SUBJECT: Inventory Report At Alcom Depot 12L53 (Red Cross)

TO : Alcom, Transportation Sub-Commission,
Shipment, Port & Warehouse Division,
APO 394, U. S. Army

1. A physical inventory report was submitted to this office as of January 1, 1945 by Alcom Depot 12L53 which is under the supervision of Sam Smith, Red Cross civilian War Relief Dept. This office immediately set up accounting records based on the aforementioned inventory report. However, fifteen days later (January 15, 1945) a book inventory was requested and received by the Accounting Branch. This report was compared with the records of this office and revealed differences in fourteen commodities.

2. M/Sgt N. Guy and Pvt lcl N. Lombardi immediately proceeded to Alcom Depot 12L53 to examine the accounting records kept by Sam Smith. This audit disclosed that Smith did not alter his accounting records to agree with the physical inventory report submitted to this office as of 1 January 45. His reason for failing to do so was that he complained of the difficulty in taking an accurate physical count according to items of the commodities warehoused at 12L53.

3. Request instructions whether or not to alter the accounting records of this office to agree with those at 12L53 and also request necessary action be taken to prevent records coming to this office which lack the confidence of the originator.
