2 April 1946.

Subject: Testimonial,
Character and Courses,
S/Sgt. Richard Hauser.

To : Officer i/c GHQ, 2nd Ech, CWP.

1. S/Sgt. Richard Hauser, R.A.S.C., PAL/1533 has served under my command and personal supervision from November 1945 to April 1946, and was personally known to me for over a year prior to his assignment to the Education Subcommittee of the Allied Commission.
2. He is trustworthy, reliable, sober, tactful and intelligent to an unusually high degree. His skill in organization is phenomenal. He has outstanding initiative. He is able to win the cooperation of men singly and in large groups.
3. His major work in the Education Subcommittee was in the field of adult education. He organized and had charge of three successive, and highly successful, courses in democratic culture for officers and non-commissioned officers of the Italian army, at the request of the Minister of War. He conducted classes for teachers, students and other adults. He showed remarkable ability to hold the attention of audiences to which he gave lectures, and to win their enthusiastic response.
4. He is recommended in the highest terms as one to organize and conduct courses in adult education, especially in the fields of democratic citizenship and educational and personal guidance.
