SUBJECT : Derequisition - University
of Trieste.

TO : Chief Education Officer,
AMG, Venezia Giulia.

Ref. 130/AMG/ED/1.10 of 9 Jan. 1946.

1. I have discussed with the CEO of the Executive Commission-
er the question of taking up with A.H. the derequisition of a wing
of the fourth floor of the Engineering Building.
2. He and I both feel that this would be futile. Your SCAD
should handle this direct with 15th Corps. If you people on the
spot can't get action there's no hope of getting it from remoteness
of AFHQ.
3. I'm sorry no to be able to help you in this matter.

SUBJECT: Visit of Pro Rector Prof. Satta

TO: CARLETON W. WASHBURN, Lt. Colonel, AUS,
Director of Education
Education Subcommittee
APO 394

Dear Colonel Washburn,

1. Prof. Satta, Pro Rector University of Trieste is leaving for Rome today and will visit you while there.
2. Sometime ago I sent you copy of a letter, subject: University of Trieste: requisitioning, 13 Dec 45 - we have tried our best to derequisition a wing of the fourth floor of the building for the School of Naval Engineering but without success.
3. It may be possible that your interest in the matter from a higher level will remove some of the obstacles.

Best wishes.
