per sacchi. Ci sarebbe da dare 3 milioni di anticipo. Il contratto potrei firmarlo a nome mio ma poi non vorrei perdere l'affare e la caparra.

Il chiamato - Lei cerchi di rimandare di qualche giorno la firma del contratto e venga a Roma così potremo parlare.

Il chiamante - Io cercherò di fare così e stasera sarò a Roma ma guardi che

FOLIGNO: ARREST FOR POSSESSING ALLIED RAINCOATS

Il chiamante - Buona sera, Quintino, hai ricevuto una lettera, che ho consegnato all'Autista?
Il chiamato - No.
Il chiamante - Oreste è stato fermato a Foligno perchè trasportava quegli impermeabili americani. Ha mostrato la fattura, ma gli è stato risposto che ciò non era possibile in quanto nè gli americani, nè gli inglesi hanno mai venduto roba usata. Oreste, mi ha scritto allora una lettera che ho ricevuto ieri sera e in base a tale lettera io ho scritto a te Oreste mi ha detto che urgentissimo che tu vada in Via Rainieri dove al n° 54 c'è la ditta Chiappetti e Chiappelli, quella ditta che vende appunto tutta roba..... e ricordarle il giorno in cui Oreste ha comprato i 20 impermeabili americani, 45 chili di tela di zaino ed altra roba. In base alla copia della fattura, di cui è in possesso anche Oreste, deve recarsi al comando americano locale, o inglese che sia, e deve fare apporre un visto su un documento dichiarante che la vendita è regolare.
Il chiamato - Effettivamente, questa roba qui si vende regolarmente.

Il chiamante - Io so, ma loro hanno detto ad Oreste che è impossibile perchè nella loro storia non hanno mai venduto roba usata.

Il chiamato - Qui si vende regolarmente.

Il chiamante - Il Comando americano?

Il chiamato - Sì.

Il chiamante - Bisogna avere un certificato del generale, altrimenti la considerano come roba sottratta. Oreste infatti, è stato fermato lassù.

Il chiamato - E' in prigione?

Il chiamante - E' fermato, in attesa di accertamenti e pare che domani ci sia un giudizio; tu sai che loro sono veloci. Io avrei persona che domani andrebbe su ed io stesso ho chiesto il permesso. Oreste cercherà di ottenere un rinvio. Da Roma ha cercato di fare intervenire qualche persona e può darsi che ci riesca, ma è urgentissimo avere il documento di cui ti ho parlato. Domani stesso dovresti mandarmelo a Roma in modo che io possa riceverlo domani sera.

Il chiamato - E per il resto, per tutta quella roba che era stata fermata?

Il chiamante - Niente; soltanto per la roba americana.

Il chiamato - Gli altri camions?

Il chiamante - Uno è già arrivato e per l'altro debbo mandare a prendere

DEAL IN CHEESE AND OIL

Il chiamante - Berto, sono Mario. Devi dire a Borgioli che avrei trovato una fortissima partita di formaggio stagionato: 100 quintali.

Il chiamato - Ci vuole il permesso.

Il chiamante - L'otterrò qui. Bisognerebbe che venisse a prenderlo. Gli dici che potrei procurargliene anche più di 100 quintali.

Il chiamato - Brevo Mario.

Il chiamante - L'olio è già pronto, ma lui non è venuto.

Il chiamato - Non vi siete visti a Napoli?

Il chiamante - Sì, ma non è venuto giù. Circa il formaggio interpella anche altre persone, perchè la cosa potrebbe interessare al migliore offerente. Il prezzo si aggira sulle 430 lire.

Il chiamato - Va bene.

1. WATCH LIST SUSPECTS PHONE.		
2. <u>LETTERS TO BRAZIL. POSSIBLE EVASION OF CENSORSHIP.</u>		
Caller:	Is it the General?	
Callee:	Yes. Who is speaking?	
Caller:	Missis BENINCORI. Listen, generale my sister in law has the opportunity of sending letters to BRAZIL through a priest who goes there for account of the Vatican. Would you send something too?	
Callee:	Sure! Where have I to bring it for you?	
Caller:	Here, to my home. Viale delle Provincie n. 37, apartment 26.	
Callee:	How will it reach him (or her)?	
Caller:	They will post it. The priest is going to Argentina, he will post it there, it is much better than to post it here. I put the address: Posta restante Rio de Janeiro.	
Callee:	Will it be sent certainly by post? I beg you, if you write not to say anything about the two thousand lire.	
Caller:	No, no.	
Callee:	Then I will come to see you in the afternoon to bring you the letter. Will I be in time?	
Caller:	Yes! Tomorrow morning my sister in law will bring you my letter and hers.	
Callee:	Thank you ever so much signora.	
Caller:	Not at all general.	
Reviewer's Note: PIERGILI was placed on the Watch List 20-7-44 as the result of a Censorship of a letter in which he stated "please send at once airplane Albert, recommending him to pass anti-fascists".		
A subsequent intercept also indicated that he was possibly involved in fascist activity. Another possibly showed the use of prearranged code on the phone. (CS ITA 5400-44)

TALK OF PROJECTED NEWSPAPER

Il chiamante - Enrico: ho parlato con Angiolillo è dispostissimo, non appena ha saputo il tuo nome è stato soddisfatto. Adesso dobbiamo nominare qualcuno di noi, perchè, per quanto riguarda la parte politica, lui è un'avello, per la parte amministrativa si dovrà vedere.

