FOREWORD

These memoranda, to be supplemented from time to time, constitute a guide to the activities of Regional Commissioners, their staffs and all officers of the Allied Control Commission.

A study of the memoranda should help all officers to realise the importance of the task of the Commission, their own individual responsibilities and the means by which they can help each other to overcome the problems by which all are faced.

Norman Lawrence

CHIEF COMMISSIONER

HEADQUARTERS ALLIED CONTROL COMMISSION - APO 394

It is found necessary to issue instructions, from time to time, as experience and expediency dictate. Efforts to reduce these instructions are continually being made.

One of these efforts is the publication of this handbook. Another is the reduction in type of the various memoranda covering all aspects of Allied Control Commission work.

To this end, all orders and instructions issuing from this Headquarters will, as far as possible, be in one of the following forms:

- (a) *Executive Memoranda* which will deal with:
 - (i) Orders for the conduct of Regional Administration.
 - (ii) Organization of Regions (Geographical boundaries).
 - (iii) Administrative instructions by Sub-Commissions concerning Military Government or Allied Control.
 - (iv) Matters of Policy.
 - (v) Reports: Preparation, Submission, Circulation.

(b) *Establishment Memoranda* which will deal with all matters pertaining exclusively to:

- (i) Personnel of the Allied Control Commission, including appointments, assignments, promotions, discipline, reports, (G-1).
- (ii) Transport and equipment of formations (G-4).
- (iii) Authorization for Travel.
- (iv) Any matters not covered by Daily bulletins and Orders (American), Daily Routine Orders (British).
- (v) Office Memoranda which are of general interest.

(c) *Office Memoranda* which will deal with:

- (i) Internal organization of the Commission.
- (ii) Office procedure.
- (iii) Establishment Branch matters applicable only to commission Headquarters. (Where these are sent to Regions for information they will be circulated as Executive Memoranda).

The distribution of the above types of memoranda will normally be controlled by the office of origin and will generally be in accordance with the Distribution Lists given in Part II.

All memoranda will be issued by the Regional Control and Military Government Section. The memoranda as published in this handbook have in some cases been amended from the original. Amendments are indicated by a double marginal line and underlining (e.g. see page 1).

All subsequent issues of memoranda will be on paper the same size as this handbook and should be inserted in the appropriate part. The index cross-referenced, should be kept up to date. Suitable index references will be indicated at the end of each new issue.

In the bottom left corner of the last page of each memorandum will appear the file reference of the office of origin. Direct communications with sub-commissions on the subject matter of a memorandum should quote this reference.

Executive Commissioner

 - (5) HQ ACC Memorandum to All Concerned dated 23 January 1944, dea- (Now published as Executive Memorandum No. O. A.).
 - (6) HQ AMG Administrative Order No. 6 dated 25 January 1944. (The AFHQ General Order referred to in paragraph 1 thereof is No. 5 dated 24 January 1944). This Order announced the amalgamation of HQ AMG, HQ ACC and HQ AMG ACMF (late 15th Army Group), changes in command, and con- sequential changes in organization.
 - (7) HQ ACC Administrative Order No. 3 and 4 both dated 31 January 1944, announcing respectively the physical extinction of HQ AMG, ACMF and the placing under command HQ ACC of Region VI.
 - (8) Executive Memorandum No. O.b dated 31 January 1944, dealing with Military Government and ACC supervision, Regional Organization and the for- mation and functions of the new Regional Control and Military Government Section of ACC.
- b. A Directive dealing with revised Regional re-organization and personnel ceilings under ACC conditions will be issued shortly.

2. NEW ORGANIZATION HQ ACC.

Appendix "A" to this Memo, gives the new organization in outline, and Appendix "B" the detailed breakdown of the Regional Control and Military Government Section. The new organization will be put into operation forthwith to the extent possible - full implementation will have to await final completion of moves from Brindisi to Salerno and the absorption of Regimental Headquarters (see paragraph 3 below). The main changes are as follows:

- a. The Military Section as such, is abolished.
- b. The Communication Section is abolished, the Internal Transportation & Shipping Sub-Commissions being transferred to the Economic Section, and the Telecommunications and Post Sub-Commission becoming independent (see c. and e. below).
- c. The Economic and Administrative Section is divided into two Sections, an Economic and an Administrative Section, and the former Economic and Administrative Directorates are abolished. The Economic Section takes over the Electric Power Mission, and the Transportation and Shipping Sub-Commissions.
- d. The Industrial Planning Branch is abolished, its functions being taken over by Headquarters Economic Section.
- e. A Regional Control and Military Government Section is introduced, under which comes the Civil Affairs Branch (formerly the department of the D.C. of S. G. & SI) which will include an Information Division (See Appendix "A"), the Establishment Branch (Executive Officer), the Displaced Persons Sub-Commission, the Italian Refugees Branch and the Security Branch. (See Executive Memorandum O.b. issued 31 January 1944, referred to in paragraph 1. a. (8) above. It is emphasized that except for independent Commissions all liaison and contact with HQ AAI and outside military formations is the responsibility of, and will be carried out through this Section.
- f. The Independent Sub-Commissions as shown in Appendix "A" will deal direct with Chief or Deputy Chief Commissioner. The heads of the Political Section are styled Joint-Directors, and the Section has no dependent Sub-Commissions.
- g. A Secretary General is introduced. His functions are explained in paragraph 4 below.

3. MAIN AND REAR HQ.

- a. Main Headquarters will be at Naples, Rear Headquarters at Salerno. Most of the Italian Ministries will be at the latter place. All component parts of HQ ACC will be located at Naples except as detailed in b. to e. below.
- b. The following will have offices at both Main and Rear Headquarters:
 - (i) Chief Commissioner.

(2) Deputy Chief Commissioner.

(3) Political Section Joint Directors.

(4) Liaison Groups. Most have their own offices outside ACC at Naples. An office will be provided at Main Headquarters for two Italian Liaison officers.

(5) Archivist and Librarian.

c. The following will be located at Rear Headquarters:

(1) Administrative Section and all its Sub-Commissions (see e. below).

(2) All Independent Sub-Commissions (see f. below) except Air Sub-Commission which will be located at Main HQ.

(3) Deputy Adjutant and Staff, including a detachment of the pool of Interpreters and Translators.

d. The following Economic Sub-Commissions stationed at Main Headquarters will maintain permanent detachments at Rear Headquarters for Liaison duties with the Italian Government, but with the exception of the Finance Sub-Commission detachment, they will have no operating functions. They will not (again excepting Finance) issue or receive correspondence or maintain files (see paragraph 7), though they will be included in the distribution of routine orders:

(1) Agriculture.

(2) Industry & Commerce.

(3) Public Works.

(4) Labor.

(5) Finance.

e. Reference c. (1) and (2) above.

(1) The Monuments, Fine Arts & Archives and Telecommunications Sub-Commissions will maintain small detachments at Main Headquarters but they will not be operating detachments for the purposes of issue and receipt of correspondence, nor need they normally be included in distribution lists except for routine orders.

(2) The Public Health Sub-Commission will maintain a detachment at Main Headquarters. This will be an operating detachment and will issue and receive correspondence. Copies of all orders and correspondence to the Public Health Sub-Commission will therefore be sent to its Naples Detachments.

f. An office will be available in the Post Office Building for visiting officers of Sub-Commissions located at Rear Headquarters.

g. An office will similarly be available at Main Headquarters for the Archivist.

4. FUNCTIONS OF THE SECRETARY-GENERAL.

The Secretary-General is the personal Secretary of the Chief Commissioner. He is not the Secretary of the Commission. He will keep no active office files only such personal files as may be required by the Chief Commissioner. He will ensure that papers from Sections, etc. for the Chief Commissioner's signature or information are presented in proper form. He will ensure that a copy of letters or cables initiated by the Chief Commissioner are passed to the Section or Branch principally concerned, so that a file copy may be kept and any necessary internal distribution made. Independent Sub-Commissions will deal direct with the Chief or Deputy Commissioner - in the former case through the Secretary-General.

5. ADJUTANT'S DEPARTMENT.

a. Under the procedure prescribed in paragraphs 3 and 5, the former Adjutant General's (AG) responsibilities will be limited in general to the reception, distribution and dispatch of correspondence and cables, the operation of the Post Office and the issue of routine orders of certain types. The Adjutant will have no responsibility for personnel and will only maintain files pertaining to his own department - not central files. His functions will be defined in more detail in the Office Memo, referred to in paragraph 7 below.

b. The HQ ACC Adjutant will, on the direction of G-1, issue orders for assignments and reassignments for personnel of both nationalities. In the case of American Officers this will be supplemented by a Regimental, and of British officers by an ACC Routine Order.

c. For travel orders (see Estab. Memo, No. 4).

6. BRITISH ADMINISTRATIVE HEADQUARTERS AND HEADQUARTERS 2675th REGIMENT.

It will be observed that these Headquarters do not appear on the chart. The reason for this is that they will not operate as separate entities. Their functions will be absorbed by the Establishment Branch and the necessary personnel allotted to the G-1 and G-4 Sections. There will also be a 2675th Regiment Executive Officer. The Establishment Branch will therefore carry out Regimental as well as Staff functions. In the case of the 2675th Regiment, there are certain types of orders and correspondence which have to be issued over the signature or by order of the Regimental Commander, but this is simply a question of headings and form.

Liaison Detachment.

A liaison detachment, HQ ACC, will be attached to HQ AAI. It will be known as "ACC Liaison, HQ AAI". Copies of all important correspondence will be sent to AAI Liaison and it will be included on all distribution lists.

7. OFFICE PROCEDURE, HQ ACC.

A detailed Office Memo. is under preparation. Meanwhile, the following principles are here stated:

a. The head of a Sub-Commission may correspond direct with the head of the corresponding division in Regions and AMG Armies or with technical branches of military formations, but only on technical and routine matters affecting his Sub-Commission. All other correspondence to Regions and Army AMG will be carried out through the Regional Control and Military Government (R.C. & M.G.) Section. Similarly, all correspondence from Regions addressed to HQ ACC will be referred to the appropriate Branch of the R.C. & M.G. Section.

b. All other offices which maintain their own files (see c. below) may correspond direct, on their own subject, with other Sections, Branches, Sub-Commissions, etc., of HQ ACC. Correspondence with higher and parallel authorities will be through Headquarters of Section or the Secretary-General as the case may be.

c. The following offices only of HQ ACC will maintain their own operative subject files:

- (1) HQ Political Section.
- (2) HQ Economic Section.
- (3) HQ Administrative Section.
- (4) Civil Affairs Branch.
- (4) (A) Information Division.
- (5) Italian Refugee Branch.
- (6) Security Branch.
- (7) G-1 (who will also maintain files for Establishment Branch for matters not strictly G-1 or G-2).
- (8) G-4.
- (9) 2675th Regimental Executive Officer.
- (10) Adjutant (see paragraph 5 above).
- (11) All Sub-Commissions, including Displaced Persons, and the Electric Power Mission.
- (12) Detachments Finance and Public Health Sub-Commissions (see paragraph 3 d. and e.).
- (13) P.R.O.
- (14) HQ Comdt, Naples, HQ Comdt, Salerno.

d. Initial Reference of Papers.

(1) Incoming letters and cables will be referred for action only to the Sections, Sub-Commissions, Branches, etc. authorized to maintain files under paragraph 7 c. above. This means that action copies of letters and cables will not be referred in the first instance to RC and MG Section but to the Branch of that Section concerned. (See also Appendix " ").

(2) Furthermore, in the case of the Establishment Branch, papers will not normally be referred direct to the Executive Officers but to G-1 or G-4 according to the subject matter.

(3) Other Sections, Branches, etc. of the Commission addressing letters to the RC and MG Section will facilitate the execution of the above instructions if they will add, after the Section address, the appropriate Branch in parenthesis, e.g., "Executive Commissioner (CA Branch)" or "Executive Commissioner (G-1)".

(4) The instructions contained in this paragraph are not intended to restrict the distribution of "information copies" of cables or of routine orders - the intention is to insure that papers are dealt with in the first instance in the normal manner by the Branch concerned before being referred higher.

8. ECONOMY IN PAPER.

Supplies of paper are becoming increasingly difficult to obtain. Correspondence within Headquarters ACC will therefore be conducted in original only. Two copies of a letter are not required. Paper will also be cut according to the length of the letter. There have been instances recently of letters consisting of one short paragraph typed on foolscap size paper. Further instructions for the conservation of paper have been issued by the Executive Commissioner in Memorandum dated 13 February 1944.

ESTABLISHMENT MEMORANDUM NUMBER 3

M.S. MATTERS (BRITISH PERSONNEL)

GENERAL.

1. *Grouping of M.S. Matters.*

These may be conveniently grouped for the purposes of this instruction, under the following headings, and are dealt with in paragraphs as shown:

- | | |
|---|---------------|
| a. Appointments, Officers | (Para 7) |
| b. Advancement of Officers | (Paras 8-11) |
| d. Adverse Confidential Reports | (Paras 12-13) |
| c. Change of Employment, Officers | (Paras 14-23) |
| e. Periodical Reports on Officers of the rank of Lt. Col. and above | (Paras 24-28) |
| f. General Confidential Matters, Officers | (Para 29) |
| g. Honours and Awards | (Para 30) |
| h. Miscellaneous | (Paras 31-32) |

All except g. affect Officers only — f. affects both Officers and ORs.

