Sjt A. E. Scott, 14559963, has been a member of the British cipher team attached to Headquarters, Allied Commission. The work is of a confidential nature and demands a particularly high type of individual, both in intelligence and integrity. Working with top level, confidential, messages, members of the cipher team must be accurate and rapid in their work, and they must be on the alert for breaches in security. 1. Corporal Hosler does not have sufficient time in grade to qualify for promotion to sergeant. However, there are extenuating circumstances which make the promotion desirable.

2. Corporal Hosler is the non-commissioned officer in charge of the Signal Center by virtue of his knowledge of signal procedure and his abilities as a non-commissioned officer. There is no other man in the organization capable of holding the position. He is charged with the direction of the work of eight other enlisted men, five of whom are also corporals of approximately equal or more time in grade. Corporal Hosler's promotion would contribute to the efficiency of the Signal Center.

3. In view of his added duties, considerable additional responsibility, and excellent performance in this position for a period of a month, it is requested that the application for his promotion be considered on bases other than time in grade.

HEADQUARTERS ALLIED COMMISSION
SIGNAL SECTION

11 November 45

TO : WHOM IT MAY CONCERN

Technician 5th Grade Edward C Moore has been a member of this Section for the past month. During this period he has performed his duties in an excellent manner. At the time of Tec 5 Moore's arrival the signal center at this headquarters was completely disorganized due to redeployment. Tec 5 Moore took over the duties assigned him in an exemplary manner. Since that time he has continued to improve the efficiency of the center and has succeeded in leaving the center in a much better condition than it was in before his arrival.

Tec 5 Moore has displayed personal characteristics of the highest quality.

It is a pleasure to recommend Tec 5 Moore without reservation and I feel confident that he will be an asset to whatever organization he joins in the future.

I wish to add that this is an unsolicited recommendation.

SIGNAL SECTION
ALLIED COMMISSION

2 November 45

Subject; Request for a vehicle.

To : Dispatchers Office, Allied Commission

1. Request the use of a vehicle on Saturday , 3 Nov and Sunday , 4 November 45. I am going to Naples and Caserta in connection with personnel replacement in this section.

2. A private car is requested as I am not certain as to the exact location of the various headquarters I must visit. Previous experience in this sector has shown that it is very difficult to find transportation between the various headquarters and the distance separating them makes the above transportation very necessary to properly accomplish my mission.
