2. In LOMBARDIA each province has its quota and functioning. Well established in GENOVA been working since early May. Work has commenced in VENETO. PIEMONTE late starters owing to difficulty of selling rept selling ourselves to those concerned. Expect to start working in PIEMONTE almost immediately. Am going there today. strength of force 785 but not up to establishment yet. Expect to include TOSCANA and EMILIA soon. Owing to fact that each province has to be visited little time is spent in office as so much ground has to be covered and there are always small local difficulties to be settled.
