Rome, March 14th, 1946

Dear Admiral Stone,

Some ten days ago a certain Maresciallo Amato, a N.C.O. of the "Carabinieri" in service with the Allied Commission, called at the Personnel Division of this Ministry on behalf of Capt. Ellis, and requested all possible information on Counsellor of Legation Count FEOIA DI GOSSATO.

It was understood, from what Maresciallo Amato disclosed, that some Allied Commission's office had grounds to doubt of Count DI GOSSATO's reliability, moral standing and propriety.

In this connection I wish to point out, dear Admiral Stone, that, as it is known by the Allied Commission, the above named Official has been recently appointed the Italian Government's Representative in Ottawa, with the rank of Consul General, and that he has already reached his post. His appointment was, of course, previously agreed to by His Britannic Majesty's Government in Canada.

I hardly need calling your attention to the fact that, in any case, a matter such as this should have been referred to this Ministry through the normal channel of our Liaison Official with the Allied Commission.

I should be very indebted to you, dear Admiral Stone, if you would have the matter looked into and if you could let me hear something on this subject at your earliest convenience.

I assure you of my appreciation for what you will see fit to do in this instance and, with my best regards, I beg to remain, dear Admiral Stone,

Very sincerely yours,

5. Dott. ANATIGLI an Italian police officer with upwards of 18 years service and seconded to this Division by the Ministry of the Interior in June 1944, was instructed to make this routine enquiry.

Dott. GUARNASCHELLI born on 15 nov 1892 is actually Plenipotentiary Minister acting as General Director of Personnel by the Ministry of Foreign Affairs. On July 20, 1920 he entered in the career and spent quite all his career at the Minister of Foreign Affairs.

By very reserved informations results that formerly he started his career as a common clerk. Having, successively, take the degree, he gained the concourse for consular career. During the fascist regime, he was Head of Office III of the Political Affairs General Direction, namely the most important General Direction of Minister of Foreign Affairs.

Successively he was appointed Vice General Director of the said General Direction, keeping so a charge of particular importance in the Foreign Ministry Affairs, where he was in sight and well quoted .

He was one of the few General Consuls appointed Plenipotentiary Ministers by Ciano.

It is assured that dott G. was inscribed at the dissolved partito fascista and that he was also an out-list officer of Militia, as Primo Seniore or Console .

It seems, also, that all, or quite all the Ministry of Foreign Affairs' officials were inscribed as out-list officers, in the Fascist Militia.

Nothwithstanding, all the new about this enlistment on the Militia list, should have been checked, consulting the list of out-list or reserve officers of the abovesaid Militia.

He is a learned and intelligent official, but cunning and with a rabid and rash temper .

During the ceased Fascist regime, dott. Guarnaschelli, was also Plenipotentiary Minister at Helsinski (Finlande) and he found there at the moment of german occupation of Rome.

SECRETSECRET

Il Dott. GUARNASCHELLI Giovanni Battista, nato il 15 novembre 1892, è attualmente Ministro Plenipotenziario con le funzioni di Direttore generale del Personale del Ministero degli Affari Esteri.

E' entrato in carriera il 20 luglio 1920 ed ha trascorso quasi tutta la sua carriera al Ministero degli Esteri.

Da riservatissime informazioni assunte, risulta che egli ha iniziato la carriera da semplice impiegato d'ordine. Laureatosi, successivamente, vinse il concorso per la carriera consolare.

Durante il regime fascista, fu Capo dell'Ufficio III della Direzione Generale Affari Politici, cioè, della più importante Direzione Generale del Ministero degli Esteri.

Successivamente, fu nominato Vice Direttore Generale della predetta Direzione Generale, ricoprendo così una carica di particolare importanza nel Ministero degli Esteri, dove era molto in vista e ben quotato.

Fu uno dei pochi Consoli Generali nominati da Ciano, Ministri Plenipotenziari.

Viene assicurato che il dott. Guarnaschelli è stato iscritto al disciolto partito fascista e che è stato anche Ufficiale della milizia fascista, fuori quadro, col grado di Primo Seniore o Console.

Si vuole anzi che tutti, o quasi tutti i funzionari del Ministero degli Esteri, abbiano fatto parte della disciolta milizia fascista, come ufficiali fuori quadro.