2. *Definitions.*

a. Throughout this Order the expression «Region» includes AMG FIFTH or EIGHTH ARMY or a province, detachment, or pool for which a specified Commander has been appointed, under the immediate command of this Headquarters.

b. Similarly, the expression «Regional Commissioner» includes the Commander of a Detachment as in a. above. Where the context so requires, it further includes, in the case of a Region commanded by an American Officer, the Senior British Officer in that Region, for the purpose of paragraph 4 below.

3. *Signature of Documents. Concurrence of American Commanders.*

a. The signature of an American Officer must not appear on any official form or document in connection with M.S. matters. The form will therefore be signed by the Senior British Officer concerned. (See para. 11).

b. American Officers holding positions in the chain of command which would, if ACC were a wholly American organization, necessitate their assent and signature to recommendations will express such assent in a covering letter to the form or document being forwarded (and should be given an opportunity of so doing). If the Senior British Officer in a Region commanded by an American Officer feels strongly that a recommendation to which the American Commander does not agree should be made, he may submit such recommendation with a full statement of his views to the American Commander, who will forward it to the next higher authority giving detailed reasons for his dissent.

4. Channels for Recommendations and Reports.

a. The normal chain of command will be followed, subject to paragraph 3 above, and to the remainder of this paragraph. It must be remembered that competence in M.S. matters is a question of rank and seniority, not of appointment.

b. (1) All recommendations will be those of the Senior British Officer of the Region, etc., and will reach this Headquarters in consolidated form.

(2) The Commander of a detachment operating under a separate command from its parent Region will submit recommendations through the parent Region Headquarters if the parent Region is operating.

c. Heads of Regional Special Divisions will NOT forward recommendations, nor copies of recommendation in respect of specialist officers to heads of corresponding Sub-Commissions at Headquarters ACC. The Regional Commander will consult his technical heads as necessary.

d. Reports on Officers of the «pool» - i.e. not allotted to a HQ or operating Region, will be from the Senior British Officer of the pool this HQ.

e. In view of the often fleeting and sporadic character of «attachments» reports on Officers attached to an operating Region may be initiated either by the Region to which attached or by the parent Region. In the former case reports will be forwarded through the parent Region.

5. Initiation of Reports.

a. Regional Commissioners will issue orders as to which Officers are to initiate reports, and the channel to be followed within the Region. In general, it is desirable that reports should not be initiated by an officer below field rank, and wherever possible the initiating officer should hold the rank of Lt. Colonel or above.

b. The channels to be observed within HQ ACC are laid down in Appendix «B» hereto.

6. Remarks of Superior Reporting Officers.

Recommendations will be definite and unambiguous - remarks such as «I concur» or «I do not know this officer» will be avoided.

APPOINTMENTS.

7. This will only arise in the case of the original assignment of an officer to ACC from another military or Service organization. Such cases will be dealt with by AFHQ or HQ AAL.

ADVANCEMENT OF OFFICERS.8. *General.*

All appointments have to be approved by AFHQ. When approved, they are published in GROS and transmitted to the War Office.

9. *Status of Officers.*

All officers in ACC are graded as Staff Officers. The word «Advancement» is therefore used in this Memorandum in preference to «Promotion», since every grade of Staff Officer automatically carries a specific rank, and no question of «Regimental» promotion will arise.

10. *Quarterly Returns.*

- (a) A consolidated quarterly return on the proforma Appendix «A» hereto will be rendered in duplicate to this H. Q. so as to arrive on 1 January, April, July and October through the usual channels as prescribed in para 4 above. In the case of H.Q., A.C.C. the return will be rendered by the initiating officer named in Col (c) of Appendix «B» hereto which gives the channels to be observed within this H.Q.
- (b) The Quarterly Return will show the names of officers who have been recommended for advancement *by the submission of AF B194D* but whose recommendations have not been implemented.
- (c) The Quarterly Return is for record purpose only and will not take the place of AF B194D for the purpose of recommending officers for advancement.

11. If an Officer is transferred from one unit to another, the reporting authority of the unit from which he is transferred will forward his recommendation (on the pro-forma, Appendix «A») to the Commander of the unit to which the Officer is transferred.

e. The quarterly return is a confidential document. In order to avoid disappointment, officers will NOT be informed that they have been recommended.

11. AF B 194D.

a. This is the official form which is required before any recommendation

11. AFB 194 D.

- (a) This is the official form which is required before any recommendation can be considered.
- (b) Reports on AFB 194 D enable a record to be kept at this H.Q. of officers fitted for advancement when opportunity occurs.
- (c) A recommendation may be submitted at any time when an officer is considered fit for advancement.
- (d) Officers reported upon will NOT initial nor will they be shown AF B 194D.

g. AF B 194D will reach this Headquarters in duplicate. One copy will be the original, and only this copy need be signed - signatures on any other copies required may be typed.

CHANGE OF EMPLOYMENT.

12. AF B 194F.

- a. This form may be rendered at any time.
- b. It will only be used when the new employment recommended is either:
 - (1) Outside ACC altogether, or
 - (2) To AMG-ACC in another theatre of war.

Change of employment within ACC Italy will be dealt with under paragraph 13 below.

- c. Officers reported upon WILL initial AF B 194F.
- d. Alternative employments must be recommended.

e. The form will NOT be used as a substitute for AF B 194E (see paragraph 14 below). Its object is to place an efficient officer who finds himself in an unsuitable employment in an appointment better suited to his capabilities.

f. The same rules as regards number of copies required and signatures apply as for AF B 194D (paragraph 11 e.).

g. The form will be initiated and forwarded through the usual channels.

h. The Officer reported upon may submit an appeal or protest (see paragraph 18).

13. *Posting and Transfer.*

a. If transfer to other duties *within* ACC Italy is recommended, the Regional Commissioner will submit the recommendation in letter form, giving the following information:

- (1) Appointment or type of appointment for which recommended.
- (2) In the case of an Officer in a Region, whether the proposed transfer is within the Region or to an appointment outside the Region.
- (3) Whether or not the Officer is desirous of the transfer.
- (4) Full reasons for the recommendation.

b. This procedure applies only to transfers to appointments carrying the same rank. It will NOT be used as a substitute for either AF B 194D or E.

SPECIAL CONFIDENTIAL REPORTS - AF B 194E.

14. *General.*

a. AF B 194E is not a substitute for disciplinary action - If an officer commits an offence under the Army Act, the appropriate disciplinary action will be taken.

b. Subject to para 18 c. below, the final decision on AF B 194E is taken by the Army Council, and this will be explained to Officers reported upon.

15. *Submission of Form.*

The form may be submitted at any time, and should be rendered as soon as the initiating officer has come to a decision in the matter.

16. *Previous Warning.*

Whenever possible, an officer should be warned of his inefficiency before AF B 194E is rendered, so as to give him the chance of rectifying his faults.

17. *Ground for Special Reports.*

Reports must be based on definite observations over a reasonable period, and will be couched in clear and unmistakable terms.

18. *Protests and Appeals* (See form ACI 545/43, para 4 (i) (m) & (O)).

a. An appeal under Section 42 of the Army Act, and a protest not amounting to a formal appeal will be forwarded to the Army Council with the report.

b. The initiating officer and any superior reporting officer *will comment on a protest or appeal*, and will do so in a covering letter. Comments will not be seen by the Officer reported upon.

c. An Officer may appeal to his Sovereign under Sec. 42 of the Army Act against a decision of the Army Council.

d. If called upon to submit an application to retire or to resign his Commission, he may apply for an interview with a military member or a deputy of such member of the Army Council under K.R. (1940) para 236. The application will not, however, necessarily be granted.

19. *Initialling of Form.*

a. An Officer reported on will be shown and will initial and date AF B 194E. This does not mean that he agrees with it; merely that he is aware of its contents. An officer cannot refuse to initial a report.

20. *Channels.*

Reports will be initiated and forwarded as for AF B 194D.

21. *Remarks of Superior Reporting Officers.*

If a superior reporting authority does not concur in the report on AF B 194E and is not prepared to forward it to higher authority, the Officer reported on will be so informed. On the other hand, whenever the remarks and recommendations of a superior reporting officer are more adverse than the original report, they must be shown to and initialled by the Officer reported on.

22. *Resignation of Commission.*

In cases where the initiating officer recommends that an Officer be called on to resign his Commission, he will inform the Officer, if he is of military age (i.e. at present under 51 years of age), that the effect of the recommendation if accepted by the Army Council will be that he will be liable for Service under the provisions of the National Service (Armed Forces) Act. If relinquishment of Commission is recommended, an interview will be granted to the Officer reported on by the British Commander next superior to the initiating Officer. An Officer has no right to claim an interview with any other superior officer except as stated in para 18 d.

23. *Copies and Signatures.*

The same rules apply as laid down for AF B 194D in paragraph 11 e. If a protest or appeal is made, *three* copies of such protest or appeal are required. They must all be signed.

a. This report will be rendered every six months on all officers of the rank of Lt-Colonel and above. The first report will be rendered *as soon as possible*, as a matter of urgency. This report will state the date the Officer was last reported upon. Thereafter it will be submitted on the first of June and December. It will also be submitted when an Officer relinquishes an appointment.

GENERAL CONFIDENTIAL MATTERS.

29. a. Any matter not already covered above will be dealt with by confidential letter.

b. Appeals and complaints under Section 42 of the Army Act will be forwarded through the usual channels. American superiors in the chain of command may forward comments with appeals, but in this case the appropriate British Superior Officer must also comment.

HONOURS AND AWARDS.

30. a. Recommendations for Honours and Awards are usually called for twice a year, and are published on the King's Birthday and New Year's Day.

b. Detailed instructions as to the eligibility of officers, WOs, NCOs, and ORs, for various types of award are issued by the Military Secretary, approximately two months prior to the above dates. These instructions, together with instructions for implementing them will be issued by this HQ to Regions, etc.

c. On receipt of the above mentioned instructions, recommendations will be made on AF W 3121, being initiated and forwarded through the channels laid down at Appendix "A" and Appendix "B".

d. No recommendations for Honours and Awards will be made at present. The first recommendations will be made when the instructions mentioned in subparagraph b. above are received.

e. For immediate awards, AF W 3121 may be initiated and forwarded at any time other than the regular periods mentioned above.

MISCELLANEOUS PROVISIONS.

31. Forms.

a. A supply of the forms to be used, referred to in the preceding paragraphs will be issued to all concerned in due course.

b. Detailed information is contained on the forms themselves. This information supplements the detailed instructions given in this Memorandum.

32. Care in Preparation of Reports.

a. It cannot be emphasized too strongly that reports and forms must be accurate in every detail. Failure in this respect only means reference back to reporting officers, thereby inevitably causing unnecessary delay and additional clerical work.

b. All officers concerned will, therefore, ensure that the instructions in this Memorandum are meticulously followed, and that reports are punctually rendered. It is the duty of superior reporting officers and their Staffs to check the accuracy of reports and forms and to ensure that they are properly completed before they are forwarded.

By Command of Lieut. General MASON MacFARLANE.

On publication of the orders, G-4 will arrange the necessary transportation and notify details as to the type of transportation provided, date and time of departure, etc. to the officer or officers concerned. c. Should circumstances prevent an officer from proceeding on a journey duly applied for and authorized, the sanctioning authority will immediately inform the officers to whom the form of authorization has been sent (i.e. G-1, G-4, HQ. Comd't.).

6. ORDERS FOR TRAVEL NOT INVOLVING CHANGE OF ASSIGNMENT.

Orders are required and will be issued as follows:

- | | |

8. ECONOMY.

Conservation of transportation is necessary at all times in order that transport may be available for the required business of the Commission.

Availability of transport will depend on the strict observance of the above regulations and the thoughtful cooperation of every officer.

ESTABLISHMENT MEMORANDUM NUMBER 5

LOCAL PURCHASES AND CONTRACTS

1. Establishment Memorandum No. 5 (originally published as Executive Memorandum No. 28, 20 February 1944) and Establishment Memorandum No. 5A of 31 March 1944 are hereby rescinded. These memoranda dealt with local purchases and contracts for supplies and labor, to repair, furnish and maintain messes, billets, offices and other buildings for the occupation and use of ACC/AMG. These instructions have not been complied with in many cases either through misunderstanding or for other reasons.

2. This memorandum restates the policies and regulations which must be followed in entering into contracts for the local purchases of:

- a. Furniture and equipment for offices, messes and billets.
- b. Labor and materials for the reconditioning and repairing of offices, messes and billets.

3. The following policies will be observed in making all local purchases or contracts for items listed in 2 a and b above:

- a. Normal military channels will be used to obtain available supplies or to make use of the military supply services for repairs and renovations.
- b. Where possible, billets, offices and messes will be requisitioned with contents. (See para. 4b for regulations governing).
- c. Purchases will only be made of such equipment as would normally be issued by the quartermaster departments of the American or British Armies but cannot be obtained owing to local conditions. This same policy applies to the rebuilding and remodeling of messes, offices and billets. Under no circumstances may purchases be made which would give grounds for criticism that officers or EM/ORs of ACC/AMG were getting benefits denied to personnel of army formations. Individual personal items are not to be bought with public funds.

d. When application is made in accordance with para 3a, military formation concerned will be asked, if supplies are not available, to give a certificate to that effect, and state whether supplies are a proper subject for local purchase. When in doubt as to the legitimacy of a particular purchase or in doubt as to the policy or regulations of the local purchase directive, the Executive Commissioner, ACC, will be consulted for clarification.

