MEMO TO : VP, CA Section
VP, Economic Section
VP, Establishment Section

1. I am sure that Vice Presidents will appreciate that operations being now in progress, the SCAO's of Armies and Regional Commissioners with their staffs are faced with urgent operational matters in the newly occupied territory.
2. HQ Allied Commission can greatly assist forward AMG's in two ways:-
 - (a) By refraining from sending to them any correspondence except that of the most urgent nature. Regional Commissioners will have little time to read long directives and instructions which, in any case, should have been forwarded to them in the planning period. If instructions now have to be sent, let them be concise and short.
 - (b) By prohibiting the visits of officers to the newly occupied Regions, except on the most urgent matters or unless called for by the SCAO's or Regional Commissioners themselves.
3. We should have planned sufficiently well to make such visits unnecessary in the initial stages. We must leave it to the Regional Commissioners and SCAO's to send us the necessary information rather than send troupes of officers who will only harass the AMG staff in their difficult initial work. 3439
4. Vice Presidents will, therefore, ensure:-
 - (a) That directives and instructions of any length or consequence are submitted to them for signature before despatch, and should call for the minimum of paper work (no long questionnaires).
 - (b) That written communications are restricted to the minimum.
 - (c) That no officer or civilian official visits the forward areas without their personal approval.
5. Vice President, Establishment Section will report to the Executive Commissioner daily the names of officers sent from Headquarters to the forward Regions.