Il chiamato - Senti, io credo saxo Italo, che tu e Villari siete gli unici che possiate discutere con lui. Poi Guerrieri è un altro per la parte amministrativa.

Il chiamante - Difatti, io prima vado ad annusare l'ora, vedo a fondo l'argomento, se è una cosa possibile.

Il chiamato - Guarda, che il tempo è una cosa importante.

Il chiamante - Un quotidiano nuovo, è importante, poi c'è anche una testata nuova per te. Ti prego di non parlare con nessuno, neanche con Mattei, finchè non è concluso.

Il chiamato - Non dubitare.

Chianciano è isolato, perchè a cento metri dalla linea ferroviaria si è formato un lago profondo dove le acque stagnano. I ponti sono tutti rotti e così non è possibile; non le dico la mia rabbia. Io viaggiavo con uno di quei camion che non vengono fermati per nessuna ragione, ma adesso mi occorre un permesso: me lo può fare avere?

PERMITS AND TRUCKS

Il chiamante - 1° Senta signor Ferrini qui c'è il sig. Abbagnoli Mario il quale voleva partire quest'oggi per Roma, ma dato che i ponti sono rotti dalla parte di Napoli e di Bari, dovrà rimanere qui ancora altri 3 o 4 giorni e cioè fino a quando i ponti non saranno riparati. Per quanto riguarda la concessione dei vagoni ci hanno fatto sapere che ce li daranno dopo il 20, però non sarebbe male che da Roma partisse un fonogramma dall'A.C. all'A.C. da Reggio Calabria, questo per maggiore sicurezza, dato che i permessi noi li abbiamo consegnati a mano, mentre dovrebbero essere trasmessi per via d'ufficio.

Il chiamato - Ma non siete andati dal maggiore Bayl?

Il chiamante - 1) Sì, ma per maggior sicurezza è necessario far partire questo fonogramma perchè il numero dei vagoni richiesti è troppo rilevante.

Il chiamato - Senta signo Natalino qui a Roma c'è suo cugino al quale ho fatto avere altri permessi per carri ferroviari.

Il chiamante - 1) Ha fatto male perchè ci porterà via molto lavoro.

Il chiamato - Ma lui dice che lavora insieme con voi a Gallico e che già è in relazione, allo stesso modo come voi col maggiore

Bayl. Mi ha capito!?

Il chiamante - 1) Bisogna fare annullare i permessi rilasciati a mio cugino, oppure farli intestare a nome di mio fratello.

Il chiamato - Ma questo non si può più fare, perchè i permessi li ha già in mano.

Il chiamante - 1) Appena venuto a Roma, mio cugino ha subito ottenuto il permesso. Accidenti!

Il chiamato - Ma non subito, ha dovuto lavorare 4 giorni.

Il chiamante - 1) Ma allora si corre il rischio di fare annullare anche le nostre concessioni, perchè la concessione dei vagoni è troppo rilevante. Bisogna ad ogni costo, almeno far ritardare la presentazione dei permessi. Lei capisce che la situazione qui diventa poco chiara. Senta ora le passo al telefono il signor Abbagnoli Mario.Il chiamante - 2) Senta, signor Lallo, è bene aspettare il mio ritorno a Roma per quanto riguarda la presentazione dei permessi del cugino del sig. Natalino perchè ho bisogno di parlarle a voce.Il chiamato - Ma il cugino del signor Natalino mi ha detto che faceva lo stesso lavoro che fa Natalino col maggiore Bayl e che laggiù c'è una specie del dott. Fava. Hai capito?!

PERMIT AND LORRY TROUBLE

Il chiamante Pietro? Senti: di a tuo fratello che stia molto attento perchè hanno fermato tutti i camioncini che steno a Roma. Adesso, per ogni macchina che fermano a Roma e in campagna vanno a fondo per il permesso: vogliono vedere se i permessi sono stati registrati regolarmente da Via Tomacelli. Se tuo fratello si reca in "Galleria" nel termine di mezz'ora trova chi gli dà il permesso, ma non è registrato. State attenti perchè se vi pigliano adesso sono dolori di pancia. Il chiamato - Ho capito.

Il chiamante- Quella partita di zinco non l'ho acquistata perchè era brutta....Nel frattempo lo zinco ha subito qui a Roma degli aumenti spaventosi, per cui adesso sta a 60-62. Ad ogni modo, domani credo che troverò una partita di zinco che possa fare per noi. Se anche dovessimo guadagnare poco, non fa niente, ma io lo porterei giù lo stesso; così, non mancheremo di parola con quel signore.

Il chiamato - Ho capito.

Il chiamante- Quel signore è dovuto correre in Puglia per una epidemia di afta epizootica.

Il chiamato - Ho capito. Avevate detto che potevate avere 20 quintali di filo di rame, ma non mi avete detto lo spessore.

