comporta assai... dentro sto preparando insieme al mio socio piani e progetto
sottogestito che richiederà un po' di tempo, penso che è bene non perdere tempo
rispetto alla possibilità di un piccolo traffico che quale quello dei pacchet-
ti che, vedo, ha la tua piena approvazione.
Puoi mandare utilmente: 1° - guanti di gomma da chirurgo - (misura da uomo e
da donna) di cui si parla da costì prevalgono misura piuttosto grandi
rispetto alla misura media delle mani maschili italiane. Tanti però a invia-
re piuttosto piccolo rispetto alla media di costì; 2° - Pelle da tennist
3° - Camere d'aria da bicicletta; 4° - Borsa di gomma per acqua calda; 5° - Stoffe
(tinte) presentate che il pericolo dell'innalzamento per questo articolo sta tutto
nel gusto della moda di laggiù, molto diverso dal nostro. Però per stare nel
sicuro manda flanella grigia senza per altri da uomo, puoi mandare la fodera
corrispondenti o i fusti. La non è necessario); 6° - Milati di lana.
Per le macchine ti dirò dire qualcosa di preciso nella prossima lettera ad
anche per l'ingegneria. La Penicillina è molto ben conosciuta in Italia.
E se ne puoi mandare sarebbe l'articolo più redditizio di tutti e di gran lunga

RESIDENT OF ROME, REPORTS ON INDIVIDUALS WHO USE DEVIOUS
METHODS WITH ALLIED AUTHORITIES

In a letter giving detailed news on family and friends in liberated and occupied Italy writer states, "Maria (Ex. not further identified, but presumably living in Rome) is waiting for the quick return of Boby, the 'fake' prisoner in Roumania, for whom she is receiving prisoner allotment!! Marcella (Ex. not further identified but also living in Rome) has been able-through her influential acquaintances- to have Massimo freed who, taken by the Allies, had been four months in prison. She succeeded also in working other miracles with systems which would certainly displease her husband (principe consort) if he came to know about it."

SPECULATION IN BRITISH CURRENCY

Wife writes Italian civilian internee:

"The exchange rate here (in Naples) was excellent.

Two days before I arrived, the pound sterling fetched

12,000 lire, then suddenly dropped to 9500. Hoping

for a rise in the rate, I left them with Marino and

told him to sell them at 9500—just in case."

Translation.ACTIVITY OF THE LIBERAL PARTY

... "Towards the end of December, 1944, in Arezzo there has been constituted a Section of the Democratic Labour Party, which has filed an application to C.L. (Liberation Committee), asking for the admission of two proper representatives. The Arezzo C.L. after having asked for instructions in Florence, in order to act in conformity with the C.L.N.T. (Toscana National Liberation Committee), decided to reject the application inasmuch as (Florence criterion) the Democratic Labour Party has not been represented during the period of clandestine struggle.

It is pointed out that the leaders of the Democratic Labour Section are trusty anti-fascists, one of whom has been band-leader and member of C.L.N. representing the partisan formations.

To-day's discussion at the C.L. regarding the admission of the Democracy of Labour has brought no conclusions, in spite of the fact that the liberal representatives were favourable, and decisions was taken that each ~~recognized~~ ^{recognized} Party has to interpellate on the subject its own Directorate or General Secretary's Office.

As the liberal representatives in defending the Labour Democracy conformed it self to the same criterion, inasmuch as this Party has regular representatives in the Central C.L.N. and in the Government, it would be appreciated to know the opinion of the General Secretary's Office, in order to conform criterion and action with the heart of the Party.

...."Verso la fine di dicembre 1944, si è costituita in Arezzo una Sezione della Democrazia del Lavoro che ha inoltrato domanda al C.L. perchè venissero accolti i suoi due rappresentanti in seno a quel consesso. IL C.L. di Arezzo dopo aver chiesto istruzioni a Firenze, onde regularsi in analogia col C.L.N.T., delibererà di rigettare la domanda in quanto (criterio Fiorentino) la democrazia del lavoro non era stata presente nei momenti della lotta clandestina.

Giova avvertire che i dirigenti della sez. Democratica del Lavoro sono sicuri antifascisti, uno dei quali è stato Comandante di bande e membro del C.L.N. in rappresentante delle formazioni partigiane.

In data odierna la discussione in seno al C.L. circa la ammissione della Democrazia del Lavoro non è stata conclusiva nonostante che i rappresentanti liberali siano stati favorevoli, e si è deciso che ciascun partito riconosciuto interpellasse sull'argomento la propria Direzione o Segreteria Generale.

