QUESTURA OF MILAN
PROVINCIAL COMMAND OF PUBLIC SAFETY FORCES
DISCIPLINE OFFICE

Prot.No.315

Milan, 3rd July 1945

SUBJECT: Keller Mario

TO: Allied Police Command
N o v a r a

Enclosed we send you denunciation in duplicate, made by
CORIOLANO LA PIETRA, living in Milan = via delle Forze Armate
n.183 = against KELLER MARIO.

Keller was in concentration camp at Novara at the disposal
of Allied Authorities and was then sent on to another concentration
camp of which LA PIETRA does not know the name.

The denunciation is transmitted so that you can trace KELLER
and join this accusation to the other documents concerning this
man.

THE DISCIPLINE OFFICE CHIEF
signed: P.S. Lieutenant BORTOLOTTI ARRIGO

VISED: THE INTERIM PROVINCIAL COMMANDER
OF PUBLIC SAFETY FORCES

TRANSLATION

Milan, 3rd July 1945

I, the undersigned, LA PIETRA CORIOLANO, declare that I met KELLER MARIO, former sergeant of "MUTI", born in 1927, living in Milan = via RUBENS = and declare that KELLER killed with shots from an automatic weapon MARINO FERRARI.

Ferrari belonged to the Muti and was, like myself, charged with desertion in the enemy's presence. After three months imprisonment in the "MUTI" jail we were released and wanted to fly up to the mountains. Ferrari let inadvertently some sentences out in this connection; a boy of "MUTI" notified Capt. TOCCHETTI of FERRARI's intentions. The latter was arrested and taken to Milano accompanied by KELLER and by another milician; on arriving at via Espinasse, FERRARI = taking advantage of an air alarm = tried to escape. KELLER killed him with shots from an automatic weapon, left him lying in the street and spread the rumour that he had been killed by partisans.

This fact was related to me and to others by KELLER himself.

Everybody at "MUTI" knew how things had happened.

Allied

I think KELLER is at a concentration camp, simply on the charge of having belonged to MUTI legione. He left the Novara Allied concentration camp for an unknown destination.

WAR CRIMES CIRCULAR)

NUMBER

1)

13 June 1945

1. a. The Combined Chiefs of Staff have stated that a directive defining responsibility in respect of war crimes is awaiting governmental decisions. Directions have also been received that upon receipt from the United Nations War Crimes Commission of lists of war criminals, and pending further instructions from the Combined Chiefs of Staff, the persons listed may be taken into custody and detained without further evidence against them. They will not, however, at present be arrested as "WAR CRIMINALS" but as normal PW or on security grounds.

b. Italians who are listed as war criminals and who are at large in Italy may also be apprehended, but further directions are to be sought in all cases in which they may already have been detained by the Italian authorities or in cases in which the persons listed are now collaborating with us.

2. Up to the present moment seven (7) lists of war criminals have been received from the United Nations War Crimes Commission. It is anticipated that further lists will be issued and copies of all lists (except lists of Japanese) will be circulated to all concerned.

3. A Central Index has been established for AFHQ in G-1 (Br) on which all information as to the arrest and disposal of persons listed is to be recorded.

4. a. Commanding Generals, Fifth and Eighth Armies, PBS and No 1 District are respectively responsible for determining whether any persons on the lists are under their control

b. If any person under their control is identified as a person on any list, or there are reasonable grounds to believe that he is identical with a person listed, they will order the status of such person (if not already a PW or interned as a security suspect) to be changed to that of a PW or internee on security grounds, and he will be passed through to normal channels to the appropriate detention area.

5. I In order that accurate information may be available in the Central Index office at this headquarters concerning the status and location of each suspect apprehended, an immediate report by signal if practicable will be transmitted to the headquarters in all cases in which action is taken under paragraph 4-b above. This report will include the name, the enemy unit, the date of arrest and the place and mode of detention. Any change in the place of detention will be notified in the same way. All reports relating to suspects will include the words "WAR CRIME". If report is made other than by signal it will be prepared in duplicate, one copy marked for G-1 (Br) and the other for Theater Judge Advocate, MTOUSA.

162

6. Addressees will report to this headquarters any cases which may come to their knowledge in which Italians listed as war criminals have already been detained by the Italian authorities. Any available information as to place of and reason for detention will be included in the report which will also include the words "WAR CRIME"; no steps will be taken to request the Italian authorities to hand over any person in their custody; any further action necessary will be taken by this headquarters.

7. If in any case an Italian at large in ITALY is identified as a listed war criminal and he is known to have been collaborating with the Allies he will nevertheless be taken into custody as a security suspect, but a full report on the nature and extent of his collaboration will be forwarded as soon as possible after the preliminary report of his detention.

8. No person in detention as a listed War Criminal will be surrendered to the representatives of a nation other than UK or US.

