1. Ref your AG/14022/1/154/P6 of 31 Aug 45 and AFHQ signal F-38821 of 27 Aug 45, attached thereto.
2. It is recommended that application of Lawrence BERENSON be granted. Bernard BERENSON is a very distinguished American art historian residing near Florence; his liberation by Allied troops in August 45 was a matter of much publicity.
3. Liaison Officer telephoned this office this morning 1 Sept 45 asking comment on a telephoned request from AFHQ regarding permission for "BERENSON" (no first name mentioned) to enter Italy. Comment of undersigned was that the only Berenson known to us is Bernard Berenson, unquestionably believed to be in Florence now; but that, if without our knowledge he had left Italy, he should certainly be permitted to return.

SUBJECT : Visits to Italy.

TO : Headquarters, Allied Commission, APO 394.

1. It is the policy of the Supreme Allied Commander's Secretariat (SACS), which is the co-ordinating Section at this Headquarters dealing with visits to this theatre, to reply within 5 days to each request for permission to enter the theatre. In some cases it is necessary for this Section, at the direction of SACS, to refer to you for your views on the advisability of following entry and it has been noted that your replies in some cases have taken from 7 to 10 days to come through.

2. It is appreciated that in some cases you may have to make enquiries of the field before you can reply finally to this Section but whenever possible it is essential that a specific reply should be given within 5 days. Should you be unable to reply fully within that time directions have been received that your reasons in writing should be given within that time in order that SACS may send a reasoned interim reply to the authority or agency requesting entry.

3. The following procedure will therefore be adopted in future cases:

- a. This Section will signal (rather than write you) for views in cases referred to it by SACS.
- b. Your considered reply will be signalled to this Section whenever possible so as to arrive within 5 days of the time-date of our signal.
- c. If you are unable to reply finally within the above time you will signal this Section so as to give, within 5 days of the time-date of our signal, the reasons why it is not possible to reply finally within that time with the earliest date by which your final reply may be expected.

4. It is requested that you will ensure that the above procedure is followed and is brought to the notice of all concerned.

13 June 1945.

Dear *Borden Carter*,

The bearer of this letter is Mr. L. A. Sheppard, who is a representative of the British Museum.

The War Office have arranged his visit to this Theatre for the purpose of organizing the resumption of book exchange and purchase between the British Museum and the Italian public or private institutions who have been publishing during the war.

Brigadier Hann arranged this matter personally with Mr. Harden, representative of the Ministry of Supply, when he was last here and I know it is something that is looked upon with favour by the Authorities.

Would you therefore please be good enough to do everything you can to assist him. I imagine you will put him under the wing of the appropriate Sub Commission; I am not quite clear in my mind whether this should be MFAA or whether he should be dealt with by the Economic Section. In any event, I feel sure you are the best person to assist him in the first place.

I spoke to Pat Russell about him and I think it would be a good thing if you would take him to pay a courtesy call on Brigadier Lush.

He will of course need accommodation and (though I trouble to mention it) help with transportation.

Yours

Jackling 6132