Comunque sarà bene controllare la notizia della di lui iscrizione nei ruoli della milizia, consultando il ruolo degli ufficiali-fuori quadri o della Riserva di detta milizia.

E' un funzionario intelligente e colto, ma furbo e di temperamento irascibile e irruente.

Durante il cessato regime fascista, il dott. Guarnaschelli, fu anche Ministro Plenipotenziario ad Helsinki (Finlandia), dove si trovava all'atto della occupazione tedesca di Roma.

He entered on diplomatic list career on 30 november 1923, and for many years he was at the service of the Ministry of Foreign Affairs. On 1932-33 he was appointed to Office II of the General Direction of the Personnel.

He seems to be a poor valued diplomatic, effeminated and sick of nobility.

It seems he has been an out-list officer of fascist militia. But this news must be checked after consulting the list of the out-list officers of militia, or his personal file by the Ministry of Foreign Affairs.

This morning, according to the orders received, I went to the Ministry of Foreign Affairs in order to have some news about Count Carlo Fecia di Cossato, destined now to Ottawa.

I was received by the Vice Head of the Personnel, Commendatore Lanzara, to whom I explained the reason of my visit, asking him if he could tell me if Count F. should have been submitted to the epuration judgment.

Comm. Lanzara, answered, very kindly, negatively, adding that Count F. has not submitted to an epuration judgment because he was an unobjectionable official. Having, immediately after, requested if it should be possible to have the generality of the named Count, Comm. Lanzara got up from his chair and entered in the next room.

After few minutes he came back and told me that the General Director of the Personnel, wished to speak to me.

As entered in the room, the General Director (I think was Comm. Guarnaschelli) to whom at once I introduced myself, asked me on behalf of which Officer and Office I requested these informations. He wanted to see the introducing letter of this Office, telling me that the Foreign Office has his liaison official with the HQ.

After having take my name and Capt Ellis' one, indicated on the introducing letter, he concluded that he would inform the Embassy .

I kindly noticed to Minister Guarnaschelli, that I didn't see anything wrong in my request, as it was limited only to a permitted information, and as ,having I introduced myself in an official form to the Vice Head of the Personnel, nothing could touch the susceptibility of Foreign Affairs and Count Fecia .

Having him objected that in any case the informations were requested from the Police, I specify exactly - always in a very kindly manner and with calm - that if the Police had wanted informations more reserved, certainly should have not appealed in an official and opened way, as in the matter concerned.

While at first the Minister Guarnaschelli seems a little disappointed for the informations requested by me, after having told him the abovesaid, quieted himself completely, adding that in any case I was out of the matter .

He shakes hands and I went off. The Vice Head of the Personnel was present .

I beg to inform you of the abovesaid, for competence and

in case the Minister G. should inform the Embassy or the Allied HQ on the subject .

Stamane, giusta ordini ricevuti, mi sono recato al Ministero degli Esteri per avere qualche notizia sul Conte Carlo Pecia di Cosato, testè destinato ad Ottawa.

Sono stato ricevuto da Vice Capo del Personale, Comm. Lenzara, al quale ho spiegato il motivo della mia visita e gli ho chiesto se poteva dirmi se il Conte Pecia fosse stato sottoposto al giudizio di epurazione.

Il Comm. Lenzara, mi rispondeva, molto gentilmente, negativamente, soggiungendo che il Conte Pecia non era stato sottoposto a giudizio di epurazione, perchè funzionario a posto sotto ogni rapporto. Avendo chiesto, subito dopo, se era possibile avere le generalità del predetto Conte, il Comm. Lenzara si alzava dal suo posto ed entrava nella stanza accanto.

Ritornato dopo qualche minuto, mi diceva che il Direttore Generale del Personale, desiderava parlarmi.

Appena introdotto, il Direttore Generale del Personale (che credo sia il Comm. Guarnaschelli) al quale mi sono subito presentato, mi ha chiesto per conto di quale Ufficio e di quale Ufficiale io richiedo informazioni.

Ha voluto vedere la lettera di presentazione, di cui sono stato munito da cotesto Ufficio, affermando che il Ministero degli Esteri ha un suo funzionario di collegamento con il Quartier Generale.

