Only today and after a lengthy correspondence between us and FEDERCONSORZIO of FORLI', we have been able to send you the Transfer Note No 0833, relating to soup shipped right away from Ancona by the car 223376 on May 19.

The fact is that the car, which was to be sent to Forli' was loaded by Allied staff and they sent it there without informing us. We knew about it only when Forli' informed us they had received the stuff without Trasfer Notes. Only then we were able to make the necessary enquires.

INVIO MERCI -

Solo oggi, dopo lunga corrispondenza intercorsa con la Consorella di Forlì, abbiamo potuto dar seguito all'emissione della nota di invio n° 0833 riguardante un vagone di zuppa spedita direttamente dal porto di Ancona in data 19 Maggio u.s.

Infatti, il vagone n° 223376 destinato a Forlì, venne caricato e spedito direttamente dal personale alleato il quale aveva omesso di farcene debita comunicazione e solo quando Forlì ci riferì di aver ricevuto il detto vagone, senza la relativa nota di invio, da parte nostra vennero iniziate le necessarie ricerche.

Tanto abbiamo creduto opportuno di comunicarVi e distintamente Vi salutiamo.
