SUBJECT : Planning for Austria

TO : Distribution below

1. Attached herewith is a nominal roll of officers who have been provisionally earmarked for military government in AUSTRIA. The nominal roll is divided into five parts as follows:-

G-5 Staff AUSTRIA
ACA Accounting & Currency Section
CAU VIENNA (Br element)
CAU STEIERMARK
CAU KARNTHEN

2. It is proposed that G-5 AF HQ shall periodically (not more frequently than once a month) issue a new nominal roll to bring the previous one up to date in the light of possible amendments.

3. Arrangements are well advanced for officer replacements where considered necessary with priority to the Regions of PEMONTE, LIGURIA, LOMBARDIA, VENEZIA and ABRUZZI-MARCHE.

4. Except for a small number of officers who will be required for planning it is not anticipated that there will be any movement of officers on a permanent basis until officer replacements are either in position, or have been nominated.

5. Many of the officers nominated for AUSTRIA will be called upon to attend a Course of Instruction on AUSTRIA. The Course will be of approximately 14 days' duration, after which they will return to their duty stations.

6. Nothing in this letter or the attached nominal rolls will be taken as meaning that an officer will finally be selected for the appointment for which he has been provisionally earmarked. The fact that an officer's name appears against an appointment of a higher grade than his present rank, does not mean that the officer has been, or ever will be, recommended for such promotion.

7. There has been some misunderstanding regarding Military Government teams for AUSTRIA. It is desired to make it clear to all concerned that they are part of an operational organisation, and the question of whether an officer desires to remain in the service at the end of hostilities does not arise.