Dopo essersi preso il mio nome e quello del Capitano Ellis, segnata sulla lettera di presentazione, ha concluso che ne avrebbe informato l'Ambasciata.

Ho fatto rilevare, gentilmente, al Ministro Guarnaschelli, che non riscontravo alcunchè di anormale nella mia richiesta, sia perchè si è limitata ad una informazione lecitissima e sia perchè, essendomi io presentato in forma ufficiale al Vice Capo del Personale, nulla poteva toccare la suscettibilità e del Ministero degli Esteri e del

Conte Pecia.

Avendo egli obiettato che comunque le informazioni venivano richieste dalla Polizia, mi sono affrettato a precisare--sempre in

forma molto cortese e con molta calma-che se la Polizia avesse voluto informazioni di carattere un po' riservato, non si sarebbe certamente rivolto in forma ufficiale e aperta, come nel caso in questione.

Mentre in un primo momento il Ministro Guarnaschelli, mi è sembrato leggermente risentito per la richiesta di informazione da me fatta, dopo quando gli ho detto, ed ho sopra riportato, si è del tutto calmato; soggiungendo che comunque io ero fuori causa nella questione.

Mi ha stretto la mano ed io sono andato via.

Presente era il Vice Capo del Personale.

Informo di quanto sopra cotesto Ufficio, per opportune notizie e per il caso che il Ministro Guarnaschelli, dovesse informare della cosa la Ambasciata o il Quartier Generale della Commissione Alleata.

P. QUESTURA di NAPOLI

File n. 105676 Div. V.P.

Naples, 1 March 1946

Following letter of even number dated 26 Feb. 1946

I inform you that from further investigations the unknown

Gianni, who handed to LINI Aldo Brande the letter addressed

to the P.S. Guard BUGAMELLI Gualfo, has been identified as

TOSELLI Alfredo, born in Bologna, aged 28, at present

resident in Novarese Tocco (Verona). He belonged to the

National Republican Guard. Last Nov. together with TOMMASINI

Mario, resident in Crovalcore (Bologna) he met BUGAMELLI.

About the end of October, 1946, in Naples, LINI

Francesco using the name of LUCCHINI Eduardo, presented himself

to BUGAMELLI and gave him a letter from TOMMASINI asking help

to find a job for LUCCHINI. Soon afterwards the a/m Agent was

able on the suggestion of the P.S. Guard DI TACCHIO Pasquale

on permanent duty with the Flying Unit of Naples, to place

LINI Francesco with the PISCITELLI family, at Via Filippo

Cavolini n. 45. Later LINI Francesco, disclosed his true identity

to BUGAMELLI and added that he was politically persecuted and

he had escaped from internment in a concentration camp at

Verona.

Last November, BUGAMELLI went to Sasso Marconi

(Bologna) on leave, where he met TOSELLI, who confirmed that

LUCCHINI Eduardo was none other than LINI Francesco. TOSELLI

asked him to go to Caprino Veronese and deliver a parcel to

LINI Francesco. On this occasion TOSELLI, at Pazzon fraction

di Caprino Veronese, introduced to BUGAMELLI a certain ROMEO,

an ex officer of the National Republican Guards and the Parish

Priest Don Giovan Battista RONCARI, where ROMEO was living.

They all professed neo-fascist ideas. TOSELLI also discussed

with BUGAMELLI the difficulty of communicating by letter and

the latter decided on the use of a cipher code which is the

one which the Questura of Rome found in his possession and

transmitted to us with letter n. 054243 U.P. dated 26 Feb.

1946, and from which it was possible to decipher the letter

seized from LINI Aldo Brande, mentioned in the previous report.

It also appears that BUGAMELLI had visited LINI Francesco in

Via Filippo Cavolini n. 45, and learned that the identity **21**

card bearing the name of LUCCHINI Eduardo had been delivered

to him by the Parish Priest Don Giovanni Battista RONCARI in

the presence of ROMEO of Pazzon di Caprino Veronese.

BUGAMELLI added that TOSELLI, who in his letters

residing in Horvancie Godea (Verona). He belonged to the National Republican Guard. Last May, together with TOMMASINI Mario, resident in Grovatore (Bologna) he met BUGAMELLI.

