1. I have long wanted a competent British or American P.A and secretary, and have, without result, requested G-1 (B and A) for one.
2. FWB is undergoing reorganization and a Miss Matie Armstrong, American, can be released. She desires to come to the Education Subcommittee and her background and ability would make her a real asset.
3. Mr. Lehman, of FEA has expressed a willingness to put Miss Armstrong on the FEA payroll and put her at the disposition of the Education Subcommittee.
4. Since Mr. Lehman is in the Economic Section and Miss Armstrong would be working in the CA section, Mr. Lehman needs your approval before he can carry out the arrangement. If you approve will you so indicate on this letter?

SUBJECT: Nellie Armstrong

TO : Brig. Upjohn, Vice President, Civil Affairs Section

1. I understand that Major Washburn, Director of the Education Sub-Commission, wishes to have transferred to the Allied Commission Miss Nellie Armstrong, a civilian employee of P.W.S. at a salary of \$1800 per annum (the standard civil service grade of the American clerk-stenographer attached to the AC by the U.S. Foreign Economic Administration).

2. It is possible for FEA to hire Miss Armstrong as a local employee of the Foreign Economic Administration.

3. Since you have on several occasions said that you did not want to take any steps to place civilians in the Civil Affairs Section, this matter is referred to you for comments.