9. In the event that any commander, other than those referred to in paragraph 4-a, discovers a person under his control who is listed as a War Criminal, he will take in conformity with this directive.

10. The foregoing instructions do not affect in any way the existing British and US directives relating to the investigation of war crimes within the respective forces.

PRO-MEMORIA

circa il Capitano CC.RR. in s.p.e. DE RENZI ALFREDO, fu Giuseppe e fu Virginia Guarini, nato a Cava dei Tirreni (Salerno) il 28/6/1897, internato nel campo di concentramento di Padula (Salerno).

L'8 settembre 1943 il De Renzi prestava servizio a Firenze. Poichè si minacciavano ritorsioni, contro le famiglie degli ufficiali riluttanti e, d'altra parte, era sprovvisto di qualsiasi bene di fortuna, il De Renzi - dopo essersi fatto ricoverare per lungo tempo in ospedale allo scopo di temporeggiare e pur essendosi rifiutato recisamente di iscriversi al P.F.R. - si vide costretto a giurare. (Notisi che nel generale sbandamento determinatosi dall'alto - di tutti gli ufficiali dei CC.RR. del territorio di Firenze uno solo seppe sottrarsi al giuramento!).

Al fine di trovare scampo, il De Renzi avanzò domanda di impiego alla Cassa di Risparmio di Firenze (cfr. dichiarazione del Dr. Caruso). Assegnato al S.I.D. il De Renzi risolse di farsi dimettere ad ogni costo dal servizio. Senonchè il Ten.Col.CC.RR. Galloni Umberto - esponente del locale Comitato Provinciale di Liberazione - lo esortò e scongiurò a rimanere in carica onde evitare ai patrioti, ad ebrei ed a stranieri arresti deportazioni e fucilazioni. Soggiunse il Gallone - il quale sull'attività clandestina del De Renzi ha rilasciato esplicita dichiarazione scritta - che egli non solo non avrebbe ricevuta in prosieguo noia alcuna, ma anzi gli sarebbero state riconosciute le sue benemeranze patriottiche!!....

154
Durante il terrore nazi-fascista a Firenze il De Renzi - con continuo gravissimo rischio personale che lo rendeva assai più meritevole degli ufficiali serbatisi....puri vivendo nascosti - salvò un centinaio di persone, moltissime delle quali a lui sconosciute - e non effettuò mai neanche un arresto !.

Venuto in sospetto alle S.S. germaniche, alla polizia politica repubblicana e persino al suo collega del S.I.D., il De Renzi - durante gli ultimi due mesi dell'occupazione nazi-fascista di Firenze - fu costretto a nascondere se stesso, la moglie ed il figlio

dieciassette in tre diverse abitazioni. E ciò anche per sottrarsi all'ordine di trasferirsi al Nord.

Giunti il 14 agosto 1944 finalmente gli Alleati, il De Renzi - nella serena coscienza di aver riparato con la sua collaborazione clandestina al giuramento estortogli - si presentò subito a loro.

Lasciato in libertà, dopo qualche giorno venne prima fermato e interrogato, poi incarcerato e quindi avviato in campo di concentramento in Toscana e, in seguito, ad Afragola (Napoli). Da qui venne trasferito a disposizione della Legione CC.RR. di Napoli in istato di arresto in Caserma perchè considerato dagli Alleati prigioniero di guerra.

Il 25 dicembre 1944, però sopraggiunse l'ordine di tradurre il De Renzi - insieme con altri due ufficiali dei CC.RR. già appartenenti al S.I.D. repubblicano - nel campo di concentramento di Padula.

Tuttavia - essendo il De Renzi affetto da notevoli varie infermità che lo tennero degente in ospedale per oltre sei mesi - egli potè raggiungere l'attuale destinazione solo il 28 giugno c.a.

Fin dall'aprile 1945 il Comando Generale dei CC.RR. - esaminata l'ampia e convincente documentazione raccolta dal proprio Ufficio Inchieste a discarico del De Renzi - aveva proposto alla Sottocommissione Alleata di P.S. di assegnarlo di nuovo alla Legione CC.RR. di Napoli in attesa della discriminazione. E, proprio in questi giorni, la prefata Sottocommissione Alleata di P.S. ha fatto sapere ufficiosamente di non avere ormai nulla in contrario che il De Renzi rientri a disposizione dell'Arma.

Senonchè, già il 7 maggio 1945 l'Alto Commissariato aggiunto per la epurazione ~~del De Renzi~~ si era rivolto al Ministero della Guerra - Gabinetto - per avere in esame la pratica del De Renzi. Da tale Ministero - che l'aveva ricevuto dal Comando Generale

Da tale Ministero - che l'aveva ricevuto dal Comando Generale dell'Arma CC.RR. - il relativo fascicolo venne spedito all'Ente Richiedente il giorno 23 dello stesso mese. Il che fa supporre che il De Renzi sia trattenuto ora a Padula solo per disposizione dell'Alto

Commissariato aggiunto per la epurazione ~~xxxxxxxxxxxx~~.

