ENLISTED MEN / OTHER RANKS - GENERAL

July 1944 - June 1946

Tel. No; ROME 489081, *B* t. 573 *In + Ship.*Subject: D.O.V. of W.O. and N.C.O. ClerksHeadquarters,
Allied Commission (EMALY),
C.M.P.Ref. G-1(B)/111/A.

11 June 46.

See distribution below.

1. The following is the text of a message received from GHQ, CIP:-

"It is obvious that numbers of reinforcement clerks sufficient to maintain even a reasonable standard of efficiency will not be made available on UK in future. All are therefore warned that present holders of WO and NCO clerk appointments cannot be replaced from resources other than their own if allowed to proceed on release or PROMOT.

Although existing training facilities will continue to produce clerks of low grade, only in exceptional circumstances can it be expected to find material suitable to assume supervisory appointments. CIP are reluctantly compelled to accept necessity for immediate D.O.V. action in respect of WO clerks and NCO clerks in key appointments. Nevertheless these WO's and NCO's will only be D.O.V. in cases where replacements are impossible to find and always on an individual basis".

2. Bearing in mind the fact that the provision of re-inforcements for senior clerks in Allied Commission is now almost impossible, you should consider whether or not it is necessary to initiate D.O.V. action in the case of the clerks serving at your H.Q. or in your Branch. Applications for D.O.V. action will be submitted to G-1(Br) this H.Q. on Appendix 'A' to GHQ Release Instructions 1945.

BY COMMAND OF REAR ADMIRAL STONE.

SUBJECT : Commendation of Personnel

TO : Director, Transportation S/C. ✓

1. On the morning of Saturday 22nd September 1945 urgent arrangements were being made to reinforce the Police strength in Naples in view of the Public Safety position, which had deteriorated following the employment of German P.O.W's at the docks.
2. At 12.40 pm it became known that 150 Carabinieri were available in Rome for transfer to Naples if Allied transport could be arranged.
3. The Police Division of this Sub-Commission telephoned to your Rails Division, and Sergt M.ROTHWELL was spoken to in the absence of officer personnel who were at lunch. He offered to explore the possibility of arranging a special train and at 1 pm confirmed that the matter was being discussed with the Railway authorities.
4. At 1.30 pm Sergt. Rothwell communicated to the Police Division the firm arrangement that sufficient railway trucks were waiting at Rome Termini and would leave for Naples as soon as the Carabinieri could arrive at the Station.
5. The arrangements made at such short notice proved entirely satisfactory, and I desire to place on record my great appreciation of the assistance rendered by Sergeant Rothwell. He received the original

information at a time when he might reasonably have been expected to have left the office for lunch, and the willing manner in which he carried on during his lunch hour reflects great credit on him and his Sub-Commission.

TO : Headquarters 2675th Regiment

1. The following named E.M. are known to have an Adjusted Service Rating Card score equal to or above the announced critical score of 85:

W/Sgt	Nathaniel Guy	51015263
S/Sgt	Enrico V. Barbaro	32085403
Pfc	Nicholas A. Lombardi	36223690
Pfc	Charles Quintiere	32060127

2. The above named men are not indispensable to the operation of the warehouse if qualified replacements are made available.

3. W/Sgt Guy is the only E.M. assigned at ALCON Genoa Port Depot to handle the accounts and records. Similarly, Pfc Lombardi is the only E.M. assigned at ALCON Ancona Port Depot to handle accounts and records.

4. It is essential that replacements for these two men be qualified accountants, with either army or civilian experience. It is further requested that the replacements have an opportunity to work with present assignees for at least two weeks before withdrawal.

5. S/Sgt Barbaro and Pfc Quintiere are excellent warehouse men, with Army Quartermaster training and with similar civilian experience. Further, they have been assigned with AC/AGO for warehouse work for approximately one and one-half year each.

6. It is requested that replacements be furnished with either Army Quartermaster Depot training and experience and/or similar civilian background.

TO : AMTC, G-4 (Mov & Tn)

1. Reference your G-4 (Mov & Tn) B/Org/AC, dated 9 February 1945.
2. We shall be grateful for an AMTC (M) Roads, if you can provide a suitable officer. Your offer of a M.C.O., Captain or Lieutenant for roads work is accepted, and he can be utilized as soon as available.
3. It is desired to retain the present DAWG (M) Shipping; probably the best solution would be to consider the present holder of this appointment as an exception to the general rule, and continue to hold him on A.C. establishment.
4. In all, provision is made for 6 military clerks, namely chief clerk and assistant chief clerk, head section clerks for Movements - Rail, Movements - Shipping, and Movements - Roads, and one spare clerk. At present the appointment of chief clerk is filled by a warrant officer on the A.C. establishment. There is no reason why this warrant officer should not remain on the A.C. establishment on the same basis as the present holder of the DAWG (M) Shipping. It is confirmed that the balance of the clerical staff can be found from civilian sources.
5. The cooperation and assistance we have received from G-4 (Mov & Tn) is much appreciated.

Sir;
I should like to draw your attention to the excellent work done in Naples by :-

S.Q.M.S. Iark
Tech/4 Giardino

while I was left in Naples after your move to Rome.

Both carried on with the work in a very painstaking and conscientious way. There was plenty of work to be done and they spared no effort to complete it satisfactorily.
