DEREQUISITION
JAN. 1944 - JUNE 1945

724/4.21

WD/ED/28/AG.

18 June 1945

SUBJECT : Requisitioning of Schools, Universities, etc.

TO : AFHQ, G-5 Section.

1. I draw your attention to my letter WD/ED/AG dated 26 May 45 under the above heading and would ask you for early consideration of the suggestion contained in para 3 of that letter.

2. Since that date, further difficulties have arisen in Perugia, where the Veterinary Officer, Public Health Sub-Commission, strongly supports the request for the release of a number of rooms to enable veterinary activities to be expanded. This is necessary to combat the outbreak of Trichinelliasis in the area and a signal to this effect was sent to you on 9 June 45, reference No. 9455.

SUBJECT : Confirmation of Telephone Conversation.TO : AFHQ G-5.

Reference your signal PX 78502, Jan 031734.

1. 4 Jan 44 Major Dollard, this HQ, talked with Capt Slaughter, G-5 AFHQ, with reference to signal quoted above.
 - a) The A/Director Education Sub Commission being absent on duty, and having the relevant files, it was not possible to answer the cable.
 - b) This HQ promised to get the necessary information by telephone and let AFHQ have an answer.
2. 5 Jan 44 Major Dollard telephoned Capt Slaughter, that as a result of information received today by telephone, this HQ protested very strongly the proposed requisitioning of the Collegio Orfani because :
 - a) there is no alternative accommodation for the children of the orphanage.
 - b) Perugia already has had many demands made upon its schools.
 - c) It has been noted that the proposed GEP Trg Establishment is not operational.