About the end of October, 1946, in Naples, LINI Francesco using the name of LUCCHEMI Edoardo, presented himself to BUGAMELLI and gave him a letter from TOSELLI asking help to find a job for LUCCHEMI. Soon afterwards the a/m Agent was able on the suggestion of the I.S. Guard DI TACCIO Pasquale on permanent duty with the Flying Unit of Naples, to place LINI Francesco with the PICCITELLI family, at Via Filippo Cavolini n. 45. Later LINI Francesco, disclosed his true identity to BUGAMELLI and added that he was politically persecuted and he had escaped from internment in a concentration camp at Verona.

Last November, BUGAMELLI went to Sasso Marconi (Bologna) on leave, where he met TOSELLI, who confirmed that LUCCHEMI Edoardo was none other than LINI Francesco. On this occasion TOSELLI, at Pazzon fraction di Caprino Veronese, introduced to BUGAMELLI a certain ROMEO, an ex officer of the National Republican Guards and the Parish Priest Don Giovan Battista RONCARI, where ROMEO was living. They all professed neo-fascist ideas. TOSELLI also discussed with BUGAMELLI the difficulty of communicating by letter and the latter decided on the use of a cipher code which is the one which the Questura of Rome found in his possession and transmitted to us with letter n. 054243 U.P. dated 26 Feb. 1946, and from which it was possible to decipher the letter seized from LINI Aldobrande, mentioned in the previous report. BUGAMELLI added that TOSELLI, who in his letters signs himself Gianni or Franco, spoke to him of a certain Arturo also resident of Pazzon, but BUGAMELLI never met him. On 7th Feb. 1946, BUGAMELLI was transferred to the 2nd Flying Unit of Rome on the request of the Commander, Capt. PERRARI, and 2nd Lieut. FERRARA, with whom he was in communication and who had a high regard for him.

From the check of the correspondence, it appears that BUGAMELLI was also in contact with the P.S. Guard CHILIE, Giuseppe of the Flying Unit of Palermo and with the ex P.S. Guard CERULLO Antonio, resident in Via Principe di Piemonte

- 2 -

Battipaglia and investigations are being made on the possibility that they might belong to the neo-fascist organizations. Concerning the recovery of the weapons mentioned by TOSSELLI in his letter to BUGAMELLI, the latter had stated that at Bologna, in May, 1945, TOSSELLI mentioned confidentially to him that following the retreat of the National Republican Guard Units towards the Po River the previous month he had gone to the Podestà then officiating in Magnacavallo (Modena) and had handed over to him a cart loaded with war weapons. The Podestà buried the weapons but the locality is unknown to BUGAMELLI.

Another person attached to the organization, often mentioned in TOSSELLI's letters, is a certain BALDELLI Erze from Bologna, who according to BUGAMELLI, seems to be in service with partisan units. According to the statement of BUGAMELLI the mother of TOSSELLI is identical with Emma TOLONI, c/o Enzo Formigoni, resident at the Saletta estate in Nogaro-Rocca (Verona).

It has been ascertained that in Naples, LINI Francesco was known and financially helped by CORPORA Luigi di Luigi and di Salvato Raffaele, born in Naples on 5.3.1921, an industrial expert, resident at Via S. Antonio Abbate n.26, Naples, who states he met LINI in Verona and that he gave him some money upon his request as he feared retaliation. CORPORA added that during the Nazi-Fascist occupation he had made out a list about 300 amongst the most known fascists and handed it to the Partisan Police at Verona.

It appears that on 11.2.46 LINI Francesco was accompanied to the Medical Clinic of this University by a certain DEL VITA, Brunette, di Alessandro, ex tank officer, permanent address at Viale Albertazzi n. 39/2, Bologna, but residing in Naples in the house of BOSCO Eduardo fu Umberto at Celata Capodichino n. 256, and under whose direction he worked as a salesman in radio articles. At present he is travelling between Bologna and Milano for commercial reasons. Also accompanying was SANDO Antonio fu Giuseppe and di Cerletti Cristina, born in Pozzuoli on 31.1.1911, resident in Bologna, Via Goito n.16, a Lieut. in the Army, Bersaglieri Corps, at present waiting the decision of the Ministry as he had served with the Republican Army. Both DEL VITA and SANDO helped LINI with money and paid his board at the Medical Clinic for 10 days. BOSCO's Dodge car was used to convey him to the Clinic.