4. Regulations governing the above policies:

- a. When it is impossible to obtain furniture and equipment for the furnishing and re-equipment of billets, offices and messes from normal military

sources or by requisition (see 3.b above), local purchases may be made, and payment will be made from ACC/AMG funds.

b. Requisitioning of offices, billets, and buildings will be done through the proper authorities (local representative of American Base Section or British District) controlling the area, e.g.: Buildings requisitioned in the Naples area must be procured through the Real Estate Section of Peninsular Base Section; in Rome through Real Estate Board of Rome Allied Area Command; Buildings requisitioned in a British area would be procured through the office of the Town Major. In the latter case if it is desired to requisition the contents of the building, provisions of GRO 23/44 para 25 must be observed.

c. Local purchase is the responsibility of the officer designated as Purchasing and Contracting Officer at Headquarters, ACC and at Regional Headquarters. The Headquarters Commandant is, hereby, designated as purchasing and Contracting Officer for Headquarters, ACC. The Purchasing and Contracting Officer in each Region is responsible to the Regional Commissioner for local purchases made in the Region. No other officer will effect local purchases without the written authority of the Purchasing and Contracting Officer of ACC Headquarters, or in the Regions by the written authority of the Purchasing and Contracting Officer of the particular Region. In Regions where no Regional Purchasing and Contracting Officer has been appointed, immediate steps will be taken to appoint one.

d. The following procedure will be followed in the expenditure of ACC/AMG funds. The amount of the expenditure for the purposes of authorization will include the several purchases or contracts that make up the total cost of any one project.

(1) Expenditure on any one purchase or contract up to 10,000 Lire may be authorized by the Purchasing and Contracting Officer unless in any Region the Regional Commissioner shall decide to lower this limit.

(2) Bids and contracts for repairs to buildings in excess of 10,000 Lire will be submitted to a representative of the P.W. & U. Sub-Commission for opinion and recommendation as to its acceptance prior to submission for approval to the Regional Commissioner or Executive Commissioner.

(3) Expenditure on any one purchase or contract amounting to between 10,000 and 100,000 Lire will be approved in writing for Region by the Regional Commissioner and for Headquarters, ACC by the Executive Commissioner.

(4) Expenditures on any purchase or contract amounting to over 100,000 Lire, whether in the Region or at Headquarters, ACC, will be approved in writing by the Executive Commissioner.

(5) In all cases where local purchases or contracts exceed 50,000 Lire, the Purchasing and Contracting Officer will obtain bids in writing from two or more sellers or contractors and the lowest bid will be accepted. When it is impracticable or impossible to obtain more than one bid on a purchase or

contract of 50,000 Lires the Purchasing and Contracting Officer shall obtain bids in writing prior to purchase.

e. The hiring of laborers, skilled or unskilled, for the construction or repair of offices, messer billets — furniture or other maintenance work for the proper care of the offices, messes and billets, is the responsibility of the Purchasing and Contracting Officer through the Civilian Personnel Section of G-1 (A).

f. The written authority signed by the officer authorized under para 4 d above must be given on or attached to the relative payment voucher and it will be the duty of the Chief Accountant to report to the Executive Commissioner any payments in excess of the specified limits which are not properly authorized.

g. The Purchasing and Contracting Officer, both at Headquarters, ACC and the Regions will account for and dispose of all moveable property obtained through local purchase in the same manner as other government property.

Colonel, Infantry,
Establishments Officer,
For the Executive Commissioner.

ESTABLISHMENT MEMORANDUM NUMBER 6

SECTION I

The following Orders relating to U.S. Army Vehicles in the Allied Control Commission will be effective immediately.

1. Regional Commissioners and the SCAO 5th Army, AMG Company Commanders 2675th Regiment, ACC, and all officers having or operating U.S. Army Motor Vehicles will immediately contact the nearest U. S. Army Ordnance Medium Maintenance Shop and arrange for the 6000-mile technical inspection of each vehicle assigned. All vehicles assigned will be given this technical inspection as rapidly as the Ordnance Shops can process them. Arrangements with the Ordnance Shops will be completed by 20 March 1944, and the records of the Motor Transport Officer will indicate the Ordnance Company to which each vehicle is assigned for inspection and repair.

2. Officers in charge of Headquarters ACC Motor Pools at Naples and Salerno, Regions III, IV, and AMG 5th Army (HQ. Co., Companies «C», «D», and «G» 2675th Regiment, ACC) will make their technical inspection arrangements with the 38th Ordnance Medium Maintenance Co., Naples.

3. In addition to the 6000-mile technical inspection by Ordnance Shops, each vehicle will be inspected by a qualified mechanic once every thousand miles or once every thirty days provided the vehicle has not traveled a thousand miles before the end of the thirty-day period. The attached form will be used for each

of these inspections and will be filed with the dispatch records. Motor Transport Inspectors of this Headquarters will check dispatch records to ascertain completeness of these forms.

4. Captain George N. Davis, QMC, G-4 Section this headquarters, has been appointed Motor Transport Inspector, 2675th Regiment, and placed in charge of maintenance of all American ACC/AMG Transport. All Officers concerned will give him all co-operation and necessary facilities to enable him efficiently to carry out his assigned duties.

5. Owing to a shortage of drivers, it will probably be necessary for Italian soldiers, Italian civilians, American and British soldiers to drive both American and British Army Vehicles both now and in the future. Officers in charge of Motor Transport must insure that all drivers have been trained, tested, and found qualified prior to entrusting vehicles to them. Otherwise, the officer may not be relieved of financial responsibility in case of damage to the vehicle. American and British drivers should, where possible, be assigned to drive vehicles of their own Army. When vehicles of one nationality are without drivers and qualified drivers of the other nationality are available, they will be used.

6. It is essential that complete Motor Transport records are maintained at this Headquarters and by all subordinate units. As there is no Table of Equipment established for each Region (Company), there can be no fixed allotment of vehicles to Regions (Companies). As the varying situations demand, vehicles will be transferred by this Headquarters from and to the various Regions (Companies).

7. No transfers or exchange of assigned vehicles will be made without the authority of the Executive Officers communicated through G-4 Section of this Headquarters.

8. Regions and AMG 5th Army through the Company Commanders of the 2675th Regiment, ACC, and all other Officers concerned, will render a report to this Headquarters not later than noon on 27 March 1944, indicating the Ordnance Companies servicing vehicles assigned to them or a complete explanation of the difficulties which have prevented such inspections and servicing. Assistance, when requested, will be given by the Motor Transport Inspector in making such arrangements.

9. A complete report will be submitted to reach this Headquarters by noon on the 1st day of each month, giving the following information:

Vehicle Number	Type	Location	Date of Last W/Shop Inspection	Whether Serviceable	Remarks
----------------	------	----------	--------------------------------	---------------------	---------

10. Motor Transport Inspectors of this Headquarters will make periodic spot checks of all motor pools operated by organizations of this command and of vehicles assigned to various Sub-Commissions. These officers are available to assist motor transport officers in any way possible to insure the establishment of sui-

table motor pools and to clarify and expedite the supply of necessary replacement parts. Transport problems should be reported to this Headquarters, addressed to G-4 Section.

11. The Commanding General, ACC, desires the above orders to be put into effect at once and expects all officers concerned to do everything in their power to improve the standard of motor maintenance in ACC.

SECTION II

The following orders relating to British W. D. Vehicles in the Allied Control Commission will operate immediately.

1. Regional Commissioners, S.C.A.O. 5th Armies, and all officers having W.D. Vehicles on charge, will contact their nearest Area or Sub Area Commanders, and arrange with them for the affiliation of each vehicle to R.E.M.E. or R.A.S.C. Workshop for maintenance purposes. The affiliation is to be completed before March 20, 1944.

2. All W.D. Vehicles will be sent to their affiliated Workshop for inspection on days allotted by the Officer i/c the Workshops concerned.

3. Each vehicle will be taken off the road one day a week, when it will be maintained up to driver's repair capacity.

4. The daily task system will be enforced.

5. A.B. 406 will be completed and signed monthly by a responsible officer.

6. A.B.s 412 will be kept up to date and signed by the driver of the vehicle concerned.

7. Tools will be checked weekly and the result recorded.

8. Work Tickets will be signed by an officer or the Transport Sergeant.

9. Capt. J. Carter, R.A.S.C., G-4 Section of this Headquarters, has been appointed M.T. Officer and placed i/c of British ACC/AMG transport from today. He will shortly be visiting the HQ of all Formations, to advise on M.T. maintenance. The fullest use should be made of his services, and all possible facilities accorded to him in the execution of these duties.

10. Arrangements are being made at this HQ for the attachment of trained maintenance personnel to units of ACC/AMG. Their duties will be to supervise the maintenance of British transport, in accordance with instructions issued from this H.Q. from time to time. Their reports will be submitted direct to the officers concerned who will take appropriate action on them.

11. Arrangements have been made with A.A.I. (Admin. Ech.) for unit maintenance teams (Officers R.E.M.E., R.A.S.C., etc.) to carry out spot inspections of A.C.C. Tpt., and every facility must be accorded to these teams during their visits.

12. It will be appreciated that owing to a shortage of drivers, it may be necessary for American and British, and possibly Italian soldiers, or civilians, to be employed as drivers of either American or British vehicles. The principle of one driver to one vehicle will be observed.

13. Complete M.T. records will be maintained by all concerned. As the A.C.C. War Establishment is not to be broken down, a fixed allotment of transport to Formations cannot be made. In any case, as operational conditions change, so accordingly will this H.Q. direct the movement of transport.

14. No transfer or exchange of vehicles on charge to Formations will take place without the authority of the Executive Officers, communicated through G-4 Section of this H.Q.

15. Regions, and A.M.G. 5th & 8th Armies, will render a report to his H.Q., not later than noon on March 27, to the effect that the affiliation of vehicles to Workshops has been arranged.

16. A further return is required by the 21st of each month, giving particulars of both W.D. and Requisitioned transport held on charge on the 15th of each month. The return will give the following details:

Vehicle Number	Type	Location	Date of Last W/Shop Inspection	Whether Serviceable	Remarks
----------------	------	----------	--------------------------------	---------------------	---------

17. The Chief Commissioner looks to all officers concerned to put this scheme into effect at once, and to do everything in their power to improve the standard of vehicle maintenance in the A.C.C.

ESTABLISHMENT MEMORANDUM NUMBER 7
ASSIGNMENT (POSTING) OF OFFICERS AND EM/ORs.

1. In the past, the Assignment (Posting) of officers and EM/ORs has become complicated by the fact that subordinate headquarters have issued orders on officers or EM/ORs who were Attached (on temporary duty) from another organization. These orders placed them on duty either by Assignment or by Attachment to a third unit or headquarters, in many cases without notifying the organization to which the officer or EM/OR was Assigned (Posted). The result has been that Regional Headquarters and ACC Headquarters have been unable to keep an accurate record of the actual location of personnel. In order to clarify this situation and make possible the keeping of accurate records on personnel, the following procedure will be followed in making changes of Assignment (Posting) and Attachments (temporary duty) when officers are placed on some special duty.

2. (a) Original and changes of Assignments (Postings) will be made only on orders of Headquarters ACC. When a Regional Commissioner or, an SCAO of an army AMG desires a transfer of an officer or EM/ORs to or from the Region, or AMG of an army, they will make request to Headquarters ACC. The actual transfer will not be made until Headquarters ACC has cleared the transfer with subordinate headquarters involved. If both headquarters are in agreement and the change of assignment is urgent, the headquarters to which the officer or EM/OR is Assigned, may upon request place the officer or EM/OR on temporary duty with the headquarters to which they are to be transferred pending receipt of the ACC HQ order.

(b) When the SCAO of either the 5th or 8th Army desires the attachment of personnel of a Region operating closely with AMG of that Army, they may make request to the Regional Commissioner direct and have the Attachment made by Regional order (3 copies of which will be furnished to Headquarters ACC), or they may make request direct to Headquarters ACC for the Attachment by ACC HQ order after the Attachment has been cleared with the Region concerned. Relief from Attachment may be made by the Regional HQ only with the concurrence of Army AMG.

3. (a) Sub-Commissions operating in the field will likewise issue no orders changing the Assignment or Attachment of personnel to their operating forces or from the operating forces to another unit. The head of the section or sub-commission involved will make request for such transfer or Attachment to Headquarters ACC.

(b) Sub-commissions operating a distance from headquarters may and should issue travel orders when journeys required are of considerable length.

4. Emergency transfers of officers or EM/ORs from the forward areas may be made by verbal order, but must be accompanied by a request to Headquarters ACC to confirm the transfer by a written order.

ESTABLISHMENT MEMORANDUM NUMBER 5A

1. This Memorandum clarifies and supplements Establishment Memorandum No. 5, "Local Purchases and Contracts".

2. Establishment Memorandum No. 5 is intended to apply only to purchases and contracts to provide for, rebuild, or refurbish messes, billets, offices, or other buildings used or occupied by the Allied Control Commission. It does not apply to purchases or contracts for routine operational requirements such as printing, stationery, office equipment, etc.

3. In the last sentence of Establishment Memorandum No. 5, the term "purchase" is used to include a number of separate purchases for the same service. Some confusion has arisen over the exact meaning of this sentence. If, for example, the total expenditure required to condition a building was L. 45,000 and if for any reason there were three separate contracts for L. 15,000 each, the "purchase" would be regarded as one of L. 45,000 and not as three purchases of L. 15,000 each.

