MEMORANDUM

TO : Land Forces Sub-Commission (MMIA)
Civil Affairs Section (For Displaced Persons and
Education Sub-Commissions).

1. The Chief Commissioner made a visit to RAAC on 11 September to discuss the possibility of derequisition of the following buildings:

- 1) Caserma Mussolini A 21
- 2) Regina Margherita Barracks A 13
- 3) Ferdinando di Savoia Barracks A 7

2. It is possible that the first might be released; the second is very doubtful; for the third it is definitely impossible.

3. It appears that Land Forces Sub-Commission (MMIA) are interested in the premises for accommodation of Italian troops and Displaced Persons, and Education Sub-Commissions for housing refugees in order to free schools.

4. May the matter be discussed between those interested and claims forwarded to this Office.

Chief Staff Officer
To Executive Commissioner
