CERTIFICATE OF LOSS WITHOUT FAULT OR NEGLIGENCE

1. Pursuant to provisions contained in MTCUSA Circular No. 45, dated 21 March 1945, the following listed property was lost, damaged or destroyed in the service of the United States in pursuit of Allied Military Government and Allied Commission functions, without fault or neglect on the part of persons concerned.

Signal
(Class of Property, Ordnance, Medical, etc.)

ARTICLES	QUANTITY	TOTAL COST
Loudspeaker, LS-3	5	100.00
Cord, CD-267 and Plug	5	14.05
Grand Total		<u>114.05</u>

(date and circumstances)

2. I certify that on 21 November 1944, 22 November 1944, 11 December 1944, 11 April 1945, and 26 April 1945 the above equipment was issued on memorandum receipt, shipping ticket, or hand receipt to AC-MAG units in the field for the purpose of receiving general communications of interest and importance to operations. At the time of issue, these units had no other means of receiving communications. In an effort to recall the equipment, careful searches have been made by the units, but none of it can be found. Officers who signed for the equipment are no longer in the theater. I believe, due to fluidity of operations and changing of personnel, both British and American, in field units, that this equipment was lost without fault or neglect.

3. It is requested that approval be given to drop above-listed property from the records of this organization, as it is considered that the loss, damage or destruction occurred through the fault or neglect of no one concerned under the circumstances as stated above.
