SUBJECT: Personnel Communications Sub-Commission.

TO : Executive Commissioner

*Original not sent as condition.*

1. In accordance with your request in connection with *changed* for the Communications Sub-Commission it was stated that a British staff of 1 Lt. Col., 1 Major and 1 Captain would suffice to perform the functions of this Sub-Commission regardless of whether these functions were performed within the structure of the AC or AFHQ. This staff was exclusive of AGO 13 Corps where a British Major would be required.

2. It is not known when the proposed British W.E. will go into effect nor is it known what decision, if any, has been reached with reference to the future of the Communications Sub-Commission. It is obvious however that after about the 1st of July release of officers will have been such as to reduce the number of available officers below the proposed British W.E. There is given below a list of British officers now assigned to this Sub-Commission with dates of expected release.

3. On the assumption that Major Holland leaves July 5, as of that date the British officers in the Sub-Commission would consist of Capts. Maddock and West. Capt. Maddock is fully qualified to act as Postal Officer and is deserving of promotion to Major. Capt. West is not qualified to be the only telecoms officer in the Sub-Commission and there would therefore be a need for one Lt. Col. of Signals for duty with the Sub-Commission on the departure of Lt. Col. H.T.W. Millar.

4. It is recommended that, if the functions performed by the Sub-Commission are to continue beyond the departure of Lt. Col. Millar, a request for a qualified replacement be made at once.

SUBJECT: Telecomms Officer: Venezia Giulia

TO : S.C.A.O. Venezia - Giulia

Att: Telecomms Officer and Postal Officer.

1. It is expected that Major H.A. Hayward Royal Corps of Signals will be available for posting within the next few days to Venezia-Giulia. P.22. .CS

14th June, 1945

SUBJECT: Transfer of Territory

TO: Establishment Section

With reference to 9/6B/CA of 8th June, 1945.

1. In view of the fact that civil rail communications from South to North terminate in Toscana and that tele-communications facilities are also difficult from that Region northwards it is very desirable that a representative of this Sub-Commission should for the present continue to be stationed in the area.

G1 2. 1st Lt. A.J. Allen, O-101637 Cav. (A) Postal Officer Toscana Region would be the most suitable officer to retain in Toscana for this purpose.

3. If it would not be practicable to retain him at his present station - Florence - perhaps he could be posted to the staff of the Commissioner Livorno Commune.

G4 4. It would, of course, be essential for Lt. Allen to be provided with personal transport to enable him to carry out the duties contemplated.

1. It has again been brought to the notice of this Branch that the instructions laid down in this Office letter C-13/432/OR dated 17 September 1944 (copy attached) are not being complied with. ORs are being despatched to this H.Q. from Regions for onward routing to training depots without being in possession of Sick Reports (AF.B.255), Clothing & Equipment Report (AF.B.1157) and Field Conduct Sheets (AF.B.122), and in many cases without a copy of the posting order or movement order. This practice will be discontinued and in future all documentation will be completed before O.R.s are despatched to this H.Q.

2. In order to obtain uniformity of posting O.R.s a proforma similar to the one attached hereto will be used by Os.C. Brit. Det. of all Sub-Units of this Commission w.e.f. date of this instruction. G.S. Br. Det. at this H.Q. will continue to use the proforma as heretofore.

1. MEDICAL INSPECTIONS.

All British Other Ranks will be medically examined before leaving their permanent station or being posted or attached elsewhere. The result of the medical examination will be recorded on the Sick Report (A.F. 5256), a copy of which will be forwarded to the new Region or Formation to which the O.R. is ordered to report.

In connection with the above, the attention of all concerned is directed to "Regulation for the Medical Services for the Army" Para 186 Sub-para (a).

2. PAY C.Rs.

Sufficient attention is not being paid to the State of British O.R.'s accounts with the Paymaster by the responsible officers in Army A.R.Cs. and Regions.

The attention of all British Officers is directed to their personal responsibility in this matter. In the absence of official knowledge of the State of a soldier's account, an officer has no authority to make a payment in excess of the net rate of pay shown in AB 64 Part II. If he does so, he may be called upon to make good from his own pay, any resulting loss to the public. The write-off of a debt on a soldier's account does NOT preclude subsequent consideration of whether the officer or officers responsible for the over-payment should make good the loss of public funds.
