No. 1 DISTRICT SUB-COMMITTEE

1. The FOURTH Meeting of the No. 1 District Sub-Committee was held on Tuesday, 7th August 1945, in the Conference Room, HQ No. 1 District.

Present.

Chairman Major The Hon H. E. A. DENAR, MBE — DAQMG No. 1 District
Secretary Major H. E. THYNE — DADL No. 1 District

In attendance

Major E. D. ADAMS — DAQMG 217 Area
Major J. H. MOLLISON — SLCO 2919 CLU - Rep 214 Sub-Area
Capt J. GLASGARDO — Labour Officer, Region XII AMG
Capt T. H. THORNTON — Staff Captain AFLNS
Major H. J. CUTBUSH — SLCO 2900 CLU
Major L. A. H. BRUNNOW — SLCO 2914 CLU
Lieut G. A. WEBB — REME No. 1 District

2. The Chairman stated that as a result of the full Cost of Living Bonus authorised by HQ, 13 Corps and HQ No. 1 District, and the existence of the full Cost of Living Bonus in the Southern areas of the present 1 District Territory, an "Island" of low wages had been created in 217 Area and 214 Sub-Area. Also, in the past few weeks, as a result of the MILLS agreement, increased Cost of Living Bonuses had been authorised for workers in civilian industry in both VENEZIE and EMILIA Regions; so that the WD rates now prevailing in this "Island", despite the grant of a partial Cost of Living Bonus authorised at the 3rd Sub-Committee Meeting held on the 3rd July 45, are much lower than the comparative "Take Home" rates in Civilian Industry.

3. AMG Labour Officer stated that, as a result of the MILLS agreement, AMG were authorising proportionate Cost of Living Bonuses to the whole of VENEZIA Region, and that not only did he consider it advisable to raise the Cost of Living Bonus to the full amount authorised by Appx "F" AFHQ Admin Memo 34/45, but that we should have to bear in mind the necessity to increase the Bonus still further in the near future.

4. SLCO 2900 CLU considered that an increase in Cost of Living Bonus to the maximum in BOLOGNA would satisfy unskilled labour, but not the skilled artisans who would still drift to private industry unless a more substantial increase were authorised.

After examination of the BOLOGNA comparison table (Appx 'C') however, it was agreed that a special CLB could not be paid to certain specialised grades of workers merely to retain their services with the WD. The Bonus at present under consideration by the Committee was designed to meet a rising Cost of Living index which affected all workers more or less equally, and if any grade of worker was considered underpaid, it was his basic rate which should be augmented and not his Cost of Living Bonus. The alteration of existing basic rates was considered outside the scope of the present meeting, but it was the Committee's opinion that special difficulties [illegible] necessitate a

2. The Chairman stated that as a result of the full Cost of Living Bonus authorised by HQ, 13 Corps and HQ No.1 District, and the existence of the full Cost of Living Bonus in the Southern areas of the present 1 District Territory, an "Island" of low wages had been created in 217 Area and 214 Sub-Area. Also, in the past few weeks, as a result of the MILAN agreement, increased Cost of Living Bonuses had been authorised for workers in civilian industry in both VENEZIA and EMILIA Regions; so that the WD rates now prevailing in this "Island", despite the grant of a partial Cost of Living Bonus authorised at the SECOND Sub-Committee Meeting held on the 3rd July 45, are much lower than the comparative "Take Home" rates in Civilian Industry.

3. AMG Labour Officer stated that, as a result of the MILAN agreement, AMG were authorising proportionate Cost of Living Bonuses to the whole of VENEZIA Region, and that not only did he consider it advisable to raise the Cost of Living Bonus to the full amount authorised by Appx "H" AMHQ Admin Memo 34/45, but that we should have to bear in mind the necessity to increase the Bonus still further in the near future.

4. SLCO 2900 CLB considered that an increase in Cost of Living Bonus to the maximum in BOLOGNA would satisfy unskilled labour, but not the skilled artisans who would still drift to private industry unless a more substantial increase were authorised.

