SUBJECT: Travel Orders

TO : Acting Vice-President

1. This is in reply to your memorandum ST/70/Est dated 10 August.

2. Mr. and Mrs. Wilson intimated their intention of visiting the North of Italy and it was known that Mrs. Wilson had experience in the British Ministry of Labor and National Service particularly on labor questions. It was thought that if facilities were granted to them to proceed to the North of Italy that they could make a contribution on labor questions which would contain well qualified comments. For this reason facilities for transport were offered in the terms of the orders dated 6 August.

3. But, in fact, travel by A.C. transport from Rome was not available on the date in question and advantage was not, therefore, taken of the travel orders.

4. The travel orders should therefore have been cancelled and it is regretted that owing to an oversight this action was not taken.

5. Mr. and Mrs. Wilson made independent travel arrangements from Rome.

24 March 1945

SUBJECT : LABOUR OFFICER ASSIGNMENTS, (Maj. Fisher, Capt. Moffit) without S/C consultations.

TO : Mr. Caine, Director

1. Pursuant to your request, I have consulted the Adjutant for information concerning the AC orders issued to Maj. Fisher and Capt. Moffit, Labour Officers to Caserta.

2. In the case of Maj. Fisher, it appears that a Capt. Goodine, G-3 AFHQ and telephoned Lieut. Theodore, Assistant G-1 AC Headquarters, and had requested that orders be cut for Maj. Fisher's immediate attendance at Caserta for temporary duty six days, beginning 15 March 1945. That this was at the special request and direct orders of Generals Nelson and Pence at Caserta.

3. In the case of Capt. Moffit, a cable AC -2521- was sent to him, requesting that he report (without delay) to General Pence at the Business Bureau AFHQ Caserta for one day TD.

4. Lieut. Theodore without the usual concurrence or approval on the part of the Economic Section or the Sub-Commission requested the travel orders both for Maj. Fisher and Capt. Moffit.

Upon being directly asked why Labour Sub-Commission had not been consulted in the above, Lieut. Theodore said that there was not sufficient time to obtain the concurrence of either the Economic Section or the Sub-Commission and he forthwith requested the issuance of the travel orders.

Lieut. Theodore further said that it is not a General custom to overlook or by-pass the respective sec-

tions or Sub-Commission but that this (4-5 AFBs request) was a direct general order and time was of the essence.

Lieut. Theodore regrets any inconvenience these travel orders may have caused the Labour Sub-Commission.
