TO WHOM IT MAY CONCERN:

Emilio PILOZZI has faithfully served this Subcommission as chauffeur since his original employment with us on 7 July 1944, after the fall of Rome.

He has proved to be completely trustworthy, painstaking, energetic, courteous and loyal. He is a very hard worker and has served in many ways far beyond the normal requirements of his employment.

It gives me pleasure to recommend Pilozzi most strongly to the consideration of anyone who needs the services of an excellent mechanic and chauffeur.

Dear Signora Bonajuto,

I should not like you to terminate your long period of service with this Subcommission without having a short statement from us of how much we appreciate all that you have done. You will understand that, in writing that appreciation, I am speaking not only for myself but for all who have successively held the position of Director, and indeed for the officers of the Subcommission as a whole.

From the time when you joined us in June 1944, we have all had the benefit of your great knowledge of Italy's artistic patrimony. First and foremost, you have been a technician, and I need hardly say that your work could only have been done by a highly-trained archeologist or art historian.

I am tempted to add only by an Italian archeologist or art historian. As you know, most of our officers had known Italy - many of them intimately - in the years before the war. We did not come here as strangers. Nevertheless, it would be less than honest to pretend that our knowledge of Italy was, or could be, as intimate as your's, who were born and brought up here. I know that we have all felt that, in this connection, your presence on our staff has filled a gap. It has helped enormously in the establishment of those cordial relations with the Italian authorities that have been such a feature of our work.

5993

1280

Declassified E.O. 12356 Section 3.3/NND No. 785016

I want to make a further point - and that is how much we have owed to your administrative ability and powers of organisation. Especially since last Autumn, when cutting down of our military staff left you to do in effect the work of both Executive Officer and Chief Clerk, you have carried a heavy burden of administrative work. The effective functioning of the Subcommission is a testimonial to the way in which you have carried out these responsible duties.

These are the kind of things for which, on behalf of my American and British colleagues, I went to thank you. And to them I would add our gratitude to you for being, in every way, such a splendid colleague yourself.

I send you our very best wishes for happiness in your new appointment.

My dear Mrs Hohenemser:

Now that I have been ordered to return to the United States, I want you to know how fully I appreciate the fine quality and efficiency of all the work you have done with the Sub-Commission since June 1944. Especially valuable has been your painstaking work on the photographic archives of war damage to Italian monuments, and on the documentation of displaced works of art.

For your unfailing good spirits, your energy, and your abundant loyalty to the Allied cause, the Subcommission is indeed grateful.

To this expression I wish to add my own personal thanks and the hope that the future may bring you always the happiness that your services have so richly merited.

Yours sincerely,

Cara Signora Hohenemser:

Avendo ora ricevuto l'ordine di ritornare negli Stati Uniti desidero esprimerle quanto profondamente ho apprezzato l'eccellenza e l'efficienza della collaborazione da Lei data a questa Sottocommissione dal Luglio 1944. Particolarmente prezioso è stato il Suo coscienzioso e preciso lavoro degli archivi fotografici dei danni di guerra ai monumenti italiani, e quello della documentazione delle opere d'arte asportate.

La Sua costante buona volontà, la Sua energia, e il Suo profondo attaccamento alla causa degli Alleati fanno sì che questa Sottocommissione le sia veramente molto grata .

A questa espressione desidero aggiungere i miei ringraziamenti personali, insieme alla speranza che il futuro Le possa sempre portare quella soddisfazione che la Sua opera ha meritato così largamente.

Subject: Request for Employment of Civilian.

To : G-1 Civilian Personnel.

1. By this letter (with the accompanying Civ Pers Form 2's completed) request is made for the employment by HQ, Allied Commission, this Subcommission, of Sig. Bruno BOZZACCHI. He would work as Photo Developer, under the direction of Sig. Bito COPPOLA (recently approved for employment by this Subcommission as Shop-Superintendent), in the laboratory of the R. Gabinetto Fotografico Nazionale (Via in Miranda No. 1-A, ROME), where the equipment owned by the State has been made available to the Subcommission.

2. It has been ascertained that the assistance of Sig. Angelo CARLETTI, assigned as Photo Developer on 22 Jan 45, is insufficient for the efficient execution of the Photographic work required by this Subcommission. Sig. BOZZACCHI's employment therefore is of urgency if the Subcommission is to be effective as regards one of its important functions.

3. Sig. BOZZACCHI would work on a half-time basis only.

MEMORANDUM

From: Director, Art Unit, X-2 Branch

To : Lt. James Angleton, CO, SCI/2, Rome

Subject: CHICO, Dr. Albertine

1. Subject is a British national, born in Aden, and long-time resident of Italy. She has been employed by our British opposite numbers since 1943, and appears to have received officer status and the highest commendation for her work with various agencies. As her civilian activity had been that of a student of arts and letters, she applied recently to the Monuments, Fine Arts, and Archives, Sub. Commission, AC, for employment more commensurate with her own background. Her "curriculum vitae" is appended hereto, and security check is in progress.