Poichè i rappresentanti liberali nell'assumere la difesa della Democrazia del Lavoro si sono ispirati al criterio analogico, in quanto quel partito ha regulari rappresentanti nel C.L.N. Centrale e nel Governo, si gradireb-

I warn the presidents of the associations of Palermo that I am aware of a
mystification staged by dissidents through a writing about an hypothetical fusion
of our supreme council with the irregular group, written by TOSCANO and three
others who had been expelled from our order for serious reasons already since
the 12th of February. Our supreme legitimate assembly met regularly the 21th of
March in perfect obedience and observance of the rite and decided not to honor with
an answer an innocent maneuver, befitting only the moral level of those who
conceived it. Follow the instructions given by our assiduous and beloved Giordano
AMARI. Warn everybody by informing them about this telegram.

TRANSLATION:

I warn the presidents of the associations of Palermo that I am aware of a
myetification staged by dissidents through a writing about an hypothetical fusion
of our supreme council with the irregular group, written by TOSCANO and three
others who had been expelled from our order for serious reasons already since
the 12th of February. Our supreme legitimate assembly met regularly the 21th of
March in perfect obedience and observance of the rite and decided not to honor with
an answer an indecent maneuver, befitting only the moral level of those who
conceived it. Follow the instructions given by our assiduous and beloved Giordano
AMARI. Warn everybody by informing them about this telegram.

"....As far as I am concerned, I am always prepared to collaborate with you for the development of our work but I should like to know first, whether you have always the same ideas and on which basis you intend to perform it. Offers are pouring in and, therefore, a possibility for a fine work might come up both for the two markets where you and Signor NIKLAS contemplate to organize the sale of Italian products, as well as for other places. Of course, up to the moment, I have only taken vague engagements, as I was waiting for a possible clarification from you. FASCIST SPIES IN LUCCA

"Search among the documents found at the Legione Office or at the Political Office (SIC) or elsewhere to establish documentary responsibility on the part of Fulvio STOPPA against his own relatives and friends. If his friend the neo-Fascist SARZANO has been arrested, I am sure that you could obtain valuable information from him concerning this matter. To make myself clear, I assure you that I hold no doubts about the operation of 5 March 1944, at least regarding my arrest and the arrest of your Renzo, Bianca, Leonardo, and Domenico. It is certain that it was FULVIO's responsibility. I would like to get together the indispensable proofs. Moreover, he committed innumerable crimes of a domestic and political character."

THEORY

- 1) HIGH PRICE OF TEXTILES IN SWITZERLAND
2) CONTRABAND MERCHANDISE FROM NORTHERN ITALY REACHES SWITZERLAND
3) ATTEMPT TO EVADE ALL ALLIED CENSORSHIP THROUGH VATICAN

2) Attention to prices
 "... Let me know what clothes you need. But mind that prices over here are also very high, especially if one has to consider the exchange... A woolen shirt, (and it might not even be 100% wool, because now a days you cannot ever find it in Switzerland) costs about 50 francs. i. e. eight or nine thousand lire. Usually dress materials now on sale are 50% woollen. That means expensive."

If you only could imagine how much stuff is smuggled from Northern Italy! There is an active black market on shoes, silk, rice; and it is heart-rending to think that all this is taken away from us Italians. Anyhow if one can find such stuff it is best to buy it, considering the exchange. Please answer me through the Vatican, otherwise the Allied censorship will condemn the letter.

ILLEGAL HOUSE OF PROSTITUTION AND HARBOURING OF ALLIED GOODS

Vi porto a conoscenza che vicino al Monte Antenne, dove sono accampati gli Indiani; sulla riva del fiume, vicino alla ferrovia Roma-Nord esistono due baracche con la padrona chiamata la "Gobba" vedova con due bambini, la quale alloggia tre o quattro signorine, che si offrono agli Indiani, negri Sud-Africa, Negri Americani.... Le dette signorine sono giovani, malate, una delle quali si chiama Maria MURRU. In questa casa la padrona... riceve degli Alleati: benzina, scatole, farina, sapone, coperte, scarpe... che poi vende a borsa nera ad alti prezzi....

1.) CONTEMPLATED DESERTION BY ITALIAN POW.

2.) FORWARDING OF MAIL THROUGH UNAUTHORIZED CHANNEL.

".....you tell me that you are very dejected when you see that so many soldiers come home on furlough and that I do not. You mustn't forget that those who go home are regular soldiers whilst Guerrino and I and thousands of others are prisoners of war, though it has been a year now, since we arrived in Italy. But if they send me home on furlough, I shall think it over and over again before I decide to leave you and return to these people.."

Addressing his mother in the same letter sender writes as follows:

"GUERRINO and I cannot go home yet, because our villages are too near the frontlines. If I were a civilian I could earn a lot of money by playing my instrument. But once I am home on furlough, I'll think it over and over again before I go back to these people."

Enclosed in the letter is a note by a certain GUERRINO to his wife. It reads as follows:

"....do they give you the subsidy and my pay as a prisoner? How do you, father and the child get along? If you want to send me a letter give it to the wife of my friend. She writes every week. There is always a Polish soldier who goes to FLORENCE."

