//////////////////////////////////// LAST ITEM //////////////////////////////////////

Delivery: To be picked up by Transportation Subcommittee for Montecatini Company as stated in para 2 below.

JUSTIFICATION:

1. The above material is urgently required for the repair of 27 barges owned by the Montecatini Company. These barges had been sunk but have been raised. They are to be used in the discharge of ocean going vessels, making possible for quicker discharge. They will also be used in lightering ballast to ocean going vessels. Urgency of request made in concurrence with WSA and Director of Harbor Craft, Naples.

2. The above materials on requisition are reported available at the Engineer Depot, PENBASE, Naples+.

3. The Montecatini Company is prepared to pay for all material supplied.

RATING: II
