Chiamante : Il mercato di Napoli supera le 500 lire. A Roma e Firenze questo prezzo si spunta.

Chiamato : Oggi ci vedremo e ci metteremo d'accordo. Per la seconda cosa, a lui non conviene fermarsi sull'economia di 42 per quell'affare.

REQUEST"GIUNTA"

Chiamante: Senti, Nicola, ho la macchina che non serve più e debbo sostituirla. C'è qualche buona occasione in Sicilia. Dal RACI di Salerno è possibile ottenere un permesso di soli 15 giorni? Mi serve per andare in Sicilia. Perché se non l'ho, mi imbarco e vado là.

Chiamato: Va bene. Domanderò.

Chiamante: Ti domando se si può fare un permesso di andata e ritorno come quello dell'altra volta, con il "modulo giallo", perché la macchina avrà targa siciliana. Mi serve questo modulo giallo per poter attraversare la macchina. Credo che la Questura di Palermo non potrà rilasciarmi questo permesso perché non competente. Dovrebbe essere quella di Napoli o di Salerno.

Chiamato: Senti, Mario; io debbo andare alla Questura per accompagnare Cecchi ni. Trovandomi lì, domanderò.

Chiamante: Grazie.

Chiamato: Hai letto sul "Globo" quel fatto dei vagoni a pieno carico? Dovrebbe esserci una certa possibilità per noi....Tienilo presente per i tuoi trasporti! Poi, la radio ieri ha annunciato che è in viaggio un carico di zucchero per l'Italia...Regolati tu. Per quel trasporto che hai fatto?

 Chiamato: Sì. Domando senz'altro. Come mai non hai letto la disposizione dei vagoni?
 Chiamante: Sì, l'avevo letta. Ma vengo di là, ho parlato con lo speditore, e ha detto che per ora non c'è niente! All'una parlerò con Cecchi = no al Molino e cercherò di sapere qualche altra cosa.

CONVERSATION OF WATCH LIST SUSPECT

Caller: Hello! Doctor MAIOCCO speaking. Is the lawyer in?
Callee: It is I.
Caller: Please see to that matter, because that person called me up this morning, and the fact seems to be spreading.
Callee: Which fact?
Caller: That fact which happened at Monte Sacro.
Callee: Oh yes, I understand.
Caller: You have all the documents, and I should be sorry if matters should turn out badly.
Callee: BOTTICELLI, however, has been called to the workshop.
Caller: Then there is a certain RIZZOCAVO who was formerly a zone inspector, etc. at Monte Sacro. But we had better hold our tongue about him for the present.
Callee: I had a nice letter from the Attorney General's Secretary; the letter confirms what we want. If we are asked to present a list of the ex-fascist hierarchs, we will wash our hands of the whole matter.
Caller: FRANCOCCI said that he was given 2,000,000, and we had better insist on that man BOTTICELLI.
Callee: I possess some proofs against him.
Caller: We had better keep silent when they ask for the ex-hierarchs' list.
Callee: Certainly, however the permit takes a long time to come: it is better to be on the qui-vive at present.
Caller: Let us meet in a day or two, so as to be quite clear on the subject, and avoid the risk of contradicting each other.

POLICE ACTIVITY

Il chiamante - Pronto, buona sera, signorina, come sta?
 La chiamata - Io sa che questa sera è tornata la Polizia? Però non hanno trovato nessuno. Io ero uscita. Sono venuti alle 7 mont un quarto.
 Il chiamante - Si vede che quella persona che informa la Questura, ha telefonato avvertendo che gli americani sono tornati.
 La chiamata - Sì! Avrà detto: venite che li trovate, ed invece non ce li hanno trovati. Che vuole: sono tornati e mi hanno detto non ci faccia dormire al campo, ed io non ho avuto il coraggio di dire di no! Però si tratta solo di stasera e di domani sera, però, sa che faccio io: li faccio dormire a casa mia ma io vado a dormire da una signora quì di fronte.
 Il chiamante - Pa benissimo, signorina, perchè una volta che non trovano lei a dormire nello stesso appartamento, lei stà a posto.
 La chiamata - Si vede che la voce che avverte la Questura, si è sbagliata sull'orario, altrimenti la Polizia sarebbe venuta più tardi.
 Il chiamante - No! Signorina: non è così io lo so, perchè ci sto in mezzo come lei sa. Quella tale voce avverte, però la Questura disbriga prima le faccende più urgenti e più importanti e poi manda questi altri servizi. Così appena hanno avuto tempo, hanno mandato a fare una visita a casa sua.

