I beg to apply to your kindness for a matter, in which I am deeply interested.

The unique son of one of my friends is prisoner of war in Algeria and he did not succeed in obtaining his repatriation, in spite of his being affected by pleurisy.

The parents are desperate and are trying in all possible manner to have him repatriated, but till this moment without success.

I take the liberty to apply to your courtesy and kindness in requesting you to get into touch with the competent office of the Allied Command, in order that this poor boy may be sent back home and cured by his own family.

You will kindly excuse me for the trouble I give you, but I like to bring some happiness to the house of my friends, and I assure you of all my gratefulness for what you will do in this connection.

Yours truly

*Doc. 77/68*  
Si dichiara che la famiglia del caporale Forti Renzo attualmente prigioniero in America ha contribuito notevolmente alla lotta di liberazione Nazionale contro i fascisti e i tedeschi affiancandosi generosamente al Corpo Volontario della libertà: alloggiando e nascondendo patrioti, fornendo loro cibi, indumenti, munizioni, informazioni militari; correndo in determinati momenti pericolo di vedere incendiata la propria abitazione, distrutte le sostanze, internato in Germania o uccisi i membri della famiglia in seguito alle feroci disposizioni emanate dalle Autorità Nazi-fasciste.

Essa è tra le famiglie del luogo una di quelle che maggiormente si è distinta per la sua fede nella causa democratica e anti-fascista offrendo, come sopra si è detto, concreto e generoso contributo.

Nei riguardi del militare stesso, caporale Forti Renzo il cui indirizzo attuale è il seguente: Prisoner of War 5 W I 3594 Camp Fort Meade Box 20 C.P.O. *New York* N.Y., questo Comitato di Liberazione Nazionale, per quanto gli consta e per quanto ha potuto sapere da informazioni assunte è in grado di poter assicurare che il suddetto Forti Renzo è sempre stato di idee schietamente e sinceramente antifasciste, non ricoprì mai cariche alcuna nel fascismo ed anzi fu più volte minacciato perchè la di lui condotta lasciava troppo palesemente trasparire le sue idee antidittatoriali a tutti note.

Tale dichiarazione serve per conferma davanti a qualsiasi Autorità.

File N° 1115/AG - 2 - 364

SUBJECT: Repatriation of the POW Simeone Pasquale,  
son of Filippo.

TO : The Presidency of the Council of Ministers - Cabinet -,  
ROME.

A list of workers and technicians, who are prisoners of war, was forwarded to you with letter N° 254 A.G. of 31.3.1945, with the object of proposing for repatriation, among others, the Lieutenant Simeone Pasquale, son of Filippo, N° 80999, belonging to camp 28, Wing 3/A, c/o G.P.O. Bombay (India).

This Ministry is requesting you kindly to furnish particular information about the above mentioned Lieutenant, regarding his repatriation by care of the Allied Commission.

This request is grounded on the fact, regularly proved, that on 17 March 1945 the father of the mentioned officer died, leaving the family in a hard situation. This family, indeed, composed of the mother who is very old and not very healthy, a sister, wife of an officer of the Italian Army who is actually prisoner of war in Egypt, with three little children - gets the means for its subsistence from the cultivating of various pieces of land. After the death of the only person able to administer them, these lands are now rather abandoned, so that the family remains without any income.

Dear Comm. Simeone,

With reference to our conversation of Tuesday last, I have great pleasure in sending to you copies of the following publications issued by the British Ministry of Labour:

- (1) Industrial Relations Handbook
- (2) Ministry of Labour Gazette, for the months of June and July 1945
- (3) Ministry of Labour Handbook
- (4) Engineering Bulletin, for September 1944 - page 8 of which gives up-to-date details of the organisation of the Ministry.

I note that copies of the Ministry of Labour Gazette are sent to you each month by Mr. Braine from the British Embassy.

With regard to your nephew who is a Prisoner of War in India, as indicated in telephone message of yesterday, I have consulted the appropriate Allied Authorities on this matter, and it is suggested that you should make a further application for the release of your nephew through Italian Government channels, and send to us a copy of such application. We will then arrange to have it supported and recommended both by this Sub-Commission and by the Agriculture Sub-Commission.

Yours very truly,

Caro Comm. Simons,

Riferendomi alla nostra conversazione di Martedì scorso, ho il piacere di poterle inviare le copie delle seguenti pubblicazioni fatte dal Ministero del Lavoro Britannico:

- (1) Industrial Relations Handbook
- (2) Ministry of Labour Gazette, per i mesi di Giugno e Luglio 1945,
- (3) Ministry of Labour Handbook
- (4) Engineering Bulletin, per Settembre 1944 - alla pagina 8 si trovano dettagli aggiornati dell'organizzazione del Ministero.

