2. Ultimate disposition ALCON trucks rests upon many factors now best known to G4 of 5TH ARMY. Until end phase one all civil commitments including refugees must be met. If excess vehicles occur during this phase, 8TH ARMY and 13 CORPS should have first refusal. Remainder can then be assigned to regional pools.
3. Suggest early meeting representatives all addressees to discuss subject and effect reallocation based on shown needs. Inasmuch as vehicles are now at your disposal, suggest you call meeting when definite number of trucks are about to become available.