Appena uscito dal carcere dove nessuno ha detto chi eri tu, ti sei dimenticato di tutti e te ne sei andato fuori NAPOLI per circa 40 anni e, credendo che te la fossi cavata sei tornato a casa tua, dove mangi e bevi con i tuoi milioni senza pensare a nessuno e continui ancora a firmare dispacci.

Questa volta, però, sapranno tutti che hai firmato diversi dispac-ci falsi di camion con merce Alleata, composta da sigarette, caffè ed altro. SCONTRAI TUTTO IN UNA VOLTA, NELLA TUA, BANDA DI PAZZIGNO.

BLACK MAIL: WARNING AGAINST REINSTATEMENT OF FORMER FASCISTS

"If you care for your own peace, beware of reinstating Cav. Uff. Rag. DATTINO in your Office (Tax Collector). Whatever the ridiculous members of the Epuration Commission may say, he is a well known spy of the O.V.R.A. Owing to the protection he had among fascist person-
lities, he knew that he was useful to your administration and displayed the utmost conceit. The same thing applies to Comm. RUZZIO (?), secretary of the Fascist Federation, whose ambition it was to become secretary to the duce.

We are no longer disposed to have such conceited persons in our Offices. If you do not follow our instructions the least that might befall you is to be denounced for your activities with high fascist officials (particularly with Minister BUFARINI GUIDI), not to mention the high amounts of money that went from the safes of your administration to the wallet of Comm. MAGERONI, who was Secretary of the former, and to others. For such tasks DATTILO was always used as means of conveyance. Remember, we have warned you....."

Dopo il 1927 al 1930 fu fondatore e conduttore con Enrico del quotidiano fascista "Lo Stato di Napoli". Enrico fu l'unico a restare un italiano che il partito o prese dalla moglie americana per concepire di pubblicare qualche articolo di studio apolo- gia del regime (vedi la collezione del giornale). Valutare il siste- le con la previsione di casa reale di cui il fratello Enrico è con- tinuato entro agli Esteri..... fu alla Colonna Fegolare segretario di Giustizia di Claro a poi di Enrico. Il primo del 1941 ottenne dal Re il riconoscimento del titolo di Principe di Castiglione. Dopo il 25 luglio diventò a Enrico antifascista e repubblicano secondo Enrico e Enrico dal partito che aveva conosciuto in Italia. Enrico è infatti in diplomazia e non si pensa di esprimerlo, ma è anche in potere al corrispondente agli Esteri del futuro Enrico Enrico.

"...The "man in the street" ought to take an interest in a dubious individual: M.R. Filippo CARRASCOLO, Duke of Salito and Prince of Castagneto. The paper having failed, CARASCOLO entered the Ministry for Foreign Affairs with the pretensions of the Royal Family, to whom his brother ARALDO is gentleman-in-waiting..... He was also in the Ministry of the "MILITARY ECONOMY", as CARASCOLO's elder of Cabinet and, later, try of the "MILITARY ECONOMY". At the beginning of 1943, the KING granted him the title of PRINCE OF CASTAGNETO. After the 25th of July he became, in reality, an anti-fascist and a republican, as he was a friend and protégé of Count SPOCCO, whom he had met in the U.S.A.-- CARASCOLO is still in Italy and nobody thinks of screening him, but he is also "in government" diplomacy and nobody thinks of screening him, but he is also "in government" diplomacy.

H.S. CARACCIANO'S ACTIVITY DURING 20 YEARS OF FASCISM

"...The 'man in the street' ought to take an interest in a dubious individual: H.S. Filippo CARACCIANO, Duke of Melito and Prince of Castagneto. He was formerly an U.S. In the Ministry of the Interior, under the last MAGGIOLIO Cabinet and a member of the Working Committee of the action party (Assemblea...del TURISMO D'AZIONE).....on free ITALY's foreign policy. From 1927 to 1930 he was founder, and co-editor together with VESPASIANO, of the fascist daily "LO STAFF" of NAPLES. VESPASIANO made him pay one million, given to CARACCIANO by his American wife, in order to allow him to publish some short articles of stupid apology of the fascist regime (see collection of the whole issue for that period). The paper having failed, CARACCIANO entered the Ministry for foreign affairs with the protection of the Royal Family, so when his brother ADOLFO in gentleman-in-waiting.....He was also in the Ministry of the "CULTURA POPOLARE", as VINO's chief of cabinet and, later, ALFIERI's. At the beginning of 1941, the KING granted him the title of PRINCE OF QUINZANO. After the 25th of July he became, in NAPLES, an anti-fascist and a republican, as he was a friend and protégé of Count SPINELLI, whom he had met in the U.S.A. CARACCIANO is still in diplomacy and society thinks of marrying him, but he is also "in persona" (1) to the Undersecretary for Foreign Affairs in the future ~~Italian~~ Government....."

(2) FRANK ROSE: By the Latin words "in persona", the reader probably meant: "enjoys the sympathy of."