Ho notato che i numeri della Gazzetta del Ministero del Lavoro le sono inviati ogni mese tramite il Sig. Braine dell'Ambasciata Britannica.

Circa la questione di suo nipote prigioniero di guerra in India, come mi e' stato riferito per telefono ieri, mi sono rivolto alle autorità Alleate competenti in materia. Le consiglio di rinnovare la richiesta per il rimpatrio di suo nipote presso il Governo Italiano, e di mandarci una copia di questa richiesta. Provvederemo allora a farla appoggiare a raccomandare sia da questa sottocommissione che dalla sottocommissione dell'Agricoltura.

Con i miei più cordiali saluti,

F. PROCTOR

SUBJECT: Repatriation of Prisoners of War  
for Employment as Industrial Specialists.

Dear Signor Barbareschi,

The Italian Prisoners of War Sub-Commission of the Allied Commission has drawn our attention to the fact that the Uffici del Lavoro at Bologna, Piacenza, Modena and Ravenna have, during the last ten days or so forwarded a considerable number of applications for the repatriation of specially qualified prisoners of war.

These applications have been addressed direct to the Italian Prisoners of War Sub-Commission of the Allied Commission, whereas they should have been submitted through Italian Government channels for a decision by the Council of Ministers and for the application of a priority.

It has been necessary to pass the applications to the Italian Ministry of Post-War Assistance for their action and recommendation.

In order, therefore, that delay and unnecessary work may be obviated, it would be appreciated if you would request the Uffici del Lavoro in the towns mentioned to arrange to forward any further applications of this nature through Italian Government channels in the first place, instead of addressing them direct to the Allied Commission.

Yours very sincerely

OGGETTO: Rimpatrio di prigionieri di guerra  
per l'impiego come lavoratori in-

Caro Signor Barbareschi,

La Sottocommissione per i Prigionieri di Guerra Italiani della Commissione Alleata ha attirato la nostra attenzione sul fatto che gli Uffici del Lavoro a Bologna, Piacenza, Modena e Ravenna, durante gli ultimi dieci giorni, hanno spedito un rilevante numero di domande per il rimpatrio di prigionieri di guerra aventi speciali qualifiche.

Tali domande sono state indirizzate direttamente alla suddetta Commissione per i Prigionieri di Guerra Italiani della Commissione Alleata, mentre avrebbero dovuto essere sottoposte attraverso le competenti Autorità italiane alla decisione del Consiglio dei Ministri e per stabilirne la priorità.

E' stato necessario di passare le domande al Ministero Italiano per l'Assistenza Post-bellica per provvedere in merito e per la loro raccomandazione.

Onde evitare in avvenire dei ritardi e del lavoro inutile, ci farebbe cosa grata se volesse richiedere agli Uffici del Lavoro nelle summenzionate città di disporre, affinché ogni ulteriore domanda di questo genere venga anzitutto presentata attraverso le Autorità italiane, invece di indirizzarle direttamente alla Commissione Alleata.

Con i migliori ossequi

1. This confirms telephone conversation: PROCTOR-BROODBANK and acknowledges your LSC/1003 dated 11 Aug.
2. During the last ten days this Sub Comm. has received packages containing applications of this nature from the "Ufficio Regionale del Lavoro (Ministero del Lavoro e della Previdenza Sociale)" at BOLOGNA, PIACENZA, MODENA, RAVENNA.
3. All such applications must be submitted through Italian channels for a decision by the Council of Ministers, and allocation of priority.
4. Allied Commission then deals with such cases as may be forwarded by the Italian Ministry of Post War Assistance (PW Bureau) on behalf of the Council of Ministers.
5. Applications received, and referred to at para 2 above have been passed to the Italian authorities and request has been made that local labor offices be informed of the correct procedure.
6. As it seems likely that this sudden influx of applications is due to misguided advice given by AC labour representatives in this area, may the correct procedure as outlined above, please be brought to the notice of these concerned.

Reference is made to your letter of 16 August,  
Proct. No. 3915/0514 with which you enclosed a list of  
Italian workers at present in Germany.

Inquiries have been made in this office and it is  
regretted that there does not appear to be any machinery of  
Allied Commission through which contact can be made with  
the individuals concerned. We are, however, informed that it  
is a responsibility of the Italian Red Cross to make in-  
quiries through their own channels with regard to Italians  
who have been taken away from Italy to work in other countries.  
It is suggested that you forward details of the workers to the  
Italian Red Cross and that you elicit their help in tracing  
these people through the International Red Cross machinery.

It is regretted that we have not been able to give  
material assistance, but it is hoped that efforts on the lines  
we suggest above will be successful.