The two men disappeared quickly from the Clinic and wrote a letter without signature to LINI's wife, SPINELLI

but the locality is unknown to BUGAMELLI.

Another person attached to the organization, often mentioned in TOGNETTI's letters, is a certain PAIDELLI from Bologna, who according to BUGAMELLI, seems to be in service with partisan units. According to the statement of BUGAMELLI the mother of TOGNETTI is identical with Emma TOLOMEI, c/o Enzo Formigoni, resident at the Saletta estate in Nogareda Rocca (Verona).

It has been ascertained that in Naples, LINI Francesco was known and financially helped by COPPOLA Luigi di Luigi and di Salvatore Raffaele, born in Naples on 5.8.1921, an industrial expert, resident at Via S. Antonio Abbate n. 26, Naples, who states he met LINI in Verona and that he gave him some money upon his request as he feared retaliation. COPPOLA added that during the Nazi-Fascist occupation he had made out a list about 100 amongst the most known fascists and handed it to the Partisan Police at Verona.

It appears that on 10.2.46 LINI Francesco was accompanied to the Medical Clinic of this University by a certain DEL VITA, Brunetto, di Alessandro, ex tank officer, permanent address at Viale Albertazzi n. 39/2, Bologna, but residing in Naples in the house of BOSCO Edoardo fu Umberto at Calata Capodichino n. 266, and under whose direction he worked as a salesman in radio articles. At present he is travelling between Bologna and Milano for commercial reasons. Also accompanying was SARDO Antonio fu Giuseppe and di Gerletti Cristina, born in Pozzuoli on 31.1.1911, resident in Bologna, Via Goito n. 16, a Lieut. in the Army, Bersaglieri Corps, at present waiting the decision of the Ministry as he had served with the Republican Army. Both DEL VITA and SARDO helped LINI with money and paid his board at the Medical Clinic for 10 days. BOSCO's Dodge car was used to convey him to the Clinic.

The two men disappeared quickly from the Clinic and wrote a letter without signature to LINI's wife, SPINELLI Ada, resident in Cesena, Borgo Comandini n. 11, informing her of the illness of her husband and telling her to contact the Station Master of Cesena, Caetano, (not better identified) from whom she would receive more details.

On 18 Feb. 1946, SARDO went to the Clinic and learned that LINI had died. DEL VITA left the same day for Milano ignoring that LINI had died.

Investigations are also being made concerning

- 3 -

(1) ZAMPONI Aldo fu Pietro and fu Vignoletti Eugenia, born in Ravenna on 5.3.1907 of Piazza Corini n.3, Milano, now residing at Via Pignasecca n.10, Naples, who formerly belonged to the Anti Air Militia, and (2) LUNORI Nicola di Stefano and di Catika Novak, born in Naples on 17.1.1921, resident in Via Montella Castano n.25, Naples, who lived with his Aunt Novak Elsa in Trieste at Via Madonna del Mare 7, after the 3th Sept. 1943. These men, together with SARDO managed a publicity agency in Via S. Anna dei Lombardi.

Investigations are continuing and further information will be forwarded.

Following ciphered telegram of even number dated 24th Feb. 46 and repeated on the 25th, I communicate that on 19 February 1946 an individual was interned in the General Medical Hospital of this University. He showed an identity card bearing the name of LUCCHEINI Edoardo fu Fieravente and di Lucchini Angela, born at Caprino Veronese on 4.6.1906, resident in Sampierdarena, Via Cantore 25-A/11, issued from the commune of Genova on 1 July 1943 n. 9084101.

On 16 January 1946 the a/m died and the body was buried on the 21 Jan. 46 at the expense of the commune.

On 23 February 1946, LINI Aldo-brando of unknown parents, born in Bologna on 9.1.1877, resident of Ilassi (Verona) Via Domagiani n. 4, presented himself to the Medical Hospital and stated that under the false name of LUCCHEINI Edoardo, his son LINI Francesco di Aldo-brando and fu Tartini Anna, born in Bologna on 4.12.1906 had died. He was an ex Station Master of the State Railways, formerly attached at the Ancona station and lately residing at S. Giovanni Perticote, where, after 8th Sept. 1943 he had been Political Secretary of the Republican Fascio.