,'

E' ormai un anno preciso che il De Renzi - dopo aver sofferte umiliazioni e patimenti d'ogni genere, rovinato moralmente ed economicamente, tarato nella salute - attenda che gli venga alfine resa giustizia !

Il suo figliuolo - a cui le assai precarie condizioni economiche non consentono idonee cure, ma soprattutto un'adatta ipernutrizione - ha dovuto abbandonare temporaneamente gli studi in seguito ad infiltrazioni polmonari di natura specifica. La moglie - soggetta anch'essa da anni a violente coliche epatiche - è ora impossibilitata a curarsi.

,'

In considerazione di quanto sopra, si impetra vivamente che la posizione del De Renzi venga esaminata e definita con ogni possibile urgenza.

Egregio Signor Capitano,

si ricorderà che il 22 Ottobre mi son presentato da Lei a chiedere un documento contenente il risultato delle indagini che la Polizia Alleata ha fatto sul mio conto dopo avermi internato ad Afragola, per errore di omonimi sospetto criminale di guerra.

Mi son permesso allora di insistere sul carattere d'urgenza della mia richiesta perché il Certificato in questione mi occorre per avviare una pratica relativa ad un arruolamento nella Pubblica Sicurezza, pratica tuttora (ad un mese dallo inizio del Corso) accantonata al Ministero, dove non si conosce il motivo del mio fermo e l'esito delle indagini sul mio conto.

Per la stessa ragione, urgenza, mi scusi se le scrivo; son trascorsi infatti tre settimane invece dei 10 giorni che, come mi ha lasciato sperare, occorrevano perché ricevessi il S^{to} Certificato.

Spero tanto nel suo benevolo interessamento a superare l'eventuale difficoltà burocratica che ha provocato il ritardo, che, se si prolungasse per poco ancora, mi precluderebbe una delle poche vie ad una sistemazione, tanto necessaria.

Vi sarei sinceramente grato di un riscontro alla presente.

Bene sperando, le invio i più rispettosi ossequi

No.2765/SPE di prot.

SUBJECT : Lt. WESSEL Stefano

TO: PROCURA GENERALE
MILITARE - German
War Criminals Office.

ROMA

On 30 June 1945 the Carabinieri of P.S. Naples Station, denounced to this Military Tribunal the German Lt. Stefano WESSEL, who, during the German occupation of Naples (11-30 Sept.1943) was attached to the German Command.

The Questura of Naples, with report dated 28 June 45, after enunciating the several war crimes (killings, robberies, fires) committed by the German soldiers against civilians; between 11 and 30 Sept. 43, stated that WESSEL "interpreter, collaborator and executor of Col. SCHOLL's orders" was among the most dully famous German Officers -

This office applied to the Allied Command to know if and where Col. SCHOLL was detained, if SCHOLL, WESSEL and the other Germans had to be sentenced by a German Tribunal and to ask the handover of Col. SCHOLL.

But all the Allied Offices and Commands did not give a clear reply to our request.

We have only heard that Col. SCHOLL, with the rank of a General, is at present in Rimini concentration Camp that "Wessel trial" is of no interest to the Allied Authorities.

./.

2

We have got no news about the Tribunal which will sentence SCHOLL.

No reply has been given to our request to transfer SCHOLL at Italian disposition.

No reply has also been given to our observations on the evident connection between the proceeding against SCHOLL and that against the other German Officers who were attached to the German Command in Naples during the German occupation.

We apply to you in order to obtain, through your office the following information

1. If the Allied Authorities want to sentence Col. SCHOLL charged with the war crimes committed against Naples population between 11 and 30 Sept. 43.
2. If they want to sentence also WESSEL who is charged with the same crimes.
3. If they want to issue instructions in order that Col. SCHOLL may be transferred at disposition of this Military Tribunal, or if want to transfer Lt. WESSEL who is being detained in Poggioreale prison since June 45, at Allied disposition to a locality to be shown by the Allies.

PROCURA MILITARE

TRIBUNALE MILITARE SUPPLEMENTARE NAPOLI

N° 2765/SPE di prot.

Napoli, li 26 Ottobre 1946

OGGETTO: Procedimento penale contro criminali di guerra tedeschi
Tenente tedesco WESSEL Stefano.-

ALLA PROCURA GENERALE MILITARE
Ufficio criminali di guerra tedeschi.