4. It is not possible to lay down hard and fast rules on the subject of the purchase of office equipment as much must depend on local conditions such as the possibility of drawing from Army sources and the quantity and state of the office equipment existing in offices requisitioned. Regional Commissioners should, however, exercise the greatest care in seeing that expenditure on office equipment covers only absolute essentials. They should also assure themselves that the power to authorize all purchases of this nature is channelled through a responsible officer and that proper inventories are maintained of all capital assets purchased, such as tables, chairs and typewriters.

ESTABLISHMENT MEMORANDUM NUMBER 9
RULES FOR ITALIAN (SOLDIER AND CIVILIAN) DRIVERS

1. The general shortage of Army drivers, both American and British, throughout Allied Control Commission organizations will continue to increase as additional territory and activities come under control of ACC. Since it is the policy to maintain an Establishment of military drivers in the Forward Regions, (especially in AMG of the 5th and 8th Armies) Regions and units in the rear areas must solve the driver problem by the increased use of Italian (Sicilian) drivers. Steps have been taken by this Headquarters to obtain the services of an Italian Army unit of qualified drivers, but it will take time to recruit and train these drivers and the driver situation is becoming more acute each day.
2. You are, therefore, authorized to employ qualified Italian (Sicilian) civilian personnel to drive the government vehicles held on your charge.
3. The following procedure must be followed in the hiring of these drivers:
 - a) They must be carefully screened for political reliability.
 - b) Their credentials must be carefully examined for past experience and training.
 - c) They must be given instruction in driving and drivers' maintenance in accordance with regulations, American or British.
 - d) They must be tested as to driving ability and the knowledge of drivers' maintenance, and when they are found to be qualified, Driver's Licenses will be issued for the type of vehicle to which they are assigned, as required by American and British regulations.
 - e) In addition to the Driver's License, they must be in possession of an "Authorization to Drive" the particular vehicle to which they are assigned. (See form of authorization in Schedule "A").
 - f) They will be thoroughly instructed in all regulations for the safeguarding from theft of vehicles and parts.
4. ~~a) Pay for civilian drivers must be in conformity with scales laid down by the War Relocation Authority of the War Relocation Authority.~~
~~b) Rations will not be issued to these drivers. (The subject of rations is under consideration, and particulars will be forwarded as soon as known).~~
 AFHQ ADVANCE ADMINISTRATIVE ECHelon: ADMIN: INSTRUCTIONS 24 & AMPTS
5. A return giving full particulars of employed Italian (Sicilian) drivers will be sent to this Headquarters the first of each month, showing the strength as on the last day of the preceding month. Casualty returns will be sent as and when they occur.
6. American and British drivers released by the use of civilian drivers will be reported to this Headquarters for reposting as soon as they have been released.

7. Accidents to or loss of vehicles will be reported and investigated by Surveying Officers (A) and Boards of Inquiry (B), who will fix responsibility under American or British regulations, according to which nationality the car belongs.

PROMOTION OF OFFICERS

I. BRITISH OFFICERS.

1. Recommendations for promotion of British officers will conform to the provisions of Establishment Memorandum No. 1 — M.S. MATTERS (BRITISH PERSONNEL).

II. AMERICAN OFFICERS.

1. The following procedure will be followed in recommending American officers for promotion:

a) Recommendations may be submitted at any time after the officer has served the required minimum time in grade and it is considered that the performance of duty by the officer recommended has indicated that he is worthy of promotion. Since there is no set TO/WE, the requirement for three months in position of vacancy will be considered to be three months assignment to suitable positions in ACC/AMG, not necessarily three months on any one assignment.

b) Recommendations will be originated by the senior American officer in the Province, Region, Sub-Commission, or Branch in which the officer is serving. They will be forwarded through normal command channels to Headquarters A.C.C.

c) Recommendations will be submitted in triplicate and will follow the form shown in Appendix P. These forms may be mimeographed or typed and all the information must be given and given in the same sequence as shown on the attached form. In case any item of information may not be available, that space will be left blank to be filled by Headquarters 2675th Regiment.

2. Recommendations for promotion will be forwarded as indicated below:

a) *For Officers assigned to Regions:* Recommendations will be submitted by the next superior American officer, to the Senior American officer at the Provincial Headquarters, who in turn will forward it to the senior American officer at Regional Headquarters, who will forward it to Headquarters ACC. Each superior echelon in turn will approve or disapprove, adding such remarks as may be pertinent. In cases where the Provincial or Regional Commissioners are not American, the Provincial or Regional Commissioner will express his concurrence or dissent in a covering letter which will be forwarded with the recommendation. The approval or disapproval by the Commissioners is a necessary function of command and it is required separately only in order that the actual formal recommendation will be forwarded through American officers and the signature of British officers will not appear on the official form or document in connection with the promotion of American officers.

b) *For Officers assigned to Sub-Commissions:* Recommendations will be originated by the senior American officer in the Sub-Commission and they will be forwarded through the Section Head, or, for independent Sub-Commissions, through the RC and MG Section, to the Executive Commissioner. Where the senior officer of the Sub-Commission or the Section is a British officer, the Section Head will indicate his approval or disapproval by covering letter as indicated in "a" above.

c) For officers assigned to the Establishments Branch, or separate staff Sections, recommendations will be processed through the Establishment Branch to the Executive Commissioner.

3. a) Heads of Sub-Commissions, whose officers have served alternately in Headquarters and in various Regions for short periods, may submit to Provincial or Regional Commissioners, a list of specialist officers whom they consider qualified for promotion, if the officers have been overlooked by the Commissioner due to the short period of service in their present assignment. When this is done, the Head of the Sub-Commission should cite the reasons which make him believe the officers are entitled to promotion, and should include the various assignments the officer has filled and the manner of performance.

b) Where only one American officer is assigned to a Province, Region, Sub-Commission, or Branch, the British officer who is superior to the American officer, will make recommendation to the next higher echelon by means of a letter citing the circumstances and giving so much of the information required in the promotion recommendation form as is available to him.

4. When the Executive Commissioner has acted upon the recommendation and the recommendation is approved by him, one copy of the form will be used by the Commanding Officer, 2675th Regiment, ACC, for preparation of the pertinent NATOUSA promotion form. In the event the Executive Commissioner disapproves the recommendation, the papers will be returned by Headquarters, Allied Control Commission, to the Region, Sub-Commission or Branch concerned, with the exception of one copy which will be placed in the Regimental 267 file of the officer concerned.

5. All recommendations for promotion submitted prior to 1 March 1944, will be disregarded. Therefore, new recommendations must now be submitted in compliance herewith.

6. All previous instructions in conflict herewith, are rescinded.

ESTABLISHMENT MEMORANDUM NUMBER 11

CLASSIFICATION OF DOCUMENTS

The combined Chiefs of Staff have approved an agreement made between the American and British Services on the definition, classification and handling of matters to be safeguarded. Procedures, Names, Definitions and handling hereinafter set forth are to be put into effect by all United States Army and British Army Headquarters on 0001, 15 Mar 44.

Instructions to the same effect are being issued for the same effective date by the United States Navy, Royal Navy and Royal Air Force.

U.S. Army Regulation 38-5 and «Classification and Handling of Protected Documents» are being revised.

From 15 Mar 44 to date of receipt of these revisions the policy hereinafter outlined will be followed by all concerned. No change in the classification of existing documents is necessitated by this agreement.

Categories: Official matter requiring classification shall be examined and graded under one of the following categories:

TOP SECRET: (Signal Abbreviation - TOPSEC): Certain secret documents, information and material, the security aspect of which is paramount, and whose unauthorized disclosure would cause exceptionally grave damage to the nation, ie., PLANS OF FUTURE MAJOR OPERATIONS.

SECRET: Documents, information or material, the unauthorized disclosure of which would endanger the National Security, cause serious injury to the interests or prestige of the nation or any government activity thereof, or would be of great advantage to a foreign nation, i.e., VITAL MILITARY INFORMATION.

CONFIDENTIAL: Documents, information, or material, the unauthorized disclosure of which, while NOT endangering the national security, would be prejudicial to the interests or prestige of the Nation, any Governmental activity, an individual or would cause administrative embarrassment or difficulty or be of advantage to a foreign nation, i.e., ROUTINE INTELLIGENCE AND OPERATIONAL REPORTS.

RESTRICTED: Documents, information or material (other than TOP SECRET or CONFIDENTIAL) which should NOT be published or communicated to anyone except for official purposes, i.e., TRAINING AND TECHNICAL DOCUMENTS FOR OFFICIAL USE ONLY.

The United States regards TOP SECRET as a sub-division of SECRET. On the other hand, the British regard TOP SECRET as a distinct category. Although this difference of view is recognized, it is immaterial to this agreement under which working uniformity is obtained by the adoption of agreed definitions, examples, and rules of treatment, for the handling of all classified matter.

GRADING: 1. The designation of persons responsible for grading and regrading will be a function of the proper authorities.

2. Each document should be graded according to its own content and not necessarily to its relationship to another document. This also applies to extracts from graded documents.

3. The grading of a file or group of physically connected documents shall be that of the highest graded document therein.

REGRADING: It is the obligation of all authorities to keep classified matter constantly under review and to downgrade it as soon as conditions permit.

HANDLING (Treatment): No person is entitled solely by virtue of his rank or position to knowledge or possession of classified matter. Such matter is entrusted only to those individuals whose official duties require such knowledge or possession.

SECRET matter will be handled in accordance with the following rules:

1. The highest grade cryptographic systems available will be used for the transmission of SECRET messages.

2. SECRET documents will be transmitted only by officially designated courier in double sealed envelopes, the inner one being marked SECRET, and will be opened only by the addressee or his authorized representative. Where officially designated courier service is NOT available, SECRET documents may be transmitted by registered mail service or mail service superior to Registered Mail Service, if the service is completely within national control.

3. Transmission and custody of these documents and material will normally be covered by a receipt system and registered documents and material periodically accounted for. It is mandatory that registered documents be covered by a receipt system.

4. SECRET Messages will not be transmitted by electrical means in the clear, except over approved circuits and provided that there is no violation of the rule that messages which have been or are to be transmitted in a high grade cryptographic system of one nation will NOT be relayed by the other nation between point of origin and destination by electrical means in clear language or unapproved "SCRAMBLER" system or low grade cryptographic system.

5. It is the responsibility of the commissioned officer or equivalent civilian holding custody of SECRET documents to ensure that all security precautions are taken to guard such documents at all times.

TOP SECRET matters will be handled in accordance with the above rules, with additional safeguards as follows:

1. Under no circumstances will such matters be transmitted by registered mail or by electrical means in the clear.

2. It is mandatory that transmission and custody of such matter be covered by a receipt system.

3. TOP SECRET documents will be handled only by persons specifically designated and may NOT be disclosed to any person solely by virtue of his rank or office.

CONFIDENTIAL matters will be handled in accordance with the following rules:

1. CONFIDENTIAL documents, except registered, will be transmitted by approved official means. Registered CONFIDENTIAL documents will be handled in the same manner as registered SECRET documents.

2. It is the responsibility of the commissioned officer or equivalent official holding custody of CONFIDENTIAL documents to insure that proper appropriate security precautions are taken at all times.

RESTRICTED matter will be handled in accordance with the following rules:

1. RESTRICTED documents will be transmitted by such approved channels as will provide a reasonable degree of security.

2. Registered RESTRICTED documents will be transmitted from foreign countries in the same manner as registered SECRET documents.

b) United States Navy, Marine Corps, Coast Guard and Public Health Service personnel corresponding in rank to those enumerated in a) above.

d) French, other United Nations and co-belligerent personnel corresponding in rank to a and b, above, when on duty at Allied Force Headquarters, or on liaison duty with United States Armed Forces.

e) Under exceptional circumstances enlisted personnel of United States Armed Forces may be subsisted at officers' messes but will not be required to pay for either the cost of the ration or any supplementary charge thereto.

f) Duly accredited correspondents, photographers, entertainers, and Red Cross personnel.

g) Members of Congress, cabinet officers, and other high ranking government officials and their parties.

h) Commanding officers under whose jurisdiction the mess is being conducted may authorize civilian employees of the United States Government and of the British to eat at officers' messes when no civilian messes are conveniently available and the extension of the mess privilege is to the best interests of the United States.

3. All individuals enumerated in paragraph 2, above, will be rationed at the mess to which assigned by competent authority, whenever more than one officers' mess is being operated in any one locality. Admission will be by membership card; transients will be accommodated in any mess.

4. In addition to the cost of subsistence allowance of seventy-five cents (75 c), all persons, except enlisted men, eating at Army officers' messes may be charged, *not to exceed* twenty-five (25 c) per day, for additional items. This sum will be paid in cash to the mess officer.

5. Officers, warrant officers, flight officers, WAC officers, and members of the Army Nurse Corps, United States Army, will have deducted on their next pay voucher the sum of seventy-five cents (75 c) for each day's stay in this theater. However, upon entering or leaving this theater, when less than three meals are consumed, deductions will be made at the rate of twenty-five (25 c) cents for each meal. The rate of seventy-five cents (75 c) per day is retroactive to 1 October 1943, and necessary collections will be made for under-deduction subsequent to that date.

6. Members of the United States Navy; Marine Corps; Coast Guard, Public Health Service, correspondents, photographers, Red Cross personnel and civilians will pay the mess officer the sum of seventy-five cents (25 c) per day in cash, in addition to the amount called for under paragraph 4, above. The mess officer will turn in the money received for the ration to the sales officer.

