1. In July 1944, G Branch, HQ Allied Armies in Italy, requested that when such were printed, they would like to have a supply of Lists of Protected Monuments.

2. This Section has now received twenty copies of such lists in respect of Sardinia and Sicily and for Apulia, Calabria, Campania and Lucania.

3. As arranged with the Director of this Sub-Commission, eighteen copies are now forwarded and it would be appreciated if you would give them to the Section concerned.

Subject: Lists of Protected Monuments - Italy.

To : Major Friend James, AGO Liaison Pl. AAI.

1. Ref. your memo of 27 July 44 to the Deputy Director, now absent in the field.

2. Unfortunately the 20 copies of Section 2 of the "Lists" cannot be furnished for "Q" Branch at this time. Section 1 & 2 were produced in relatively small mimeographed editions and are now exhausted. Permission to produce a fresh edition of the two sections in a single printed booklet is now being sought. If this permission is gained and when the printing is done, the copies will promptly be forwarded.

Subject: Printing.

To : HQ. Commdt.

1. Permission is requested to print an edition of 400 copies of Lists of Protected Monuments - Italy, Sections 1 and 2.
2. These sections have up to now circulated only in mimeographed editions. The stock is exhausted, the stencils are no longer serviceable and demands for these sections are still outstanding.
3. The booklet would embrace Sections 1 and 2 together and would run to approximately the size of Sections 4 (copy attached). Text would be ready within a week. The type for pages 3 - 9 is no doubt still set up in NAPLES.
4. The request has the approval of the A/Head, Adm Sec.