R O M A

In data 30 giugno 1945 i carabinieri del Centro C.S. di Napoli denunciavano a questo Tribunale Militare, in stato di arresto, il tenente tedesco WESSEL Stefano che fece parte, durante l'occupazione tedesca di Napoli (11-30 settembre 1943), del Comando di Piazza tedesco.-

D'altronde, con rapporto del 28 giugno 1945, la Questura di Napoli, dopo aver enunciato i vari crimini di guerra (fucilazioni, devastazioni, saccheggi, incendi, commessi dai militari tedeschi, ai danni della popolazione civile napoletana, durante il predetto periodo 11-30 settembre 1943, affermava che fra i più tristemente noti ufficiali germanici, che particolarmente si distinsero in quel periodo, era il WESSEL, "interprete, diretto collaboratore e spietato esecutore degli ordini del Comandante SCHOLL", comandante della Piazza.-

Quest'Ufficio si è preoccupato, fin dall'inizio, di interpellare gli uffici e comandi Alleati per conoscere se il Col. SCHOLL trovavasi detenuto e dove; se il procedimento penale contro lo SCHOLL, come quello contro il WESSEL e contro gli altri ufficiali germanici dell'epoca - procedimenti tra loro evidentemente connessi -, rientrassero nella competenza dei Tribunali Alleati; e per chiedere, infine, nella ipotesi negativa, un'esplorativa dichiarazione in merito, nonché la consegna del colonnello SCHOLL.-

Ma i vari uffici e comandi Alleati di Napoli, Caserta, Roma, Livorno, Genova, Rimini, etc., interpellati verbalmente o per iscritto, non hanno fin'ora dato alcuna risposta precisa. **75** richieste di questo Ufficio.

E' stato dato sapere soltanto, verbalmente, che il Col. SCHOLL attualmente col grado di generale, si troverebbe in un campo di concentramento a Rimini; che il "Caso Wessel" non interesserebbe

In data 30 giugno 1945 i carabinieri del Centro C.S. di Napoli denunciavano a questo Tribunale Militare, in stato di arresto, il tenente tedesco WESSEL Stefano che fece parte, durante l'occupazione tedesca di Napoli (11-30 settembre 1943), del Comando di Piazza tedesco.-

D'altronde, con rapporto del 24 giugno 1945, la Questura di Napoli, dopo aver enunciato i vari crimini di guerra (fucilazioni, devastazioni, saccheggi, incendi, commessi dai militari tedeschi, ai danni della popolazione civile napoletana, durante il prefetto periodo 11-30 settembre 1943, affermava che fra i più tristemente noti ufficiali germanici, che particolarmente si discinsero in quel periodo, era il WESSEL, "interprete, diretto collaboratore e spietato esecutore degli ordini del Colonello SCHOLL", comandante della Piazza.-

Quest'Ufficio si è preoccupato, fin dall'inizio, di interpellare gli uffici e comandi Alleati per conoscere se il Col. SCHOLL trovavasi detenuto e dove; se il procedimento penale contro lo SCHOLL, come quello contro il WESSEL e contro gli altri ufficiali germanici dell'epoca - procedimenti tra loro evidentemente connessi -, rientrasse nella competenza dei Tribunali Alleati; e per chiedere, infine, nella ipotesi negativa, un'espressa dichiarazione in merito, nonché la consegna del colonnello SCHOLL.-

Ma i vari uffici e comandi Alleati di Napoli, Caserta, Roma, Livorno, Genova, Rimini, etc., interpellati verbalmente o per iscritto, non hanno fin'ora data alcuna risposta precisa richiesta di questo Ufficio.

E' stato dato sapere soltanto, verbalmente, che il Col. SCHOLL attualmente col grado di Generale, si troverebbe in un campo di concentramento a Rimini; che il "caso Wessel" non interesserebbe gli Alleati; mentre, per quanto si attiene allo SCHOLL, nessuna notizia precisa è stata data, neanche verbalmente, circa la compe-

tenza a giudicare dei crimini di guerra imputati allo SCHOLL.

Ne' le richieste di traduzione dello SCHOLL a disposizione delle Autorità Italiane, hanno finora ottenuta una risposta, affermativa o negativa, che fosse, Senza risposta sono rimaste anche le osservazioni fatte da quest'Ufficio - sia a voce, che per iscritto - sulla evidente connessione tra il procedimento per crimini di guerra a carico dello SCHOLL e quello a carico degli altri ufficiali germanici che fecero parte del comando germanico di Napoli durante l'occupazione tedesca. -

Mi rivolgo, pertanto, a codesto Generale Ufficio perchè più autorevolmente voglia insistere presso quegli uffici alleati coi quali codesto ufficio è in collegamento, allo scopo di ottenere finalmente una esplicita risposta sui seguenti quesiti:

- 1° - Se la Autorità Alleata intendono trattenere, per competenza, il procedimento penale a carico del col. SCHOLL per i crimini di guerra, commessi contro la popolazione napoletana tra l'11 ed il 30 settembre 1943;
- 2° - Se, data la evidente connessione, tra i due processi, esse intendano trattenere anche il processo penale a carico del Ten. WESSEL Stefano, per gli stessi fatti;
- 3° - Se, a seconda della risposta ai due quesiti sopra formulati, intendano le prelette autorità ordinare la traduzione del Col. SCHOLL a disposizione di questo Tribunale militare, ovvero, se intendano autorizzare la traduzione nella località da indi-care a disposizione delle suddette autorità, del Ten. WESSEL che - si ripete - trovassi detenuto in questo Carcere di Poggioreale fin dal giugno 1945. -

 4. It is requested that this HQ can be informed of SCHOLL's present whereabouts and if his transfer to Italian custody for trial will be authorised.
 5. Further it will be noticed that the Italian authorities are anxious for the transfer of the below named German personnel, all members of the Hermann Goering Division.

