SUBJECT: Strike of Statal and Para-statal Employees in Northern Italy.

TO : A.F.H.Q.
G-5 (A)

1. At 1200 hours on 10 August we were informed that a strike of Statal and Para-statal employees in the Province of La Spezia was in operation. The alleged reason for the strike was that implementation by AMG of DLL No. 116 authorized increase of salaries as from 1 August 1945, whereas the Italian Minister of Labor, Barbareschi, had made a public statement in La Spezia Province that this Decree would be antedated to 1 May 1945. The strikers made it clear that the strike would continue until DLL No. 116 was given retroactive effect from 1 May, and it was feared that the strike would spread to the whole of Northern Italy.

2. Attached is copy of a cable from Finance Sub-Commission to Regional Commissioners in Northern Italy, explaining the reasons that led to AMG implementing DLL No. 116 from 1 August. On 11 August, following communication with the Italian Prime Minister, Finance Sub-Commission issued instructions urgently to Regional Commissioners implementing retroactivity to 1 May.

3. The strike terminated at 1800 hours on 11 August.

SUBJECT: Labor Activity in Northern Italy

TO : Acting Vice-President
Economic Section

1. This is to inform you that, to assist in clarifying the labor situation in Trieste and Venezia-Giulia, Mr. David Sacks, Deputy Director, Labor Sub-Commission, proceeded by air to Trieste on 23 July, 1945. As you are aware, the labor unrest in Trieste is of a political rather than of an industrial nature. However, Mr. Sacks will assist the Regional Labor Officer, Major Albright, in establishing the labor administrative machinery on a firm basis and will also advise on the social insurance measures.

2. The threatened strike of Italian railway men at Bari, about which M.F.S., and A.F.H.Q., have been disturbed, was referred to the Council of Ministers on 22 July by Minister De Gasperi. On this question A.F.H.Q. and A.C. must proceed with caution since:

(a) The matter cannot be localized at Bari but must affect the entire Italian State Railway Service;

(b) Concessions to these grades of State employees will affect other grades of Italian Government workers;

(c) Military operational necessity can no longer be pleaded.

3. The disturbances by the women workers at Turin are the subject of consideration by the Italian CGIL, who deplore the violent and unconstitutional action of the demonstration.

COMMENT

REVOLT FEARED BECAUSE OF FACTORY SHUT-DOWNS AND RISING UNEMPLOYMENT

"Here too we are living through a terrible crisis. There is a complete lack of raw materials and we cannot continue to work. A great number of important factories have been closed down. It seems that they will shut down the FIAT too. Who knows what will happen when the workers will be without money? It will be a great disaster. A great insurrection is feared. One must steel oneself with courage to face an ever increasing cost of living. Here too prices doubled from one day to the other."

OGGETTO: Licenziamento Sig.Mangione, segretario sindacato Portuari in Bari

ALLA : Confederazione generale italiana del lavoro

1. Rispondiamo con la presente alla vostra lettera del 5 maggio 1945 (Segreteria No. 7328) relativa al licenziamento del Sig. Mangione, Segretario Sindacato Portuari, da parte del Sig. Capriati, Console della Compagnia portuaria; licenziamento che avrebbe provocato disordini tra i lavoratori del porto di Bari.

2. Abbiamo segnalato questa situazione alla competente autorita' alleata, dalla quale abbiamo poi ricevuto le seguenti informazioni:

a. Il Sig. Mangione sarebbe stato licenziato dall'Appaltatore Capriati, per il motivo che egli si stava adoperando per ottenere l'appalto togliendolo al Capriati, il quale non si e' quindi trovato piu' in grado di mantenere il Mangione alle proprie dipendenze;

b. I lavoratori del porto di Bari risultano soddisfatti del loro appaltatore, e la situazione e' completamente calma.