7. All foreign military and naval personnel will sign a receipt for each ration received except that when a large number is being fed at one mess application may be made to this headquarters for one officer to be designated to sign for the group, as a whole. All issues to foreign military and naval personnel will be recaptured by the mess officer by means of shipping tickets in quintuplicate.

Separate shipping tickets will be used for each nationality, and will show in all cases the names, rank, and organization of the officers and/or enlisted men to whom rations were furnished. The shipping tickets will be signed by proper authority, and will be forwarded in quadruplicate to the appropriate base section or Air Force commander for inclusion in Lend-Lease Report, or special report for co-belligerent accounting.

8. Mess officers will be held strictly responsible for instituting an accurate check or control system for determining the actual count of individuals fed at each meal. The control system will be of such a nature that will exclude unauthorized individuals from the mess and insure compliance with instructions in this circular concerning procedure for obtaining reimbursement for rations furnished to foreign personnel.

9. Civilian cooks, waiters, and mess attendants employed in messes run by the United States Army are authorized rations as part of their compensation. Requisitions and supporting papers covering these rations will cite this circular and War Department Circular Number 21, 15 January 1943, as authority for issue, and such vouchers will be accepted by inspecting officers as sufficient support of entries on stock record accounts.

ISSUE OF SUPPLIES TO ACC/AMG FROM ARMY DEPOTS

1. In order that proper accounting may be maintained both by the Armed Forces and by ACC it is essential that all ACC/AMG officers requisitioning or drawing stores or supplies from British or American Army depots should state clearly whether such issues are for ACC/AMG's own use and consumption (e.g. rations, Q.M. Stores for messes, offices, etc.) or whether they are for reissue to Italian civilians either direct from the Army Depot or via an ACC/AMG warehouse.
2. This information will be embodied in the requisition: for example, « Required for 2675th Regiment » (this would apply to rations or other issues from American Depots for ACC/AMG's own consumption); « Required for ACC/AMG Civilian supplies Warehouse of X »; « Required for Refugee Camp of Y behalf of ACC/AMG for civilian use ».

ESTABLISHMENT MEMORANDUM No. 23
Including Amendment No. 1

REQUISITIONED HOTELS

GENERAL PRINCIPLES:

1. The following instructions refer to hotels requisitioned fully furnished and equipped (as distinct from hotels requisitioned for office purposes) and occupied by ACC/AMG for purposes of officers' billets and messes. Such part of ACC Administrative Order No. 2 of 27 January 1944 as referred to hotels is hereby rescinded, but such part thereof as referred to other accommodation for billets and messes, e.g. requisitioned villas and apartments, remains unaltered.

2. As set out in HQ AAI Letter 72/2/Q2 of 1 March 1944, in subsequent instructions from AAI and ACC Letter 13048/F of 22 August 1944 to R.F.Os, an agreement has been reached between the Allied Armies and the Italian Government whereby the latter, through the Comando Genio Militare, will assume responsibility for payment of all running expenses of certain hotels requisitioned and occupied as billets and messes by the Allied Armies. Included in the hotels covered by this agreement are all hotels so occupied by ACC/AMG. Hotels requisitioned and used as offices are not covered by this agreement; no fully furnished and equipped hotels should be used as accommodation for EM/ORs.

3. Except in cases of emergency during the early days of the occupation of a hotel (as specified in para. 12 below), no payments will be made out of ACC/AMG funds in respect of wages of civilian employees or other running expenses of the hotel as detailed later in this memorandum. Instead, these payments will be made by the hotel management, which will be indemnified in due course in accordance with Italian law for the entire period of requisition. However, pending final determination of the indemnity to be paid, the Comando Genio Militare will make advances to the hotel management to enable them to provide continuity of service. Instructions for obtaining the data on the basis of which these advances for the period to 31 July 1944 will be made and for reporting ACC/AMG payments (which will also be considered as payments on account of the total indemnity) have already been issued to R.F.Os, in letter 13048/F of 22 August 1944. Arrangements for future payments are dealt with hereinafter.

4. All regional officers whose duty it is to obtain the requisitioning of hotels should contact the nearest Claims and Hirings Officer, British Forces, whose duty it is to see that the arrangements made with Comando Genio Militare are implemented.

5. As indicated in the following detailed instructions, there will be a military officer in charge of each hotel, who will have certain specific duties and responsibilities to undertake. Regional Commissioners and the ACC Headquarters Commandant will, if they have not already done so, arrange to have appointed an "Allied Officer in Charge" of each hotel occupied by ACC/AMG for purposes of billeting and messing.

6. The above are the general principles involved. Detailed procedure is dealt with below.

DETAILED INSTRUCTIONS:

7. The actual requisitioning of hotels for ACC/AMG officers' billets and messes will be handled through the appropriate military authorities (Base Section, Town Major, etc.), who have been fully informed of the arrangements referred to in this memorandum.

8. It is essential when a hotel is requisitioned for ACC/AMG officers' billets and messes that a complete physical inventory of the furniture and equipment be taken by an ACC/AMG officer immediately the premises are occupied. This inventory must include reserve stocks of linen, china, cutlery, furniture, etc., but will not include such items as wines and spirits belonging to the hotel. This inventory, properly authenticated by ACC/AMG and countersigned by the hotel management, must be forwarded promptly to the military authority requisitioning the hotel; a copy of the inventory will be retained at the Regional ACC/AMG Headquarters as a record of the articles requisitioned.

9. If a requisitioned hotel has more accommodation than is required by ACC/AMG officers, the surplus will be made available to transient officers or left vacant, rather than allow the hotel management to rent any portion of the hotel to civilians.

10. As indicated above, it has been arranged that, pending final determination of the compensation payable by the Italian Government to requisitioned hotels, the Comando Genio Militare will advance funds to the hotel managements to assure the continuity of service.

11. These advances will be made to the hotel management by the Comando Genio Militare on the basis of monthly statements (which must be approved by the Allied officer in charge of the hotel) of payments made by the management for the following items:

- (a) Wages and salaries of the civilian staff, at the authorized rates.
- (b) Replacements of crockery, cutlery, linen, glassware, etc.
- (c) Minor repairs necessary to maintain service.
- (d) Purchase of cleaning materials, etc.
- (e) Laundry charges, if additional to (a) and (d) above, but excluding the personal laundry of occupants.

(f) Essential insurance, including compulsory social insurance contributions and benefit (e.g. family allowance) payments.

(g) Heating expenses (including fuel for cooking).

This statement will not include any element of profit, rent or dilapidations.

12. If the hotel has sufficient working capital to meet its current expenses until the first advance can be made, all operating expenses will be paid by the hotel management. However, if the management is unable to pay the operating expenses and an advance cannot immediately be obtained from the Comando Genio Militare, then payments may be made out of ACC/AMG funds until funds are made available to the hotel management. Disbursements out of ACC/AMG funds must be supported by the vouchers prescribed by the Chief Accountant of ACC for use by Sub-Accountants (see Sub-Accountants Instructions Nos. 1 and 2).

13. The statement referred to in para. 11 above requires the approval of the Allied officer in charge of the hotel. Furthermore, any payments made out of ACC/AMG funds requires the approval of the officer in charge of the hotel. The following explanations are accordingly submitted for guidance:

(a) As regards payments made by the hotel management, the officer in charge of the hotel is required to "certify that the wages paid are correct", but as regards other expenditures his responsibility "is confined to the quality and quantity of the services received and does not include the prices". This is interpreted to mean that the officer concerned should, wherever possible, be present when employees are paid and see that they receive their money and sign the payroll, make tests from time to time to ensure that employees verify social insurance contributions or the clerical accuracy of the payrolls. As regards payments other than for salaries and wages, the hotel management should be instructed that only such bills as had received the approval in writing of the officer as to quantity and quality could be included in the monthly statements. The officer in charge of the hotel should initial payrolls, orders, invoices, etc. "For Identification" when verified or approved and at the end of each month he should compare the management's statement with these initialed documents. He will then append the following signed declaration at the foot of the management's statement:

"With reference to the above statement, I certify to the best of my knowledge and belief that (a) the basic gross rates of pay for civilian employees are within the authorized limits, (b) that I have satisfied myself that employees figuring on the payrolls have been paid and are "bona fide" employees of the hotel, (c) that the number of employees is not excessive, and (d) that the services and supplies included in the statement were authorized by me and that the quantity and quality thereof is fair and reasonable.

1944

Signature and Rank

- (b) As regards any emergency payments made out of ACC/AMG funds, the officer in charge of the hotel must accept full responsibility as to quantities, quality, prices or rates, arithmetical accuracy of bills, etc. as prescribed in Sub-Accountants Instructions Nos. 1 and 2.
- (c) It is to be noted that if wages and salaries are paid out of ACC/AMG funds because the hotel management is unable to meet these expenses, no deductions will be made for social insurance contributions and no benefits (e.g. family allowance) payments will be made. However, if the employees are paid by the hotel management, social insurance contributions and benefit payments will be dealt with in accordance with Italian law as modified by Proclamations, etc.
- (d) Where Allied military rations are provided, Lire 900 per month will be deducted from the wage or salary of each employee, whether payment is made out of ACC/AMG funds or by the hotel management. However, where deductions for such rations are made by the hotel management, the amount of such deductions will be paid over by the management to the nearest ACC/AMG Sub-Accountant and it will be the responsibility of the officer in charge of the hotel to see that payment is duly made; this procedure has retroactive effect.
- (e) It has been intimated that, wherever practicable, the former staffs of requisitioned hotels should be retained. However, should the existing staff to a hotel be obviously in excess of requirements, for example in the case of a hotel only partially occupied, it will be the responsibility of the officer in charge to see that an excessive number of employees is not retained on the payroll, whether payment is made out of ACC/AMG funds or by the hotel management. In these circumstances, it may not be practicable to keep the number of cooks, waiters and kitchen employees within the limits for messes set out in ACC Administrative Order No. 2 of 27 January 1944 and consequently the limits imposed by this Order are hereby relaxed insofar as messes in requisitioned hotels are concerned. Administrative Order No. 2 remains in effect so far as messes other than in requisitioned hotels are concerned.
- (f) Essential "War Damage" repairs should be carried out and paid for by the hotel management. If the management have no funds available for this purpose, bearing in mind their hotel running expenses they must be instructed to make application to the Italian Government (Ministry of Public Works), under the provisions of R.D. 26 October 1940, No. 1543. This law governs the procedure for Italian Government participation in the reconstruction of war-damaged privately-owned property. In exceptional circumstances, it may be possible to utilize the appropriate Army Engineering Services (Royal Engineers or Corps of Engineers). In this latter case, the cost is recorded by Armies, and no further action by ACC/AMG is necessary.
- (g) Public services such as water, electricity, etc. will be taken care

of by the Comando Genio Militare direct and consequently will not be paid either by the hotel management or out of ACC/AMG funds.

- (h) It is intended that bars should be operated as a separate unit either by the hotel management or the ACC/AMG Mess and therefore no expenses in connection therewith should be included in the monthly statement referred to in para. II above.

14. Regional Commissioners must report to the Chief Accountant at ACC Headquarters the date as from which each hotel in their region has been requisitioned for ACC/AMG officers billets and messes and indicate whether any expenses have had or will have to be paid out of ACC/AMG funds.

REQUISITION OF MOTOR VEHICLES

1. Authority previously delegated to Regional Commissioners to requisition motor transport in their respective regions is rescinded insofar as it affects Italian Government territory and the Commune of Naples. Headquarters, Allied Control Commission and its subordinate Commissions, Branches and other Subdivisions will not requisition motor vehicles in the above territory. Under very exceptional circumstances, individual requests for authority to requisition may be submitted to this Headquarters for action. Such requests should include specific details and full justification.

2. Requisitioned cars will not be transferred from one region to another except by authority of this headquarters, which will be granted only in exceptional circumstances. Regional Commissioners will derequisition and return all vehicles not essential to operation on the reduced scale contemplated by transfer of territory to the Italian Government. (See Establishment Memorandum 21, dated 3 September 1944).

3. * The designation of geographical names for Regions in lieu of numbers will not alter the procedure for assigning registration numbers to vehicles and for the marking of these vehicles. Roman numerals will continue to be used

in all Regions with the exception of Southern, Liguria and Piemonte Regions who will use the capital letters SR, L and P respectively in place of Roman numerals ».

OFFICE MEMORANDUM NUMBER 1

1. Uniformity of policy on important Economic and Administrative matters throughout Italian territory under Allied Control is of paramount importance.

2. There are, however, three groups interested in such questions of policy: the Allied Control Commission, the Italian Government, and, with respect to the forward areas, the Armies. Each of these three Groups should be advised of the establishment by one of the others of any general policy affecting civil affairs; where necessary, agreement must be secured in advance.

3. Accordingly, it is requested that whenever material is submitted as the basis for an Executive Memorandum, the responsible officer in the appropriate Sub-Commission, or Section, will indicate thereon whether or not the proposed order has been approved by the Italian Government. Inversely, whenever the Italian Government, with the approval of HQ ACC., establishes a policy, consideration should be given to the desirability of making that policy effective in territory under A.M.G. administration by an Executive Memorandum.

4. Copies of all Executive Memoranda will in all cases be sent to the S.C.A.O's. 5th and 8th Armies so that wherever possible they will plan their own operations with a view to compliance therewith.

OFFICE MEMORANDUM NUMBER 4

1. The following information in regards to SCM Radio Service to the United States from Italy is extracted from PDS Circular Number 52 dated 30 April 1944, and NATOUSA Circular 51, 9 April 1944, for the information and guidance of all concerned.