The Military Territorial Tribunal of Naples is instituting proceedings against Lieut. WESSEL, since June 1945 a prisoner in the Foggia gaoi, and Col. SCHILL for war crimes committed in Naples from the 11 to 30 September 1943 during the German occupation.

WESSEL who acted as interpreter to the German Command, was a direct collaborator and ruthless executor of the orders of Col. SCHILL who was Town Commandant and therefore mainly responsible for the crimes carried out by WESSEL.

Seeing that the facts are connected, it would be advisable that the relative cases should be investigated and settled by the same Italian judicial authority unless the Allied Command wishes to try first and on their own account the same defendants for other possible war crimes committed against Allied subjects.

With no objections on the part of the a/m Command and with the necessary safeguards as pointed out in your letter No. 4 S.D. 266.01-91 dated 29 July 46 addressed to the Ministry of Grace and Justice, it would be appreciated if Lieut. WESSEL and Col. SCHILL who, with the rank of general appears to be at present in a concentration camp at Rimini, could be placed at the disposition of the Military Territorial Tribunal of Naples for the time strictly necessary for the completion of the trial in progress.

This request is in accordance with the agreement reached between the Allied and Italian representatives at the meeting held in Rome on the 25 September 46 at the ex-Ministero delle Corporazioni, and also taking into account the rank of the two defendants.

We await therefore the decision of your Commission in regard to the present request.

No. 523 Prot.

Roma li 4 November 1946

Oggetto: Procedimento penale contro criminali di guerra tedeschi
Tenente WESSEL, Stefano e colonnello SCHOLL.

ALTA COMMISSIONE ALLEATA
Sezione degli Affari Civili

R O M A

Il Tribunale militare territoriale di Napoli procede a carico del tenente WESSEL, detenuto dal giugno 1945 nel carcere di Poggioreale e del Colonnello SCHOLL, per crimini di guerra commessi in Napoli dall'11 al 30 settembre 1943, durante il periodo di occupazione tedesca della città.

Il WESSEL, che funzionava da interprete presso il comando tedesco era diretto collaboratore e spietato esecutore degli ordini del colonnello SCHOLL, comandante della piazza, sul quale, pertanto, ricade la maggiore responsabilità dei crimini commessi dal WESSEL.

Trattandosi di fatti commessi sarebbe opportuno che i relativi procedimenti venissero al più presto istruiti e definiti dalla stessa autorità giudiziaria italiana, qualora il Comando Alleato non abbia interesse a giudicare per proprio conto ed in precedenza gli stessi imputati per altri eventuali crimini di guerra commessi a danno di sudditi alleati.

Previo nulla osta del predetto Comando e con le cautele di cui è cenno nel n. 4 del foglio S.D. 266.01-94 in data 29 luglio c.a. di codesta Commissione, diretta al Ministero di Grazia e Giustizia, si gradirebbe che il tenente WESSEL e il Colonnello SCHOLL, che, con il grado di generale, pare si trovi attualmente in un campo di concentramento a Rimini, venissero messi a disposizione, previa consegna, del Tribunale militare territoriale di Napoli, per il tempo strettamente necessario all'espletamento dei procedimenti in corso.

Tale richiesta è in armonia con gli accordi intercorsi fra i rappresentanti alleati ed Italiani, nella riunione tenuta in Roma il 25 settembre u.s. nella sede dell'ex Ministero delle Corporazioni, tenuto conto anche del grado rivestito dai due imputati.

Cio premesso, si resta in attesa di conoscere le decisioni che codesta Commissione vorrà adottare in merito alla presente richiesta.

R. QUESTUMA di NAPOLI

File n. 1012008 - Div. U.P.

Naples, 28 June 1945

SUBJECT: Wessell Stefano - Lieut. of Wehrmacht - criminal of war

As it is well known on the 8 Sept. 1943 the German Divisions stationed in Naples, after a period of indecision and upon orders received by the German General H.Q. took advantage of the disbandment of the Italian soldiers, determined by the absence of the Generals DEL TETTO and PENTIMALLI to get in command.

Some units of soldiers and nucleus of police forces without any liaison tried to prevent the Germans from occupying the important military positions for the defence and vigilance of the City but they were overcome by superior enemy forces. The survivors culprits for having accomplished their duty were captured and killed as common criminals in the presence of numerous civilians for which the shooting was to serve as an example.

