HISTORICAL MONUMENTS

1. Buildings.

a. No building listed in the sections "Works of ART" in the "Zone Hand-Books" of ITALY issued by the Political Warfare Executive to all Allied Military Government officers will be used for military purposes without the explicit permission of the Allied Commander-in-Chief or of the General Officer Commanding-in-Chief, 15th Army Group in each individual case.

b. Commanders concerned are authorized, as a further measure of security, to close and put out of bounds for troops any of the buildings listed in AMG "Zone Hand-Book" that they deem necessary. Notices to that effect will be affixed to the buildings, and guards provided to enforce them if necessary.

c. Allied Military Government officers are prepared to furnish commanders with a list of historical buildings other than those listed in the AMG "Zone Hand-Book". These buildings are of secondary importance and may be used for military purposes when deemed necessary. Commanders are reminded that buildings containing art collections, scientific objects, or those which when used would offend the religious susceptibilities of the people, should not be occupied when alternative accommodations are available.

2. Looting, Wanton Damage and Sacrilege.

The prevention of looting, wanton damage and sacrilege of buildings is a command responsibility. The seriousness of such an offense will be explained to all Allied personnel.
