SUBJECT : Physical Inventory.

TO : H.Q. Allied Commission,
Transportation Sub-Commission,
Accounts Section.
(Attn. Capt. Wyatt).

1. The undernoted adjustments were necessary in order to bring the book records into line with the physical check on goods stored in this Depot as at the end of April 1945.
2. In repairing broken sacks and in the process of re-sacking, a greater quantity of flour was salvaged than the total amounts allowed for originally. This also applies to sugar, and to the re-casing of broken cases of Soup. Receiving Report No. 54 A refers.
3. The amounts of M. and V. lost in re-casing and Salt lost in re-sacking are shown in Transfer Note No. 4.
4. Due to the difficulty of making an accurate count of soap and lard, no adjustments to these items have yet been made.