2. Effective 1 May 1944, sender's composition radio service to United States, via RCA station, Naples are inaugurated for U. S. Military and naval personnel in Italy, including U. S. civilians attached to U. S. Armed Forces. This service is already available from U. S. to Italy. Sender's composition messages (SCM) will be restricted to night letter telegrams (NLT), and will be filed with unit EFM exsors in the same manner as EFM.

3. Rules for counting words and general information governing sender's composition messages (SCM).

a) Every word written by sender for transmission is counted and charged for. This includes the address and signature.

b) The signature must contain the first name or initial and last name.

c) The City and State in the address will count as a single word if grouped together; for example:

SanFranciscoCal. 1 word

NewOrleansLa 1 word.

d) Expressions like stop, comma, and period when written out, count as one word.

e) Every isolated character, letter or figure and every sign of punctuation, apostrophe, hyphen or fraction bar, transmitted at the request of the sender is counted as one word.

f) Recognized abbreviations; such as, FOB, COD or POB are single words.

g) Words of over fifteen letters or figure groups of over five digits count as two chargeable words; For example:

Transcontinental — 16 letters — (2 words)

678201 — (2 words).

h) Running words or parts thereof together in the text or address are known as evasions and will not reduce the word count; For example:

ALLBEST — (2 words)

i) The indicator NLT (Night Letter) must appear as the first word of the address and is charged for.

j) An address written:

1. NLT Mary E. Jones, counts as (4 words).
2. NLT Mrs Mary E. Jones (5 words).
3. NLT Mary Jones (3 words).

An example of a complete address follows:

NLT Mary Jones 225 West 79th Street
NewYorkCityNy — (8 words).

k) Here is an example of how a message would be counted:

NLT MARY JONES 48 RIDGE STREET RICHMONDVA
SALE OF HOUSE APPROVED HAPPY TO HEAR MOTHER WELL
ALL MY LOVE DEAR

JOHN E DOE

The foregoing totals 23 chargeable words. As this does not exceed the minimum of 25 words, the charge for the above would be \$ 2.58, which is what an NLT would cost to Virginia.

4. NAME, ADDRESS, TEXT AND SIGNATURE WILL BE PRINTED TO INSURE CORRECT TRANSMISSION OF MESSAGE.

5. All other existing regulations and instructions contrary to the provisions herein are rescinded. Censorship regulations governing the use of cable and radio services conform generally with those applicable to postal communications. Circular Number 32, Hq. NATOUSA, cs, (US Military Censorship Regulations), referring primarily to postal censorship, remains in effect and will be applied in conjunction with these regulations.

6. *Address.* Gablis will be directed to normal, clear addresses. Code or registered addresses will not be used. Abbreviated addresses or addresses not readily understood may subject the cable to delay. If the message is addressed to other than an individual, it may be held while the reliability of the firm or group addressed is established.

7. *Signature.* All messages must be signed. The signature will be the normal signature of the sender and must include last name and initials, last name, middle initial and first name; or full name. Nothing else may be shown. Rank, serial number, unit or organization, and APO number will *not* be included in the signature nor shown elsewhere in the message text.

8. *Subject and Language.* Ordinary cable service as covered by these regulations is authorized in order to facilitate the transaction of urgent personal business, family affairs, greetings not sufficiently covered by EFM texts, and other personal matters. The following special types of messages for which other facilities are provided are specifically excluded from this service:

- a) Official business.
- b) Press dispatches or other matter intended for publication.
- c) Money transfers.
- d) Orders for flowers, candy, or other merchandise.

Ordinary cables will be in English, unless specific authorization to use some other language is obtained from the Chief Base Censor of the Base Censorship Detachment through which the cable is cleared. They will be in plain language. Commercial, private, or other codes will not be used. Use of any phrasing, abbreviations or expressions, the meaning of which is not entirely clear may subject the message to delay or suppression.

9. *Prohibited Statements:*

a) The sender must assume that his cable will be intercepted by the enemy. Information transmitted in this manner becomes more quickly available to enemy agents than that sent in any other way. Valuable intelligence can sometimes be obtained by the study of large numbers of messages each of which is innocent in itself. For these reasons, the sender must be particularly alert to preserve security in personal cables and these are subject to restrictions in addition to those placed on postal communications.

b) Matter forbidden in ordinary letters is also forbidden in ordinary cables. (See paragraph 10b, Circular // 32, Hq. NATOUSA, cs).

c) "Conditional Statements" as listed in paragraph 10a, Circular Number 32, Hq. NATOUSA, cs, are prohibited in ordinary cables.

d) The following are also prohibited in ordinary cables:

- 1) Any reference to location of sender or other military personnel. (For example: the expression "I am in North Africa", although permitted in letters, is prohibited in cables. A statement such as, "Have seen Uncle Jean", may reveal location if addressee can be assumed to know location of persons mentioned).
- 2) Designation or location of a unit, branch, arm or service, or any installation of the United States Armed Forces and related agencies or those of its Allies. This applies to units outside, as well as within, this theater, except as may be required in addresses to military personnel.
- 3) Notification of safe arrival in any form.
- 4) Any reference to movement. (For example, such statements as: "Hope to see you soon", or "Am leaving this station", are prohibited).
- 5) Movement or prospective movement of any high government official.

Lt Col, AGD,
Executive Officer

OFFICE MEMORANDUM NUMBER 5

PROVISION AND USE OF SIGNAL FACILITIES

I. GENERAL.

When the Armies move forward there will be a period when the scale of line communications will be drastically reduced, particularly in the forward areas. This will be inevitable, since not only is time required to extend the system, but damage will undoubtedly be very much higher than previously. Furthermore existing resources will be more stretched as the advance proceeds.

Everyone must, therefore, be prepared to work on a very much reduced telephone service, and to rely in the forward areas to a large extent on R/T. The telegraph service will also be more dependant on the use of wireless channels, which have a smaller traffic capacity than line channels and are subject to greater delays owing to the necessity of enciphering. The communication service must therefore be used with the maximum of economy, and the following rules will be observed:

Telephones

- a) Telephone calls will be initiated only as a necessity and not as matter of convenience.
- b) Telephone conversations will be kept short.
- c) R/T technique and discipline must be known and practised now by all concerned without noticeable increase of R/T traffic on the air.

Telegrams

- a) Will be carefully drafted to exclude all redundant words.
- e) Abuses of priorities must be eliminated.
- f) Attention will be paid to the security markings, particularly the distinction between «CONFIDENTIAL» and «SECRET» messages.

Express Letter Service

- a) Nothing will be sent by ELS where it can just as well be handled by the Army Postal Service.

b) Liaison officers, travelling from one headquarters to another, will invariably help Signals by taking any outstanding despatches, which might otherwise have to be sent by Special Despatch Rider.

These rules must be practised now. Commanders are, therefore, requested to ensure that the substance of this letter is brought to the notice of all subordinate commanders and staffs at all levels, and that proper attention is paid to enforcing the rules in para 4 above forthwith.

II. TELEPHONE PRACTICE

Information

1. Instances have arisen of confusion and resulting loss of time in setting up priority L. D. telephone calls between British and American switchboards in the L. of C. (communication zone) network due to differences in terminology and operating procedure.

Intention

2. To define the equivalent BRITISH and AMERICAN priority classifications and to establish a combined operating procedure for such L. D. telephone calls.

Method

3. Equivalent classifications

British		American
CLEAR THE LINE	Equivalent to	URGENT
or		
CLEAR THE LINE EMERGENCY AIR		or
PRIORITY	Equivalent to	OPERATIONAL PRIORITY
ROUTINE	Equivalent to	PRIORITY
		ROUTINE

a) CLEAR THE LINE or (CLEAR THE LINE EMERGENCY AIR) and URGENT or (OPERATIONAL PRIORITY) classification; reserved for only such calls as must be rushed through with a minimum delay.

b) PRIORITY classification will be used only for such calls which cannot be classified as URGENT (CLEAR THE LINE) but which warrant precedence over ROUTINE calls in order to reach the addressee in time for effective action.

c) All other calls will be considered as ROUTINE.

4. Classification will be made by the originator in accordance with the prevailing BRITISH or AMERICAN regulations.

a) BRITISH regulations will apply to the classification of calls originated by BRITISH formation and AMERICAN regulations will apply to calls originated by AMERICAN military personnel.

5. *Operating procedure.*

The classification of a call is not the responsibility of the operator.

a) **CLEAR THE LINE, CLEAR THE LINE EMERGENCY AIR, URGENT AND OPERATIONAL PRIORITY CALLS.**

Calls of the above classification will take precedence over all calls of lower classification and will be "rushed" through with a minimum of delay.

If a circuit is occupied by a priority or routine call and is required for a CLEAR THE LINE, CLEAR THE LINE EMERGENCY AIR, URGENT or OPERATIONAL PRIORITY call, then the priority or routine call will be broken down.

CLEAR THE LINE, CLEAR THE LINE EMERGENCY AIR, URGENT and OPERATIONAL PRIORITY calls are of equal importance and one will not take precedence over the other.

b) *Priority calls.*

(i) Take precedence over and will be established in advance of all routine calls.

(ii) All priority calls will be recorded as provided in para 5 (a) (i) above.

(iii) Priority calls which cannot be completed on demand will be booked and completed in chronological order over the first available circuits in advance of any routine call.

(iv) Routine calls will not be broken down to establish priority calls except that when a Priority call is held waiting for a circuit occupied by a Routine call for more than five minutes, the operator will notify the talking parties that a Priority call is waiting and will break down the connection.

c) *Routine calls.*

(i) Will be established on demand when possible and, if not, will be recorded (booked) and connected in the order of recording.

OFFICE MEMORANDUM NUMBER 5A

1. It may happen that telegrams are wrongly marked by the Message Centre « For Action » to the Section, Branch or Sub-Commission which is not functionally concerned with the subject matter and « For Info » to the office which should take action.
2. On occasions telegrams are sent « For Info » to all concerned.
3. In these circumstances it is the duty of the office which is functionally concerned with the subject matter to take action regardless of the distribution made by the Message Centre and to inform immediately the Message Centre and the office to which the message may have been (wrongly) sent for action of this intention.
4. This does not absolve the office to which a Signal has been marked « For Action » from either taking action or informing the Message Centre.

ACC HEADQUARTERS TELEPHONE INSTALLATIONS
AND ALLOCATIONS

1. The telephone installation in the Ministry of Corporations Building is considered adequate for the needs of ACC Headquarters. However, there is need for economy in the installation of telephone, as traffic in a Headquarters such as this is heavy, and extensions to existing control office equipment may be difficult of accomplishment.
2. The Headquarters Commandant has therefor made an allotment of telephones to each Section or Independent Sub-Commission. Assignment of telephones from this allotment to individual members of Sections or Independent Sub-Commission will be made by the Senior Officer of each Section or Independent Sub-Commission.
3. Requests for installation of telephones will be made in duplicate on the attached form, which can be obtained at Room 10, 1st Floor.
4. There are three kinds of telephone service available. All three require use of dial.
 - a. *Connection to ACC switchboard - unrestricted service:* Can by dialing number desired call any telephone connected to ACC switchboard. By dialing « zero » is connected to Telephone Company network and can then dial any number connected to each network. All incoming calls from outside are handled by the ACC operator.
 - b. *Connection to ACC switchboard - restricted:* Can make and receive calls to or from any telephone connected to ACC switchboard but cannot make or receive calls from city network.
 - c. *Direct connection to Telephone Company Rome City system:* This permits calling other units whose switchboards have dial numbers or any telephone connected to city network. However, to call a telephone connected to ACC switchboard, the switchboard number must be dialed and operator asked for desired party.
5. All requests for telephone service must be signed by Senior Officer of Section or Independent Sub-Commission or his authorized delegate. (Requests

from individuals cannot be accepted). Name of delegated officer should be furnished promptly to the Communications Officer, Room 10, 1st Floor.

6. The number of personnel available to install telephones is limited, so that, with the large number of telephones to be installed, it will not be possible to give service as rapidly as may be desired. Every effort will be made to expedite installations.

7. The number of telephones allotted are as follows:

Section or sub-Commission	"A" Unrestricted	"B" Restricted	"C" Rome City	Name of authorized Delegate
Headquarters Commandant	5	3	5	
Adjutant	13	7	13	
RC & MG	48	25	48

SIGNAL PROCEDURE - CABLE PREPARATION

1. The following general rules and requirements for the preparation of out-going signals are published for the information and guidance of all concerned. Adherence thereto is in the interest of efficient, accurate and satisfactory signal traffic emanating from this headquarters, and is therefore enjoined on all activities.

2. Outgoing signals will be prepared on the appropriate forms, which may be obtained from the Adjutant's Department. Signals prepared on other forms, or in other styles, are not acceptable, and will be returned for revision.