The first sad incident was the occupation of the Telephone Building at Via Marchese Campodisola on the 11 Sept. 17 CC.RR. and GG.FF. on duty there, after having resisted to German attacks had to surrender for lack of ammunition, they were captured and taken to Fertilia where they were machine gunned and buried in a grave which they were obliged to dig themselves.

The following day Lt. Col. SCHAUER, with the pretext that in the a/m episode a German soldier had been killed "a victim in accomplishing his duty", ordered a Major and a Lieut. of a SS. Unit to search the houses and the offices in the neighborhood where the incident occurred, in order to find all the soldiers and civilians, ten of whom had to be shot for retaliation.

In Piazza della Borsa about one thousand persons were collected and in their presence four men were machine gunned; a sailor was shot on the steps of the University while the library of the University was burned. Men and woman who had attempted to escape were killed. The same happened to soldiers who were seen peacefully returning to their houses.

A regime of terror started, all the barracks, military districts and HQ. of the city and the Province were occupied by militaries. The Nola Military District Garrison resisted therefore 11 officers were barbarously massacred.

In 24 hours time all the weapons had to be delivered, and ferocious retaliation acts were committed wherever brave citizens attempted to rebel and resist to the violences committed against them.

The pitiless hunting of antifascists or those who were believed so started, they were considered enemies of Nazi and guilty of treason, they were shot, tortured and deported.

With the pretext of defending the city against Allied attacks or landings, the evacuation of the coast area was ordered, and all the citizens, who had only the time and the possibility of taking with them a few things had to leave their houses within said area under death penalty. Therefore, lootings took place in the houses which had been evacuated, in the shops, food warehouses, clothing stores and barracks by German soldiers together with fascists and criminals who had been released from prisons.

The crowd invited to take part in the looting was then machine gunned and photos were taken by the Germans in order to be as propaganda documentation. Then the Germans systematically destroyed all the workshops of the industrial and port area, the hotels were mined and exploded.

Then the order for the enlistment in the working front was issued in which the young men born in 1910 up to 1925, who should present themselves to

The first sad incident was the occupation of the Telephone Building at Via Marchese Camposiolo on the 11 Sept. 17 CC.RR. and GG.FF. on duty there, after having resisted to German attacks had to surrender for lack of ammunition, they were captured and taken to Fottilia where they were machine gunned and buried in a grave which they were obliged to dig themselves.

The crowd invited to take part in the looting was then machine gunned and photos were taken by the Germans in order to be as propaganda documentation. Then the Germans systematically destroyed all the workshops of the industrial and port area, the hotels were mined and exploded.

Then the order for the enlistment in the working front was issued in which the young men born in 1910 up to 1925, who should present themselves to the concentration posts. The young men did not answer the call therefore searches and mass deportations were ordered. Houses of civilians were searched and robbed hospitals and churches were violated, those who rebelled were tortured and killed.

All the mechanic means of transport were requisitioned for stolen, radios, armonicas and watches were taken. Gas, water and light installations were destroyed, but at the end of September the population rebelled against the Germans and succeeded in driving them away after four days of fighting, before the arrival of the Allied troops.

The responsibility of the a/m crimes is of the following officer of the Goering Division:-

1. SCHOLL - Colonel Commanding Naples Garrison
2. SCHAUMBERG - Lt. Col. Vice Commander
3. SOMGELL - Capt. Adjutant
4. PAKHOFF - Lt. in charge of Political Affairs and public order.
5. WESSELL Stefano - Lt. Interpreter
6. STUMACHER - Capt. Commanding the Military Police
7. RHEITEL - Major Commanding a group of Goering Division
8. BREINOVICH - Checo Lt. belongin to the Goering Division

The most outstanding amongst the a/m is Lt. WESSELL Stefano, who in his quality of interpreter and direct cooperator and during the last days also German commander of Naples Garrison was the most pitiless executor of Col. SCHOLL's orders, the one who personally supervised the distructions, the capture orders and the retaliations.

It appears that WESSELL seeing a weakness of Col. SCHOLL in the performance of the orders issued by the German General HQ. stated that "if it was up to him he would have blown up the whole city".

As he has been arrested at Varese and transferred to Naples at the disposition of the C.S. Centre, I accuse him as a war criminal for further law proceedings.

For the Ministry of the Interior and for H.E. the Prefect I refer to my previous letter No. 1023102 dated 4 June 1945.

1. The attached document from Ministero della Guerra Stato Maggiore R. Esercito Ufficio 1, Centro CS. di Napoli, dated 3 June 45, relative to the activities of German Lieutenant Stefan WESSEL, during September, 1943, in Naples, was sent to the Royal Questura of Pavia, for enquiries as to the whereabouts of this German who was understood to be a prisoner of war.

