ALLIED CONTROL COMMISSION
Region 6

19th May 1944.

To : Education Sub-Commission,
Headquarters, Allied Control Commission.

Subject : American Scientific and Educational
Magazines.

Reference:

At a conference yesterday with
Cagliari University Officials an acute shortage
of Scientific and other Educational pamphlets
was revealed. I am preparing a list of those
most required and will bring the list over for
the Education Conference on 2/3 Prox. In the
meantime could the matter please be investigated
so that I may bring back a general answer when
I return?