After examination of the BOLOGNA comparison table (Appx 'C') however, it was agreed that a special CLB could not be paid to certain specialised grades of workers merely to retain their services with the WD. The Bonus at present under consideration by the Committee was designed to meet a rising Cost of Living index which affected all workers more or less equally, and if any grade of worker was considered underpaid, it was his basic rate which should be augmented and not his Cost of Living Bonus. The alteration of existing basic rates was considered outside the scope of the present meeting, but it was decided to place on record the Committee's opinion that special difficulties prevail in BOLOGNA itself, as an industrial area, which would necessitate a further wages review (both of certain basic rates and general Cost of Living Bonus) in the near future.

5. After detailed consideration of the Comparison Tables of wage rates obtaining in the Provinces of PARMA, MODENA, FERRARA, FORLI and BOLOGNA (Appx 'B' and 'C'), it was unanimously agreed that an increase in Cost of Living Bonus was essential to ensure that the WD are able to attract the type of workers essential to the efficient running of installations.

6. The meeting agreed to authorise w.e.f. 1 AUG 45, and payable w.e.f. 1 AUG 45, a Cost of Living Bonus to all groups of civilian labour employed in 217 Area and 214 Sub-Area. The Bonus would comprise the full sliding Scale as laid down in Appx 'H' to AMHQ Admin Memo 34/45 (reported for easy reference as Appx 'D' to these Minutes).

2. The Chairman stated that the reason for the meeting was the disparity (which had been brought to their notice by AC and representatives of the workers) between MG wages rates and those paid by local industry in the Provinces of ANCONA and MACERATA. Although there was no immediate risk of stoppage of work on this account, the policy was to pay MG workers at rates which compared favourably with those paid by civil undertakings, and not to force them to work for MG at a lower rate because there was no competition for employment at the moment.

Rup 2906 CLU emphasised that main difference between MG rates and local civil rates was the "indennita di continenza" which amounted to 60 lire per day for all workers.

3. Points elicited from these in attendance were as follows:

(a) Some workers had left ED employ to return to the land where they would earn more.

(b) Labour was comparitively plentiful in ANCONA, a reversal of conditions which obtained until recently.

(c) All Services expect to employ a large quantity of labour in 61 Area for at least three months.

(d) Some workers of 750 AMG live North of the boundary of ANCONA Province. A moderate rise in Wage Rates in ANCONA Province is not expected to upset conditions North of the boundary in view of the lying commitments there.

(e) Political agitation seemed to have died down and the time seemed opportune to grant a moderate increase now, rather than do so following a strike, which would lead to a loss of prestige.

(f) A flat rate of increase, if any increase was necessary, was to be recommended rather than a sliding scale which would entail more clerical work for military personnel.

(g) Civilians believe strike in MILAN produced immediate rise in wages. If no action was taken by this Committee now that disparity of rates has been brought forward, trouble may be expected.

(h) The rep of Camera del Lavoro gave an undertaking that if wages were equalised no attempt would be made to raise wages in the near future. The Camera del Lavoro at present was conducting a campaign for price control rather than higher wages.

4. The Chairman informed the Italian representatives that there was no wish to force a general rise of wages, but rather to stabilise wages throughout. The rep of Camera del Lavoro stated that all future draft wage agreements would be referred to the local CLL before any contract was made.

5. The Sub-Committee, after consideration, recommended an increase in Cost of living Bonus, applicable to the Provinces of ANCONA and MACERATA w.e.f. 1 Aug 45 as under:

(a) All workers on daily rates of pay,
male and female ..... An additional 60 lire per day
Juveniles ..... An additional 27 lire per day

(b) All monthly paid workers (other than those in (c) below),
male and female ..... An additional 1560 lire per month
Juveniles ..... An additional 700 lire per month

(c) Hotel, Club and Mess Staffs (Waiters and Kitchen Staffs)

Declassified E.O. 12356 Section 3.3/NND No. 785021

(f) [illegible] to be recommended rather than a sliding scale which would entail more clerical work for military personnel.

(g) Civilians believe strike in MILAN produced immediate rise in wages. If no action was taken by this Committee now that disparity of rates has been brought forward, trouble may be expected.

(h) The rep of Camera del Lavoro gave an undertaking that if wages were equalised no attempt would be made to raise wages in the near future. The Camera del Lavoro at present was conducting a campaign for price control rather than higher wages.

4. The Chairman informed the Italian representatives that there was no wish to force a general rise of wages, but rather to stabilise wages throughout. The rep of Camera del Lavoro stated that all future draft wage agreements would be referred to the local CLN before any contact was made.