La chiamata - Sai! Io vorrei quasi dire che venissero a dormire soltanto per stasera, e non anche per domani sera, dato che ormai la Questura mi ha preso di mira. Però, se li faccio venire, anche domani sera dormo fuori perchè vado a dormire a Via Stanuele Filiberto da un'amica che mi ha invitato.

Il chiamante - Sì, signorina, li faccio venire anche domani sera, perchè l'importante è che la polizia non trovi lei a casa.

La chiamata - Perchè non è venuto più lei?

Il chiamante - Non ho avuto tempo, e poi lei lo sa perchè. E' lì adesso?

La chiamata - No! E' andata via sarà una mezz'oretta.

Il chiamante - Allora, signora, stia tranquilla e lasci pure che telefonino alla polizia. L'importante è che lei non si faccia trovare in casa.

La chiamata - Del resto lei lo sa che anche quando dormivo a casa, dormivo sempre in cucina.

Il chiamante - Sì! Non si preoccupi, signorina. Arrivederla.

PROJECTED TAXATION

Il chiamante - ti volevo dare un ragguaglio Ministeriale. Ci ha ricevuto stando in piedi, pur avendoci fatto entrare subito. Non mi sono lasciato impressionare, e da questo ho arguito che ci volesse liquidare in fretta. Lui dice che le ripercussioni sul fatto monetario... quello è sui beni reali effettivi. Ma le ripercussioni si possono dire pressochè sconvolte, in ogni caso potrebbero tenersi in mano l'arma come la tenne Bartolini. Se si dovesse vedere delle eccedenze, potrebbero fare un telegramma e bloccare... le quattrocento o le ottocento volte.... Enaudi e Rolli... Se da parte Alleata avete difficoltà, non è giusto accaparrare le nostre azioni a prezzo vile. Che non spendano cinque per prendere venti. Come fenomeno svalutativo siamo arrivati che una scatola di cerini è andata a otto lire, ed è una cosa di stato. Ma sai, lui ha risposto a monosillabi. Ha domandato " Ha parlato con Passarella? " Io gli ho detto che noi abbiamo proposto il 5%. La muraglia l'abbiamo passata, è roba che si può soste-

La proprietà immobiliare si trasferisce da una generazione all'altra per varie generazioni, perchè è difficile che uno venda un terreno per comperare una cosa e viceversa, mentre per i titoli è diverso. - Due, tre, quattro ed anche cinque passaggi in un anno, perchè ad ogni volta si deve prendere una aliquota? Io l'ho fatto stare in piedi 20' ma è un orecchiante - diceva: "ma se volessi...." pienamente che le borse si devono riattivare - perchè Rolli ha detto.... Enandi ha detto che le borse devono essere abolite. Il 5% è eccessivo.

Il chiamato - bisogna dirlo a Soleri in vista del prezzo. Chi dovrà perdere anche il 2½ naturalmente se le vende e compera titoli di stato - Ma che lui si fidi di Passarella? telefonagli e digli: "io ho parlato col suo Ministro" - lui ci ha dato una certa assicurazione. C'è sempre la questione di piazza Colonna.

Il chiamante - Glie l'ho detto, ma non ci crede, gli ho detto anche, "si fanno due pesi e due misure". Quando ha una casa ha un valore reale io non sarei venuto a disturbarla per nulla. Mi ha risposto che ci

"GIUNTA"
Chiamante: Senta, ragioniere, io sono Samele vorrei sapere se è partito il veliero.
Chiamato: Il veliero sarebbe dovuto partire ieri, ma siccome il mare era agitato partirà sicuramente domani, giacchè si prevede bel tempo.
Chiamante: L'autotreno è arrivato ed ha scaricato a Napoli. Il veliero quando potrebbe essere qui?
Chiamato: Potrà essere a Napoli verso sabato, e scaricherà a S. Lucia.
Chiamante: Volevo sapere un'altra cosa ragioniere: 'quel vermouth e marsala, che abbiamo lì giacenti sono stati ritirati?
Chiamato: Sono sempre lì. Non è stato ritirato nulla.
Chiamante: Senta ragioniere, allora se lo può vendere, è tanto di guadagnato.
Chiamato: Che prezzo?
Chiamante: 115 l'uno per l'altro.
Chiamato: Mi interesserò. Veda che il prezzo della marsala è molto esagerato. Qui si parla di 50 o 60.
Chiamante: Ma veda che la marsala è quella all'uovo.
Chiamato: Va bene, allora appena avrò concluso qualche cosa le telefonerò.
Chiamante: Senta ragioniere, a che ora chiude il Banco di Napoli?
Chiamato: Alle 12½.

