UNCLASSIFIED.

Approval in CAL 1477 dated 22 August to release sufficient vehicles to produce 20 thousand tons of roadworthy lift regardless of size of vehicles is subject. Request information be obtained from Italian Government to indicate breakdown to type of lift desired. Show proportion of tonnage desired in each of the following categories; proportion of tonnage in each category should coincide roughly with the broad estimates of percentage availability shown in column 2; light passenger vehicles similar to 1/4 ton and 3/4 ton C and R, 5 percent; light cargo vehicles such as 3/4 ton WC and 1 1/2 ton cargo, 15 percent; heavy cargo vehicles 2 1/2 ton capacity and above, 4 percent; tractor-trailer combinations, 10 percent; trailers 1/4 ton and 1 ton cargo, 23 percent; dump trucks, 5 percent; ambulances, 3/4 ton, 2 percent. Submit above by 10 September.

As required and subject to availability up to 50 percent above authorized tonnage is allowed in unserviceable vehicles to permit cannibalization to produce roadworthy lift.

You will continue to take over and guard these vehicles when delivered by PENTABASE as agreed Reurad 4011 dated 21 August current.

Related subject: CAL 1477 also authorizes release against above commitment, vehicles of all sizes. Instructions in paragraph 2, EX 36580 which limit type vehicle to 2-1/2 ton and larger capacity is superseded
