ED/24/1-9/AC

8 January, 1946

SUBJECT : Request for books.

TO : Officer for Coordination of Supplies

Ref. CS/SUP/003 of 29 Oct.

1. The book, *Rua, Lirica Italiana Moderna*, has been out of print for years and the author is dead.

2. As to the books requested in your Cosupgram 5279 of 3 January, 1945, the Cosupgram has again been misplaced and hours of search through our files have proved futile. If you will send me a copy of it, or of the list of books you still desire, I will make every effort to locate them and send them without further delay.

3. There has been more inefficiency in the handling of your request than in any matter that has gone through this Subcommittee in its nearly two and a half years of existence. My file clerks, my usually extremely efficient professional assistant, and I myself have in turn been guilty

I offer our sincere apologies.

Sir,

I have the honour to refer to your letter Ref. ED/2H/AC of 11th October and to state that the books mentioned in my Gosupgram 5279 of 3rd January, 1945 are still required with the addition of the following :-

500 copies - Rua - Lirica Italiana Moderna;
Publ. Sociata Anonima Editrice, Dante Aleghieri
(Milano - Genova - Roma - Napoli).

Procurement and payment could be effected through the Istituto Commercio Estero by arrangement with the Commerce Sub-Commission.

I have the honour to be,

Sir,

SUBJECT : Text books for Malta.

TO : Governor of Malta

Ref. Cosupgram 5279 of 3 January, 1945

1. In a wrong file the above mentioned communication came suddenly to light today. I am very apologetic.
2. Do you still desire the books you requested?
3. If so, I shall have an immediate search made to see if desired number of copies can be found. "Cuore", of which 615 copies were desired, is, I know, entirely out of print. Some of the others are probably available, although possibly not in the quantity desired.
4. If you still desire such of the books as are available what arrangement can you make for payment to publishers?