On the 11th, the son enlisted in the 'Black Brigades' with the rank of Vice Chief of Squad and had collaborated with the Germans in searching and arresting the partisans, by whom later on he was captured at Cremona. He escaped from the prison and went towards Southern Italy.

LINI Aldo-brando on being questioned stated that he had news of his son through an unidentified person called Gianni, who gave him also a letter addressed to P.S. Guard PUGANELLI Gualfo, first Flying Unit of the Police, Via Labicana 121, Roma, and formerly attached to the Naples Flying Unit.

Said letter contained also a ciphered sheet and LINI Aldo-brando upon request of Gianni, sewed the paper inside his overcoat, where, after a search, it was found and seized.

From the contents of the letter and from the deciphering of the sheet it was mentioned the recovery of arms and hereunder are the sentences:-

"After visits I spoke to our commander at Villafranca Veronese.

He had contacted out superiors, who informed him that at the beginning of March an armed movement is foreseen which has not yet been confirmed by the General HQ. As soon as the confirmation will arrive he will assign me at my fighting post. If it will not be for these days we hope it will not be too late. Best greetings, your Francesco. Also the graves of our comrades murdered by the brigands of the mountain must be covered with flowers."

on 4.6.1960, residence in Campobasso, in the comune of 29 km, from the comune of Genova on 1 July 1943 n. 9094101.

On the 11th, the son enlisted in the 'Black Brigades' with the rank of Vice Chief of Squad and had collaborated with the Germans in searching and arresting the partisans, by whom later on he was captured at Cremona. He escaped from the prison and went towards Southern Italy.

LIMI Aldobrandi on being questioned stated that he had news of his son through an unidentified person called Gianni, who gave him also a letter addressed to E.S. Guard BUCANELLI Guelfo, first Flying Unit of the Police, Via Labicana 21, Roma, and formerly attached to the Naples Flying Unit.

Said letter contained also a ciphered sheet and LIMI Aldobrandi upon request of Gianni, sewed the paper inside his overcoat, where, after a search, it was found and seized.

H.E. Admiral Stone, Head of Allied Commission, Rome.

Does this office know that Sub Lt FISICARO Filippo has returned from the North and who served the Germans in Rome as propagandist and who, before the 4th of June 1944, went North, always at the service of the hated Germans and Fascists?

Probably not because said ruffian is walking around undisturbed in the capital, and has forgotten his bad deeds in Rome during the tragedy of the Ardeatine Caves and those of Verona where he served with the Republican troops.

Signor Fisicaro Filippo is an officer in the regular army; he must have been sent home because his not too clean past must have come out, but not all his past because his father, like him an officer in the regular army on duty at the Ministry of War has covered his dirty case.

Do investigate about Sub Lt Fisicaro who always hated the Anglo-Americans and who, in the North, did all he could against the patriots. He is living in Rome - Via Manin No. 53.)

E' a conoscenza di codesto Ufficio il ritorno dal Nord del Sottotenente FISICARO Filippo, che servì prima in Roma i tedeschi a Roma, come propagandista e che poco prima del 4 Giugno 1944 si trasferì al Nord, sempre al servizio dell'odiato tedesco e dei fascisti ?

Si ritiene di NO ,perché il detto Bellimbusto se la passeggia indisturbato per la Capitale, dimentico di tutte le sue malefatte in Roma durante la tragedia delle Fosse Ardeatine e poi in Verona dove prestò servizio con le truppe repubblicane.

Il signor Fisicaro Filippo ex ufficiale dell'Esercito in servizio attivo; ora sarà stato sospeso dall'impiego perché certamente sarà risultato il suo passato poco pulito, ma non tutto il suo passato, perché il padre, anche LUI UFFICIALE DELL'ESERCITO IN SERVIZIO AL MINISTERO della GUERRA certamente avrà fatto seppellire la di lui pratica sporca.

