Subject:- Grain Movement by 1002 C.T.Company.

1. Herewith statement of grain moved by 1002 C.T. Company to date.

2. The programme has been greatly handicapped by very bad snow and ice conditions.

3. Every opportunity has been taken to backload A.M.G. supplies from Ortona and Coal from Avezzano and Pratola Peligna, as well as engineering materials when available.

4. With an improvement in weather conditions movement of grain will be considerably accelerated, and a start made with exports by rail from Ortona to the South.
