Subject : Transfer of Teachers

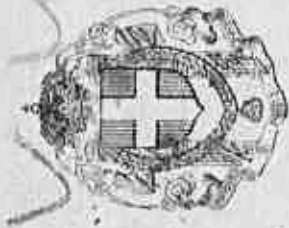

To : Education Subcommittee, A.C.
(Attention: Major C. W. Washburne)

1. Reference your ED/EC/2.0/AC of 13 December 1944.

2. Requests for transfer of two teachers from Forli Province to other posts have been sent to Provveditori agli Studi of that Province for approval. When they are received from him, they will be forwarded to you with the approval of this office. I trust that the Minister understands that this will not involve the travel of such persons from this province to another at the present time.

3. I confess that I have had some difficulty in arranging the lists. Some were sent as single copies, others in duplicate. Some contained only the name of teachers in one province while others included teachers in several provinces. We are revising the lists and will have certificates ready for other provinces as they become liberated and provveditori are appointed.