5. The Sub-Committee, after consideration, recommended an increase in Cost of Living Bonus, applicable to the Provinces of ANCONA and MACERATA w.e.f. 1 Aug 45 as under:

(a) All workers on daily rates of pay,

1. Reference minute 186 (b) of the last meeting of the Labour & Wages Control Committee, enclosed herewith are comparative figures for clerical and administrative grades and hotel grades of civilian employees of the Armed Forces in No 1 District.

2. In a covering letter submitted with these rates HQ, No 1 District emphasises that although a basic minimum in Italian Industry is laid down, this being the minimum, is always exceeded, and since there is no fixed maximum wage rate in Italian Industry, wages are paid far in excess of the W.D. rates. Without very detailed enquiries 1 District states that it is not considered possible to obtain even an approximate average of the wage rates paid to hotel grades.

LABOUR AND WAGES CONTROL COMMITTEE A.P.I.B.S.

No. 1 DISTRICT SUB COMMITTEE.

1. The SECOND Meeting of the No. 1 District Sub Committee was held on Saturday, 30 Jun 45, in the Conference Room, HQ No. 1 District.

Present.

Chairman:	Major the Hon. H.E.A. NEVILLE, MBE.	- DAQMG No. 1 District.
Secretary:	Major M.F. CRIDE	- DALL No. 1 District.

In Attendance.

Brigadier F.E. FOLEY, C.B.E.	- CE No. 1 District.
Lt. Col. N.J. REID, M.B.E.	- A/DDL No. 1 District.
Major J.H. SNOWDEN	- APIC Local Resources Board.
Major J. CAIN	- CE No. 1 District.
Major G.E. TALBOT	- GICO 2914 GDU.
Capt. E.A. BIGGS	- "Q". 210 Sub Area.
Lieut. P.L. CROFT	- Cmd. No. 1 District.
Capt. P. BAILEY (US Army)	- ASC XII Region (Labour Offr).

1. The Chairman explained that this meeting was convened to examine the effect of the rising cost of living figures obtaining in 1 District territory North of the Northern Boundaries of RAVENNA and FIRENZE Provinces.

2. In consequence of unrest in VENEZIA GIULIA and surrounding areas, Eighth Army had decided to authorise a 50% Cost of Living Bonus (Caropane) to all civilian employees in Army territory, such bonus to be retroactive from 16 Jun 45.

3. ASC Labour Offr stated that from the civilian point of view, labour will be difficult to hold. The basic price of wheat would shortly be increased 100%, and although the average family's weekly purchase of pasta and bread represents only 5 - 6% of its total expenditure, the worker would expect a compensating increase in wages considerably in excess of this latter percentage. An order was being issued today authorising w.e.f. 1 Jun 45 100% increase in the basic wage rates for Italian State and parastatal employees. Although this would not materially affect the VD Labour problem the increase was indicative of the general rising trend in the Cost of Living, which shows approximately 52% increase since 1 Jan 45, and 141% increase since this time last year. Any CIB now authorised will hold Italian industry rates only temporarily, and petitions are being received in ever increasing volume by ASC for wage increases in all grades.

Capt. W. BAILEY (US Army)	

1. The Chairman explained that this meeting was convened to examine the effect of the rising cost of living figures obtaining in 1 District territory North of the Northern Boundaries of RAVENNA and FIRENZE Provinces.

2. In consequence of unrest in VENEZIA GIULIA and surrounding areas, Eighth Army had decided to authorise a 50% Cost of Living Bonus (Caropane) to all civilian employees in Army territory, such bonus to be retroactive from 16 Jun 45.

3. AMG Labour Offr stated that from the civilian point of view, labour will be difficult to hold. The basic price of what would shortly be increased 100%, and although the average family's weekly purchase of pasta and bread represents only 5 - 6% of its total expenditure, the worker would expect a compensating increase in wages considerably in excess of this latter percentage. An order was being issued today authorising w.e.f. 1 Jun 45 100% increase in the basic wage rates for Italian State and parastatal employees. Although this would not materially affect the MG Labour problem the increase was indicative of the general rising trend in the Cost of Living, which shows approximately 52% increase since 1 Jan 45, and 14% increase since this time last year. Any CLB now authorised will hold Italian industry rates only temporarily, and petitions are being received in ever increasing volume by AMG for wage increases in all grades.