2. As far as can be ascertained Lieutenant Stefan WESSEL was arrested at Milano, taken to Varese and then believed sent to a Concentration Camp at Modena but enquiries at the latter place have failed to locate him. There seems to be no doubt that he is a prisoner of war.

3. Might the papers be sent to AFHQ or other appropriate authority for further enquiries into the allegations and with a view to tracing this German Officer, please?

Il colonello tedesco Ernest SCHOLL assunse i pieni poteri della città' di Napoli il mattino del 12 settembre 1943.

Ha coadiuvato nel suo compito dal tenente WESSEL che aveva apparentemente le funzioni di interprete ma che si sospettava fosse agente della GESTAPO.

Lo stesso giorno vennero eseguita le prime rappresaglie contro la città' e venne applicato il fuoco all'edificio della R. Università'. Squadre di Pompieri accorsero per tentare di spegnere l'incendio ma furono accolte dal fuoco di soldati tedeschi che impedivano l'opera di estinzione. Il comandante dei Vigili Ing. Il WESSEL presentava a tale colloquio e vi ebbe parte attiva, a quanto si ricordo.

Ebbe con questo atto inizio la metodica distruzione degli impianti di Napoli e dei saccheggi; tra i principali :

- distruzione di due centrali telefoniche;
- saccheggio ed incendio di tutti i grandi alberghi siti in via Paterno, Piazza Municipio; etc.
- esplosione nella sede della R. Prefettura ove venne applicato un fuoco;
- (si diss e colposamente - alle armi e munizioni versate da reparti della Polizia e cittadini)
- saccheggi dei depositi della Società "LLOYD TRIESTINO" in Posillipo e Piazza Arenella; della ditta Carlisch in Posillipo;
- saccheggi delle varie caserme della città';

- 2 -
- Devastazione, saccheggi ed incendi dei magazzini generali del porto;
 - saccheggi nei depositi della stazione ferroviaria;
 - innumerevoli saccheggi di negozi di privati;
 - sommaria esecuzione di 14 carabinieri responsabili di aver difeso con le armi la sede della centrale telefonica di Piazza della Borsa da un attacco di truppe tedesche;
 - interruzione dell'acquedotto;
 - numerose esecuzioni di marinai e soldati sulla pubblica via lasciando i cadaveri esposti al pubblico a titolo di monito per la popolazione;
 - razzie e deportazioni di uomini atti al lavoro e in qualche caso anche di donne;
 - perquisizioni e saccheggi anche in private abitazioni;
 - distruzioni di impianti portuali: natanti, navi, e di tutte le industrie ancora efficienti, quali la naval meccanica - del Gaizo - Santarsiero-Armstrong - Ilva, Silurificio - sotto-
 - stazioni elettriche;
 - esportazioni di automezzi, compresi i filobus che vennero rimorchiatati da camion;
 - uccisioni di varie persone.

Costretti ad accelerare la loro ritirata dall'insurrezione, non paghi dei misfatti compiuti, vennero predisposti esposizioni ritardate che ebbero luogo anche dopo 20 giorni dall'evacuazione della città, del Palazzo delle Poste (causando la morte a numerosi soldati e civili), e nel Palazzo del Volturno.

Di altra esplosione che interruppe il traffico in via Paternope all'altezza dell'ospedale Militare di Riserva - Metropoli, non è stato finora possibile stabilire la causa ma si presume dovuto ad attentato tedesco.

Poiche' le truppe tedesche avevano collegato ordigni esplosivi con le linee elettriche furono necessarie prima di ridare l'energia agli utenti, lunghe ricerche e poi fare sgombrare la popolazione dai vari quartieri secondo un piano prestabilito.

Di tali versazioni il VESSEL fu partecipe quanto più che allontanatosi lo scholl dalla città di Napoli verso la

NO. 412/1723.

Ref. NO/14707/P3 of 4.12.44.

SUBJECT: Invitation of our friend Millesini Arnaldo, son of Silvio.

2nd January, 1945.

TO : Allied Commission, Public Safety Sub-Commission.

With reference to our note No. 412/1723 of the 5th ultimo, the following report has been received from the Prefecture of Pistoia, with regard to the investigations made to trace and arrest Millesini Arnaldo, son of Silvio:-

"I beg to inform you that the local Questura has for some time been investigating itself in the tracing and arrest of Millesini and has approached the Allied Command in this regard, furnishing them with some photographs of the wanted man, and they have further, sent a circular telegram for search to be made in all the Questure of Liberated Italy.

From as much as has been learned, it would appear that Millesini is actually in Rome in a house in the Nomentana Quarter, where he frequents the Caffè Rosati, which is run by a man from Pistoia, therefore, the local Questura has been informed and sent two copies of Millesini's photograph.

