SUBJECT : Provveditore.

10 May, 1945

TO : Regional Education Officer,
Liguria Region.

1. One person (Leale Vittorio), in my pool of possible provveditori recommended by the Minister for the north should be brought to your special attention, since he is from Liguria, and was sent away in 1941 because of his antifascism.
2. The enclosed documents on Leale are interesting and significant.
3. I have interviewed him and like him - he is young, vigorous, rarin' to go. Laureate in Law; Prof. of History. Willing to go wherever needed, but feels he could be most useful in Liguria which he knows intimately.
4. If you do not need him as a provveditore, he would also be willing to go as a preside, preferably in a Liceo in Genoa or Savona.
5. I think the man is well worth getting back to Liguria and can be a real help to you. I can send him immediately if you want him.