Il chiamante- E' rame elettrolitico dello spessore di 2 millimetri. La partita esisteva fino a tre giorni fa, dopo non l'ho più richiesta. Domani chiederò di nuove informazioni in merito.

Il chiamato - Circa l'anilina nera, state attenti al campione, perchè è stata consegnata acqua di carbone per anilina.

INTERFERENCE WITH OLIVE OIL PRODUCTION

Il chiamante - Sono Lo Popolo. Veda professore. Qui succedono dei grossi pasticci nella provincia di Taranto e Brindisi. Per nascondere la produzione dell'olio, gli agricoltori stanno bruciando o lasciando in aperta campagna la "sanza". Come sapete, è della sanza che noi ci basiamo a far i calcoli per vedere qual'è la produzione dell'olio. Fanno questo durante la notte. Io vorrei che lei mi dia pieni poteri e che il nostro ufficio possa dare le bollette per la sanza. Così potremo fare un più grande controllo.

Il chiamato - Ma perché non vi muovete? In quale provincia è successo questo?

Il chiamante - Come volete che ci muoviamo. C'è poco personale e quasi nessuna macchina. Gli agenti hanno paura di viaggiare di notte, perché è molto pericoloso. Questo si è verificato a Brindisi e Lecce. Oggi per esempio, ho rinvenuto delle bollette senza data. Con queste bollette loro possono fare molti viaggi con una sola bolletta. Perciò chiedo la vostra autorizzazione per fare noi stessi le bollette per la sanza e non il consorzio "Sanza" dato che non hanno il personale sufficiente a fare un controllo severo.

Il chiamato - Succederà un pasticcio. Tu prendi accordi con il consorzio "sanza" Come va l'ammasso?

Il chiamante - Discretamente. Le devo far presente che mancano gli agenti e i mezzi.

Il chiamato - Prendi accordi con il Comando Alleato per l'ammasso.

Il chiamante - Va bene. Dica al maggiore che gli Alleati ci mettono a disposizione almeno una "Jeep". Da qui ci hanno promesso tante cose, ma finora nulla.

Il chiamato - Per il momento prenda questo provvedimento, d'accordo con le Prefetture che la sanza venga trasportata solo di giorno.

Il chiamante - Io mi metto d'accordo con il consorzio sanza.

Il chiamato - Va bene.

TRADING IN BLOCKED MATERIALS

La chiamata - Buon giorno. Baffi, mi ha telefonato il generale ed ha detto che per la nota 356 bis si può vendere separatamente, per tutte le altre indicate no, ossia per i 14 milioni forse si potrà fare qualcosa in seguito. Ha detto che i fogli elencati costano 1500 al foglio e pesa ciascuno 12 chili, il compensato 125.000 al metro cubo, manca il cartone bitumato.

Il chiamante - Ma c'è questa roba?

La chiamata - C'è tutto meno il cartone bitumato. Credo sia tutto quello che volevi sapere.

La chiamante - Se vi interessano avrei degli affari grandiosi per voi
 Il chiamato - Sentiamo un pò che cosa avete signorina Gea.
 La chiamante - L'affare senza dubbio più grandioso e costituito da
 l'arrivo di 70 mila bottiglie fra Cognac, Gin e Wisky di suonissima
 marca il cui prezzo è di 320 lire il litro. Però vi faccio noto che
 la nave con a bordo questo carico ancora non è arrivata, dovrà arriva
 re dalla Sicilia uno di questi giorni.
 Il chiamato - Il prezzo mi sembra abbastanza buono e potremo fare
 qualcosa senz'altro.
 La chiamante - Inoltre ci sarebbero 20 Quintali di carburo il cui
 prezzo è di 250 lire al chilo.
 Il chiamato - Innanzi tutto il prezzo è troppo alto e secondaria-
 mente adesso ci sarà un'ulteriore distribuzione di luce.
 La chiamante - Ho capito. Ci sono pure 90 metri di tessuto a 1.500
 lire al metro e poi ci sarebbero 20 quintali di doppio concentrato
 di pomodoro a 200 lire al chilo.
 Il chiamato - Per il pomodoro voglio senz'altro un campione.

PLAN TO RUN BLOCKADE WITHOUT CONFISCATION

Il chiamante - Senti, siccome c'è stata una spiata da Cosenza, una telefonata che ha avvertito il comando alleato e la polizia, in cui si diceva che i vigili passavano con quella roba, allora a Salerno hanno sequestrato il carico. Della cosa, poi, ti riferirò tutto Batti Tullio. Ora bisogna prendere quattro o cinque grossisti della provincia e farsi rilasciare una dichiarazione che i produttori avendo paura di tali minacce, non provvederanno più a spedire la merce. Nella eh dichiarazione si deve dire che ciò danneggerà fortemente la produzione. E' necessario che tu mandi queste dichiarazioni perchè può darsi che la cosa abbia un seguito.

Il chiamato - Va bene, cavaliere.

Il chiamante - Chiamate Barlassina, Caligiuro che sono i più interessati ed altri.

Il chiamato - Va bene, cavaliere.