4. "Take Home" rates as being paid by Italian industry in IMOLA, FERRARA, ROVIGO and PADUA were produced to the Meeting, and it was agreed that all rates as shown were considerably in excess of minimum rates in accordance with Appendices "A" to "G" of the Surf Book. (Vide attached Appendices B, C, D and E).

5. Draft AMG Administrative Memorandum, which was discussed at the AMG Labour and Wages Control Committee Meeting on 26 Jun 45, was produced and relevent extracts read to the meeting by the Army Local Resources Board rep. It was agreed that any Cost of Living Bonus authorised must be considered solely as a means of matching civilian industry rates, and that the differential between Minimum and Maximum Basic Rates must be utilised solely as a measure of the worker's skill and ability.

6. The Meeting agreed to authorise w.e.f. 16 Jun 45, payable first pay day in July, a Cost of Living Bonus to all Groups of civilian labour employed in No. 1 District territory North of the Rocconalo Boundary. This Bonus would constitute 40% of the bonuses as set out in Appendices "H" and "I" of the Pay Book (excl Carrpare) (vide Appendix "B" to these Minutes.

It was noted that in territory recently taken over from Fifth Army, 50% Cost Of Living Bonus has been paid to civilian workers for some considerable time. The Bonus authorised by this Meeting will not be considered as an addition to this Army bonus.

2. Reasons for the establishment of the Local Sub-Committee were explained by the Chairman.

3. Rep 2914 CIU explained as follows:-

(a) TALIET Firms in TERNI province always pay above minimum local rates.

(b) TALIET has 5 classes of Artisan employee: 3 qualifying and 2 Specialist.

(c) TALIET has 2 classes of Labourer: Semi-skilled and Unskilled. A Labourer Semi- skilled is equivalent to the Buff Book Artisan's Mate.

4. Unit reps stated that Labour had been lost owing to High Take-home Rates offered by TALIET. Lessons had been limited by promises that the matter of rates would be considered.

5. Points were elicited as follows:-

(a) TALIET Rates have no maximum.

(b) Certain TALIET Firms which also operate farms have been disposing of surplus farm produce by sale to their own employees at reduced prices. This practice has now been stopped.

2/.....

Declassified E.O. 12356 Section 3.3/NND No. 785021

(c) WD employees are very much aware of the fact that their employment will cease when the Allied Forces move forward, while TALUBT employees will remain undisturbed.

6. Repr Cesare del Lavoro supplied useful facts and figures.

7. The Sub-Committee, after consideration, agreed to the following:-

(a) In view of the fact that Buff Book Basic Rates concerned are already higher than equivalent TALUBT Basic Rates (although in Take-Home Rates TALUBT are the higher), increase should take the form of an additional Cost-of-Living Bonus, applicable in TENOI Province only. It should be for Trades as under, and effective from 1 Apr 45.

1. Ref AFLR(Italian) Board L&W/214A received 14 MAY 45, para 6.

2. In view of the volume of urgent work necessitated by immediate conditions, it will not be possible to send to the thirty-fourth meeting of the Labour & Wages Control Committee on 23 MAY 45 a rep from this HQ.

3. It is therefore requested that, if such action be considered expedient, rep D Lab AMHQ may represent as necessary points as in para 4 below in support of action taken by DISTONE Sub-Committee as described in the a/m, Appx "C".

4. (a) Certain Emp Units in TERNI Province had lost Workers to TALUST because TALUST Take-home rates for Grades concerned had reached a level higher than that of equivalent Buff Book Take-home rates. Such losses would almost certainly continue and increase.

(b) Furthermore, certain of the Emp Units concerned, and especially 94 CCD SARC, were engaged on work of the most pressing operational urgency. Immediate action was therefore considered essential.

(c) Differences between TALUST and Buff Book Rates are set out in the a/m, Appx "C", para 7(b). Comparison thereof with 4(d) below demonstrates that maximum increases authorised by DISTONE Sub-Committee are no more than sufficient to restore the balance.

(d)(i) Maximum increases authorised are for TERNI Province, for specified Grades, and for application as, when and where necessary, only. They are as in 4(d)(ii) below. In practice only a small part of TERNI Province incl TERNI and NARNI but excl ORVIETO, has been affected.