 Caller: What was it carrying?
 Callee: Something like 3000 candles stolen from the Allies.
 Caller: However, although sending the driver to ROME, the car should have been given back to His Excellency. Therefore, we made a report to the Judicial Authorities. Therefore, even if the car was an official car it can be released only by such authorities. Allied property is involved and they too must be informed.
 Caller: Tomorrow the Deputy High Commissioner, the Attorney SANSONE and some other officials will come to see you to bring the car back here.
 Callee: Two officials of the Alimentation had come with that car. One of them, Doctor MANCHISI went to see everybody except me, in spite of the fact that I sent for him several times. He did not show up and tried to run away. It is therefore something suspicious.....And I will not release the car, if he does not come to see me.

STORY OF KILLING IN QUIRINALE

Il chiamante - Sai caro amico quella bomba che è scoppiata al Quirinale l'aveva in mano quello che è morto, allora un Maresciallo vedendo questo gesto gli ha sparato, perchè questi voleva gettarla contro il plotone dei carabinieri.

Il chiamato - E chi ti ha dato queste informazioni Giulio?

Il chiamante - Un testimone oculare, io oggi vado a mettere la firma al Quirinale.

Il chiamato - Domani andrò anch'io è una bella iniziativa.

Il chiamante - Cosa stai facendo?

Il chiamato - Sto studiando ed ho il telefono qui vicino.

Il chiamante - Quando dai gli esami?

Il chiamato - Forse il dodici.

Il chiamante - Ci vediamo domenica?

Il chiamato - Non vorrei uscire perchè essere bocciato dopo aver studiato mi seccherebbe.

Il chiamante - Anch'io sto studiando ma darò gli esami

COMMENT

POSSIBLE ILLEGAL STORAGE OF ELECTRICAL MATERIALS

Caller: PAVIONETTI speaking, a friend of LOCATELLI's; I want to make you a very favorable offer. I have a tripolar lead covered cable; it is almost new and about 150 m., long; every turn of insulating copper wire is of 500 volts. The diameter of the lead is of 18 cms. It is very well insulated. I will sell it for 175 lire.

Callee: We need an armored cable, but a bigger one.

Caller: In the meantime I would advise you to take this one. It's a very good deal. I have seen it here in the store house for 700 lire.

Callee: What else do you have?

Caller: An interlaced copper-wire, covered with jute, almost new, 1000 ms long, made of 19 single copper-wires. It costs 150 lire a meter. I also have electrodes and white metal at 850.

Callee: That's rather expensive.

Caller: We shall come to an agreement as far as the price is concerned.

Callee: I have to!

Caller: We shall settle that personally. The owner of this telephone says that we cannot mention these things over the telephone...

Callee: All right.

PROPOSED TRANSACTION

Il chiamato - Cajo, Trabalza, com'è andata?

Il chiamante - Mi hanno dato il minimo che mi potevano dare, la censura. Oggi però sono morto.

Il chiamato - Damque ho sborsato le 100.000 lire e sto preparando l'atto per la prelazione dell'acquisto. Tu sei sempre del medesimo parere?

Il chiamante - Ho parlato con la persona che deve investire, mi ha detto che ieri ci aveva pensato, e ora sono venuto da lei per concludere, poi domani vengo da te.

Il chiamato - Ho 4 cambiali fine aprile, è venuta da Napoli l'altra coerede quindi bisogna concludere, correva verso le 9,30? Bisogna poi prendere per il collo Sisti che non si scappi perché tra due mesi dobbiamo sborsare 2 milioni. Possiamo fare una società, ci sotterreni da costruire al Dispoli e a via Flaminia.

Il chiamante - Allora un versamento 50.000?

Il chiamato - Sì, 18.000 sono garantite. Poi ti devo spiegare l'atto. Perché loro non possono vendere che a mia moglie o a quella signora. Però bisogna far presto.

Il chiamante - Va bene.

Il chiamato - Ora lo sto facendo a nome di mia moglie le cambiali le puoi tenere tu.

Il chiamante - Io ho un appuntamento a casa con un mio paesano, spero di essere puntuale.

Il chiamato - Se la signora volesse che l'atto lo facessi a nome suo invece che a nome di mia moglie mi dovete dare gli estremi.

Il chiamante - Vabene, ci vediamo allora domani verso le 9 e tre quarti.

ARRIVAL FROM NAPLES

La chiamante - Il signor Della Noce? Sono Gagè

Il chiamato - Buona sera, Giulio.

La chiamante - Mi sembri un pò sbronzo questa sera.

Il chiamato - No, affatto. Sono stanco solamente. Sono tornato da

Napoli oggi. Ti ho fatto telefonare per un invito,
tanto sapevo che non ti avrebbero trovata.

