SUBJECT : Shipping Agents

TO : G-2 (CI) AFHQ

1. Reference your GEL. 389.458/5-0 dated 3 September 1946, passed to this Division for enquiry by Travel Control Section.

2. The "REGISTRO ITALIANO NAVALE" is an Italian organization with whom all Italian Merchant shipping is registered, it is in many ways similar to Lloyd's Register of Shipping in England.

3. "C and G FRATELLI MIFUD" are the Maltese representatives of "REGISTRO ITALIANO NAVALE" and as such report the movement of Italian shipping. It is understood this firm also represent Lloyd's in a similar way.

4. MIFUD have no right to request masters of Italian Merchant ships to produce log books and other papers. My informant, a ship owner states a master would have every right to refuse such a request.

5. Although MIFUD act as local agents for a number of Italian shipping firms they are not regarded too favourably, one complaint being their high charges for services rendered.

SUBJECT: Shipping Agents

TO : Travel Control Section
Hq. Allied Commission

1. Information has been received from MALTA that the Maltese shipping agency "G. and G. PRATELLI MIPSOUD" are claiming to be the local representatives of the "REGISTRO ITALIANO NAVALE" of ROME, and as such, are asking all masters of Italian merchant ships calling at MALTA (including ships under non-Italian charter) to show the ships log book and other papers to them.

2. The Maltese Security authorities would be grateful for information regarding the "REGISTRO ITALIANO NAVALE" and to know whether Messrs. MIPSOUD are its legitimate representatives and are entitled to act as in para 1.