Indagate sul conto del sott. tenente Fisicaro che ha sempre odiato gli anglo-americani e che al Nord ne ha commesse di tutti i colori contro i patrioti. Egli abita in ROMA=VIA Manin N. 53 =

Rome, 12.1.46

To H.R.H. The Lt. General of the Realm

Rome.

The undersigned, COPPININO Jolanda, wife of Warrent Officer of the R. Air Force COPPININO Gioacchino, states the following to your royal Highness:

My husband was arrested at Paris in November 1944 because he was suspected of intelligence with the enemy, and for nearly a year he was imprisoned in that jail awaiting his trial. In the beginning of November 1945, he was transferred to Forte Boccea, Rome, awaiting his trial which was later held, on 7/12/45, at the Tribunale Militare of the Maresse Barracks.

At that trial he was absolved of the accusations contained in Articles 47-48, but he was condemned to one (1) year of imprisonment, and 5 conditional years, and with all rights in regard to the law.

Having thus been absolved, my husband should have been set free but he was put at the disposal of the C.S. which assured him that he would have been held for a couple of days, yet he is being held for over a month.

The undersigned is living at Castiglione del Lago (Perugia), together with her 6 year old son, with her father and is presently living as a guest in a friend's family and although she has interested herself in regard to her husband she has not achieved anything and therefore she has to live with the help of her father who is in hardpressed financial conditions.

She further states that since May 1944 she has received nothing of her husband's salary and therefore she finds herself in utter misery.

Having thus exposed the above, the undersigned appeals to the clemency of His Royal Highness in order that he may intercede in her behalf and release her husband as soon as possible.

①

ALBERTO Erminia, is Italian and son of Michieli Clelia, born in Milan on the 5/5/1906, living in Via Giorgio Vasari, n° 5, with her mother, is in the capital since 10 years and has with her a daughter named PERTILE Amalia, born in Milan on the 16/3/1933. She is a naturalized Hungarian citizen as she married the Hungarian citizen PERTILE Giovanni, who is still less known and whose whereabouts are unknown.

It is said that PERTILE Giovanni joined the British Air Force in 1940, but there are no means of finding out the veracity of this statement.

ALBERTO Erminia was employed, at first, as a secretary by the local Bolivian Legation in 1937. Subsequently, in 1941, she was employed by the Japanese Naval Attaché. Toward the end of 1943 she went north with the Japanese Embassy and returned to the capital in June 1945.

Toward the end of the same month, i.e. a few days after her return to Rome, she asked permission to enter the Vatican City in order to come in contact with the Japanese Embassy accredited to the Holy See.

The a/n Subject is known to be a very crafty and intelligent person. She knows many persons, especially in diplomatic circles.

For the time being, apparently, her conduct could be called normal.

ROME, 15/12/1945.

ALBERGO Erminia fu Giulio e di Michieli Clelia, nata a Milano il 9 giugno 1906, abitante in Via Giorgio Vassari n.5, presso la madre, risiede nella Capitale da circa dieci anni ed ha con se una figlia a nome PERTILE Amalia, nata a Milano il 10 marzo 1933.

E' naturalizzata Ungherese, per avere sposato il cittadino Ungherese PERTILE Giovanni, non meglio identificato e del quale si ignora l'attuale reperibilità.

Si vuole che il PERTILE Giovanni, nel 1940 prestasse servizio nell'aviazione militare Inglese, da tale notizia non è stata possibile controllarla.

La ALBERGO Erminia, è stata in un primo tempo e precisamente nel 1937, occupata, quale Segretaria presso la locale Legazione di Eolivia. Successivamente e cioè nel 1941 era occupata presso l'addetto navale giapponese. Verso la fine dell'anno 1943 si trasferì al Nord con l'ambasciata giapponese e fece ritorno nella Capitale nel mese di giugno u/s.

Verso la fine dello stesso mese, e cioè pochi giorni dopo il suo ritorno a Roma chiese l'autorizzazione per potere entrare nella Città del Vaticano per conferire con l'ambasciata del Giappone accreditata presso la Santa Sede.

La predetta, è conosciuta come persona molto scaltra ed intelligente. Ha molte conoscenze, specie nell'ambiente diplomatico.

Apparentemente, non dà attualmente luogo a speciali rilievi con la condotta in genere.

Roma, li 16 dicembre 1945-