La chiamante - Invece, ho ricevuto la telefonata ma ho rifiutato l'in-
vito perchè avevo timore di circolare sola, quello che
è successo oggi a Roma. Sai qualche bomba....mi sono
fatta trasferire in campagna. Sto con il Colonnello
Carmens (?) Mi hanno portato con loro, mi sembra di es-
sere alla Cecchignola. Come sta sua moglie?

Il chiamato - Poveretta è in clinica.

La chiamante - E l'amore come va? Ti vedo sempre con qualche donnina
carina.

PROPOSED USE OF INTERMEDIARY FOR MAIL TO BUDAPEST

Caller: Listen, I called you up for a very urgent matter.
Callee: Go ahead, CARLO, I am at your service.
Caller: There is an American officer in ROME who is leaving for BUDAPEST (HUNGARY). His name is Lt. FALLOS, of the Film Section of the P.W.B. His telephone number is 874867 (I don't know whether the number is of his home or his office). He lives together with Lt. LEVI and is supposed to leave for BUDAPEST on 1 March 1945. It is not certain however whether he will stop at NAPLES or not, because his itinerary might be as well ROME-CAIRO-BUDAPEST. Should he come to NAPLES you should tell him to call on Mrs. Cesarina DEL MONTE, Lt. LEVI's cousin, so that I shall be able to meet him there. Should he go directly to CAIRO, you should write a letter to ISABELLA on my behalf, founding it on the four following points, which I already mentioned to you: 1) CARLO is presently at NAPLES, after having reached happily ROME. 2) Telephone calls have been made to STOCKHOLM and to BUDAPEST, regarding that certain news; the International Red Cross and the Vatican also took charge of the matter. 3) We are in touch with Soviet and Swedish authorities and the Ministry of Foreign Affairs is doing everything in its power, in favour of the personnel that remained in HUNGARY and of the MATTANSEN group; precisely

Callee: That will not be quite so easy.
Caller: Since the sending back to Italy of these people will be quite difficult and will take quite a long time, it would be very useful if I could go there. You could add, in the letter to ISABELLA, that our interests are in order and that SOFIA will get married in March. Please call up n.362370, RINALDI, and tell them that the Lawyer TURCOLO will be back in ROME on 1 March. As soon as you receive news from BUDAPEST, ring me up at the number I gave you.
Callee: All right, CARLO.

CONVERSATION ON WATCH LIST SUSPECT

Caller: Luca speaking? Emilio has gone out, and the other is leaving for Naples at one.

Callee: Listen: you have not enough money to conclude the business. They are 15 kgs, instead of 5, as I said at first. Therefore I'll bring 1 kg. to Naples, and at the same time I will engage the other 14 kgs. If things go well in Naples, I'll carry the rest there and 5 kgs. will be for your own account.

Caller: What? I want to buy the whole lot and you offer me only 5 kgs.

Callee: But the money you have is not sufficient to pay for it.

Caller: I'll go and withdraw some money from the bank at once moreover, you know that I have some trifles of my own.

Callee: I know. They are worth some 3,500,000 lire.

Caller: Besides, Emilio sold the two damasks. He therefore can dispose of...

Callee: Look here, Luca, I'll send at once the letter to De Simone in Naples, and I'll write him to open a credit in my favor with the Banca del Lavoro.

Caller: Why do you want to run such a risk? And then, it takes time, to do so.

Callee: And the extract is so concentrated that it is difficult to say whether it can be sold in Naples.

Caller: No, Luca. I have made up my mind to transact this business even if I have to be alone. Emilio had said to divide the profit amongst the persons; they are: you and he because the money was to be paid by both of you; and I who have proposed the business.

Callee: Well, let us meet at noon at Rampoldi's and we'll decide what to do.

Caller: Very well, Goodbye, Luca.

REVISOR'S NOTE:

Sasso was placed on the Watch List 6-7-44 because of an alleged that he was of Greek or Turkish origin and had collaborated with the "Wehrmacht." His wife is alleged to be American and to be used by him to ingratiate himself with the Allies.

Evasion of external mail censorship, worries about the census, arrest of a collaborator and letters to Egypt have been subjects of previous comment sheets.

COMMENT

CONVERSATION ON WATCH LIST SUBJECT

Caller: Do you want me?
Callee: It seems to me it was registered the 18th. I am
spending many hundreds of thousands of lire.
Caller: This morning came Mrs. PENNAROLA who wanted to buy
the machines.
Callee: Do not pay any attention to her. I am not able to
find the files.
Caller: In a few days I will go to ROMEVANTO to see PARTOZZI.
I could deal with him. How many do you need?
Callee: I need 7 or 8 thousand but I could buy 20 thousand.
Look for them at the black market, at the yellow market,
at the white market as long as you find them.
Undoubtedly, it is difficult to find anything legally.