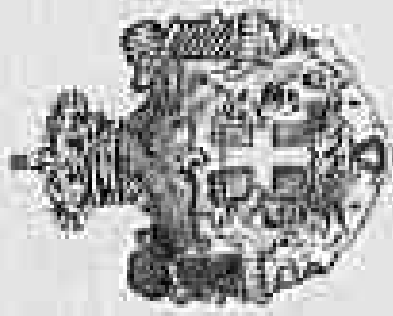

It is pointed out that his height is not over 1.60 metres, while the height is given mistakenly in the letter under reply as 1.80 metres. Otherwise the description of personal characteristics seems to be exact."

It should be added that pressure has been brought to bear on the local Questura to effect the identification and arrest of Millesini Arnaldo with all possible speed and with all available means.

Further communications will be furnished.

The attached report has been passed to us by No. 1, S.C.I. in Rome. The source is HANS MAINER-KOES, a writer, who was arrested as a suspect shortly after the Allied entry and released after a favourable report by C.S.D.I.C. He is believed to be Anti-Nazi and generally regarded as pro-Ally. He holds no official position and his last address known to No. 1, S.C.I. was 81 Piazza di Spagna, Rome.

His wish to trace Fritz LAMPE is believed to be prompted by a desire to help the Allies in the subject matter.

Fritz LAMPE was a civilian employee of the WEHRMACHT in Rome: he was arrested, but released on 8 September 44. His address is probably known to G-2 Section, R.A.A.C., or to the Free GERMAN movement to which he belongs.

Ref. investigations in order to find out the persons who are responsible for one of the most horrible war crimes.

This case can only be cleared up and accomplished after the occupation of GERMANY. But now the question is to make certain the name and the residence (in GERMANY) of the chief witness.

A GERMAN Major with name KUTNER, who during several months was in ROME, told to several persons that one day in RUSSIA (I think it was in STALINO) he received an invitation to participate at a "very interesting performance" to which only people with a special ticket would be admitted: the execution of JEWISH children. KUTNER, of course, renounced, but the execution took place.

If KUTNER, a decided anti-Nazi, after the occupation of GERMANY could be found, he surely will be ready to give details and the names of the criminals in question. Now, the only man, who knows KUTNER more intimately, is Fritz LAMPE. LAMPE was arrested in the first days of last September and then brought (after three days in REGINA COELI) to CINECITTA.

I would be very much obliged to you, if you could inform me where LAMPE is now. If he has been released I would like to have his address, so that I can ask him for information about the Christian name, the occupation (in civil life) and the residence (in GERMANY) of Major KUTNER. In the other case, if LAMPE now is in a camp, it would be advisable to have him questioned soon about the KUTNER matter, because later it may be difficult to get hold of LAMPE. Besides LAMPE will be able to tell of other war crimes of which he got knowledge by Major KUTNER.

Afterwards all of them were shot. For the murder of these innocent men I accuse Dr Morelli, Dr De Vincenzi and Dr Zerbino too, which collaborated with the Italian secret police at Split.

I personally had to be arrested on the same day and shot together with the others, but I succeeded to escape and

join the N.L.A.J.

In prison they had to undergo different kinds of ill-treatment, as burning of the living body with petrol, breakening of ribs, and other parts of the body, tearing off the nose, mouth and similar.

Afterwards followed mass murders in smaller or larger groups.

The truth of my statement can prove the following testimonies: Ranko Pavela from Split, Dusan Pilica, Simo Matijac, which are informed personally and concretely about the execution of crimes; as testimonies with regard to this and other crimes could serve the whole population of Split.

As a patriot and a N.L.A.J. soldier I request that this man which is responsible for so many crimes should be punished as he merits it.

I accept the above as my statement.

Delegation N.L.A.J. - Rome

Interrogatory

of the N.L.A.J. partisan Soldic Luka, 25 years of age, from Split, not married, University student, military service done in the N.L.A.J., about the crimes performed at Split by the Italian secret agent Sergeant of the Pubblica Sicurezza/Public Security/ during the occupation of Yugoslavia by Italian troops, which declared at the Delegation N.L.A.J., Rome, on August 9th 1944:

I accuse the war criminal Franceschetti of the following crimes against the patriots of Dalmatia:

1/ in March 1942 he arrested Ivancic Ante, farmer, which was in prison ill treated personally by the accused? He was also burned when alive, what caused his death;

2/ on May 23rd of the same year he arrested during the night the high school student Peljkovic with two other students and killed them on the way to the police station near the town park;

3/ he organized in July the arrest of Brajevic Ignacije and 24 other men, which were sent to Sibenik and after having suffered very heavy pains were shot there in May 1943.

The truth of that what I declared can prove: Jurjevic Ante, Karlo Njegovan, Milena Bubalo, Hajdukovic Marija, soldiers of N.L.A.J.

As Accomplices I accuse Dr Zerbino, Dr Morelli, and Dr Vicenzio.

I request that they receive the punishment they merit, because the above mentioned is only a small part of the heavy crimes they performed in Dalmatia,

I accept the above as my statement.
