1. The enclosed application in duplicate was submitted and strongly recommended by Lt. Col. MARTIN, O.C. 370 POC Camp, RICCIONE.

2. It appears from the enclosed documents that the above-named has during the occupation rendered valuable service and assistance to the Partisans, and whilst in this Enclave, his conduct was beyond reproach which is confirmed in Lt. Col. MARTIN's attached testimonial.

3. PARAVICINI although a German National, seems to be of Italian origin, and is engaged to an Italian woman whose family are prepared to accept full responsibility for the support and maintenance of PARAVICINI.

4. We are sending this application to you as we have been asked to do whatever possible. This branch realises fully that the attitude of the Italian Ministry of the Interior is anything but helpful in this respect, and it is more to show that this branch has in fact given whatever limited support it has at its disposal, rather than to ask you to do the impossible.

TO WHOM IT MAY CONCERN

S.S.P. Theobald Paracocini.

Theobald Paracocini was first employed as cook in my Officers Mess and on the arrival of my family in Jan 46. he became cook at my private residence where he has been employed to date. I cannot speak too highly of the services he has given not only as cook but in helping to run my household, he has been excellent in every respect. He is a widely travelled, well educated man in whom I have complete confidence and trust and during the long period he has been with me his behaviour integrity and discipline have been of the highest standard. He is very desirous of being released in Italy and has been awaiting certain papers which have now arrived and it will be noted that he has a signed document from the Prefect of Genoa and from an Italian family by stating their no objection to his release in Italy and that the latter are willing to maintain him until he establishes himself; he is engaged to marry the daughter of this family. It will also be noted from other documents from Partisan services that he gave considerable assistance to Allied interests and was and is anti-nazi. In view of these documents and services he has rendered to me during his period here I strongly recommend and request that every consideration be given to his application for release in Italy and I have every confidence he will prove an asset to the community.

Le sottoscritte Ter Paravicini sono nato il 10 maggio 1903 a Gimmeldingen Germania da famiglia di origine italiana.

La mia professione è cuoco e pasticciere e son venuto in Italia nel 1943 lavorando presso SMOYMAN in qualità di cuoco nella Marina Mercantile.

In tale anno conobbi la Signorina Giovanna Serpieri, mia fidanzata, e abitavo in casa sua a Genova Via San Ugo 5/7.

Per potermi sposare con la Signorina Serpieri, e poter così iniziare una nuova vita in un paese al quale mi sento legato non solo da vincoli di sangue data la origine italiana della mia famiglia, (come dal mio cognome) ma anche per ragione sentimentali, feci da domanda di poter tornare cittadino italiano, ed in attesa di ciò poter restare intanto libero in Italia.

Da parte del Comando Inglese non mi si oppose alcuna difficoltà.

Il comandante del mio Campo 370 POW Camp UFF. Sup. Martin è disposto a darVi tutte le migliori informazioni sul mio conto, lavorando già io da più di nove mesi in casa sua come cuoco.

Qui escluso unisco diversi documenti comprovanti la mia posizione personale durante la guerra.

Vi do le più esatte assicurazioni che in caso che la mia domanda fosse accolta, io non sarei mai al peso allo Stato Italiano, avendo già il mio lavoro pronto, e prendendo il Sig. Martin Serpieri ab. a Genova Via San Ugo 5/7 tutte le responsabilità sul mio conto, entrando io da o il mio matrimonio con la Signorina Serpieri, a far parte della sua famiglia.

Piacione della Vostra benevolenza e ringraziandoVi
Vogliate accogliere i sentimenti della mia più alta stima.

Il sottoscritto SERPIERI Martino di fu Giuseppe e di GIAPPERI Carolina, nato a Castelnuovo Monti (Reggio Emilia) il 20 Maggio 1914, domiciliato in Genova via Sant. Ugo 5/7 dichiara quanto segue: che il Signor PARAVICINI Theodore do fu Luigi (trattenuto da detto Comando dal 22 Ottobre) era cuoco di bordo sul rimorciatore Taormina della Compagnia Sloman e che sempre si è adoperato per aiutare a liberare chi veniva perseguitato dal Comando Tedesco, essendo lui contrario al regime nazifascista, come lo può dimostrare la sua attività di cuoco svolta fuori dalla Germania, onde estraniarsi dalla politica di quel paese. Ha prestato servizio civile nella marina mercantile e mai in quella da guerra.

A prova di questo il sottoscritto fa noto che il PARAVICINI lo salvo nel Dicembre del 1943 da un rastrellamento avvenuto nella zona di Caricamento (Genova), e lo stesso nel Ottobre dell 1944 quando fu arrestato dalle pattuglie nazifasciste nella zona di via Carlo Alberto e già trasportato nella Caserma di Sturla, solo per mezzo del suo interessamento fu liberato.

Il sottoscritto in segno di riconoscenza a questo giovane deve riferire a questo Comando quali siano le doti di onesta e rettitudine del PARAVICINI, il quale in altri casi e per altre persone si è sempre prestato.

Sotto la sua personale responsabilità, avendo la certezza che detto Comando conoscerà quanto è di vero, vorrebbe che almeno fosse rilasciato provvisoriamente.