2. Both Lt. Col. de Wald, Director MFAA Sub. Commission and I have been interested in finding someone to investigate the flow of art properties from Central to Northern Italy. Subject, by virtue of her extensive residence in and familiarity with North Italy, coupled with her civilian training and more immediate background, appears ideally qualified to undertake this project.

3. It is proposed, therefore, that Subject be employed by SCI/2 for a period of three (3) months, from 1 May 1945. She is financially independent and requests no compensation for her services, but I should prefer to have her paid at the rate of one hundred dollars ($100.) per month for the period of her employment, funds to be made available by the Special Funds Officer from the authorized art project allocation, and charged to London.

4. Subject would be attached nominally to the MFAA Sub.Commission, would report to de Wald, and be briefed by him with respect to targets. She would be directed in the field by the MFAA regional officer in the area of her activity, but should have O.S.S. credentials to permit movement <u>across</u> such areas, inasmuch as the MFAA Sub.Commission is empowered only to order her to a given MFAA officer for temporary duty, at the termination of which she would be obliged to return to Rome for further assignment.

5. Subject owns an automobile, which she is prepared to use for official travel, if this meets with your approval.

6. De Wald's and your absence, details of Subject's employment have been discussed with Lt.Col. J. Ward-Perkins, Deputy Director, MFAA Sub.Commission. I should be grateful were the matter settled at the earliest possible opportunity, to permit Subject to proceed to the field with minimum delay.

Subject: Civilian Employees - Reclassification.

To : G-1 Civilian Personnel.

1. Herewith request for reclassification of Signorina Piera Serotini, employee with this office since ~~16~~ 24 July 44.

2. Such reclassification presents a problem in that none of the grades listed in ACC Office Memorandum No. 15 corresponds exactly to Sig.na Serotini's qualifications.

3. In addition to being a very good typist she has a most serviceable understanding of written English (which she studies assiduously). This knowledge permits her to type with considerable accuracy from hurried drafts in English and thus effects a considerable saving of time and trouble on the part of the officers and the chief clerk. She is thus of greater use to the office than even the most expert Italian typist with no use of English and consequently merits a higher rate of pay. She has no short-hand, however, and so could not be rated as a "Typist, shorthand, (steno), English-speaking"; further the deficiencies in her oral use of English do not at present permit her classification as "Interpreter."

4. It is understood that you have met this problem before and arrived at some solution whereby the employee might pass from the L. 90 maximum to the L. 120 maximum. It is such action that is requested in Sig.na Serotini's case.

The form below is for use when employing a civilian as Junior Administrative Assistant or any higher position and also for use when requesting reclassification of a present employee to a higher position (in accordance with par. For reclassification the form should be filled out by the employee in conference with the employing officer and signed by the latter. In filling a new position the employing officer fills out the form. After completion the form should be brought to Civilian Personnel, Room 11, Ground Floor, by the employee or applicant concerned. A carbon copy of this job description should be retained and future identical jobs described by quoting reference number, shown below.

This form is for a job description only and should not include the incumbent's experience and education unless he is unavailable for local interview. The job description should include: 1. The degree of supervision under which the employee will work. 2. Any supervision by the employee of other workers. 3. A factual word picture of the being done or to be done. Avoid ambiguous words such as "assists", "handles", "difficult", "complex", etc. A sample job description of the position of interviewer (Junior Administrative Assistant) in Civilian Personnel follows: "Under general direction of the head of the Personnel Office interviews civilian applicants for employment. Supervises two civilian clerks who help applicants in filling out applications and one clerk who administers tests and keeps application files. Interviews applicants in English and Italian. Classifies them and refers clerical grades directly for placement. Refers applicants qualified for supervisory work to a Civilian Personnel Officer for check interview and placement referral."

SUBJECT: Civilian Employees - Reclassification.

TO : G-1 Section Civilian Personnel.

1. Herewith request for reclassification to the Grade of Typist-Interpreter of Signorina Fiorella LATTANZI, employed in this office since 3 July 45 in the grade of Typist.

2. The qualities possessed by Sig.na LATTANZI qualify her for the grade proposed. She has shown her sound comprehension of English not only by rapidly producing idiomatic translations into Italian but day by day in converting into virtually flawless typed copy handwritten English drafts of the highest intricacy. Her skill in this latter regard is proving an especial advantage to the office in connection with the production on stencils of the voluminous general and regional reports which the office must prepare before it is dissolved.

3. It is understood that, if the proposed reclassification is allowed, a wage rate of Lire 4290 (max) per month (plus living bonus) will be authorised.

