SUBJECT : Civilians (Br) for the Allied Commission (ITALY)

TO : Distribution below

1. It is desired to plan for the replacement, by civilians, of British Other Rank personnel in this HQ.
2. Will you, therefore, please make a survey of Other Rank posts which can be civilianised and forward your recommendations to this Branch giving the following information :-
 - (a) Qualifications of individuals or groups of individuals by equivalent army ranks, e.g. general duty clerks, shorthand typists, statisticians, office supervisors, specialists, etc.
 - (b) Any particular post which can be filled by an Italian civilian as opposed to a British civilian.
3. It will be assumed that civilians can be provided in equivalent army ranks from Private to W.O.1.
4. Please base your calculations on the phased programme assuming that your Sub-Commissions will remain very approximately at the same strength as at present for 3 months, but will then gradually decrease over a period of a further 3 months as responsibilities are handed back to the Italian Government.
