1. Ref. your GA/132 of 27 July 44, subject as above.
2. The shipment of 400 additional copies of Section 4 was made in the belief that operational demands might soon exhaust the 600 copies sent you on 8 and 27 June. Such a shortage had already occurred with 5 Army.
3. Subsequent to our recent shipment Major Newton (GA/132, 24 July 44) received a request for your HQ. of 750 of each Section of the Lists. On this reckoning you would be 250 in excess of your requirements. If these are not wanted, they may be returned to this Subcommission.