In seguito allo sbarco degli Alleati in Anzio, dove mi trovavo in villa, ho molto volentieri aderito a collaborare con codesto C.I.C.(oltre che con il A.M.G.a favore delle popolazione) redigendo rapporto sulla situazione e sulle condizioni di Roma, mia abituale residenza e mi dichiaro naturalmente disposto a continuare nella mia collaborazione anche in modo permanente, non essendo dubbi i miei sentimenti verso gli Alleati e la loro causa, che è anche quella di tutti gli Italiani che vogliono vivere liberi. Per intanto vi prego di trasmettere alle competenti autorità Americane la seguente mia preghiera.

Ho letto con molto interesse e viva soddisfazione nella rivista "Life" January 10 che "the U.S. has recently created the American Commission for the Protection and Salvage of Artistic and Historic Monuments in Europe (ACPSAHME) to recover loot after the War and preserve it during the fighting" e che, aggiunge la rivista "Museum experts are with our invading armies".

Ma purtroppo la guerra sopravvenuta ha impedito che mi vi recassi.

Sin dai primi tempi della guerra ho seguito con vivo sentimento d'angoscia l'esportazione e l'asportazione da parte dei Germanici di opere d'arte di singolare valore delle Collezioni private italiane, cui si è aggiunto in questi ultimi mesi la rapina delle opere appartenenti alle Gallerie dello Stato. Cooperare alla ricerca e al ricupero di esse, come salvaguardare dalla rovina della guerra i nostri monumenti già purtroppo danneggiati, è un alto compito al quale mi dedicherei con tutta la mia passione di artista e di Italiano insieme agli illustri Colleghi Americani.

In attesa a suo tempo di una cortese replica, porgo i miei più vivi ringraziamenti.

NEL COMANDO MILITARE ALLEATO

Si comunica che il Brigadiere Generale Edgar Erskine Hume, ha lasciato la sua carica di Capo del Governo Militare Alleato per Roma, allo scopo di riprendere le sue mansioni di Capo dei servizi civili della V Armata.

In attesa della nomina definitiva del suo successore, la Direzione del Governo Militare Alleato per Roma è stata assunta dal Colonnello Norman E. Fiske dell'Esercito degli Stati Uniti, Commissario Esecutivo Delegato della Commissione di Controllo Alleata.

Il Colonnello Fiske è nato nell'Oregon, a Portland, ed è ufficiale di cavalleria, in servizio da 28 anni.

La sua conoscenza dell'Italia data dal 1928, quando partecipò alle competizioni ippiche di Tor di Quinto.

Nel 1935 fu a Roma come vice addetto militare e, successivamente, come addetto militare.

Allo scoppio della guerra fu internato per cinque mesi.

Prima di far parte della Commissione Alleata di Controllo, egli era stato il Capo della Sottocommissione per il Servizio segreto dei Capi di Stato Maggiore interalleati.

IL SOPRAINTENDENTE
ALLE GALLERIE ROMA

Roma, 5 luglio 1944

Gentile Dottor Cott

Mi permetto di parlarLe di un mio giovane amico: il tenente di artiglieria Vittorio Grinenco, che era in servizio militare a Brindisi quando fu firmato l'armistizio tra le Nazioni Unite e l'Italia. Egli parla benissimo la lingua inglese, la francese e la russa; ed è ora ufficiale di collegamento presso la V Armata Britannica. Ma egli è nella vita civile architetto: laureato, pochi anni prima della guerra, dalla Scuola Superiore di Architettura in Roma; ed ora gradirebbe moltissimo riavvicinarsi ai monumenti antichi italiani, incolumi o distrutti. Forse la sottocommissione per le Belle Arti potrebbe utilizzarlo assai bene come ufficiale di collegamento, ora che la liberazione delle regioni italiane rapidamente di estende verso il nord. Io mi limito a farLe il suo nome.

Gradisca i miei saluti cordialissimi

Dear Sir,

Through the intermediation of Professor Van Buren of this institution, I beg to present to your kind consideration the case of a member of the Russian colony in Rome, Mr. Dimitri Rodionoff.

I should wish to recommend him highly as a person who, I am confident, could be very useful to the Division presided over by you, as interpreter, translator and for other work of a similar nature. For several years past, he has from time to time rendered special service in connection with the Library of the American Academy in Rome.

Mr. D. Rodionoff is a highly cultured man in all respects possessing the mastery of various languages, especially Russian, French and Italian, but also English and some German; he is also conversant with the Fine Arts. He is a conscientious worker and can be trusted in all respects, his sympathies having been always with the allied cause.

I should be extremely grateful to you if you would be so kind as to consider Mr. Rodionoff for some position, whether such as has been indicated above or in another capacity; this would save him and his family (brother and sister, who is very seriously ill) from the precarious economic situation in which they are at present placed.

Trusting that you will pardon me for presuming on your patience at this time, I beg to remain,

Respectfully yours