3. The following general rules will be followed in the preparation of messages:

a. All messages will be submitted to the Adjutant in a total of six (6) copies, of which one — the original — will be on the required printed blank. The remaining copies will be on ordinary thin white paper.

b. Opposite «TO» on the message form will be inserted the address of the unit which will actually receive the message, e. g., «AFHQ.» No other information will appear there. When both action and information addressees are to be indicated, the following form will be used: AFHQ (ACTION) DISTWO (INFO), when a message is being sent for action to Allied Force Headquarters for action, and to Number Two District for information.

c. Opposite «FROM» on the message form will be inserted the legend «ACC ADVANCE».

d. Opposite «REFERENCE NO» will be inserted the reference number of the message. Reference numbers may be obtained from the Cable Section, Adjutant's Department, by telephoning number 423. No reference numbers other than those provided by the Cable Section, Adjutant's Department, will be used, and no others will be cited in the body of the message, excepting, of course, where it is necessary to refer to a cable which is being replied to.

e. Opposite «DATE AND TIME OF ORIGIN» there will be inserted the date *ONLY*. The time will be inserted by the Adjutant or Assistant Adjutant at the time the cable is authenticated for transmission.

f. The space opposite the legend «SIGNAL MESSAGE CENTER NO» *WILL BE LEFT BLANK*.

g. Opposite «CLASSIFICATION» there will be inserted the security classification of the message. Messages are classified as follows:

TOP SECRET
SECRET
CONFIDENTIAL
RESTRICTED

Messages will *NOT* be classified as «Clear» or «By Radio» or «None». Messages not properly classified will be returned for correction to the originator.

Originators will include the security classification as the *first word* of the text of all classified messages.

Messages franked «In clear by any means» will not have those words as the first groups of the text, but «In clear by any means» will be shown in the normal position in the heading of the message.

h. Opposite «PRECEDENCE» will be inserted the degree of urgency of the message. Authorized precedence ratings are as follows:

URGENT
OPERATIONAL PRIORITY
PRIORITY
ROUTINE
DEFERRED

Originators of signals should bear in mind that, virtually without exception, the two highest classifications (URGENT AND OPERATIONAL PRIORITY) are reserved for combat operations, and should not be used in connection with administrative traffic. PRIORITY is the highest classification which should be given to administrative traffic. The indiscriminate use of higher classifications has been the subject of considerable attention by higher authority. Responsibility for assignment of precedence is the originator's. The authenticating officer will not, except under very unusual circumstances, alter the precedence of a message.

i. Opposite «OFFICE OF ORIGIN» will appear the title the sub-commission, staff branch, or section, from which the signal emanates, i. e., «EXECUTIVE OFFICERS».

j. In the lower left-hand corner of the message form, under «Distribution», will be included all *addressees not reached by signal means*, i. e., to whom copies of the signal are distributed by hand or DR. These will *not* appear in the top or outside address.

4. INSIDE ADDRESS: All messages originating in this headquarters will contain an inside address, which contains details of the headquarters to which the message is directed, and of the originators. Inside addresses are contained in the text of the message and will be in substantially the following form:

PAREN TO AFHQ FOR GEORGE FIVE FROM ACC ADVANCE PAREN
or
PAREN TO AFHQ FOR ACTION RPT'D DISTWO
AND TROOPERS FOR INFO FROM ACC ADVANCE PAREN

Messages will not, unless essential to the delivery thereof, contain direction either to or from individuals. Messages will be directed to offices or sections, where necessary in the opinion of the originator.

The inside address will include *all* addressees, including those shown under «Distribution» (See Para 3 j).

5. Other rules for the preparation of messages are:

- a. Figures must be spelled out - thus - FIVE - *not* «5»
- b. Punctuation will be spelled out - thus - PD CIN CMA - *not* (.) (:) (,).

OFFICE MEMORANDUM NUMBER 13

24 July 1944

OFFICIAL MAIL SERVICES

1. Memorandum Adj 312, dated 2 May 1944, subject, "Correspondence Dispatch Procedure" is rescinded. The instructions below are substituted therefor and are supplemental to those contained in Office Memorandum No. 11, this Headquarters (formerly Administrative Instruction No. 4, Advance Headquarters, ACC), dated 8 July 1944, as amended by Amendments No. 1 thereto dated 11 July 1944.

2. BEFORE delivery to the Message Center, departments will envelope all correspondence for dispatch outside Headquarters ACC, with the exception of unclassified material to the following formations:

AFHQ (G-5)
Headquarters AAI
AMG/ACC Regional Hqs.
AMG Army Headquarters

Many departments correspond with the formations mentioned above, and all dispatches are transmitted from the Message Center in bulk under one cover. Enveloping of unclassified material is therefore not only uneconomical but unnecessary.

3. Classified material will be delivered to Message Center enclosed in *one envelope only* in accordance with the detailed instructions at paragraph 4 below.

4. a. Every package or envelope must be fully addressed with the reference number in the top left hand corner but not less than one inch and a half from the top edge. In the space above the number, Message Center will impress the return address. Departments are requested to co-operate by adopting a system whereby only one number appears on the envelope instead of the reference number of each enclosure. A suffix or prefix identifying the department of origin will always form part of the reference on the envelope. Failure to conform with these instructions will only result in delay in transmission.

b. In respect of classified packages the following additional requirements will be particularly noted:

(i) TOP SECRET and SECRET communications will always be enclosed in a new envelope, which will be sealed and marked with the security category of the enclosure; if TOP SECRET it will also be marked «To be opened personally by...» the holder of an appointment or the individual named.

(ii) CONFIDENTIAL communications will be enclosed in an envelope marked CONFIDENTIAL but need not be sealed.

(iii) RESTRICTED and other unclassified communications will be dispatched in accordance with paragraph 4(a) above.

c. Classified material will be enclosed in a *second envelope or cover by Message Center personnel*. No envelopes will therefore now be received at Message Center with the colored cross thereon, which was formerly necessary to identify the contents as classified material.

5. a. The Message Center will give and take receipts for all TOP SECRET, SECRET, and CONFIDENTIAL packages. *Receipts will NOT be given for packages or documents below CONFIDENTIAL classification.*

b. Departments should enclose with, and attach to, all TOP SECRET communications a receipt for signature and return by the recipient. Receipts may also be enclosed with any other documents, in respect of which, a department may desire direct acknowledgment by the recipient. Suitable forms of receipt may be obtained on application to the Adjutant's Department (Duplicating Section).

6. Without detriment to the needs of security (e. g. see paragraph 4 (b) (i) above) no effort will be spared to exercise the strictest economy in the use of envelopes, by using gummed labels. In this way it will be possible to prolong the life of envelopes by their use again and again.

7. Official packages will not be addressed to an individual. If the enclosure requires the special attention of a particular officer the notation «Attention.....» may appear on the envelope or cover as part of the address.

8. All packages addressed as in preceding paragraph also all packages containing *unclassified* mail will be certified by the Chief Clerk of the originating Department at the bottom left hand corner as «WD ESSENTIAL MAIL».

9. Packages requiring particular service, e.g. dispatch via Officer Courier, etc., will be delivered separately to the Message Center where they will be afforded special attention.

10. Personal mail will not be sent to the Message Center but delivered direct to the APO or deposited in one of the personal mail boxes.

By order of Captain STONE (USNR):

E. L. CLOUGH,
Colonel, AGD,
Executive Officer.

OFFICE MEMORANDUM NUMBER 15

CIVILIAN PERSONNEL

(Employment and Payment Procedure)

I

This memorandum supersedes Office Memorandum No. 8 (Administrative Instructions (A), this Headquarters, dated 1 July 44. The Civilian Personnel Office has now been established under the operational control of the G-1 Section and under the policy direction of the Civilian Personnel Policy Board. These offices are located in Room 11, ground floor, Ministero delle Corporazioni Building, Telephone No. 431, and is under the direction of an Acting Supervisor and Assistant Supervisor. This office will perform civilian personnel functions, including the recruitment, selection, classification and reclassification, hiring, and placement of civilians within the Allied Control Commission.

II

Recruitment Procedure

Recruitment at the present time is divided into three categories:

- (1) Response to newspaper advertising
- (2) Casual applicants
- (3) Those referred by sections and subcommissions.

At present the first two methods are the principal sources of personnel; however, it is believed that the third source (namely, those referred to the office directly by the sections and subcommissions) should prove the most profitable. Accordingly, it is encouraged that all sections and subcommissions having direct professional contacts with corresponding agencies in the Italian Government make known to them their civilian personnel needs. It is reported that there is a large number of highly qualified unemployed who formerly worked for the Italian Government and local commercial agencies. In view of the impending reduction of approximately 750 EM/OR of this Headquarters, it is imperative that all possible means of recruitment be fully exploited.

III

Hiring

All section and subcommittees, or other sub-divisions, will report their civilian personnel needs direct to the Civilian Personnel Office. Such requests will be made in writing, giving adequate job description — that is, the type of work to be performed, the language requirements, and any other information that is pertinent to the position to be filled. Civilian Personnel will refer one or more qualified applicants for interview and final selection by the section or subcommittee concerned. After the interview, the applicants will be returned to Civilian Personnel. Those who are accepted will be screened by the Security Officer and placed on the civilian payroll. All civilian employees will be formally cleared through Civilian Personnel. In those cases where the individual is recruited independently of Civilian Personnel, the section or subcommittee concerned will send the individual together with a letter requesting employment to Civilian Personnel. This letter should include a job description sufficiently complete to justify the recommended classification and salary. Civilian Personnel will approve the employment and establish the rate of pay. Disagreements will be referred to the Civilian Personnel Policy Board. At present the section is interviewing an average of ninety (90) applicants (less than 10 % qualified) per day. From this source there is being built up a reserve of potentially qualified civilians for future placement in Allied Control Commission.

IV

Rates of Pay

The following rates of pay are extracted from Amendment No. 5, AFHQ, Adv Adm Echelon Adm Instr No. 24, dated 17 July 44. They are reproduced here for the information and guidance of all concerned. Complete pay tables are available for examination in the Civilian Personnel Office.

V

Reclassification

Reclassification is the process whereby, in accordance with his official duties, an employee's title is changed and a consequent change in salary results. To accomplish this, the employee will be sent to Civilian Personnel with a letter requesting his reclassification. Such request will contain a job description sufficiently detailed to justify the recommended action. Civilian Personnel will refer to the Civilian Personnel Policy Board requests for reclassification for positions falling in the top executive and professional classes, maximum 9600 lire per month.

In those cases in which dismissal is desired, the employee will be sent to Civilian Personnel with a memorandum detailing the reasons for discharge. At the same time a final payroll form should be completed. Passes, badges, and other papers of ACC identification will be picked up by Civilian Personnel on clearance of the final payroll.

VI

Payment Procedure

Employees will be paid twice a month through the civilian paymaster, Headquarters Commandant's Office. Payrolls will be submitted to Headquarters Commandant as of the fifteenth and last day of each month on the standard payroll form which will be obtained from the paymaster, Headquarters Commandant. The dates for submission and payment will be announced in the Daily Bulletin. It is the responsibility of the section or subcommission concerned

that payrolls show proper classification, that salaries are in accordance with Amendment No. 5 to AFHQ Adv Adm Echelon Adm Instr No. 24, dated 17 July 44, and that all employees have been cleared through Civilian Personnel. Civilian Personnel will post-audit payrolls and will also be prepared to pre-audit on request any rough-draft payroll to insure that salaries and classifications are correct.

OFFICE MEMORANDUM NUMBER 16

HANDLING OF CLASSIFIED DOCUMENTS BY CIVILIANS

1. It is undesirable that civilians handle any classified documents.
2. « Civilian » for the purpose of this memorandum is any civilian other than properly authorized Allied personnel.
3. This Commission has found it necessary to employ a number of civilians, of whom a proportion in the course of their duties have occasion to handle classified matter at the discretion of their supervising officers.
4. To eliminate as far as possible this Security risk, the following safeguards will be observed:
 - (a) No civilian will be permitted to handle any « Top Secret » or « Secret » correspondence.
 - (b) When it occurs that « Confidential » and « Restricted » correspondence cannot be handled by military personnel, then only those civilians whose bona fides have been established and who have shown themselves worthy of trust will be entrusted with such matters. Care will be taken to impress on those concerned the necessity for discretion. They will be told that a breach of faith will result in dismissal and subsequent prosecution.

- (c) Supervising officers will be constantly on the alert to prevent or discover any such breach or indiscretion.
- (d) Nothing in this Memorandum will be construed as a direction that civilian employees should handle classified documents. Such handling is at the discretion of the supervising officer, who will endeavour to avoid such a course whenever possible.

5. For guidance it is pointed out that the French equivalent of English language expressions as applied to Confidential and Secret communications are as follows:

English Terms

Restricted
Confidential
Secret
Top Secret

Corresponding French Term

Confidential
Secret
Tres Secret
Ultra Secret

6. For guidance and to avoid over-classification of documents, the following definitions of classified documents are given:

TOP SECRET: (Signal abbreviation - TOPSEC): Certain secret documents, information and material, the security aspect of which is paramount, and whose unauthorized disclosure would cause exceptionally grave damage to the nation, i. e. **PLANS OF FUTURE MAJOR OPERATIONS.**

SECRET: Documents, information or material, the unauthorized disclosure of which would endanger the National Security, cause serious injury to the interests or prestige of the nation or any government activity thereof, or would be of great advantage to a foreign nation, i. e. **VITAL MILITARY INFORMATION.**

CONFIDENTIAL: Documents, information, or material, the unauthorized disclosure of which while NOT endangering the National Security, would be prejudicial to the interests or prestige of the Nation, any Governmental activity, and individual or would cause administrative embarrassment or difficulty or be of advantage to a foreign nation, i. e. **ROUTINE INTELLIGENCE AND OPERATIONAL REPORTS.**

RESTRICTED: Documents, information or material (other than TOP SECRET, SECRET, or CONFIDENTIAL) which should NOT be published or communicated to anyone except for official purposes, i. e. **TRAINING AND TECHNICAL DOCUMENTS FOR OFFICIAL USE ONLY.**

- (i) to request military or police guards to be posted to protect them.
- (b) Secondly, to obtain from the appropriate authorities a complete list of Allied Properties in the district, with description of the same, and send this to,
 - (i) the DPC,
 - (ii) AD Claims and Hirings (see para. (a) (ii) below) and or to the Real Estate Section of the Corps of Engineers U.S. Army.

