Excellency :

Would you be good enough to transmit the enclosed letter to Prof. A.G. Gotalov-Gotlib at the State University in Odessa, through diplomatic pouch? You are quite free to read it. While the first part is in response to a personal letter from him, the last part is an official request for help in selecting books on Russian education for translation into Italian - concerning which I talked with you at the reception in the Embassy in December.

With esteem I am

Sincerely yours

CARLETON W. WASHBURN