6. The CP will proceed to take formal custody of the properties specified in para. 1 above, in accordance with the following directives.

7. ALLIED PROPERTY.

- (i) Under Italian war legislation a special department of the Ministry of Finance called "EGELI" (Ente di Gestione e Liquidazione Immobiliare) was established to deal with real properties belonging to enemy nationals. This department appointed as sequestrators for the same the principal mortgage loan institutions (Istituto di Credito Fondiario) in the region in which the property was situated, e.g., the Banco di Sicilia for Sicily and the Banco di Napoli for southern Italy.
On taking custody of properties the CP will normally, unless either the owner or his agent or representative legally authorized to manage the property is available, instruct these institutions to continue to manage them on his behalf. Before doing so the CP will satisfy himself that the institutions has been acting in a trustworthy manner. If he has reason to be dissatisfied with their conduct he will report to the DPC, recommending the appointment of some other person or institution to manage properties.
- (ii) If an agent or representative legally authorized to manage the property is available, the management thereof should, unless there are special reasons to the contrary, be entrusted to him after written verification of his authority by the Legal Officer.
- (iii) If the owner is available the CP should, unless there are special reasons to the contrary, place him in possession of his property after verification of his title by the Legal Officer, and a *verbale di consegna* should be executed.
If an agent or representative so authorized is entrusted with management, or the owner himself placed in possession, the CP shall (a) place in the file respecting such property a copy of the opinion of the Legal Officer verifying such authority or title, (b) notify the DPC that the property has been turned over to the owner, or a representative of the owner, and (c) close the file with respect to such property.
- (iv) Where the property of an Allied National or company has been let or sublet, it will be the duty of the CP to satisfy himself that the terms of any lease or sublease granted by the sequestrator are reasonable, and take such steps as are in his power to ensure

that the terms of the lease or sublease are being duly carried out, and that the rents are paid as and when they become due. If in his opinion the said terms are inequitable, the CP may, with the consent of the DFC, terminate the lease or sub-lease. On the expiry of such lease or sub-lease, the CP will make arrangements either for its renewal or for the granting of a new lease or sub-lease. Such renewals or new leases shall not, except with the consent of the DFC, exceed the term of one year.

- (v) Where the property of an Allied National or company consists of mortgage, the CP will take custody of the mortgage deed and take such action as may be appropriate to ensure that the terms of the said contract are carried out, both as to the payment of the interest and the repayment of the principal sum. The CP may however make arrangements for the renewal of the same for a period not exceeding one year at any one time.
- (vi) On taking custody of any property the CP will make full note of its condition and prepare a detailed inventory of its contents, unless such an inventory has been taken by the sequestrator. If such an inventory is in existence he will check it and agree a list of shortages with the sequestrator, from whom he will obtain a copy of the original inventory. The CP will obtain from the sequestrator a financial statement as at the date of the taking of custody.
- (vii) All expenses for management and maintenance of Allied property taken in custody by the CP will be charged against the estates in question. The CP will not employ AMG funds for this purpose unless expressly authorised to do so by the C.F.O.
- (viii) In all cases where real property, including enemy property, is taken into custody the appropriate Ufficio del Registro should be informed and required to record the fact in his register.

(b) Property requisitioned by the Armed Forces.

The following procedure has been laid down in respect of requisitioning and payments for property belonging to Allied nationals in British military areas:

- (i) Requisition forms will be served by the Hiring Officer either on the local authorities (comune) or on the Italian military authority «Genio Militare». Hirings Officer will inform the Comando Genio Militare of particulars of premises requisitioned, and the latter will be responsible for seeing that payments are made through the Banco d'Italia.
- (ii) Where the owner or occupier of requisitioned property is a national of the United Nations, the Hirings Officer will see that a correct schedule of condition is prepared by the Comando Genio Militare, and that a fair rental is agreed and paid promptly. Schedules of condition and hiring agreement will be prepared by the Comando Genio Militare and submitted for approval to the Hirings Officer.

- (iii) Payments will be made by the Italian authorities to CP, or where the property has been handed over to him, to the owner or his legal representative.
- (iv) On de-requisitioning, the Hirings Officer will ensure that dilapidations are properly assessed and compensation paid.
- (v) The CP will, at the earliest opportunity, furnish AD Claims & Hirings with a list of properties belonging to nationals of the United Nations, and AD Hirings will in person inform the CP of the requisitioning or the de-requisitioning of such properties.
- (vi) The procedure outlined in (a) and (b) above will also be applied in the case of properties belonging to friendly neutral states. AD Claims & Hirings will inform the CP of any such property requisitioned, and the CP will, if the owner or legal representative is absent, apply to the Italian courts for the appointment of a curatore for the same, and inform the AD Claims and Hirings of the name and address of the person appointed.
- (vii) Procedure in U.S. military areas follows in general arrangements specified in (a) above. CPs should make themselves acquainted with the provisions in AFHQ Administrative Memorandum Nos. 95 and 85.

(c) *Chattels.*

The CP will take formal custody of chattels belonging to an Allied National or company, and will satisfy himself that the arrangements for their safe custody are adequate, and if not, make arrangements for their safe custody, e.g., in the safe deposit of a bank, warehouse, etc.

(d) *Bank Balances, etc.*

The CP will take custody of all bank balances and negotiable instruments, etc., belonging to an Allied National or company, lying in the banks in his district. He will transfer them to his account, where they will be kept in the name of the CP for account of the owner, and where appropriate placed on time deposit for such period as may seem desirable. A similar procedure will be followed with respect to Postal and Savings Bank deposits. Where any such balances etc. have been transferred by the order of the Italian Government to a central institution, (e.g. Banca d'Italia or Istituto Cambi) the CP will forward to HQ ACC a list of the items so transferred, showing:

- (i) the name and where possible the address of the owner,
- (ii) the name and branch of the transferring bank,
- (iii) the date of sequestration,
- (iv) the name and address of the institution to which transferred, and
- (v) the date of transfer.

(e) *Securities.*

The CP will take custody of all securities belonging to Allied Nationals of companies lying in banks and financial institutions. He will transfer any such securities as may be found elsewhere to a reliable bank. Secu-

curities will be held in the name of the CP for the account of the owner, and banks will be instructed to collect and pay into the appropriate account any sums in respect of dividends, sinking fund payments, etc. which may accrue or have accrued, where they will be held, where suitable, on fixed deposit. Where securities belonging to Allied Nationals have been transferred by order of the Italian Government to a central institution, the CP will forward a schedule of securities so transferred, with details similar to those laid down in sections (i) to (v) of the previous paragraph, to HQ ACC.

(f) *Commercial and Industrial Undertaking.*

- (i) The sequestration of industrial and commercial concerns and business was entrusted by the Italian Government to the Ministry of Corporations, who appointed individual sequestrators for each business. These sequestrators were frequently high ranking Fascist Party Officials, who assumed the functions of the Board of Directors, leaving the actual conduct of the business to a manager. The CP, unless there are strong reasons to the contrary, will dispense with the services of the sequestrators and will normally retain the existing management, provided he is satisfied as to its trustworthiness and efficiency. If he is not so satisfied, he will appoint a suitable person or persons to manage the business on his behalf.
- (ii) On taking formal custody of an industrial or commercial business, the CP will, as regards a record of condition, the preparation of inventories, etc. follow the procedure laid down in para 7 (a) (vi). He will also cause a balance sheet to be prepared, showing the financial position of the undertaking on the date of taking custody, and will submit to this HQ ACC monthly, an income and expenditure account, and such other records as may from time to time be required by the DPC. All surplus funds not required for the day to day operations of the undertaking will be paid into the CP's account.
- (iii) Where any Allied business or company has been put into liquidation and the liquidation has not been completed, the CP will report the facts to the DPC, together with his recommendation as to whether the liquidation should be allowed to proceed or whether the business should be re-started.
- (iv) Where in addition to being sequestered, the assets of the Allied business or company have also been expropriated by the Italian Government and handed over to an Italian undertaking, the CP will report to the DPC, who will issue instructions as to the action to be taken.
- (v) Where any industrial or commercial concern operates in more than one region, all decisions on policy will be referred to the DPC, who may delegate to one of the Regional CPs the responsibility for the supervision of its operation.

8. ENEMY PROPERTY.

(a) *Property of Enemy States.*

Except where such property has been placed under the protection of a protective power, the representative of which is in a position to exercise effective control (e.g. Embassies, Legations, Consulates, etc.), the CP, will, unless otherwise instructed, be responsible for the custody of all property in occupied territory belonging to enemy states, not occupied by AMG or any other branch of the armed forces.

(b) *Property of Enemy Nationals.*

The CP will at earliest opportunity forward to the CIC and the FSS a list of all property belonging to enemy nationals.

9. ITALIAN STATE PROPERTY.

(a) *Property of the Italian State.*

In general, all such property of the Italian state as is not already in the custody of AMG or of some other branch of the Armed Forces will be looked after by the appropriate Italian officials, the major portion of whom are expected to remain at their posts. There will therefore be no necessity for the CP to take formal custody. Instructions should however be given to Italian officials at the earliest opportunity to check inventories and establish lists of shortages, dilapidations, etc. Cases may occasionally arise, e.g., state premises previously occupied by the Armed Forces and subsequently evacuated by them, where the CP will have to make arrangements for their temporary custody. Liaison should be maintained for this purpose with Real Estate branch of the U.S. Corps of Engineers and/or AD Claims and Hirings. The CP should obtain from Hirings Officer (British) and/or Real Estate Branch U.S. Corps of Engineers, a list of all government premises occupied by them, together with a record of dates of occupation and evacuation.

(b) *Property of the Fascist Party.*

Subject to the qualifications contained in Articles 3 of Proclamation No. 7, the property of the Fascist Party will be treated as property of the Italian States (see (a) above), but as occasions may arise when all responsible party officials may have run away, the duty of looking after Fascist Party property may fall in some instances on the CP who will, when so directed by the Chief Commissioner or officer empowered by the Armed Forces and subsequently evacuated by them, where the CP of such buildings and their contents as are not occupied by AMG or the Armed Forces, in the absence of any authorized officials of the Italian Government.

10. MUNICIPAL PROPERTY.

Municipal property is regarded as private property under international law, and as municipalities, being bodies corporate, will not be dissolved, municipal

property will be treated as private property whose owner is present. The CP will therefore not be responsible for taking it into custody unless specially directed to do so by the Chief Commissioner or an officer empowered by him.

11. ABANDONED PROPERTY.

The CP will only be required to take abandoned Italian property into custody in exceptional circumstances. He will however take into custody all such property belonging to Nationals or States at war with the United Nations, in accordance with para 8 above. Wherever practicable he will make arrangements through the CLO of the Region for the appointment by the Italian courts of a trustee for abandoned property belonging to Italian Nationals. By agreement with the President of the Tribunale, the following procedure will be followed. The CP will notify the senior notary (notaio) of the district or town where the said property is situated of the necessity for the appointment of a «curatore» for such property. The notary will certify as to such necessity, and forward the certificate to the CLO of the Province for his approval. The recommendation will then be transmitted to the competent Presidente del Tribunale, who will appoint a curatore chosen from the list of notaries exercising their functions in the district in which the property is situated. Notice that such procedure is coming into force will be published in the local newspaper and through any means of official publicity at the disposal of AMG.

12. PRIVATE INDUSTRIAL AND COMMERCIAL UNDERTAKINGS.

- (a) Where private industrial or commercial undertakings are operated under the control of the CP in accordance with para 2 (a) and (b) above, the procedure laid down in para 7 (a) (vi) above will be observed.
- (b) If the property in question has been previously operated by any branch of the Armed Forces, the co-operation of the operating unit should be obtained in the preparation of inventories, with a view to establishing a list of any plant machinery, etc, which may have been removed by them.

13. AGENTS AND MANAGERS.

Agents and managers appointed by the CP will not, unless authorized in writing to do so:

- (a) Dispose of or contract a charge upon land.
- (b) Alter the object or legal form of an undertaking.
- (c) Dispose of or liquidate any undertaking.
- (d) Dispose of any capital assets except in the ordinary course of business.
- (e) Contract new leases.

14. REPORTS AND RETURNS.

The CP will render to HQ ACC, through the appropriate channels, the following returns:

- (a) A list by nationalities of all United Nations properties in their Regions, together with a brief description, location, name and address of the owner, former sequestrator and present occupier.

- (b) A list by nationalities of all enemy property in their Regions, together with a brief description, location, name and address of owner, tenant or manager.
- (c) An initial report on each commercial or industrial concern contained in (a) and (b) above.
- (d) A monthly return showing any changes in the disposition of properties mentioned in (a) and (b) above.
- (e) Copies of Declarations of Custody.
- (f) A monthly report on the activities of CPs, to reach HQ ACC not later than the fifth day of the succeeding month (see annex A for specimen form).
- (g) A monthly income and expenditure or operating statement for each industrial and commercial concern under his control.
- (h) A quarterly income and expenditure statement for all real properties under his control (except those of insignificant value which have been left to the custody of the owner's relatives).
